

REGULARS SHOT AT BENICIA RANGE Infantrymen Engage in Exciting Contest for Medals.

Team to Go to Fort Sheridan Will Be Selected From Among Winners.

BENICIA, Aug. 11.—General MacArthur, U. S. A., and staff arrived here to-day on the tug Slocum from San Francisco. When the tug tied up at the Arsenal wharf the general and his staff were driven to the shooting range, where competitive shooting is being engaged in by the different companies of United States infantry in the Department of California. The object of the general's visit is to inspect the range and to be present to-morrow to distribute the medals to the marksmen scoring the highest points.

Considerable interest is being manifested among the different companies contesting for supremacy. The score to-night is in favor of the Seventh Infantry, Sergeant Willis of that company being the leader in to-day's shooting. With Corporal Ingelhart of the same company a close second. Sergeant Timmons is a close competitor for first honors. To-morrow's shoot will be final, after which General MacArthur will present medals to the men making the best scores and also select the men who are to represent the Department of California in the shooting contest to be held at Fort Sheridan on the 20th inst.

The residents of Benicia were greatly agitated some time ago by a report that the Government was about to abandon the post at Benicia. A committee from the local Board of Trade called on General MacArthur to-day to learn if there was any foundation for the report. He assured the members that the Government had no intention of abandoning the post. He said that he intended to send three companies of regulars here in the near future and that the outlook for improving and enlarging the post seemed favorable.

PRESCOTT, Ariz., Aug. 11.—The Territory department cavalry and pistol competition shoot at Fort Whipple is now on. The scores of the highest twelve competitors with pistol at fifty yards are as follows:

Henry Senner, distinguished marksman, Fourth Cavalry, 299; Lieutenant Langlois, Fourth Cavalry, 263; Lieutenant Cole, Ninth Cavalry, 258; Lieutenant Camp, Ninth Cavalry, 251; Corporal Watson, Fourth Cavalry, 248; Corporal Watson, Fourth Cavalry, 241; Sergeant Thompson, distinguished marksman, Ninth Cavalry, 236; Captain Howard, Tenth Cavalry, 226; Sergeant Wardell, Ninth Cavalry, 226; Private Carlson, 226; Private Lewis, Fourth Cavalry, 227.

Scores made with carbine: First Lieutenant Aubrey Elmsworth, Fourth Cavalry, 46; Captain Harold T. Howard, Fourth Cavalry, 35; Sergeant Spencer H. Thomas, Ninth Cavalry, 35; Corporal Henry Senner, Fourth Cavalry, 32; Sergeant Jahrlke, Fourth Cavalry, 30; First Lieutenant Casper Cole, Ninth Cavalry, 29; Corporal George F. Watson, Fourth Cavalry, 22; Sergeant George Walran, Ninth Cavalry, 22; Sergeant Dowdell, Fifth Cavalry, 22; Sergeant Sam Wardell, Ninth Cavalry, 20; Corporal Jesse Taylor, Tenth Cavalry, 20; Private Claude Lewis, Fourth Cavalry, 20.

The Darkroom Abolished. Call on Sanborn, Van & Co., 741 Market street, and see the machine that develops plates anywhere and at any time and much better than the old way.

Meets Death on Collier. Michael Mullin, a longshoreman employed on the collier Tello, was struck on the head by a chunk of coal yesterday afternoon, sustaining a fractured skull, from which he subsequently died. The accident occurred at 4:30 p. m., while the unfortunate man was at work in the hold of the vessel loading coal buckets.

In some unaccountable manner a large lump of coal fell from one of the hatchways, striking Mullin's head and rendering him unconscious. The injured man was at once conveyed to the Harbor Hospital. He died about an hour later and the body was removed to the Morgue. The funeral will be held under the auspices of the Longshoremen's Union, of which the deceased was a member.

OLYMPIC CLUB FETE MATERIALLY AIDS THE GRAND ARMY ENCAMPMENT FUND Benefit at Pavilion Entertains Many Delighted Spectators—Increasing Arrivals at Hotels Tell City That Annual Gathering of Civil War Veterans Is at Hand

THE reception fund of the G. A. R. encampment received a goodly boost as the results of the ladies' night benefit which was given by the Olympic Club at the Mechanics' Pavilion last night, though the crowd was not as large as was hoped for.

