WHIMSICAL WIT AND GAY FANTASY OF LADY URSULA

Audacious Essay in Romantic Comedy.

COULD IT BE A SATIRE? HOPE'S MALE IMPERSONATOR A FIGHTING ROSALIND.

A Uniquely Clever Play Naudously Produced in Spite of Nervousness in the Miller Company.

BY ASHTON STEVENS.

Anthony Hope's trust in our trustfulness is audacious to say the least. Here in "The Adventure of Lady Ursula," which Henry Miller and his company played in the Columbia Theater last night, he takes it for granted that we will believe that the heroine of the play, who dresses up in her young brother's clothes, makes the hero believe that she believes that he takes her for a man through the better part of two full-sized acts.

Sam Thall came in on the overland last night, bringing news of the early approach of "Jim" Jeffries. The champion will be here July 6.

Brady is Having a Play Written for Him and Swears He Will Make an Actor of the Fighter.

Frederick the Great, the historical comedy by George Foster Platt, was the attraction at the Alcazar last night, and it drew a crowded house.

NO FAITH CURE About Stuart's Dyspepsia Tablets.

They Cure Stomach Troubles and Indigestion. Anyway, Whether You Have Faith in Them or Not.

ARE YOU THIN? Do You Want to Become Fleshy? A FEW SIMPLE RULES.

Flesh and No Fat Is What Is Needed. What thin people want is flesh, and not fat. To be symmetrical and properly proportioned every person should have a certain amount of flesh.

Common sense would suggest that if one wishes to become fleshy and plump, the thing most needed would be flesh-forming foods, in other words, albuminous foods like eggs, beef, oatmeal, etc.

Now, the only reason so many people do not properly and completely digest and assimilate the flesh-forming beefsteak and other meat is because their stomachs are not properly adjusted.

There are thousands of such people, and they are really dyspeptic, although they may not realize it.

Stuart's Dyspepsia Tablets cure dyspepsia and every form of indigestion on this common sense plan, that they digest the food properly, leaving the stomach, the nerve and organ of the body, while at the same time the stomach has a chance to rest, and even when you are eating further is required to cure any stomach trouble, or to make thin, dyspeptic people become fleshy and plump.

This excellent preparation is manufactured by F. A. Stuart Co., Marshall, Mich., and is sold by druggists everywhere at 50 cents per package.

FREE TO MILLIONS. A Valuable Little Book Sent Free for the Asking.

Medical books are not always interesting reading, especially to people enjoying good health, but, as a matter of fact, scarcely one person in ten is perfectly healthy, and even when such sooner or later sickness must come.

It is also a well-established truth that nine-tenths of all diseases originate with a breaking down of the digestion; a weak stomach weakens and impoverishes the system, making it easy for disease to gain a foothold.
