OTHER UPSETS AT OAKLAND TOM CROMWELL BEATEN OUT BY MISTLETON.

Romany Left the Maiden Class. Abuse Ramped In After Miss Rowena Had Run Away.

Four Choices Drowned.

Horsemen from the State of Montana are rapidly acquiring an enviable reputation in local turf circles for sending good things to the post. Perhaps after the defeat of Montanus in the third event at Oakland yesterday, longer odds will be obtainable against thoroughbreds from the silver and copper regions. It was a seven furlong run, and Montanus, the entry of Billy Randall, was heralded far and wide as money from the old folks. His same "father's horse" and make no mistake, so his price when the betting opened was rapidly slashed from 2 to 1 to even chance. Bullman was the driver, and managed to get his mount away fairly well. In front for a few inches in the home, the Montana colt could not stretch it out, finishing third. Whaleback, ridden by Spencer, came from nowhere and led Ranier out a head. The winner was second choice in the betting. It is safe to predict that longer odds will henceforth be laid against horses from the northwestern country.

It must have been that the cold northern wind that blew over the course froze the blood in the veins of more than one favorite. Six heavily backed odds on one entrusted to the care of Mr. Ferguson, who had managed to come back in front with the money. The odds were not as large as on the preceding day, the laudis to odds of 5 to 2, carried off the sprint at the Futurity distance. The gelding was ridden by Cash Sloan, and in a flash he won the race, defeating a head. Master Lee, the favorite, was third.

The favorite set up to win the five furlong scramble that followed proved a very unreliable one. It was Campus, and not many of the first choices fell into third place. Esprando, a 7 to 1 chance, with Thorpe in the saddle, won all the way anchored at odds of 25 to 1 was a handy second.

In the mile and a furlong selling affair Mistleton, also ridden by Thorpe, made a remarkable run at the head of the stretch, looking hopelessly out of it. Thorpe squeezed through next the rail and in a hard dash defeated the favorite, Tom Cromwell, the favorite, a length. Guildler finished a close third. The winner really second in demand in the ring, though the price offered against Guildler was almost as short.

Tom Cromwell, the former David Tenny found the mile and a sixteenth run quite easy for him. Ruling an even money chance in the ring, Martin took lead with him at will, defeating Moringa nearly a length. Captive disposed of Bernardino for the show.

The Owners' handicap did not pan out well. There was a long and tedious delay at the post, during which Fly and Miss Rowena ran away with the leaders on their backs. When the barrier was finally released, Abuse, the favorite, was away in a flash and won the race. Fly and Mistleton finished ahead of Sly for the place.

ECZEMA OF THE HANDS

So Bad That Water Would Ooze Out and Drop on the Floor. Hands Full of Water Blisters. Doctor Could Not Relieve. First Application of CUTICURA Stopped Itching and Induced Sleep. Cured in One Month.

I had eczema on my hands so bad that when I shut them the matter would ooze out and drop on the floor. My hands were full of water blisters of a white color. I was under the care of a doctor for about a month. He did me no good. I was advised to try CUTICURA and removed it, and did so. It was wonderful what effect they had. The first application stopped that dreadful itching. I slept at once, and was cured in four weeks. M. A. OSGRIFFE, Emerald, N. D., March 21, 1898.

BABY'S FACE MASS OF SORES When my little sister was four months old her cheeks became red and inflamed. Small pimples broke over her face and it was a mass of scabs, which almost closed her eyes and reached into the corners of her mouth. For several weeks a physician attended her, but she derived little or no benefit from his treatment. I bought a cake of CUTICURA SOAP and a box of CUTICURA Ointment. Her face healed, she grew healthy. ROSA BURGER, Solomon, Kan.

BEGIN WITH THE BLOOD CUTICURA TREATMENT begins with the blood and ends with the skin, scalp and hair. That is why CUTICURA RESOLVES the most obstinate cases of eczema, dandruff, itching, burning and inflammation, soothes and heals, thus completing the cure.

