

ROOSEVELT DOUBTS

President Ready With Speech on Trusts and Tariff.

Explanation Given of the Recent Gathering of Senators.

Address to Be Delivered in Cincinnati Intended, According to Report, as a Platform for the Republican Party.

Special Dispatch to The Call.

BOSTON, Mass., Sept. 19.—The Boston Daily Advertiser will say to-morrow: It can be stated positively from the assurances of a United States Senator who was present at the Senatorial conference at Oyster Bay with President Roosevelt that to-day is to be made memorable in the history of the present administration by a declaration from the President as to the policy of himself and his party on trusts and the tariff.

Dr. Pardee does not belong to the persistent class of professional office-seekers. Four years ago he was candidate for the gubernatorial nomination of the Republican party in response to the earnest desire of many leading men of the State. He did not get the nomination, but he made a legion of staunch friends by his manly and prompt acquiescence in the judgment of the voters.

POPULAR WITH THE MASSES. Pardee is a warm-hearted, clear-headed and broad-minded man of the plain people, and when the farmers and workingmen who are not readily acquainted with him meet him many of them will give him their support. He may not be familiar with the plausible tricks of the trained politician and expert job-chaser, but his plainness and big character render him popular with the masses.

Cheering reports are received by the Republican State Central Committee from the counties south of Tehachapi and from the great valleys of Northern and Central California. Pardee is sure to get the Republican vote of the State. It is estimated that he will come to San Francisco with a majority of 30,000. There has been a large increase in the population of Southern California since the gubernatorial election of 1888, and it is known positively that the bulk of the new vote is Republican. In 1888 Los Angeles County gave Gage 14,983 votes. In 1900 the same county gave Samuel M. Shortridge, Republican, 19,200 votes. The Democratic candidate for Director, secured 13,138 votes. The Republican majority in 1890 was therefore 5,062.

In 1888 Gage's majority over Maguire in Los Angeles County was 2331. As the Republicans of Los Angeles are rallying to the standard of Pardee a majority of 500 for the gifted native son may be recorded next November.

FAIR AND OPEN FIGHT. The Democrats are fooling themselves when they give credence to the talk that Lane will get a big majority in San Francisco. The Maguire men were defeated four years ago by the same sort of campaign. In 1896 the Republican ticket in San Francisco by a majority over Maguire of 2588. Two years later President McKinley carried the town by 10,000. The Republicans of the city are pretty well registered and they are organizing in every Assembly district for a vigorous and energetic campaign. Moreover, the Republicans are making a straight-out fair and open fight for the whole State ticket. They are going around to one class of voters here and another class there, offering to knife the body of the ticket to save the head. As the campaign progresses they will give the support of the Republican workingmen on account of their worth as a man and his devotion to the principles of the Republican party.

ON NORTHWESTERN TOUR. President Roosevelt Is Again Journeying Through States.

NEW YORK, Sept. 19.—President Roosevelt, accompanied by Secretary Cortelyou, Assistant Secretary Loch and Dr. Loring, arrived in this city at 12:45 o'clock to-day, having come from Oyster Bay on the yacht Sylph. RESTAURANT OWNERS HEED WAITERS' DEMAND. At a Meeting Employers Decide to Grant Employes a Day Off Each Week.

The long fight of the waiters of this city for one day in the week off has finally come to an end. As an outcome of a meeting held by the Restaurant Keepers' Association last evening an agreement was reached whereby all waiters will be allowed a day off, as demanded by them. For some time it was feared the stubbornness of the employers and the persistence of the employees would result in the breaking off of friendly conference regarding the matter, but the action of the employers taken last night removes all danger of further dissatisfaction on the part of the employes.

