

KING CARNAVAL REIGNS IN OAKLAND, ELKS UNITE IN FOLLY'S PAGEANT AND FAIR SEETHES WITH FUN

OAKLAND, June 16.—King Carnival reigned to-night in Oakland and the Elks took charge of everything from early afternoon to early morning. It was Carnival night, and the members of Oakland Lodge racked their brains for ideas with which to entertain the people of Oakland and visitors. The result of these ideas was the street parade and subsequent events in the fair grounds.

As in the case of the other parades the streets of Oakland were black with people, and at the time that the parade was making its way through the town there were as many people within the fair grounds as without.

The parade seemed to have walked out of the pages of the comic papers, for every character that is known to the characterist's pencil had its imitation in real life in the marching crowd. With these merry copies were as many equally merry originals. Underneath the costumes, wigs, paint and powder occasionally some well-known Elk could be recognized, but in most of the cases the disguise was impenetrable.

A. P. Smille of Alameda headed the marching column. He was dressed as his Satanic Majesty in gorgeous red and mounted upon a horse, black as the night, that danced to an accompaniment of fireworks. Then came a platoon of mock police that did a drill that rivaled the figures of Captain Petersen of the Oakland police force puts his squad through on state occasions.

The Elks' Carnival float, driven by Director General Max Schlueter, was a very handsome affair.

There was every possible character in the line, from tramps and negroes to Little Eva, Topsy, acrobats, and the man who had to walk home from bathing, in a barrel.

Every kind of vehicle that could be made to move was utilized, from a six-mule dray to rapid moving automobiles, two-wheeled donkey carts, jinrickshaws, wheelbarrows and a patrol wagon.

The imitation bridal party, with Deputy County Clerk Ray Baker as footman and six pages carrying the bride's veil over the back of the hack vied with the laundry float in raising a laugh along the route. The lion tamer sitting in a cage with one very scared cat concluded the spectacle.

It was in the grounds that the imitation police had the most to do. There the "Elkville Court and County Jail" were in full session. The police patrolled the grounds, and woe betide any Elk who was found even drawing his breath. He was immediately taken before George W. Reed as "Judge" and fined all he had in his pocket.

The detail of police for this occasion consisted of the following: S. H. Lusk, constable; G. R. Lusk, constable; H. C. Capwell, inspector; A. P. Leach, detective; E. H. Stearns, corporal; A. H. Ered, sergeant; A. C. Hodges, matron; Dr. C. E. Curdts, private; Carl Borch, private; Mort Smith, private; Eugene Van Court, private; W. J. Hennessy, private; Charles F. Ott, private; W. H. J. Matthews, private; H. B. Jeffery, private; W. J. Keating, private; W. H. Moore, private.

The detail for the court for the rest of the week will be: Tuesday, June 17.—Judge, J. Esaw McElroy; prosecuting attorney, J. Waterbury Stetson; clerk, Pop Priest; constable, Jonathan Mitchell. Wednesday, June 18.—Judge, Mortheimer Smith; prosecuting attorney, P. Wellidiger Leavitt; clerk, W. Jayhawk Hennessy; constable, Louis Lank Jones. Thursday, June 19.—Judge, Jumper Goebeau Quinn; prosecuting attorney, W. High Low Hines; clerk, A. Hank Bredt; constable, J. Cabbage Crooks. Friday, June 20.—Judge, H. Billous Mehrmann; prosecuting attorney, Cod Liver Oil Tisdale; clerk, J. Carryemoff Edwin; constable, A. Fallbesse Smith. Saturday, June 21.—Judge, Clarence Cowcreek Crowell; prosecuting attorney, H. Avoldupis Malvart; clerk, Ray Zeke Baker; constable, Peter Piper Sloan.

GRAPE-NUTS.
GO WAY BACK
Or Feed So You Can Keep Up.

People must be well fed in this world if they are expected to do good work. A carpenter with poor tools must take less wages and handle the poor jobs. So in life, the person with a weak, badly nourished body must get out of the way for the strong ones.

A school teacher writes from Vermont. She had been compelled to take a little bookwoods school for small wages because she had not the strength to conduct a better school.

"Small appetite and poor digestion kept me weak. I had been compelled to rest at the noon hour and shut myself away from all company morning and night. In this way only could I work up to about a year ago, when a lady visiting here from California led me to share a dish of Grape-Nuts with her. During the winter I ate occasionally of the food, always with good results.

"Last July it was necessary for me to attend the summer school for teachers. Being poor in purse and sick in body I could not pay the expense of boarding in a big place, so I rented a room and boarded myself. Grape-Nuts and cream tasted good and I lived almost exclusively on the food.

