NO CLEW TO THE SENDERS OF DYNAMITE

Police Making an Investigation.

FIND NO MOTIVE FOR CRIME

GEORGE HALL, THE VICTIM, POPULAR IN SOCIAL LIFE.

As Consul General of Turkey in This City He Has Become Identified With Local Business and Clubs.

Chief Lees has instituted an investigation to discover the sender of the mysterious packages of explosives which have been mailed to George E. Hall, Consul General of Turkey.

Mr. Hall has received many of these packages. At first he paid little attention to them, but finally began to fear that an infernal machine, which would explode on being opened, might follow the

comparatively innocent packages, and accordingly reported the matter to the Police.

As yet nothing has been discovered beyond the fact that all were apparently sent by the same person, although mailed from different places.

The postal inspectors have not taken any action in the matter, as this has not been formally reported to them. Inspector Erwin said yesterday that he knew nothing of the matter beyond the story outlined in "The Call" of yesterday morning.

The sending of explosives through the mail is a grave criminal offense and if the perpetrators are discovered they will be prosecuted by the United States authorities.

No motive for the acts can be assigned. Mr. Hall is well known in social and political circles and is a general favorite.

CHINESE LAUNDRYMEN ORGANIZE A TRUST

Control the Business in Greater New York and Raise the Price of Washing.

NEW YORK, Nov. 8.—A trust of Chinese laundrymen is the latest. It is called the Dop Song Kong Sow, and it has its tentacles wrapped around more than 1000 Chinese laundrymen in Greater New York. Gradually the movement to amalgamate the Chinese laundrymen is spreading, and the organization in this city is practically the home organization of a combination that has branches in every large city in the country.

On the books of the State of New York the Dop Song Kong Sow is called the Greater New York American Laundry Association. It was incorporated in January, 1898, but not until within the last month has any active work been done by its officers. Now there is great hustling at the headquarters, 28 Mott street, and expert Chinese scribes are busy every day placing the names of new members in a large book.

Last month the price of washing and ironing a shirt was raised by every member of the trust to 10 cents, and fees for polishing collars and cuffs were likewise increased. Strenuous efforts were made to increase the membership of the trust, and the Dop Song Kong Sow flourished exceedingly. Then the Hebrew Laundrymen's Association started a laundry war, but Love Sing, president of the Dop Song Kong Sow, has arranged for a conference with the Hebrew Laundry Association for Tuesday night, and hopes to come to an agreement.

Mustered Out Slowly. LOS ANGELES, Nov. 8.—It is asserted by the officers of the Seventh Regiment that the mustering out process will consume at least three weeks and that the regiment will be in camp at Agricultural Park in this city for at least that length of time, beginning on November 12. MAY PURCHASE ADAMS POINT WITHOUT BONDS

Growth in Value of City Hall Lot.

ORIGINALLY SOLD FOR \$17,500

E. C. SESSIONS SPEAKS OF AN EARLY DAY DEAL.

Movement to Have the Lot Sold and a Park and New Hall Proceeds.

Oakland Office San Francisco Call, 908 Broadway, Nov. 8.

The sale of the City Hall site is now the most prominent subject before the people of this city. Since the defeat of the park bond proposition Mayor Thomas has made the statement publicly that by selling the City Hall block Adams Point could be purchased, and that there would be enough left to build a magnificent City Hall.

Mayor Thomas states that he has a guarantee that \$600,000 can be obtained for the block. Of this sum \$250,000 would be paid for Adams Point, leaving \$350,000 for a new City Hall and site.

On May 20, 1888, Edith Biglow and E. C. Sessions sold to the city of Oakland the lot on which the City Hall now stands. The price paid was \$17,500, and at that time Mr. Sessions and Mr. Biglow were said to have asked a very generous price.

Speaking of the matter to-day Mr. Sessions said:

"I think it would be a good plan to sell the City Hall site, for the land is altogether too valuable for the purpose to which it is now put. There is no need to have a free library, fire engine house and a prison on ground that is worth nearly \$500 a foot frontage. Thirty years ago, when I sold that block of land to the city, there were many who said that it would never be more valuable than it is now. I sold that block of land for a fabulous price for it. Now the Mayor assures me that he has a genuine offer of \$600,000 for the lot that we sold for \$17,500. The City Hall block, with advantage, is moved several blocks from where it now is, and at the same time Oakland could acquire the Adams Point property without any bonding proposition."

Many of the most prominent people have expressed their views in regard to the sale of the City Hall site, and the great majority are in favor of carrying out the plan suggested by the Mayor.

HELD UP BY FOOTPADS.