REPUBLICAN LEGIONS OF SANTA CLARA VALLEY WILL GREET THEIR STANDARD-BEARER TO-NIGHT

BIG MEETING AT SAN JOSE FOR PARDEE

Indications That Candidate From Alameda Will Carry Valley by a Big Majority

Cheering Reports Come From the South to the Republican State Campaign Committee

T O-NIGHT in San Jose the people of the Santa Clara Valley will assemble to cheer George C. Pardee, the gifted Native Son of the Golden West and Republican nominee for Governor of California. Four years ago Santa Clara County gave a majority of 1888 over Maguire. The indications are that Dr. Pardee's majority in Santa Clara will exceed 3000. Dr. Pardee is well and favorably known as one of the leading public men of the State. As Mayor of Oakland his administration of affairs was highly creditable and absolutely free of corporate control. His record as a Regent of the State University is commendable in the highest degree.

Dr. Pardee does not belong to the persistent class of professional office-seekers. Four years ago he was candidate for the gubernatorial nomination of the Republican party in response to the earnest desire of many leading men of the State. Frank C. Jordan, Nominee for Supreme Court Clerk, Will Make a Personal Canvass

H AVING won his nomination on the Republican ticket for Clerk of the Supreme Court by a fight that is unique in the annals of California politics, Frank C. Jordan of Alameda has begun his battle for election. With his faithful mascot, the redoubtable Colonel John Cuddy of Oakland, Jordan has started on a tour of the State with the intention of presenting himself to the voters in every nook and corner of California.

Alameda's County Clerk glories in a battle, and nothing daunts him. It is against big odds that he won the fight before the Sacramento convention. It is the same sort of a battle that Jordan declares he will wage for the Republican State ticket. "It's Pardee at the top and Jordan at the foot of the ticket, and they can't lose," say the friends of these two candidates.

Here is Jordan's programme for the campaign, as he announced it before his departure from Oakland: "I am going to Humboldt County, and after visiting the principal towns will work down through the Sonoma Valley, then I will visit Siskiyou County and work down the Sacramento Valley, taking in the counties of Shasta, Yuba, Sutter, Butte, Colusa, Glenn, Yolo and Sacramento.

"After that Tuolumne, Calaveras and Amador will be visited. "With a few days' rest at home, the south will be my objective point. "I go into this fight for the whole ticket, and especially for Dr. Pardee. The convention placed me on the ticket under such circumstances that I feel it is necessary I should receive the compliment by giving my fight as big a majority as possible. I will not be able to go through Alameda County as much as I would like to, and I must have my fight in the hands of my friends, assuring them that I will do my best elsewhere for the credit of the county that has been so kind to me."

MAP OUT CAMPAIGN WORK. Alameda Politicians Are Arranging for Rallies.

OAKLAND, Sept. 19.—The opening campaign meeting of the Young Men's Republican League will be held to-morrow evening in Grand Army Hall, Thirteenth street, east of Broadway. Senator G. Russell Lukens and many of the Republican nominees on the county ticket will deliver addresses.

The Union Labor party club of Livermore has been organized. The officers are: President, Murdock Montgomery; secretary, Clarence Beck; sergeant-at-arms, John C. Reimers.

A Union Labor party rally was held this evening at Shattuck Hall, Berkeley. Local candidates addressed the meeting. Fred G. Merrill was the principal speaker of the evening.

The county committee of the Prohibition party has called a meeting for to-morrow night at the State headquarters, room 19, Playter block, to arrange for the campaign.

JUDGE DE HAVEN WILL LAY DOWN THE LAW. Test Case to Be Made Whether Foreign Sailors May Be Summarily Imprisoned.

United States Court Commissioner Heacock wishes District Judge De Haven to render an opinion as to whether the statute of 1836 has been repealed by the treaty with France, ratified in 1853, on the subject of the arrest of foreign sailors for desertion. The treaty provides that French sailors merely accused of desertion must be handed over to the French Consul without any examination whatever on the part of the United States authorities. The statute, on the other hand, provides that an examination in such cases must be had by the United States authorities.

