SEVEN ROUNDS

Ponies and Leaders Play Sensational Game of Ball.

Dunleavy Ties the Score With a Home Run in the Ninth Inning.

Never before in the history of Recreation Park did the fans suffer from so many heart palpitations nor experience so many funny feelings as they did yesterday, when San Francisco and Oakland fought and tore on the diamond for sixteen innings. After all the peering and blinking and hard playing Umpire Jack O'Connell took his beatings when the seventeenth was about to be ushered in. Calling the players together he said: "Too dark, boys. To the pillows, so you can save yourselves and honor independence day with a true sample of the national sport."

It was a spectacular game. It started in an unsatisfactory manner, and why the Ponies did not make fourteen runs was a miracle which remains to be explained. Dr. Moskman was very busy and did not have a chance to find the plate in his wanderings. Besides, his support was false and full of holes. But for all this the Ponies succeeded in piling up but three runs.

Oakland did not score until the eighth. Glendon had them mystified all the time, but they came long enough to send Mohler over the jumps. The man who was responsible for all the trouble, Devereaux opened the ninth with a stiff single to left, but the crowd thought nothing of it and prepared to wander home for dinner. What a shock the fans were handed when Dunleavy shot the ball over the garden fence, bringing in Devereaux and tying up a score which remained unbroken!

Then began a series of fierce struggles for supremacy. Moskman retired in the eleventh in favor of Hodson and the game went merrily on. Hodson did good work the slab and fought Glendon to a finish. Time and time again did the Ponies get on the bases, only to have them perish by the wayside like a Pony victory, but the leaders always were there with a last rally which saved the game when it was all but lost.

Many clever double plays by the leaders helped keep the Pony runners at a distance from the plate. Moskman, though giving a poor exhibition of pitching, held his position in old-time form.

Glendon did excellent work at all stages of the trouble. Mohler made the fielding sensation of the day in the thirteenth, when he ran far behind second and threw the ball at first, although he fell down in capturing the ball. Score:

BEACON, THE GREAT GREYHOUND, IS FAVORITE FOR CHAMPION STAKE

A. R. Curtis' Crack Courser Is Considered the Fleetest of the Dogs Which Will Take Part in the Three Days' Meeting at Union Park—P. J. Reilly Will Act in Judge John Grace's Stead Owing to the Latter's Injuries

THREE days' coursing meeting opens at Union Park to-day, for which 158 greyhounds are entered. Of this great array of running dogs A. R. Curtis' great blue courser Beacon is considered the star. He has been installed favorite in the rich Ladies' Day champion stake, which will be the feature of the card on Sunday.

P. J. Reilly will judge this meeting owing to an injury received by Judge Grace last Sunday. The latter was cantering down the field after the next to the last course, when from some unexplainable cause his favorite pony stumbled and fell with him. Judge Grace was up and mounted so quickly that few of the spectators noticed what happened. He complained of a pain in his side that night, but did not learn until Wednesday that it was caused by a broken rib. This requires absolute rest for a time, when it is expected the judge will suffer no further inconvenience from it.

This is Judge Grace's second fall in nearly a third of a century in the saddle. Years ago the horse he was riding stepped in a hole and fell. Neither horse nor rider was injured. This is a remarkable record for an official who has judged

New Yorker Proves No Match for Rufe Turner.

Armed Men Order the Santa Fe Division Superintendent Resigns by Request.

STOCKTON, July 3.—Rufe Turner, the Stockton lightweight boxer, sent Willie Lewis of New York to dreamland in the second round of a twenty-round light-to-night with a right counter. Lewis made a fine showing and used both hands to good advantage, but it was simply a case of colliding with Turner's sledgehammer punch, which always puts out the colored pug's opponent.

Turner rushed and was stopped with a left jab. He sent in a right cross to the point of the chin and Lewis was counted out long before he recovered consciousness. He was groggy an hour after the fight. The betting was 10 to 4 with Turner the favorite. Now Turner wants a chance at Gene at the lightweight limit.

Kid Williams secured a well-earned decision over "Cyclone" Kelly at the end of ten rounds.

