OAKLAND'S TEAM EASILY TAKES A GAME FROM UNCLE DUES DEFEAT THE DUTCH

A small boy with a shrill voice enlivened the game between the Dudes and Dutch yesterday by making apt criticisms of Uncle Tyler. But for his presence the game would have been a dull affair...

The umpire was not entitled to all the unpleasant things said of him. It is true his decisions at times were faulty. He was erratic, and did not know whether he was refereeing a game of marbles or the national game...

TWO-YEAR OLDS AND COCKEYS SPILLED ON THE OAKLAND TRACK

Gutierrez, After Winning Three Races, Sustains the Heaviest Injuries--Choices Have Another Day of General Suffering and Books Flourish

An accident occurred in the fifth race at Oakland yesterday which ended in the spilling of two jockeys and made a general pile of horses and boys on the far turn of the track. It was in the five and a half furlong race and was due to the reckless rough riding of the jockeys...

FAMOUS YACHTS AND COCKEYS NEAR GLASGOW

SHAMROCK SHOWS SPEED Representative Boats of Four Big Yards Are in the Sail.

ROTHESAY, Firth of Clyde, June 7.—The Glasgow expedition regatta opened today. The yachts started in a brisk northwest breeze over a course in the form of a square, lying between the Islands of Bute and Murchish, giving a fair trial on all points of sailing...

Interest in the second race centered in Charles F. Herreshoff Jr.'s new cutter Nevada. She was designed with little regard for the restrictions of the British racing rules...

On the last leg of the first round Shamrock showed well and she passed the mark nine minutes and fifty seconds before the Sybarita, which was two minutes ahead...

After having sailed half of the first round in good style the Nevada was passed this morning until Cap and Bells tried to finish the round, nine minutes and thirty seconds after the Tutty.

The Sybarita's time at the finish was 7 hours 13 minutes and 45 seconds. She won both prizes—time and first to finish.

Others were the Aster, the Meteor's time of 7:47:02, and the Shamrock's 7:47:36. Although the wind freshened a trifle, the former cup challenger was hopelessly behind.

None of her competitors has yet been sighted.

While a good deal of play takes place on Saturdays, Sundays and holidays on the San Rafael Links, the most important events of general interest are being played there. On Decoration day there was a handicap over eighteen holes, match play against bogey, which was won by H. C. Golcher, Charles Page and J. D. Adams...

President J. W. Byrne of the San Francisco Golf Club is in good form just now. Last Saturday he beat L. O. Kellogg two up on nine holes and on Sunday he defeated H. C. Golcher six up over eighteen holes and L. O. Kellogg one up on nine holes...

On Decoration day the qualifying race for the Ladies' cup of the San Rafael Golf Club was held, and on Saturday, June 1, the opening rounds at the club were played by Charles J. McCutchen and E. J. McCutchen, who has already won the trophy twice, and on Sunday he was defeated by Charles J. McCutchen by the same player it becomes his property.

In the first round at match play of the Ladies' cup at San Rafael Mrs. F. S. Johnson beat Miss Eleanor Morrow eight up seven to play; Mrs. J. J. Kanner won Corine C second, Dr. Ward third, and Mrs. E. B. Buehler fourth.

On Saturday, June 7, James R. Keene announced to-day that the Oaks stakes, won by Keene to-day in England, will be held probably in this country for an amount of \$24,000 approximately. One-half of the money is to be distributed in this country and one-half to English charities.

NEW YORK, June 7.—James R. Keene announced to-day that the Oaks stakes, won by Keene to-day in England, will be held probably in this country for an amount of \$24,000 approximately. One-half of the money is to be distributed in this country and one-half to English charities.

LONDON, June 7.—"I am very proud to be the first American to win the Oaks," said Keene. "I bred the filly myself in Kentucky, so she was American bred, and she was trained by an American."

Keene said he was not much of a gambler, but in this race he had put up a big bet on the Oaks. He had had told all his friends to do the same.

"There was not an American at the course, whom I have heard of that did not put his money on Cap and Bells," he continued. "She was not heard of in the betting a few days ago and came down from a high price to 9 to 4."

Croker, although he had a horse in the race, backed Cap and Bells II and numbered her. He has heard of that did not put his money on Cap and Bells II, he continued. "She was not heard of in the betting a few days ago and came down from a high price to 9 to 4."

FOXHALL KEENE'S CAP AND BELLS AGAIN FURNISH EXTRAORDINARY PROOF OF THEIR SUPERIORITY OVER THE BRITISH

American Breeders, Trainers and Jockeys in a Series of Brilliant Victories

ON DON, June 7.—Another of British's great racing trophies has been captured by an American, Foxhall P. Keene having won the Oaks with Cap and Bells, ridden by Milton Henry. The owner, horse and jockey were all thoroughbred Americans, so the victory was not diluted, as it was in the case of the Derby. Yesterday long odds were obtainable on the American horse, but the odds shortened as the morning progressed and he stood at the head of the list and started at 9 to 4 against. The hollowness of the favorite detracted from the interest in the race.

The conditions of the race were as follows: "Her victory to-day," he said, "was one of the easiest ever seen in the Oaks. She is as good as anything seen on an English race course since La Fleche."

Keene said he was not much of a gambler, but in this race he had put up a big bet on the Oaks. He had had told all his friends to do the same.

Millions for Baseball. A million of dollars are spent every year upon the game of baseball, but large as this sum is, it cannot begin to equal the amount spent by people in search of health. There is a sure method of obtaining strength and it is not costly one. We urge those who have spent much and lost hope to try Hostetter's Stomach Bitters. It strengthens the stomach, makes digestion easy and natural, and cures dyspepsia, constipation, biliousness and weak kidneys.

Six pupils of this kindergarten graduated recently with honor from the Buford Kindergarten School, two of them receiving medals for high standing.

PITCHERS LOSE THEIR EYE.

SACRAMENTO, June 7.—The wildest game of the season was played yesterday at the score standing 12 to 5 in their favor. Hale started to do the honors for Los Angeles, but in the third, after three straight hits went into his feet got cold and Hartwell went into the box. Strickland pitched his first effort into a single and then Hartwell went to walk men, four getting bases and two runs being forced in. He finished the game, but walked eleven men, while his opponent pitched for Sacramento.