Commissioner Heacock has taken the attorney for the French Consul to an examination and an opportunity of disproving the charge of desertion. The attorney for the French Consul will stand that the accused sailor is entitled to an examination and an opportunity of disproving the charge of desertion. INTERNECINE WAR WORRIES BOURBONS

Lane's Manner of Conducting His Campaign Is Causing a Lot of Dissatisfaction

Lack of Sinews of War to Settle Unpaid Accounts Is Annoying Committeemen

T HERE is an undercurrent of dissatisfaction among the members of the Democratic State Central Committee. This is largely due to Franklin K. Lane, the party's standard-bearer, conducting his campaign from the offices of the City and County Attorney in the City Hall. In years past it has been the practice of nominees for Governor to consult the wishes of the State Central Committee. The members of the Democratic State Central Committee thought they would be consulted by the candidate for gubernatorial honors, but much to their surprise, he has gone away and left the conduct of his campaign to the clerks and hangers-on of his municipal office.

A meeting of the Democratic State Central Committee will be held this afternoon at the California Hotel. It is very probable that ex-Governor Budd will air his views. He is wroth at the manner in which affairs are being conducted. He expresses surprise that the parceling out of speakership and various sections has not been settled by the committee on campaign. Although a member of this committee he has not been consulted in the matter.

The ex-Governor is somewhat of a spell-binder himself and expected to address a few audiences in this city and in the interior, but, much to his chagrin, he will only be heard in small towns, or, as Barney Murphy would say, "in the highways and byways."

There is not the greatest activity around the rooms of the Democratic State Central Committee in a handsome mahogany desks for the use of the chairman of the committee and his assistants. The telephone calls are being called out of interest of politics. He came there for the purpose of installing a new telephone. Secretary McCabe was the first to use it. He telephoned to the building calling him he was the only one present and he was running things himself. This must have been depressing news to Lane, as he hung up quickly.

Monetary matters are bothering the Democratic committee. The resignation of the Secretary McCabe for his campaign has caused a great deal of trouble among politicians yesterday. When he resigned M. F. Tarpey handed the sum of \$50 to Secretary McCabe for his campaign. This was rather disappointing to everybody concerned, as they really expected Tarpey would put up at least \$500. The fact that Tarpey failed to do so has caused a great deal of trouble. The latter is expected to arrive in this city from Paris to-day. Friends say that Weil has received the San Francisco papers and having read of the depleted Democratic treasury has turned back to Paris. If this is true the Democrats will have a hard row to hoe. Money must be forthcoming to pay for halls, printing and brass bands. Only a half-dozen members of the committee have paid their dues. The balance of the dues must be paid before the expiration of thirty days, otherwise they will not be eligible as members of the committee.

LADIES' AID SOCIETY WILL GIVE BAZAAR. Catholic Women to Raise Funds to Carry on Relief Work This Winter.

The Catholic Ladies' Aid Society has perfected plans for a charity bazaar to be held from September 25 to October 4 at Native Sons' Hall. The hall is to be open to every one free. It will be prettily decorated with colored bunting, ferns and flowers.

Several booths will line the sides of the hall. On the opening night Mayor Schmitz will preside at the banquet and the League of the Cross band will render a musical programme. The booths and the presidents to be in charge will be as follows: Mrs. Charles Wood, Miss M. M. McLaughlin, Mrs. M. H. Smith, St. Rose, Miss M. Garey, Sacred Heart, Mrs. J. D. Sullivan, St. Mary's (Paulist), Miss M. Donahue; ice cream and candy, Mrs. A. Collins and Mrs. F. Dowling.

A hot lunch will be served every day between the hours of 11:30 a. m. and 2 p. m. The proceeds of the bazaar will be used for the relief fund of the society, to carry on the work which coming winter will demand.

