

HOWS WILSON'S CHANCE Italy and France Agreed, and It Believed Germany Must Ultimately Do So.

WASHINGTON, Sept. 11.—From the formal statement given to-day it appears that the State Department is not yet ready to begin direct negotiations with Li Hung Chang. It does not question his position as a plenipotentiary, but simply leaves the matter in abeyance. Probably this is because all of the powers have not returned their responses to the Russian note and it is desired to avoid the United States being first among the powers to abandon the hope of harmonious action and strike for itself toward the settlement directly with China. Also, it may be deemed well to wait to hear from Mr. Conner, who several days ago was invited to express his opinion about quitting Peking.

Minister Wu was twice at the State Department to-day. It was understood that his first call was in part, at least, to secure transportation for Li Hung Chang from Shanghai to Taku on a United States vessel. His later call was to receive the answer of the department to that application, as well as to the communication respecting Li Hung Chang's functions. The answer returned by the State Department to the latter communication apparently made it unnecessary at this time to pursue the inquiry as to the ship for which Earl Li may not enter into negotiations this morning, as there is no occasion to transport him to Taku.

No Looting by Americans. The War Department made public the following telegram: To Foster, China: Send following cablegram to Coolidge, commanding United States forces Tientsin: Reported here extensive looting in Tientsin. Report immediately whether American troops took part. If so, publish severely, repress sternly. Absolute regard for life and property of non-combatants enjoined.

SWEEPSTAKES CAPTURES GREAT BEATS SILVER WINGS HANDILY IN THE FINAL ROUND OF THE STAKE.

Hares Run Strong and in Many of the Courses Outfoot the Hounds to the Escapes. T. J. Cronin's young hound Vandal captured the special holiday stake at night park yesterday. In winning the stake Vandal partly outfooted the hounds. He gave the talent last Saturday. In the Futurity the youngster was rated among the top-notchers and was held at the stiff price of 4 to 1 in the long odds books. He was drawn against the hounds early dawn and was made a pronounced favorite in the course at 8 to 1, with a heavy backing. But he lost and the sympathy of even the winners was for the hounds. Things were different yesterday, for Vandal went at the game and beat everything in sight.

Swing Wings landed in second place by short order and were in contrast to the former round. The hares were a sure enough fast lot and in two-thirds of the goes in the running they were with Cronin's hounds. In many instances got away after three or four points had been scored. In the fourth round one of the hares was slipped and Vandal went it alone. The best part of the work was done by Cronin's hounds. Vandal was the hares' work horse and he was slipping and Vandal went it alone. The best part of the work was done by Cronin's hounds. DUPLICATE WORK HAS Manager of Twentieth Century Club So Expresses Himself.

Says the Charges Made by Mrs. Selby and Mrs. Corbett Have Destroyed Confidence in Pugs. NEW YORK, Sept. 11.—More consternation and real surprise was caused by many among those interested in pugilism by the revelations in connection with the recent Corbett-McCoy fight made by the wives of the two pugilists. So many had convinced themselves that the contest was not won and lost on its merits that the disclosures in the affidavits made by the two women in their application for divorce were what disconcerted them. It had been hoped by those who have most at stake in a financial way that the scandal would be hushed up. It is now admitted that the charges made by Mrs. Corbett and Mrs. Selby have done a great deal of harm to pugilism. Mrs. Corbett said to-day to a call reporter that she was very sorry that she had to make any charges that she has made against her husband.

John Conine, Corbett's business partner and manager, was greatly disturbed by the charges of fraud made by Mrs. Corbett and Mrs. Selby. "Corbett," said Conine, "is a man of honor and integrity. Just before he started for Madison Square Garden for his contest with McCoy, I gave him a check for \$10,000, which he used for his expenses. He has been at all times infatuated with her. The only reason he went to Europe was because he thought it best they should separate."

Tom O'Rourke is thoroughly convinced that McCoy was dishonest, although he will not say for publication. To his friends O'Rourke has not hesitated to say that McCoy was not knocked out. "No one in New York is more distressed than James Kennedy, manager of the pugilists' club. He announces his belief that the fight was honestly conducted and that if it had not been for any prearrangements they were without his knowledge. Mr. Kennedy is of opinion that the theory that McCoy was a cheat is a theory that has no foundation in fact. The disappearance of Corbett has made it impossible for fighting to be resumed here."

ACCUSED OF PERJURY. One of the Witnesses in Ortega Assault Case Under Arrest. Special Dispatch to the Call. SAN JOSE, Sept. 11.—Joseph Gomez, one of the principal witnesses against Puellist Jack Ortega, who is charged with assaulting George Hirsch, was arrested on a charge of perjury. The complainant is Harry Cordell, an employee of Ortega's brother. The warrant was issued by Judge Hirsch of the Superior Court. Hirsch refused to do so. Gomez saw Ortega's horse and buggy and saw Ortega's brother and Hirsch at the time of the assault. A man and little girl were in the buggy. He could not identify the persons, but he positively knows that Ortega was the driver. The day of the preliminary examination Millegre Ortega, a brother of George Hirsch, was arrested and held in lieu of \$10,000. Jack Ortega is held by the Superior Court to-morrow, when his attorney will move for a change of venue.

At the afternoon session an address of welcome was made by Peter B. Shields, secretary of the State Board of Agriculture. The chief address was made by President William Johnson of Courtland, who presented a paper on "The Value of Dairying to the State," by W. H. Rousell of San Francisco. BISHOP HAMILTON'S ADDRESS AT PACIFIC GROVE. First Feature of the Annual Conference of the M. E. Church of California. PACIFIC GROVE, Sept. 11.—Although the California Methodist Episcopal conference will not formally open for business until to-morrow morning it was virtually opened to-day by the address of the presiding Bishop and public exercises in which many of the clergy took part. The chief feature of the evening was an address on the "Forward Movement" that is at present interesting all the churches, delivered by Bishop Hamilton, who will preside at the conference.
