After lunch there was the distribution of a number of useful gate prizes, after which Grand Assistant Dictator Ben F. Salomon, chairman of the committee of arrangements, delivered a short address, thanking the people of Los Gatos for their kind reception. He was followed by Grand Dictator Prescott Archibald, who in a few words explained the work of the Knights of Honor, and that in their twenty-six years of existence they had distributed to the beneficiaries of deceased members the sum of \$75,000, and \$11,000,000 for the relief of sick members.

An hour was then devoted to dancing on the platform, and the Knights of Honor, spreading trees, and then followed the races, with the following results: Boys' race—Won by S. O'Brien, 194; Girls' race—Won by M. Marsales, 154; Ladies' race—Won by M. Marsales, 154; Young men's race—Won by J. H. The events closed with "cock fights." The contestants entered in pairs with arms folded, and hopping on the right foot knocked one another over the head until one of the other forced his opponent to rest his left foot on the ground. Peter Kromberg of 164 Turk street was the winner of the contest.

There was an extra race for boys and girls, and these were won by Charles Johnson and Willie Evans, of Los Gatos, and Clara Fox and Lottie Cramer, of this city.

During the afternoon Miss Clara Fox entertained the excursionists with popular songs.

E. B. Thayer of Leland Stanford Lodge upon arrival at the grove released three homing pigeons with a message announcing the safe arrival of the excursionists to A. Ross on Alton avenue.

At half past 5 o'clock the band members, after having played several dance numbers, gave three dances for California, and returned to the waiting train.