John W. Winkler Assaulted on His Way Home and Relieved of \$64.

OAKLAND, Nov. 8.—John W. Winkler, a carpenter, while on his way home at about 6:20 o'clock to-night was held up by two footpads on East Sixteenth street near Fruitvale avenue. He was relieved of \$64.

According to his story, as told to the police, the footpads were the conventional tall and short man. The former wore a dark suit, while the short man was dressed in gray. Both carried a revolver. Winkler promptly obeyed the order, and after the short man had relieved him of his money, the tall man said he was so badly frightened he would be unable to identify his assailants. However, they left no clew.

A Victim of the Mohegan.

OAKLAND, Nov. 8.—A divorce suit has been received by Judge Vane of this city from Leonard A. Crane, a son of Mrs. S. P. Crane, whose life was lost October 14 in the shipwreck of the Mohegan off the southwest coast of England. He had just started (November 7) from San Francisco for California with the remains of his mother to be laid beside her husband, the late A. C. Crane, in the cemetery at Santa Cruz. Notice of the funeral will be announced when the date of Mr. Crane's arrival shall be ascertained.

Insufficient School Funds.

OAKLAND, Nov. 8.—School Superintendent McLymond, in his report to the Board of Education last night showed that unless assistance comes from the new tax levied on the property of the city, the school will have to close a month earlier than usual, in order to avoid a deficit in the funds. At the present rate of relative income and expenditure, there will be a deficit of \$421 1/2 at the end of the school year.

Burglars Running Riot.

OAKLAND, Nov. 8.—Three more burglaries have been reported to the police. The houses entered were those of Dr. J. P. Sarsfield, 1202 Filbert street; Mrs. S. M. Brabury, almost opposite the latter, and that of Judge J. L. Bolt, corner of Filbert and Twelfth streets. Considerable jewelry and food was taken.

Lost His Fingers in One Clip.

OAKLAND, Nov. 8.—Alexander Cumber, a farmer at Pinole, lost the fingers of his right hand yesterday while running a hay

mower. His hand was caught between the knives of the mower, and he is thankful his lucky stars that he did not lose the fingers. The unfortunate man could not secure medical or surgical attention until this morning, when Dr. Sarsfield, of the Porter hospital, treated his wounds.

To Prevent Diphtheria Epidemic.

OAKLAND, Nov. 8.—Health Officer Dunn is taking all necessary precautions to prevent a threatening diphtheria epidemic. This precaution is being taken by the death of a child last night and another this morning from malignant diphtheria. In these two cases the children of the families have been thoroughly fumigated. There is still another case of the disease in this city.

BACHELORS BOYCOTTED.

Marriageable Misses of the Enclinal Ostracize the Members of an Anti-Nuptial Club.

ALAMEDA, Nov. 8.—The marriageable misses of Alameda have boycotted the members of the Bachelors' Club. This organization was formed recently and those connected with it entered into a contract not to become benefactors for at least twelve months, nor to encourage any social measures, unless they are hardly a dozen members, and if the intentions of the young ladies are carried out to the letter the bachelors will be forced to form a club of their own, or the program is to ostracize them.

The first sign of hostilities was manifested when the Enclinal Nuptial Club, of which the bachelors are members, announced a promenade. The young ladies of this city presented their ultimatum. The word went forth that unless the anti-marrying dozen were wice promeneaders who procure matrimonial inclinations, the marriageable misses would not attend the function.

The directors agreed to put the bachelors in the handball court, where they will be exhibited as curios and subjected to the progress of the concert. They will, no doubt, be severely punished.

In addition to their miseries the secretary of the Bachelors' Club has received a letter signed by the young ladies of Alameda, in which the writers pray that the members of the organization change their compact so that their state of bachelorhood will be extended for a period of twelve months. The officers of the Bachelors' Club are Dr. W. R. Hughes, president; C. C. Wacker, secretary, and H. L. Zimmerman, treasurer.

Charitable Little Folks.

ALAMEDA, Nov. 8.—An entertainment, arranged and managed by the little folks of the Alameda Friday evening at Armory Hall. The purpose is to raise funds to give a Thanksgiving dinner to the children of the poor. The program will include the following: Piano solo, Nick Reinecker; recitation, Ethel Seidenberg; song and dance, Della Moore; vocal solo, Vera Form; recitation, Willie McStay; violin solo, Ed Kruckeberg; recitation, "The Star of Bethlehem," Gertrude Pastel; recitation, Minnie Seidenberg; two farces, "Lord Dunderbuck's Visit to Wood Green" and "Ann Susan Jones," will conclude the entertainment.

