ALLEGES INSANE MEN TARGETS ARMY L. McGinnis Escapes From Sanitarium but Is Recaptured.

L. McGinnis, a young man who has been undergoing treatment for some mental trouble at the "Medical Dispensary" conducted by Dr. B. Peters on the top floor of the building at 14 1/2 Market street, managed to elude the vigilance of his custodians yesterday, and started to return to his home in Santa Cruz.

He was overtaken near the ferry by Dr. Peters and an attendant, but when they tried to compel him to return with them he offered fierce resistance. He swore he was going home and made a rush for the ferry. At this point Policeman Ingham of the Harbor police station appeared on the scene, being requested by Dr. Peters to take McGinnis into custody.

Dr. Peters was not to be found at his place up to a late hour last night. McGinnis, who is but 22 years old, was brought to this city from Santa Cruz in charge of McGinnis has been a patient at that place for nearly a month. He was placed there by his family physician and Dr. Peters.

FIFTY YEARS OF JEWISH CHARITY Eureka Benevolent Association Celebrates Its Semi-Centennial.

The fiftieth anniversary of the founding of the Eureka Benevolent Association was practically celebrated yesterday morning when the members of the association held their first annual meeting in the handsome new quarters recently erected at 305 O'Farrell street.

President Charles Hirsch was in the chair and the large room of the headquarters was well filled, many prominent Jewish citizens being present. Hirsch, in addressing the meeting, said that it was a matter of congratulation that the association assembled in its noble edifice to celebrate fifty years of charitable work. He deplored the falling off in membership and income of the association and urged that radical steps be taken to remedy the loss.

CROOKS' HARVEST ON GEARY STREET Enter E. C. Downer's Residence and Steal Valuable Property.

Seen Leaving Place by Citizen, Who Has Given the Police a Description of Them.

That a gang of clever crooks is operating in this city is evidenced by the numerous burglaries reported to the police. Scarcely a day passes that one or more houses are not entered and valuable booty taken. It was thought that by the arrest of the three Eastern crooks, who were so cleverly apprehended by Detectives Ryan and O'Dea, house breaking would temporarily cease; but judging from the reports of burglaries sent to police headquarters a more dangerous work is at stealing valuable property.

The latest burglary reported to the police was committed Friday night at the residence of E. C. Downer at 88 Geary street. Mr. Downer and his family went to a theater, and on returning home they found that the house had been entered during their absence and a lot of jewelry taken.

An entrance was effected by prying open a rear window with a jimmy. Among the property taken was a valuable diamond ring which belonged to Mrs. Downer and which she prized very highly, as it was an heirloom.

A citizen who was passing at the time saw two men leaving the house. One, he claims, was a revolver in his hand, as if ready to shoot the first one that attempted to stop him or his pal. As they walked down the street they saw a third man, another man, who evidently had kept watch while they were ransacking the house.

The description given of the house-breakers tallies exactly with the three men who have been operating in the Western Addition, plundering private residences and stealing valuable property.

Yesterday a man who answered the description of one of the daring burglars was arrested, but as he was not the man of the Detective Department that he was innocent he was at once released.

It is thought that the same gang entered a lodging-house at 12 Geary street, a few nights ago and stole a purse of money, which was in the pocket of a gossamer and which belonged to Mrs. Reynolds. A number of other daring burglaries are attributed to the gang but for some reason the police have not been endeavoring to suppress them.

Thieves Break Into a Room. The room of W. B. Custer at 809 B Folsom street was broken into last night and a gold watch and chain and a valuable diamond ring stolen. Custer reported his loss to the police.