Small Boys Are Arrested. Frank Shay, Michael Dolan and John Everdine, aged 17 and 15 years, respectively, were arrested last night by Detectives Regan and O'Connell and booked for a public institution. For some time past complaints have been made to the police that youths of the neighborhood have broken into the Starr King School, on Seventh and Bryant streets, and after stealing what articles of value they could find would destroy property and commit other depredations. The detectives in arresting the boys found many articles that were missing from the school. In Everdine's house a bicycle that was stolen from the Cliff House two months ago was located and taken as evidence against him.

NEGOTIANTS MUST ACT IN HARMONY

Senator Foster Talks About the Political Outlook.

Says His Party Has Not Seriously Considered Any Candidate.

Among the arrivals at the Grand Hotel is United States Senator Murphy J. Foster of Louisiana, who is making a tour of the coast. He will remain in this city for several days.

In an interview last evening Senator Foster said: "The prospects for a Democratic victory next fall are brilliant if the party works in harmony and if the present time candidate has been seriously considered for the Presidency."

"One of the chief issues in the coming Presidential campaign will be the 'trust' question. The tariff will also cut an important figure in the campaign."

Senator Foster is a lawyer by profession and gained his first prominence by fighting the lottery question in the Louisiana State Senate in 1886. During his visit here he has been the guest of the Pacific-Union Club.

DEMOCRATS AT WAR. Two Los Angeles Factions Are Striving for Control.

LOS ANGELES, Sept. 19.—The Los Angeles Democracy is divided over party control. Rival organizations have been formed—the Democratic League, in which are enrolled George S. Patton, chairman of the recent Democratic State Convention; John T. Gaffey, chairman of the Los Angeles County Central Committee; Thomas E. Gibbon, J. Rose Clark, broker; Postmaster John R. Mathews and other representative men, and the Iroquois Club, which includes Dr. W. Edelman, chairman of the Democratic City Central Committee; Thomas Vacher, city dog catcher; John T. Wilson, candidate for Sheriff; and others. An effort will be made to wrest from him the control of the local organization.

It is a contest between the "push" and the "anti-push," with chances apparently in favor of the latter, who are the members of the late Democratic county convention and who say their desire is to regenerate the party.

Although the Democratic League has not so declared itself, it is supposed that it will oppose the renomination of Snyder for Mayor and that an effort will be made to wrest from him the control of the local organization.

After the fight is expected at an adjourned session of the County Convention, which is to be held to-morrow to fill out the county ticket, and the war will be carried into the City Convention on October 28.

It is not expected that any fight will be made on State nominees, and preparations are being made for a Democratic ratification on Thursday evening next, when Franklin K. Lane, I. E. Dockweiler, J. Barrett and J. V. Coleman will speak.

Eastern Star Initiation. California Chapter of the Order of the Eastern Star had an unusually interesting meeting Thursday night, when, in the presence of a goodly number of visitors, the following named were admitted into the chapter by initiation: Charles J. Swanberg, Ed Leaming, Mr. and Mrs. Paul H. Grau, Miss Miriam Grau, Miss Edith Lutz, Miss Jennie Swanberg, Mrs. Martha Kibbler and Mrs. Annie E. Lehrke.

After the work of initiation the chapter was addressed by Franklin Foster of Oakland Chapter, T. C. Widick of Kansas, Colonel Charles Buxton, E. Leaming, one of the initiates, and Past Master John Tonningsen, the latter giving an interesting account of the trip that he and other members of the chapter took to Aetna Springs recently.

NEW ADVERTISEMENTS. NIP IT IN THE BUD. First Appearance of Dandruff a Forerunner of Future Baldness.

That such is the case has been conclusively proven by scientific research. Professor Unna, the noted European skin specialist, declares that dandruff is the burrowed-out cuticle of the scalp, caused by parasites destroying the vitality in the hair bulb. The hair becomes lifeless and, in time, falls out. This can be prevented. Newbro's Herpelide kills this dandruff germ and restores the hair to its natural softness and abundance.

Herpelide is now used by thousands of people—so satisfied that it is the most wonderful hair preparation on the market to-day.