"Gradually, to my surprise, toward the close of the second week the sort of mental haze that had been about me for a long time broke away and I grasped the thought presented with a clearness I had not known for a long time. I came back to my school with better health and memory than I have known for 20 years, and now, while at work, I repeat I have better nerve and brain power and better digestion than I have had before in 20 years."

the Elks' Fair, and its success is largely due to their enthusiasm and zeal. Many of the most attractive booths on the grounds are being conducted by the different women's organizations of this city, prominent among which is the Young Women's Christian Association.

The celebration of Bunker Hill day tomorrow will be held under their auspices on the great platform in front of the band stand. The national colors will be generously displayed and an interesting programme has been arranged. It will begin at 2:30 o'clock with the playing of "The Star-Spangled Banner" by the band. A short address on the battle of Bunker Hill will be delivered by W. E. Ewer. Lowell Redfield will sing "The Sword of Bunker Hill."

Mrs. H. D. Rowe will be chairman of the day at the Young Women's Christian Association booth tomorrow. The proceeds of this booth will go toward erecting a building for the East End Settlement, in which some of the most prominent women in Oakland are interested.

The colonial kitchen continues to be one of the popular attractions at the fair, and the gray-robed waitresses are becoming as adept in their new profession as any French restaurant garcon. Few are able to resist the allurements of the pretty, homelike booth, with its great open fireplace and tasteful decorations. Mrs. Charles J. Heeseman was hostess to-day, her assistants being Mrs. W. W. Crane, Mrs. J. Cal Ewing, Mrs. D. D. Crowley, Mrs. A. P. Leach, Mrs. C. F. Hall, Mrs. Umphrey, Mrs. Samuel Platt, Miss Lou Curdts and Miss Lou Denison. Tomorrow Mrs. G. W. Pierce will preside.

Another booth that is continually crowded with purchasers is the little log cabin, where the Fabiola ladies sell the most delicious French doughnuts. The interior of the cabin is lined with white and large wreaths of ivy relieve the monotony of the walls. Mrs. Charles Leonard Smith was in charge to-day and was assisted by Mrs. M. E. Dow, Mrs. O. C. Funk, Mrs. Legrand, Mrs. William Barton and Mrs. John Yule. Mrs. R. W. Gorrill and Mrs. Oscar Gowing will be in charge to-morrow.

The Squirrel Inn is another very popular resort. This booth is being conducted under the patronage of the New Century Club and is in charge of its daintily dressed waitresses. The colors of the club are delft blue and white and are used in full view of the patrons. They wore quaint little white caps and aprons. The little waitresses to-day were Elsie Pump, Ethel Rupert, Belle Cuddy, Esperanza Ortez and Sadie Yates. Mrs. Edw. Taggart presided as hostess and was assisted by Mrs. D. T. Fowler, Mrs. C. O. Huber, Mrs. Cora Merritt, Mrs. Lona Miss J. P. Wheaton, Mrs. F. A. Ring and Miss Lucille Huber.

The Native Daughters' floral booth is very attractive, the golden poppy forming the basis of the decoration. Mrs. Max Schlueter is in charge and is assisted by Mrs. H. M. Sanborn, Mrs. J. E. Baker, Mrs. Lincoln Frick, Mrs. T. C. Landrean, Mrs. J. F. Bruning, Mrs. Lulu Bruning, Miss del Sistierna, Miss Mary Moore, Miss Winnie and Dora Andrews, Mrs. V. A. Derrick and Miss Annie Meyer.

SOLDIERS MEET HORRIBLE DEATH
Ladrones Mutilate Seven Americans Captured in Risal.

MANILA, June 16.—The bodies of the sergeant, two corporals and four privates of the Fifth Cavalry, who were captured May 30 by ladrones at Binangon, Risal province, this island, have been recovered. Most of the bodies had been hewn limb from limb. It was found impossible to recognize four of the dead.

A number of arrests in the matter have been made and nine men have been identified as belonging to the band of ladrones which captured the Americans. The identified men included two members of the police force at Teresa, Morong province. The American soldiers were buried to-day together. It was impossible to make separate interments.

ELIZABURG, N. Y., June 16.—Captain Hinds, quartermaster of the Twenty-third Infantry, was put on trial to-day before a courtmartial for alleged cruelty in stringing up a private of his company by the thumbs at Jolo, in the Philippines, without orders from the commanding officer.

Colonel Mayberry Dies.
LOS ANGELES, June 15.—Colonel Edward Mayberry, a pioneer of California, is dead at his ranch, El Molino, ten miles from Los Angeles, after an illness of three months. Colonel Mayberry was a born in 1834. In 1861 he went to San Francisco, where he became a contractor, architect and builder. He built the Napa Insane Asylum, the Grand Hotel of San Francisco and the First Methodist Episcopal church of San Francisco and Sacramento. One of his most notable achievements was the building of the Hemet dam across San Jacinto River about ten years ago.

