HEADACHE, HEARTBURN, NAUSEA, CONSTIPATION, BELCHING AND GASTRICATION, FLATULENCY, DYSPEPSIA

Are symptoms of a weak and disordered stomach, and if you are a sufferer from any of them and want to get well we would urge you to give this wonderful medicine a fair trial.

HOSTETTER'S Stomach Bitters.

Here is convincing proof:

New York, N. Y. Dear Sirs—I have used your Bitters and found it a valuable tonic. It stimulates the stomach, increases the appetite and prevents Belching and Heartburn. G. PFINGSTEN, M. D.

Pleasanton, Cal. Dear Sirs—I have used your Bitters and have always found it beneficial for a disordered stomach. It does everything you claim for it. J. E. FEATHERSTONE.

Luttrell Pleads Not Guilty. Thomas W. Luttrell pleaded not guilty yesterday in the United States District Court to an indictment charging him with having written an indecent letter to Mrs. Mary E. Steifer concerning her daughter, Mabel. All the parties live in Redding.

Longest Overdue Ship Arrives. The British ship Claverdon, the longest out of the overdue vessels, was reported off Point Reyes at 4:30 o'clock yesterday afternoon. She is 218 days out from Antwerp, and 90 per cent reinsurance was offered on her.

Quick and Certain Cures.

My unequalled success has fully established my reputation as the leading specialist in men's diseases. I not only treat with certainty of effecting a cure, but all my cures are accomplished in the least possible time. Prompt and thorough results mark all my scientific methods of treatment, and are just as important as they are desirable, because any slow form of treatment endangers the case to chronic complications. To trust to the old-fashioned methods is to take serious chances.

MEN ONLY "WEAKNESS"

Destroying the system with powerful stimulants and tonics in an effort to restore functional vigor can have but one final result—complete exhaustion is rendered worse than before. "Weakness" is merely an indication of a low form of inflammation in the prostate gland, and the only scientific and fully effective treatment for "weakness" which effects a permanent cure is restoring the prostate gland to a sound and healthy state. I obtain complete results in every case I treat.

Varicocele. To attempt to cure varicocele by cutting away the affected blood vessels is surgery. I cure varicocele without surgery and without the use of caustic. My cures are positive and permanent in every instance, and are effected in a few days' time. No pain, no hospital expense, and seldom is it necessary that the patient be detained from his business.

"Live All Your Years a Man." This is the title of my pamphlet on diseases of men. Mailed free. Write for it. W. Consultation free at office or by mail.

JUNIOR HOUNDS IN HARD TRIALS

Exciting Sport at Union Park by Strong Hares.

The hares liberated at Union Coursing Park yesterday proved a strong collection of flyers from the Merced plains. They tested the speed and the stamina of the young hounds in the junior champion stakes in a marked degree, the coursing resulting in some sensational trials. The average duration of the courses was sixty-nine seconds, an unusual length of time under any conditions. The longest course was between Butte City and Pepper Hill, the young hounds running three minutes and fifty-two seconds. Two riellet dogs were sent to their assistance, but could not break down the flying hare. The veteran Madge Wildfire was then sent in pursuit and quickly ended the course. Rubber Ankles made quick work of her course, winning from Conroy by a score of 5 to 0 in 15 seconds. She was immediately installed stake favorite at odds of 2 to 1. Mickey Free beat Daisy D in a twenty-five second course. Silver Heels was beaten by Sempronius. The former had a minute and a half trial last Monday, which apparently dulled her speed. The Merced dogs, Young Johnny Rex and Kerry Pippin, are still in. They are right at home chasing strong hares. The feature of the special stake to-day will be the meeting of Sisqueo and Sacramento Boy in the first round. The last time they met was in a special match. In this Sisqueo won the first trial, while Sacramento Boy took the next three and the match. The Boy is overnight favorite for the stake at odds of 2 to 1. Sisqueo is quoted at 6, Jingle Bells 7, Harlean Gladys and Black Flush 10 and Tiburon 15. Prometheus is favorite for the reserve event at 4 to 5. Dorothy M is 2 1/2 to 1, and Lily Wright 3 to 1. The day's results, with Judge John Grace's official scores, follow:

LEADERS IN THE FORE

Mills Gets Back in the Game and Is Hit Freely.

Loo Loos Fail to Connect With Hodson's Steady Assortment.