Death of a Veteran.

ALAMEDA, Nov. 8.—Everett J. Ames, commander of Joe Hooker Post, G. A. R., died at his home at 1040 Central avenue, Alameda, 464 Central avenue. His illness was very brief. He was a native of New Hampshire, 65 years of age.

An Alameda Fire.

ALAMEDA, Nov. 8.—A defective fuse caused a fire this evening in the residence of Mrs. A. E. Liebenstein, 1425 Morton street. The fire did considerable damage to water and smoke.

Alameda News Notes.

ALAMEDA, Nov. 8.—The Enclinal Recreation Club has made the following nominations for officers: Samuel Center, W. D. Littleton, Dr. H. M. Pond, Joseph Masten, J. H. Walker, C. P. Reed, Dr. W. R. Hughes, George Dinsmore, Dr. W. R. Hughes, W. W. Goggin, A. C. Bates, G. N. Tyler, A. F. St. Cure, J. G. Stubbs, J. M. Brewer and Dr. T. Key.

FRENCH ARE READY FOR ANY OVERT ACT

Plot to Start a Riot in Case the Court of Cassation Inquiry is Favorable to Dreyfus.

LONDON, Nov. 8.—The Daily Chronicle this morning says: We have received information from a reliable quarter of a well organized plot in Paris, in event of the inquiry before the Court of Cassation proving favorable to Dreyfus, to foment a riotous outbreak in the French capital to attempt to overthrow the civil power and to assassinate the leading champions of Dreyfus.

These reports are confirmed by interviews with M. Trarieux, former Minister of Justice, and M. de Pressensac, foreign editor of the Temps, as well as others. The police have warned those friends of Dreyfus to change their residence temporarily, or at least to carry revolvers.

IS IT A TRIFLE?

THAT COMMON TROUBLE, ACID DYSPEPSIA, OR SOUR STOMACH.

Now Recognized as a Cause of Serious Disease.

Acid dyspepsia, commonly called heartburn or sour stomach, is a form of indigestion resulting from fermentation of the food. The stomach being too weak to promptly digest it, the food remains until fermentation begins, filling the stomach with gas and a bitter, sour, burning taste in the mouth is often present. This condition soon becomes chronic, and being an every day occurrence is given but little attention. Because dyspepsia is not immediately fatal, many people do nothing for the trouble.

Within a recent period a remedy has been discovered prepared solely to cure dyspepsia and stomach troubles. It is known as Stuart's Dyspepsia Tablets, and is now becoming rapidly used and prescribed as a radical cure for every form of dyspepsia or sour stomach.

Stuart's Dyspepsia Tablets have been placed before the public and are sold by druggists everywhere at 50 cents per package. It is prepared by the Stuart Chemical Co., Marshall, Mich., and while it promptly and effectually restores a vigorous digestion, at the same time is perfectly harmless and will not injure the most delicate stomach, but on the stomach giving perfect digestion strengthens the stomach, improves the appetite and makes life worth living.

MRS. PINKHAM TALKS TO THE FUTURE WOMAN.

Will the New Generation of Women be More Beautiful or Less So? Miss Jessie Ebnor's Experience.

A pleasing face and graceful figure! These are equipments that widen the sphere of woman's usefulness. How can a woman have grace of movement when she is suffering from some disorder that gives her those awful bearing-down sensations? How can she retain her beautiful face when she is nervous and racked with pain?

Youngwomen, think of your future and provide against ill health. Mothers, think of your growing daughter, and prevent in her as well as in yourself irregularity or suspension of nature's duties.

If puzzled, don't trust your own judgment. Mrs. Pinkham will charge you nothing for her advice; write to her at Lynn, Mass., and she will tell you how to make yourself healthy and strong.

Lydia E. Pinkham's Vegetable Compound strengthens the female organs and regulates the menses as nothing else will. Following is a letter from Miss JESSIE EBNER, 1712 West Jefferson St., Sandusky, Ohio.

"DEAR MRS. PINKHAM:—I feel it my duty to let you know of the great benefit your remedies have been to me. I suffered for over a year with inflammation of the ovaries. I had doctored, but no medicine did me any good. Was at a sanatorium for two weeks. The doctor thought an operation necessary, but I made up my mind to give your medicine a trial before submitting to that. I was also troubled with leucorrhoea, painful menstruation, dizziness, nervousness, and was so weak that I was unable to stand or walk. I have taken in all several bottles of Lydia E. Pinkham's Vegetable Compound and Blood Purifier, and am now in good health. I will always give your medicine the highest praise."