It was a varied programme fit to satisfy the most diversified tastes which the club members offered. Opera singing, national airs and sparring by ex-champion Bob Fitzsimmons were the specialties among the attractions offered. Whether it was an aria from "Le Cid" or a strangle hold on a club-fight-catch, the spectators paid their warmest applause to the efforts of the performers.

Out of compliment to the great patriotic society for whose reception the Olympic entertainment was given, the performance was opened by the singing of "America" by a trained chorus of fifty voices, accompanied by the United States Artillery Band from the Presidio. Then a group of graceful young men in feathery costumes converted themselves into acrobatic poses plastic with much success. Another patriotic song, "Marching Through Georgia," was rendered by S. Homer Henley, with a band accompaniment.

MRS. FITZSIMMONS APPEARS. Mrs. Julia Gifford Fitzsimmons then made her first public appearance after her recent nuptials with the ex-champion prize fighter. The little actress rendered the aria from "Le Cid" in a manner that made the whitewashed rafters of the Pavilion ring. Her efforts occasioned hearty applause and she was forced to respond with a popular song as an encore.

A group of wrestlers then wriggled over the mats to the great delight of the small boys who had smuggled their way past the doorkeepers. Other club athletes swung blazing clubs in the darkened hall with very fetching effect.

Mrs. Grace Davis Northrup led the singing of "The Star Spangled Banner" while the attendants were clearing the arena for the boxing. Then came Robert Fitzsimmons in robin's egg blue tights and a happy smile to demonstrate the manly art with George Dawson of the Olympic Club.

Between the periods when some half-dozen boxers were skipping over the floor of the arena, the ex-champion gave a real imitation of a pugilist in action. He simulated distress and final agony in such a lively manner as to cause some of the ladies in the audience to hunt for their lavender salts.

The evening's entertainment closed with the singing of "The Soldier's Love" and "Columbia, the Gem of the Ocean," by Mr. Henley and the chorus. A promenade concert brought to an end one of the most successful affairs which the Olympic Club has ever given.

HOTELS ARE FILLING UP. That the encampment is close at hand is evidenced in various ways about the city, but nowhere is the fact more emphasized than at the downtown hotels, where the pressure of business is rapidly increasing and to such an extent that it keeps the managers and clerks busy scheming how to meet the demands for accommodations. For the last three nights all the large hotels have been filled to their utmost capacity, and hundreds of people arriving on the late trains have been denied lodgings at these hostleries, for no other reason than no rooms were to be had. Of course this condition does not in any way affect the chances of the delegates to the encampment getting accommodations, for their rooms have been arranged for by the local committee, and the people who now occupy them do so with the understanding that they will vacate when the old soldiers arrive.

Those who are attracted to the city by the cheap transportation rate will have to find accommodations in the smaller hotels, of which, however, there are plenty to meet all requirements.

HEADQUARTERS ARE LOCATED. The general committee has arranged for headquarters for the national officers of the Woman's Relief Corps as follows: National President Mrs. Lodovick J. Taylor, National Treasurer Mrs. Sarah Phillips, National Secretary Ada E. May, at the Palace; Mrs. Lee Stuart Wadsworth, national patriotic instructor, Palace; National Senior Vice President Mrs. Geraldine B. Frisbie, Occidental; Past National President Mrs. Emma Stark Hampton, Occidental; Past National President and President Andersonville Prison Board Mrs. A. Turner Grand, East National; President Mrs. Harriet J. Redge, at The Roosevelt; Past National President Mrs. Emma R. Wallace, Palace.

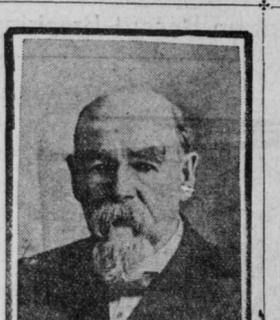

The headquarters for the national officers and the official headquarters of the various departments of the G. A. R. will be located as follows: National headquarters, Palace Hotel; Department of California and Nevada, Palace; Connecticut, Illinois, Kansas, Iowa, Massachusetts, Nebraska, New Hampshire,

STAGE DIRECTOR JONES TO LEAVE FOR EAST. Members of Grand Opera-House Company Present Him with Hand-some Souvenir of Regard.

