SPRING VALLEY COMPANY IS NOT BUYING UP LAND

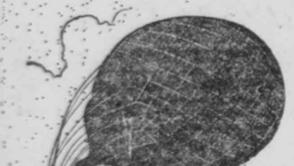

Engineer Schuesser Emphatically Denies Report Recently Sent Out From Gilroy.

SAN JOSE, Oct. 2.—The published report from Gilroy that agents of the Spring Valley Water Company are buying up land here to control the Uvas waters is emphatically denied by Engineer Schuesser of the Spring Valley Company, who is now at Del Monte.

There is a struggle going on between the Del Monte and Spring Valley companies for control of the Coyote headwaters in this valley. Both claim the waters of the Monte Hamilton streams and the Del Monte Company has been notified by the Spring Valley Company that any attempt to divert the waters of these streams will be resisted.

FARMER ACCIDENTALLY KILLS HIMSELF. SANTA ANA, Oct. 2.—Samuel Lupton, 42 years of age, residing three miles southwest of this city, was killed this morning by a charge of shot through the abdomen, presumably from the accidental discharge of a shotgun which he took from the house with the avowed intention of shooting chickens. No one was present when the accident occurred and aside from the fact that the charge entered the body in a peculiar position there was nothing pointing to suicide. Lupton leaves two sons.

DR. PIERCE'S REMEDIES.

There was a cry in the streets. People rushed from their doors and strained their eyes on the struggling balloonist fighting for life. Even the poor, panting sufferer in the sick room was forgotten while the family gazed breathless at this strange tragedy of the air. Then they went back to the sick room to tell of the terrible struggle for life they had just witnessed. It did not occur to them that under their very eyes a more terrible, more pathetic struggle was going on daily.

Miss Dorothea Bagley Becomes Bride of Canadian.

Popular Belle of Dawson Goes From Telephone Office to the Altar.

TACOMA, Wash., Oct. 2.—One of the prettiest Klondike weddings of the season was solemnized two weeks ago at Eagle, Alaska, when Miss Dorothea Bagley, a native daughter of San Francisco, and Gordon Glencoe Hulme were married by Dr. Ensign, the Presbyterian minister at Eagle. The bride has been known as one of the handsomest girls in Dawson, where she was formerly manager of the telephone exchange. At a society ball last winter she was voted the most beautiful woman present. Her original name was Tracy, the name of Bagley being given her by Mr. and Mrs. Bagley of San Francisco, who adopted her when she was a child. Her bridegroom is son of Lieutenant Colonel Hulme of Belleville, Ontario. He served with the First Canadian Regiment in the South African war, receiving honorable mention for services on the battlefield. On returning to London he was presented to the King and Queen. He is now bookkeeper for a mercantile firm at Dawson. Hulme and Miss Bagley went to Eagle by the steamer Bailey and were married on their arrival there. They returned on the same steamer and were given a warm greeting by Dawson friends who had filled their new home with flowers and fruit.

FRIENDS PAY THE LAST SAD TRIBUTE OF RESPECT

Funeral of Miss Hertha Page, Who Drowned Herself, Is Largely Attended.

SAN JOSE, Oct. 2.—The funeral of Miss Hertha Page, the popular young society lady of this city who drowned herself at Santa Cruz while temporarily insane, was held today and was largely attended by the friends of the young woman. Services were held at St. Patrick's Catholic Church. The embossed plush casket was covered with a pall of white and pink sweet peas. The chancel rail and altar of the church were draped with purple ribbons. There was an unusually large number of floral pieces.

Rev. Father McGuire preached the sermon. The music was especially fine, the choir singing Giorza's requiem mass and "Madonna Libera." A large number of friends followed the remains to the cemetery. The pallbearers were H. W. McComas, Oscar Promis, David Blair, Daniel Byron, James Shute, J. A. Delmas, C. E. Scott, Lloyd Childs, L. C. Molsson and Charles Herold. The Oratorical Society, of which Miss Page was a prominent member, attended the funeral in a body, and decorated and lined the grave.

