He duplicated the feat with Joe Hampton in the second race. He was at 5 to 1 and again he made every post a winning one. Brandy Smash, the hot favorite, an second to the last for the place, but Orienta beat him for the place. Mitchell did not have a mount in the third race, which Hesper, the favorite, won easily from Deauvo, thanks largely to all the cheering from the grandstand.

ENOS AT 3000 BEATS RECORD, A TOP-HEAVY CHOICE for His Dilatory Tactics on the Horse—Rolling Boer Wins.

BY F. E. MULHOLLAND.

PEDRO ENOS caused many lamentations and much gnashing of teeth by an exhibition of gross carelessness in the third event at Oakland track yesterday. Pedro, who was riding on the past St. Louis and Chicago tracks the past summer, evidently thought he had learned a thing or two. He had the leg up on Horton, an even money favorite, and during the first stages of the journey concluded to take a nap. The bell boy tried to call him and Pedro took no notice until he was 30 to 1 shot, with Jimmy Logue in the pilot house, beat his mount across the line a nose. It was a horridly exciting spectacle to the backers of "Daggie" Smith's little red horse, and the cheering and jibes let the rider off with a lecture and a brief vacation on the ground.

While the track was inclined to be strict in holding the race, the officials did not pick the right horses, and most of the books tilted with lightened odds. Some excellent sport was witnessed, the finishes being close and exciting. The performance of Rolling Boer in the final sprint of the day—the Solano handicap—earned fresh laurels for Billy Cahill's sturdy looking colt. He was asked to run three pounds and down an all aged field, the best of the assortment being Pat Morrissey with 11 and Hungarian with Walter Jennings' stable, was an unknown quantity with 10 on his back. Pat Morrissey took no liberty with him. Pat Morrissey opened an even money chance, but when a heavy play cut the price against the favorite, he was forced to drift to the rear. Pat Morrissey never cut a figure in the race, the weights and going making a million gamblers balk. Rolling Boer and Bullman had to sit down hard on Boer to get up and win by half a length.

Jimmy Coffey took the opening scramble for maiden 2-year-olds, with Galantush, ridden by Johnny Woods. Boer was the best of the lot, and the gelding won from Latus and Cambacera without effort. A ding-dong finish between Johnny Ransch and Kiekomb and Jack Martin astride The Bullfinch marked the close of the second number, a mile run. Ransch more than held his own, getting the decision by a head. The winner was 4 to 1 in the betting. Locochee, the favorite, ran into show. Little Dominick piloted Malay to victory in the Emeryville handicap, at one mile and a sixth, and the gelding had ruled favorite in the ring, and after Grand Sachem had led to the stretch Dominick picked up the colt. Malay, who was stalling off a well made rush of Stuart astride Morinel, he breasted the tape winner by a head. Carrying three to five, Pat's horse, who was 5 to 1, gave a good price against Morinel in the speculation on the seven-furlong section. The best of the lot was the gelding won from Latus and Cambacera without effort.

Track Notes. Seventeen bookmakers weighed in at yesterday's drawing. With the election a 5 to 1 on the favorite, the bookmakers, naturally, and no complaint was heard of lack of play. Gus Miller, the St. Louis penitentiary, after three days on the block, concluded to study the angles and bet on the day and the night of the game from the ground for a time. "Conductor" McManus is now a layer of odds. He cut in yesterday under the name of the Golden Gate Club, with "Henry" and "Andrew" as backers. Green Morris is not very sweet on Locochee. After considerable deliberation he decided to bet on the colt. K. Hughes, the Texas horseman, reached Ingleside track yesterday from St. Louis with a card of racing material. Latus, Latus, and Latus are three members of the string. Pedro Enos was set down for the balance of the meeting because of his careless ride on Horton. "Daggie" Smith had a good-sized bet on his horse, but was out of the race by his dependence on the part of Pedro lost the race. The officials at Oakland have decided that Atkin and Latus are to be the services of Jockey Coburn. The boy contended that he had never received any money for his work, but the firm showed a voucher where a sum had been paid him and an acknowledgment of same, signed by the rider's brother. The latter signature was also disputed, but it proved to be genuine. Sam Hildreth sent in a big commission on Horton and nearly every book in the ring lost to the race. With Mounce or any strong finisher on Morinel the market would have disposed of Malay quite handsly. Stuart, who did pilot her, could do better when he had been galloping horses only six weeks. Fred Cook laid him \$1000 to \$500. Bookmaker Joe Rose will be here in a few days. Dominick took a trick at the wheel yesterday and his price went from 5 to 2 to 5 to 1 to determine the most popular jockey is in progress at Hall on Mason street. A handsome diamond ring is offered as the prize and to date Bullman leads his brother riders. Following are to-day's entries: First race—Five and a half furlongs; three-year-olds and upward; selling. MRS. SAUNDERS AGREES TO PAY LANDLADIES' MOTION TO DISMISS THE CASE AGAINST HER TAKEN UNDER ADVISEMENT BY Judge Conlan. Mrs. Helen Saunders, the wealthy widow of San Rafael, will escape punishment for defrauding landladies out of the board bills for herself and daughter. When the case against her at the instance of Mrs. Lizzie Kearns, 1409 Leavenworth street, was called in Judge Conlan's court yesterday morning Mrs. Kearns said that Mrs. Saunders had agreed to pay her bill of \$40 and she wanted the case dismissed. Under the circumstances Assistant District Attorney Weller made a motion for dismissal as the Penal Code permitted such procedure when the amount in dispute was paid. "Of course," said the Judge, "such a course is permissible by the code, but I want to say that I would certainly have found the defendant guilty if she had given her the limit. I will continue the case until Saturday and then I will take the motion to dismiss under consideration."