Martin Wins Another Rich Stake. LONDON, July 2.—At the Newmarket first July meeting to-day the Princess of Wales stakes (10,000 sovereigns), for four-year-olds and upward, at a mile and a half was won by Veles, ridden by Martin, the American jockey. Pietermaritzburg, M. Cannon up, was second, and Lascaris, ridden by American, was third.

It is doubtful if a worse lot of horses ever previously contested for so rich a prize. The whole lot was hardly worth the amount of the stakes. Veles won a hollow victory by three lengths. Four lengths separated second and third horses.

PARIS, July 3.—W. K. Vanderbilt's Nettle (MacGinn) ran second in the race for the United States about July 19 to contest for the American championship.

PARIS, July 3.—The stewards of the Jockey Club have suspended the license of J. Reiff, the American jockey, for one month for striking another jockey at the Rouen races.

SMITH TO PLAY IN FINAL ROUND

Meets R. N. Whitney To-day on Tennis Court at San Rafael.

Many Players Are Eligible for the Consolation Doubles.

The second day of the State championship tennis tournament at San Rafael brought out some of the best tennis seen in many months. Although all of the matches but one were won in straight sets they were exceedingly close.

The best match of the day was that between Drummond MacGavin and Grant Smith. The latter was in fine form, and his opponent went down to defeat in straight sets. MacGavin played a fine game and passed his opponent many times with his clean-cut, swift drives. Smith's volleying was remarkably strong and won the match for him. MacGavin also found his opponent's high-bounding serve hard to handle, the bound being too high for his low drives. Both players ran up constantly on their service, and the points were won or lost generally on one stroke. The score was 6-3, 6-3, 7-5.

In the other match of the semi-finals it required the full five sets to settle the question of supremacy between R. N. Whitney and W. B. Collier. The latter took the first and third sets handily. He had a lead of 5-4 in the fifth set, but Whitney won out by a small margin in complete score, in Whitney's favor, was 4-6, 6-1, 6-6, 6-3, 7-5. The match was close, but both players were nervous and pitiful little slips into their strokes.

The morning matches were interesting although rather one-sided. In the opening match, MacGavin played a strong game and beat Frank Stringham in straight sets. The score was 6-2, 6-4, 6-1. Percy Kahn defaulted to Grant Smith.

The other match was between Harry Haight and W. B. Collier. Haight made a good start in the second set and led the score 5-2 in his favor. He led at 40-15 in the next three games, but fell down at critical stages of the play. Collier was in poor form, but managed to win without the loss of a set. The score was 6-1, 7-5, 6-4.

This brings R. N. Whitney and Grant Smith together in the final to-day, when the best match of the tournament should be played. Smith is at his best and plays a strong game. Whitney did not show to good advantage yesterday.

The consolation doubles tournament for those not winning prizes will be started this morning and completed to-morrow morning. The strongest teams will be MacGavin and Collier, and Mitchell and Crowley. One of these teams is almost sure to win the tournament.

The consolation doubles tournament will be played at 2:30 to-day, when Whitney will meet Smith.

NATIONAL LEAGUE. CHICAGO, July 3.—The locals dropped two close games to St. Louis to-day. Score: First game: Chicago 2 6 11. St. Louis 4 10 12. Batteries—Rhodes and Kling; M. O'Neil and J. O'Neill. Umpires—Brown and Powers.

Paper Chase Attracts Many Riders.

Thirty-two entries in all have been received for the paper chase to be run to-morrow afternoon in Marin County. The start will be effected at 3:30 p. m. at Hotel Rafael. Since the original plan of host was published the following names have been received:

R. Curtis, F. Rossiter, Frank Johnson, J. P. Skinner, Miss Keyes, Mr. Fipp and Mrs. Naphtaly. Frank Skinner is the best horseman entering while Miss Bradshaw is expected to win the ladies' cup.

My resignation was requested by General Manager Mudge. I have no definite plans for the future. Asked as to the reasons for the change, he said: "That is one of the things for Mudge to tell you about."

Ressegule formerly was superintendent of the entire system and was made superintendent of the eastern division when the line was divided, in October, 1901. When asked concerning the resignation of Ressegule, General Manager Mudge replied: "This is a matter that does not concern the public, and I do not care to discuss it."