The Leaders were just about the main thing in the big show yesterday at Recreation Park. Every fan who happened to be on the spot could hand out several reasons why the Angels ran next to first. It was a pretty little game, but the finish could always be distinguished throughout the fog of several innings. There was surprise when the end came, 5 to 2.

It was a sort of fete-day at the South Side lot, and it looked more like Sunday to view the gatherings on the bleachers. Lots of rooting marked every play and the tossers yelled and ginged up till the spectator was forced to believe something big was about due.

The demure Willie Mills, who has promised to spring the remainder of the trip out of Springs Valley a better package. His control was as good as they have in baseball and while the Angels threatened to assassinate his stock on several occasions, they failed to make good when hits were in demand.

Hodson, the villager, was on the firing end of the Leaders' line. Hoddie handed the Angels many a bitter package. His control was as good as they have in baseball and while the Angels threatened to assassinate his stock on several occasions, they failed to make good when hits were in demand.

Each team scored in the first. Toman led off with a double to left and Dillon's single to right made a bitter package. McCredie sent a terrific drive through Toman and out to center field for two bags. He went to third on Anderson's error of Householder's throw to the plate. Lohman's sacrifice put him over the final jump.

The Angels began to look a bit dangerous in the seventh. Dillon singled with a slow one to short and Householder scored him with a drive to the left-field fence. Lawler brought Householder home by hitting safely to right, but it all ended there.

Oakland got one more run in the seventh and then the fun ceased. The Leaders gave Hodson grand support all around and pulled him out of several tight places. The score:

Table with columns: OAKLAND, AB, R, BH, SB, PO, A, E. Rows: Walters, Miller, Dunleavy, McCredie, Devereaux, Francks, Lohman, Hodson, Totals.

Table with columns: LOS ANGELES, AB, R, BH, SB, PO, A, E. Rows: Toman, Raymer, Dillon, Householder, Kelly, Fagan, Lawler, Jackson, Mills, Totals.

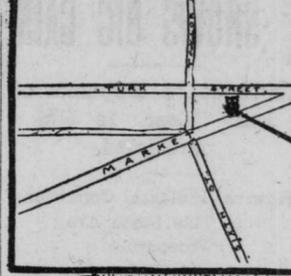

Table with columns: RUNS AND HITS BY INNINGS. Rows: Los Angeles, Oakland, Base hits.

ADVERTISEMENTS. New Life to Weak Men.

Old Men Made Young Again—Weak Men Find Old-Time Strength and Power of Youth. TRIAL PACKAGE MAILED FREE.

To the men who have tried every known remedy to revive their waning power or lost manhood, and have given up in despair, the following message comes as a most blessed promise. Greater Than Assertion. There is none of us so hardened but that when we have been able to aid our fellow creatures by conferring a benefit or bringing a little comfort into their lives we like to have appreciation shown. This generally affords more pleasure than the performance of the act itself, and in this strength and memory weak men, without any connection for the use of more than usual interest: "Dear Friends: I address you as such, for you have been such to me. I suffered for three years off and on with piles. I was treated at the hospital, and the new and elegant hospital, of Memphis; they only gave me temporary relief. I came west, thinking the change of air and water would benefit me; five months ago the bleeding piles came back on me and bled so much that I thought I would die. I have had four of the finest doctors in this section of Texas; all they did was to finally nearly let me go to my grave; all they wanted was a big sum of money from me and to operate on me. I said no, my surgeon's knife would enter me; if it was my time to die God knew it, and when I died I would die knowing it, I began hearing about your medicine. I had no faith in you, but I sent and got a box of your Pyramid Pile Cure; in two days the blood flow had slackened to one-half the amount and in one week I was feeling much better I walked four blocks and did a little housework. I was not bleeding then; in three weeks I was well. God bless you for putting such a wonderful medicine within the reach of suffering men and women. I shall never cease to thank you for the cure of my piles; I recommend your medicine or be without it; also I used your Pyramid Pills. Sallie A. Heardon." Testimony like this should be more to the credit of the medicine in the mind of the reader as to the merit of the remedy. Pyramid Pile Cure is sold by druggists for fifty cents a package, or will be mailed by the makers to any address upon receipt of price. Write Pyramid Drug Co., Marshall, Mich., for their book on cause and cure of piles.