THE CALIFORNIA SOPRANO.

Mme. Agnes Fried's First Appearance in This City.

A large and very friendly audience greeted Mme. Agnes Fried, the San Francisco soprano, who has been abroad for some years, at the Sherman & Company last evening. It was the first time she appeared professionally in this city and the nervousness that marked her work in the aria from "Samson" and "Die Walkure" wore off as the concert progressed.

She is embarrassed by her enunciation by a slight accent, but her voice has the great merit of being true. In ballads she appears to better advantage than in the last of her songs, and she has a profusion of beautiful flowers.

Hilda Newman, who has been studying in Europe for some time, has a few mannerisms when she plays, but she played Chopin's "Polonaise" in E flat in a way that won the house. She also appeared in a good arrangement of Beethoven's Sonata, Op. 30, No. 2, for violin and piano. Giulio Minetti, the violinist of the orchestra, was so often his playing requires no comment.

Mme. Fried assisted by the same orchestra at her last concert at the same hall Saturday afternoon at 2:30 o'clock, when a new programme will be rendered.

TO BRING THE CALIFORNIA BOYS HOME

Relatives Meet for That Purpose.

ENCOURAGING REPORTS READ

WILL RECEIVE THE REGIMENT ON ITS RETURN.

Father Doherty Delivers a Patriotic Speech Urging Maintenance of the Organization Amid Great Enthusiasm.

There was an enthusiastic gathering of the relatives of the First California Volunteers at Native Sons' Hall last night. Fully five hundred ladies and gentlemen were present to voice their sentiments in regard to the return of the boys from Manila and to hasten, if possible, the action of the Government in bringing about the desired object.

After an introductory speech by Chairman Moore, in which he said he had received positive assurance that the California Volunteers would be returned home soon, W. A. Derham read the report of the executive committee. He stated that Assistant Secretary Meiklejohn sent a communication that six regiments would be ordered back and the California Volunteers would be among the first to reach home.

Rev. Father Doherty delivered a stirring speech which roused his hearers to a pitch of great enthusiasm. He paid a beautiful tribute to the splendid spirit and courage of the California boys and said the regiment, from the colonel down, were a unit in the desire to return home.

Father Doherty requested the assembly to do all in its power to facilitate the return and active co-operation of the organization until the day the regiment was marching again in the streets of San Francisco.

William Ehrenpfort and Joseph Binet, whose boys are with their companies in Manila, urged active co-operation of the United States volunteers, and the organization until the day the regiment was marching again in the streets of San Francisco.

THE TWENTY-SECOND ABOARD THE TRANSPORTS

THE MEN ARRIVED FROM NEBRASKA YESTERDAY.

Ohio and Senator Will Be Beyond the Golden Gate by Sundown To-Night.

The Twenty-second Infantry arrived at the water front yesterday morning and immediately boarded the transports Ohio and Senator. There was a dearth of sentiment in their coming and going, and the customary gathering of the friends of the soldiers was not there. Except for the police who were on deck, the men might have believed that they had stolen upon the city of San Francisco and taken it unawares.

After a brilliant record on Cuban soil, they sail to-day for the Philippines. They are a body of well-behaved and trim-looking men, and their short stay at the docks was without incident. Two companies, composing the First Battalion, were marched on board the Senator at Broadway dock, and four companies, composing the Second Battalion, went to the Pacific-street dock. A number of recruits from the Presidio marched aboard the Senator yesterday morning.

The troops have been assigned to the transports Senator and Ohio as follows: On the Senator will go headquarters and band of the Twenty-second Infantry, numbering 24 men, 100 men of Company A, 96 of B, 106 of C, 102 of D, 102 of E, 102 of F, 102 of G, 102 of H, 102 of I, 102 of J, 102 of K, 102 of L, 102 of M, 102 of N, 102 of O, 102 of P, 102 of Q, 102 of R, 102 of S, 102 of T, 102 of U, 102 of V, 102 of W, 102 of X, 102 of Y, 102 of Z.
