Federal Judge Decides Russian Sugar Bounty Cases.
Two Men Dead, One Dying and One Insane in Kansas.

BALTIMORE, Md., Oct. 12.—Judge Morris of the United States Circuit Court today handed down his decision in the Russian sugar bounty cases, upholding the action of Collector Stone in levying an extra duty of 70 cents a hundred pounds on sugar imported to this country from Russia by Robert E. Downs, a commission merchant of this city.

Stone's action was taken in accordance with an order from the Treasury Department, dated December 12, 1898, which levied this additional duty, claiming that the Russian Government allowed a bounty of that amount. The attorney for Downs, in his argument before Judge Morris, maintained that Russia paid no bounty on sugar, and that the legislation in that country which gave rise to the action of the Treasury Department was simply an attempt to avoid the evils of overproduction.

To do this it was enacted that all sugar produced above a prescribed amount should be taxed double. This prescribed amount is distributed among the different manufacturers proportionate to their total production. The District Attorney for the Government, argued that the Russian Government practically said to its manufacturers:

"The more sugar you produce the more

NEW RECORDS ARE ESTABLISHED BY UKIAH HIGH SCHOOL ATHLETES

Hagans Sets Low Marks for the "Hundred" and "Two Twenty," While Captain Weller Knocks a Full Second Off the "Two Twenty" Hurdle Time at the Academic Athletic League Field Day

HAGAN OF UKIAH, THE NEW PRINTER'S NUMBER

THE SPRINTER FROM UKIAH HIGH SCHOOL WHO WAS A STAR PERFORMER AT THE SEMI-ANNUAL FIELD DAY OF THE ACADEMIC ATHLETIC LEAGUE HELD YESTERDAY ON THE NEW CALIFORNIA JOCKEY CLUB TRACK, EMERYVILLE, WITH SOME INCIDENTS OF THE DAY'S SPORT.

AFTER withstanding for years the assaults of such sprinters as Drum, Ashill, Abadie and Ljeda, the Academic Athletic League 100-yard record of 10-2-5 seconds was reduced yesterday at Oakland racetrack by one-fifth of a second. The new sprinting wonder is W. B. Hagans of Ukiah High School. He is 16 years old, very tall and thin, and would never be picked out as a sprinter or an athlete. He also established a new record in the 220-yard dash, covering the distance in 22-3-5 seconds, replacing Cadogan's former record of 23-1-5. In this he finished all out, inches in front of Wilcox of Oakland High School. He proved a slow starter in both races, not getting up until the last twenty-five yards. This is the first year Ukiah has won the hundred.

The third record established during the day was in the 220-yard hurdle. Captain Weller of Ukiah did 26-2-5 seconds, as against his own record of 27-2-5. He was not present in either of the hurdle events, winning handily.

The mile run resulted in a grand race between G. Weller and Coggins. Weller led throughout and stalled off Coggins' effort at the finish. The remainder of the big field was run to a standstill.

The quarter mile was almost a dead heat between Sheehan and Boettiger. The former caught the latter at the finish, and another stride his opponent was abreast of him.

There were no notable performances in the field events. Neither the jumpers, pole-vaulters nor weight men approached the previous records.

The hammer-throw was the last event on the programme. At this stage of the

proceedings Ukiah and Oakland High schools were a tie for the championship, each having scored 39 points to 28 for Berkeley High School. Ukiah won the hammer-throw. Captain Weller taking first place and Briggs third place. This carried with it the championship.

When the fast time was made in the sprints the claim was made that the track is down grade. The matter was referred to the superintendent of the grounds. He said the surveyor's map show it to be two feet up grade from the three-quarter mile post to the finish. This is the direction in which the races were run. The summary:

100-yard dash—First heat won by Wilcox, O. H. S.; Griffin, O. P. H. S.; second; Lang, C. S. M. A., third. Time, 10-2-5. Second heat won by Hagans, U. H. S.; Nelson, B. H. S.; second; Baldwin, U. H. S., third. Time, 10-2-5. Final heat won by R. Hagans, U. H. S.; Wilcox, O. H. S., second; Griffin, O. P. H. S., third. Time, 10-2-5. Former record, 10-3-5.

That Gold Spoon.

There are some men who seem to be favorites of fortune. They are industrious, cheerful workers, full of overflowing of the energy of splendid health, and success seems fairly to drop into their hands. It is of such as these that the less hardy and less successful man says enviously, "That fellow was born with a gold spoon in his mouth."

And yet on analysis it will be found that this success is largely due to splendid health, the endowment of a healthy mother.

Dr. Pierce's Favorite Prescription gives the mother health to give her child. It cures nervousness, nausea and sleeplessness. It makes the body comfortable and the mind content. It gives physical vigor and muscular elasticity so that the baby's advent is practically painless.

"I will endeavor to tell you of the many benefits I have derived from taking Dr. Pierce's Favorite Prescription," writes Mrs. B. E. Robertson, of Medicine Lodge, Barber Co., Kans. "In the fall of 1891 I was expecting to become a mother and suffered terribly with pains in the back of head, in fact I ached all over. Suffered with a real beating-down pain; I was threatened with weeks with mishap. A lady friend told me to use Dr. Pierce's medicine. She had taken them and felt like a new woman. I began using the Favorite Prescription and took four bottles before my baby came and two afterwards. I suffered almost death with my other two children, but hardly realized that I was sick when this baby was born and she weighed twelve and one-quarter pounds. She is now eleven months old and has never known an hour's sickness; at present she weighs thirty-seven pounds. I owe it all to Dr. Pierce's Favorite Prescription."

"Favorite Prescription" makes weak women strong, and sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Pleasant Pellets are the most desirable laxative for delicate women.

RHODES SAYS IT IS FRAUD

Lawsuit at Cape Town Promises a Rare Sensation.

Princess Radziwill Stirs Up Trouble for the Noted Financier.

CAPE TOWN, Oct. 12.—Sensational developments are expected from a case which was heard in the Supreme Court today, in which Thomas Louw obtained judgment in £1150 against Princess Radziwill.

The money was advanced on a promissory note for £2000, drawn by the Princess and purporting to have been indorsed by Cecil Rhodes. The latter's lawyer made an affidavit to the effect that he had written to Rhodes on the subject and that Rhodes repudiated the indorsement and all knowledge of the affair. The court allowed the case against Rhodes to stand over until November 1, pending the arrival of Rhodes' answer.

Princess Radziwill, who was present in court, has been a frequent visitor to South Africa, and the case has aroused all the greater interest because the Princess has apparently always been on friendly terms with Rhodes and the circles of which he was the leader.

LONDON, Oct. 12.—The London Times on August 3 published the following: "We understand that attempts have been made to negotiate certain promissory notes purporting to have been indorsed by Mr. Cecil Rhodes. We are instructed to state that if any such instruments are in circulation they are forgeries."

This notice was inserted by B. A. Hawkesley, counsel for Rhodes. Hawkesley informed a correspondent to-day that he had heard early in August that somebody was trying to pass some such notes.

"Mr. Rhodes," said Hawkesley, "never signs notes. If he wants to give money away he has a check drawn on a bank on whom the note was passed, is a tradesman. The mere fact that only £1150 was paid shows that it was something fishy in the transaction."

Princess Radziwill is the Princess Catherine, who lived at the Carlton Hotel, London, in luxurious style.