Charles H. Jones, the stage director at the Grand Opera-house, will leave for New York City on Saturday to join one of the prominent managers for the coming season.

The popular stage director was the recipient of a handsome silver cigarette case last evening at the hands of some of the ladies of the Grand Opera-house company, the gift being suitably engraved.

Stage Director Jones has been one of the principal factors in the successes presented at the Grand Opera-house during the last three months and his resignation from the company was received with general regret by all his associates and the legion of friends he has in San Francisco.

performance was opened by the singing of "America" by a trained chorus of fifty voices, accompanied by the United States Artillery Band from the Presidio. Then a group of graceful young men in feathery costumes converted themselves into acrobatic poses plastic with much success.

HURRICANE NEARS SHORES OF CUBA Warnings Are Sent to Points on Florida Coast.

WASHINGTON, Aug. 11.—The hurricane which yesterday passed over San Domingo and Martinique probably is approaching the south Cuban coast, with indications of recurring, but at what angle the weather bureau officials are unable to state. A report from Havana at 7 o'clock to-night said that the wind was blowing thirty-six miles an hour and was from the northwest. The hurricane probably will continue in its course northward some where close to the Florida Peninsula. Hurricane warnings have been sent to points from Port Eads on the Gulf coast around the Florida coast up as far as Jupiter. The storm was central this morning at Kingston, Jamaica.

The State Department to-day received a dispatch from Consul Jevett at Port de France, Martinique, dated yesterday, confirming the press report of the disastrous storm on that island. The dispatch says: "Terrible cyclone visited entire island midnight Saturday. Great damage to crops and fruits. Many houses in Port de France unroofed. Trees two feet thick uprooted. One man killed. Consulate intact. At Trinite three killed; many houses destroyed. Smaller towns damaged. New villages Tivoli, Fond La Haye, Fourneols and Reculee destroyed, rendering 5000 homeless."

CARELESS NAVAL OFFICER WILL BE REPRIMANDED Lieutenant Commander Carter Earns the Censure of President Roosevelt.

WASHINGTON, Aug. 11.—By order of the President a letter of reprimand will be sent to Lieutenant Commander Fido S. Carter, U. S. N., for negligence in navigation in failing to have casts of the lead taken frequently while under way on soundings.

Carter was tried by general court-martial on the Asiatic station last winter on five charges in connection with the grounding of the United States tug Piscaqua on December 23 last near Subig Bay, Philippine Islands. The court found him guilty on all charges and sentenced him to dismissal from the service.

After a careful review of the testimony acting Secretary Dainger, who has spent months of study on the case, prepared a brief review of the findings for submission to the President. The acting Secretary expressed the opinion that Carter was guilty only of neglect in navigation and not guilty on the other four charges. He recommended that he be reprimanded. This recommendation the President adopted.

MOUNT ETNA THE CENTER OF EARTHQUAKE SHOCKS ROME, Aug. 11.—An earthquake having the region of Mount Etna as a center was felt to-day throughout Sicily and Southern Italy and to a smaller degree in Central Italy. Little damage was done, although in the zone of greatest intensity the movement lasted two minutes. The Fiume Caldo, a stream near Mount Etna, became turbid and the temperature of the water rose to 72 degrees. Mount Vesuvius is again in eruption, its present activity being considered to be connected with the earthquake shocks.

LONDON, Aug. 11.—A dispatch from Candia, Island of Crete, says that an earthquake occurred there at 6 o'clock this morning and that its duration was thirty-two seconds, but that there was no casualties.

ATHENS, Greece, Aug. 11.—Three slight earthquakes occurred here at 6 o'clock this morning. Three villages on the Isle of Clnthera were almost entirely destroyed. The earthquake was general throughout Greece, but no fatalities have been reported.
