

WORTHY GRAND MATRON IS TENDERED RECEPTION

California Chapter, Order of Eastern Star, Honors Mrs. Clara A. Giberson.

ALIFORNIA CHAPTER No. 153 of the Order of the Eastern Star held a special and unusually interesting meeting in the capacious asylum of California Commandery No. 1, Knights Templar, in the Masonic Temple last night for the purpose of tendering a fitting reception to Worthy Grand Matron Mrs. Clara A. Giberson on the occasion of her official visit to the chapter and to initiate a large class of candidates, including Miss Emily Wood Ferguson, the third daughter of Phineas Ferguson, worthy patron of the chapter, who at 9 o'clock in the evening attained the eighteenth anniversary of her birth.

The event was witnessed by nearly 500 members of the order, including visitors from subordinate bodies outside of this city. The asylum was most artistically decorated with rare flowers, ferns, bunting and flags, which, together with the beautiful paraphernalia, the most elaborate owned by any chapter on the Pacific Coast, and the elegant dresses worn by the ladies who took part in the ceremony, made up a scene that was grand in the extreme and a delight to the many on-lookers.

FINE INITIATORY WORK.

The initiatory work was exceptionally fine and was rendered with that attention to perfection, even in the minutest details, for which this already well known reputation for being up to date and at the close of the several rounds of applause.

At the termination of the ceremony Grand Matron Mrs. Giberson delivered an eloquent address to the assembly, on the occasion to compliment California Chapter in high terms for its brilliant work and record since its inauguration by Worthy Matron Dr. Bertha W. Stark and this was added to by Worthy Patron Ferguson, who, at the close of his remarks, presented to the grand matron a token of the chapter's estimation of her in the shape of a large crystal bowl filled with fragrant carnations. This was followed by the presentation by Chief of Police George W. Wittman to Miss Ferguson, who, as the eighth member of the worthy patron's family to be initiated into the order, with more to come, a costly emblematic star of the order, set with diamonds. After this Past Patron John Tomlinson, on behalf of Worthy Matron Dr. Stark, presented to Mrs. Giberson a silver cake server, having engraved upon it a facsimile of the emblem of the California Chapter, as an evidence of that chapter's regard for her. Dr. Christine Easton, a sister of the worthy matron, who also initiated, was by an officer presented an emblematic star, a personal gift. Richard R. Radke, also a personal gift. Richard R. Radke, also a personal gift.

GRAND BANQUET GIVEN.

During the evening there was an enjoyable musical, which included a vocal solo by Mrs. Harborth, with violin obligato by Herman Gieger, tenor solo by W. I. Collins and a baritone solo by George B. Ferguson.

At the close of the chapter there was a grand banquet in Royal Arch Chapter.

BOYAN'S VIEW OF THE PAST CAMPAIGNS

Offers Explanations for Defeat of the Democratic Party.

Addresses a Harmony Meeting Arranged by the New England League.

Makes a Few Suggestions as to the Kind of a Platform the Democrats Ought to Have.

BOSTON, July 24.—Nearly 4000 Democrats gathered at Nantasket Beach today and participated in the "harmony" meeting arranged by the New England Democratic League, the new political order which is expected to develop its strength in the fall campaign. Mayor P. A. Collins of this city acted as "moderator" as he expressed it and presented in order Edward M. Shepard of New York, Senator Edward W. Carmack of Tennessee and William J. Bryan of Nebraska, who expounded and discussed the issues of this campaign to the marked satisfaction of the audience. Colonel W. A. Gibson and Charles S. Hemlin, rival candidates for the Democratic gubernatorial nomination in Massachusetts, were the present, while Lewis Nixon of New York, Congressman Wilson of that State and John R. Thayer of Massachusetts were conspicuous among the guests.

The weather of the morning was cloudy and threatening, but at noon the sun appeared and in the afternoon the boat to the beach were crowded. Henry F. Hollis, secretary of the league, who was the active spirit in arranging the meeting, marshaled his forces at the landing for Nantasket shortly after 10 o'clock, the party including all the organization's guests, who took an hour to make the run down the harbor and on arrival the party was escorted to the Rockland House, where a meeting of the league was held.

CHEERS FOR BRYAN.

A reception by Bryan, Shepard and Carmack followed and then at 11:15 o'clock three hundred members of the league sat down to a banquet in the dining room of the hotel. Among those at the dinner was Miss Ruth Bryan, who is always in the front of the party, and the conclusion of the dinner the crowd repaired to the large tent on the lawn in front of the hotel. In a few minutes every seat was taken and the canvas at the sides was removed in order that hundreds who were unable to get in might see and hear.