Gains an Entrance to New York City.
NEW YORK, June 16.—At a special meeting of the Rapid Transit Committee of this city held to-day the report submitted by a sub-committee recommending that permission be granted the Pennsylvania and Long Island railroads to enter this city by tunnels under the North and East rivers was adopted. The Pennsylvania Railroad Company is to pay the city \$75,535 a year for ten years and \$114,871 a year for the fifteen years following. At the end of twenty-five years the city's compensation is to be readjusted.

TENANT MODEL CITY OF CANVAS
Coast Artillery Guards Win the Praises of Stocktonians.

STOCKTON, June 16.—Camp Danham, at Oak Point, where the First Battalion of the sea coast artillery, National Guard of California, is encamped, is a model city of tents. Two hundred and twenty-five men compose the population of the camp. The tents are pitched on the level space at the edge of the grove, the mess tables and lounging places being located in the shade of the big trees. There is plenty of water and it is only one hundred yards to a car line, by which the men may reach the city within ten minutes. The place is lighted by electricity and the big dancing pavilion near at hand affords an excellent place for the evening gatherings. The comment upon the fine appearance of the soldiers and their gentlemanly conduct is general. A dance is given each evening, the battalion band, a well-trained organization of twenty pieces, supplying the music.

Arrangements are being made for a big time on Saturday night, when the non-commissioned officers will give an invitational ball at the park. The non-commissioned staff consists of Claire F. Knerr, sergeant major; Henry Doscher, quartermaster sergeant; Fred A. Taggart, commissary sergeant; Charles H. Williams, electrician sergeant; A. B. Anderson and C. E. Evans, color sergeants.

The battalion has a gating gun and some blank cartridges, but there will be no drill with it. Salutes will be fired in regulation style when a general arrives. Arrangements are being made for a number of sports during the week and there will be a series of tug-of-war contests between teams from the various batteries.

Slight Hope for Mrs. Skinner.
SAN RAFAEL, June 16.—Mrs. D. E. Skinner, who was seriously injured in a runaway accident near this city yesterday, still lies in a precarious condition. Physicians in attendance give little hope for the patient's recovery. Mrs. Skinner regained consciousness late last night, but to-day relapsed into a comatose state. She is suffering from a slight fracture of the skull at the base of the brain and one limb is broken in two places.

MAY GIVE CAUSE OF THE TRAGEDY
Miss Nierhoff to Testify at the Auburn Inquest.

AUBURN, June 16.—The real motive for the killing of Fred Nierhoff by William Glover is the one topic of interest in this community, and the Coroner's inquest tomorrow morning promises to bring out much that is now mere speculation. Ever since Miss Nierhoff's confession, in which she stated that the Glover boys had deliberately planned the killing of her father, the public has anxiously awaited further developments. While in the presence of her affianced husband, William Glover, the young lady insisted that the killing was in self-defense, but later she wavered, and as a result of the admissions she made Oscar Glover, a brother of the murderer, was put behind the bars. Both of the Glovers refuse to discuss the tragedy.

Miss Nierhoff is but 15 years of age and very pretty. The substance of her confession was that the Glovers lay in wait for her father with the intention of doing away with him, but the real reason for the crime is yet to be brought out.

Watercross-Pansy, after some lively bidding with Green E. Morris. Thirty-four yearlings were sold, bringing a total of \$76,800, an average of \$2225.

CANCEROUS ULCERS
Are in many respects like other ulcers or sores, and this resemblance often proves fatal. Valuable time is lost in fruitless efforts to heal the sore with washes and salves, because the germs of Cancer that are multiplying in the blood and the new Cancer cells which are constantly developing keep up the irritation and discharge, and at last sharp shooting pains announce the approach of the eating and sloughing stage, and a hideous, sickening cancerous sore begins its destructive work.

No ulcer or sore can exist without some predisposing internal cause that has poisoned the blood, and the open discharging ulcer, or the festering sore on the lip, cheek or other part of the body will continue to spread and eat deeper into the flesh unless the blood is purified and the Cancer germs or morbid matter eliminated from the circulation.

S. S. S. cleanses the blood of all decaying effete matter. It has great antiodotal and purifying properties that soon destroy the germs and poisons and restore the blood to its natural condition. And when pure blood is carried to the ulcer or sore the healing process begins, the discharge ceases and the place heals over and new skin forms. S. S. S. is a strictly vegetable blood purifier containing no mercury or minerals of any description.

If you have an ulcer or chronic sore of any kind, write us about it, medical advice will cost you nothing. Books on Cancer and other diseases of the blood will be sent free.