Miss Page, while temporarily insane from illness, mysteriously disappeared from her home in this city on September 12. She had started out to call on some friends, but instead took a train to Santa Cruz. On the 15th of September her jacket, hat and gloves were found on the rocks at Vue de l'Eau, where she had drowned herself. Last Wednesday her body was found floating in the bay. Deceased was one of the most popular young ladies in this city and was prominent in church and society affairs.

BRIDESMAID ROSES.

This picture shows a bouquet of Bridesmaid roses, nearly life size, in a deep red jardiniere, standing out clear from a dark background. It is a reproduction of an original oil painting by Franz Mortelmans, the distinguished flower painter of Belgium. It won a gold medal for him at the Brussels Exposition in 1890.

Franz Mortelmans was born in Antwerp in 1865 and is considered by many the greatest living painter of flowers. His father was a painter of artistic tastes, whose greatest joy was the progress and education of his children in the arts he loved so well—painting and music. It was his habit to take them frequently on excursions to the woods in search of flowers. Nothing pleased the little Franz more than to draw crude forms in the dry earth and sand. Displaying unusual aptitude in outlining flowers and still life, at the early age of 11 he went to the academy to become a decorator and scene painter. At the age of 16 he sent a canvas to the biennial salon at Goud. Another, exhibited in London, sold for 40 sterling, being the only Belgian picture purchased. After spending two years in the army he studied at Verdun and at the Institut Supérieur. In 1889 he exhibited at the exposition of Ghent and received Governmental reward. In 1890 the same honor was granted him at Brussels. His studio is now in Antwerp and his paintings are in demand throughout Europe and America. The Queen of Belgium recently purchased one of his rose pictures. He is a lover of sport and he is frequently seen in the country followed by two dogs, giving free rein to his ever-working imagination.

SQUANDERS A FORTUNE LEFT HIM BY HIS FATHER

Edward Skuggs of Atlanta, Georgia, Is Arrested at Sacramento on Suspicion of Insanity.

SACRAMENTO, Oct. 2.—Edward Skuggs, whose home is in Atlanta, Georgia, has been confined in the County Jail for several days on suspicion of insanity, but as he is apparently fully restored to competency he will be released. Skuggs inherited \$15,000 from his father's estate in Atlanta nine months ago, and proceeded to put the money in circulation. He journeyed to San Francisco by a circuitous route and all he remembered of the trip is that he had a good time and spent \$14,800 in securing it. He left San Francisco with \$200 and found himself the other day at a gay resort on the Riverside road, a few miles below Sacramento. The rural constables arrested him on suspicion of insanity, an evidence of the dementia, which they regard as conclusive being his refusal to take a drink of liquor when invited to do so. He supplied what the constables deemed further proof of a disordered mind when he paid 25 cents for a glass of plain water. Skuggs says there is more money coming to him in Atlanta and he is going back to get it.

Wanders Off While Demented.

REDDING, Oct. 2.—Milton Fox, a farmer of Phillips district, who started with his team from Redding Wednesday evening for his home a few miles from town, walked into the home of his brother, George Fox of Oak Run, many miles from his destination, Thursday afternoon. When questioned about the team he said he had killed both horses. As one of the animals was already home and the other was found tied to the wagon, it is evident that Fox roamed the woods during the night on foot. His mental condition is believed to be due to delirium from a fever that must have attacked him shortly after his departure from Redding.

Desperado Manages With the Aid of a Rancher to Give His Pursuers the Slip.

SOLOMONVILLE, Oct. 2.—Sheriff Parks of Graham County has returned to Solomonville from the Blue River country, where he made a vain attempt to capture outlaw Joe Roberts, who repulsed the officers in a pitched battle about ten days ago. Parks and his posse followed the desperado for many miles and at one time were close to him. A fierce fight was imminent, when, with the aid of a rancher named Dallas, Roberts and his men gave the officers the slip and they lost all trace of them. Dallas was arrested and brought back to Solomonville, where he was placed in jail under a heavy guard. Roberts stands by his friends and it is feared that he may attempt to effect the release of Dallas.