The speakers appearance on the platform was the signal for loud and continued applause. Mayor Collins interrupted by demonstrations of approval. He repeated his former arguments, concluding as follows:

We cannot tell what issues we may have to meet. We can only determine to meet them in a Democratic spirit, to apply to them Democratic principles and to take the people's side always. In 1892 the paramount issue was tariff reform and the Democratic party boldly asserted its demand for a tariff for revenue. It fought the campaign and it won, but its majority was so narrow that a few Senators, disloyal to the party on this subject, defeated the verdict of the people rendered at the polls. But the failure of the party to do what it promised would not have been so disastrous but for the fact that the Wilson bill, unsatisfactory as it was to tariff reformers, had to be the basis of a Republican financial system, which was supported by our administration against the protest of an overwhelming majority of the voters of the party. The defeat of 1894 was more disastrous than any that the party has experienced since, and it was due to the fact that the administration deserted the people on the money question. In 1896 the money question rested to the front and was made paramount, not by the action of the majority of the Democratic party, but

DECLARES LABOR LEADERS GUILTY

Federal Judge Jackson Upholds the Right of Injunction.

PARKERSBURG, W. Va., July 24.—United States Judge Jackson, rendering his decision in the "Mother" Jones contempt case to-day, held that all the defendants had violated the injunction and were guilty of contempt of court. The opinion supported the right of the courts to use injunction and the right of laborers to work when they wish to do so without interference from organized labor or any other source.

DEFENDANTS ARE SURPRISED.

PARKERSBURG, W. Va., July 24.—There was intense interest shown by every one as Judge Jackson earnestly read his decision. Jones said the proceedings were surrounded by the defendants and Vice President Lewis of the United Mine Workers was present with them. The defendants were surprised with both the decision and the sentences and expressed themselves bitterly.

NO RIGHT TO CONSPIRE.

While I recognize the right of all laborers to combine for the purpose of protecting their lawful rights, I do not recognize the right of laborers to conspire together to compel employers who are not dissatisfied with their work to quit their work, without a just or proper reason therefor, merely to gratify a professional act of assisting the organizers, walking delegates, who roam all over the country as agents for some combination, who are vainly trying to live and tatter on the honest labor of the coal miners of the country and who are busy-bodies, creating dissatisfaction among a class of people who are quiet, well disposed and who do not want to be disturbed by the unceasing agitation of this class of people.

MOTHER JONES AS A MARTYR.

The court then referred to "Mother" Jones' speech at the Kinross mines, saying her utterances were the outgrowth of the sentiments of those who have been in communism and anarchy. The evidence showed that "Mother" Jones has called the miners slaves; said she did not care anything for injunctions; that it was a duty and she would not send her men down their tools and advise the men to strike; that the judge was a hireling of the coal company and that the coal operators were all robbers. She said in her speech to pay no attention to Judge Jackson or to the court, but just make the miners lay down their tools and come out.

YOUTH DIES IN MINE SHAFT.

PRESCOTT, Ariz., July 24.—A Frank Durgin, aged 25 years, was killed here to-day by falling down the shaft of the Cash mine. He came here to learn practical mining about a year ago and was under the supervision of the mine manager, Mr. He had descended in the bucket from the surface to the 200-foot level in company with two other men who were going to the 300-foot level. Durgin got off at the place indicated, but before the bucket with the other two men had reached the bottom he had fallen he was dead. Where Durgin stopped, and the manner of his falling can only be conjectured. He was very nearsighted, which was the cause of the accident. He had served with the army in the Philippines.

filed an affidavit to-day that Secretary W. B. Wilson violated the restraining order of June 19 by making an inflammatory speech at Clarksburg July 7 and another at Fairmont July 8, and asked the court for his arrest. Judge Jackson made the order that Wilson be arrested and brought within the jurisdiction of his court. Thomas Haggerty, who was given ninety days, was a prominent organizer. He lives at Reynoldsville, Pa. Rice and Morgan are also organizers and members of the board of United Mine Workers. Rice lives at Dubois, Pa., and Morgan in Massillon, Ohio. These organizers and others were working with the miners of West Virginia when Judge Jackson issued his order. The prisoners have been distributed among the jails of half a dozen or more counties.
