

HIS FIRST PAY AS PRESIDENT... Sentinel Deprend Allows His Nerves to Play Him False... Nothing Found to Corroborate Story of Attack on McKinley Vault.

CANTON, Ohio, Sept. 30.—The officers and men of Company C, of the Fourteenth United States Infantry, on duty at West-lawn Cemetery, guarding the resting place of President McKinley, worked diligently to-day investigating the strange story in which Private Deprend, who was on duty at the top of the vault Sunday night, figured so prominently.

It was the real thing; it was prompted by the pure curiosity of some people who thought to bring reproach upon the nation by doing damage to the resting place of the dead President.

All the men who were seen to-day expressed the belief that Private Deprend acted in good faith and that he related only what he believed to be the real facts.

Particular inquiry was made as to his sobriety at the time, and it is said that it is established beyond all reasonable doubt that he had not been drinking and that he was in his normal condition.

The matter had been reported in full to General Otis at Chicago, commanding the department, who gave a full and complete statement of facts so far as revealed last night. He was fully convinced last night of the truth of the story as related, but after investigation entertained doubts, not of the sincerity of Private Deprend, but of the correctness of the conclusions.

SURPLUS FUNDS PUT INTO BONDS

Receipts From Revenue Are Far in Excess of Expenditures.

CHICAGO, Sept. 30.—Secretary of the Treasury Gage, who is spending a few days at the home of his son in Evanston before going to Colorado to spend his vacation, said in regard to the present large surplus in the Treasury:

The prosperous condition of the country must be most gratifying. The decrease in the expenditures of the Government, however, is a salient factor in the increase in the surplus in the last three months. From June 30, 1901, to September 30, the revenue amounted to \$128,000,000. The expenditures during this time were \$121,000,000. This left an excess of nearly \$7,000,000.

Advertisement for Wine of Cardui. It is heroic for a woman to suffer in silence but a study of her face in the looking-glass must convince her it is not possible to hide her trouble. These pictures represent the faces of millions of women who are suffering today. They suffer in silence, but the lines and crow-tracks show that pain—the pain nearly always caused by "female troubles"—is there. Do you expect to suffer the agonies of female ills every month during your life? If you do suffer, it will be because you choose to suffer. Did you ever stop to consider how little effort you are making to secure health? Do you really want to be well? No woman has made every effort to gain health, when she has not tried Wine of Cardui. Female troubles wear out the life of a woman. Menstrual pain so shatters her nervous system that she is often brought near to the asylum or to the grave. These frightful alternatives are the almost inevitable results of prolonged suffering. Every woman should understand that deranged menses cause headaches, backaches, nausea and derangements of the stomach, bowels and kidneys. Wine of Cardui stops all this by regulating the menses and strengthening the ligaments which hold the womb in place. This pure Wine has completely relieved 1,000,000 women of menstrual pain, giving them strong nerves and rugged health. This medicine has demonstrated that it is not necessary for a woman to go through untold agony every month. I will at least write a few lines to let you know how I am enjoying life after taking Wine of Cardui. I can say your good medicine has done me more good in the thirteen months I have been taking it, than all the doctors and their medicines have in all my long suffering, which has been 21 years. I can eat at the usual times and sleep like a child. I have no pain at my monthly period, so I feel like a new woman. I advise all sickly women to use Wine of Cardui. I never will stop using it. NORFOLK, VA., May 13, 1901. Mrs. FANNIE DUCK. Go to your druggist today and ask for a \$1.00 bottle of Wine of Cardui.
