

MEMBERS OF COMMITTEE IS AT BUTTE

Members Meet Heinze, but Arrive at No Conclusion.

Senator Gibson Favors Plan for Starting the Mines at Once.

Montana's Chief Executive, Governor Toole, Will Be Asked to Call an Extra Session of the Legislature.

BUTTE, Mont., Oct. 30.—Four members of the committee on mediation, who, upon the invitation of the Chamber of Commerce of Great Falls, agreed to meet to see what could be done toward arriving at some solution of the Butte shutdown situation, met in Butte to-day.

The men composing the committee are Senator W. A. Clark, President J. J. Hill of the Great Northern Railway, Governor J. D. Toole and Senator Paris Gibson and Congressman Dixon. All the members except Congressman Dixon were present.

The members of the committee were the guests of Senator Clark and they dined at his home. At 9 o'clock this evening F. Augustus Heinze called at Senator Clark's house by invitation and met the members of the committee. There was a cordial handshaking all around. The gentlemen of the committee were still sitting at the table when Mr. Heinze called and when he was announced the dinner party broke up and all came out to meet him.

To representative of the Associated Press Senator Clark said nothing beyond the fact that the committee had organized by electing Mr. Hill chairman of the committee had been accomplished. The situation had been discussed informally and the committee would have a talk with Mr. Heinze to see what could be done in fixing up matters.

Senator Clark said there was nothing to give out for publication at the present time, as the committee had not decided as yet on any plan of procedure.

There were all sorts of rumors afloat, but none of them had any foundation in fact. There were rumors that Governor Toole had decided to call an extra session of the Legislature, but this was only street talk.

Senator Gibson favored a plan to have the mines start up at once on the proviso that no receiver should be appointed pending the determination of the injunction in the Supreme Court, that the Legislature should enact a law, in special session, legalizing the existence of the Amalgamated Company.

Of course these are only street rumors and nothing authentic has come from the committee. It was not expected that anything official would be announced until a late hour.

Governor Toole said nothing had yet been outlined and no plans had been arranged.

Senator Clark later called on Governor Toole and the Senator then drove the Governor to his home. A committee from the Butte Business Men's Association called on the Senator at his home and requested that a time be set for a conference with the committee on mediation.

After a short stay the committee went to Senator Clark's office in the Miner building and immediately got down to business. The committee remained in session all afternoon in secret conference and nothing was given out. At 5 o'clock the committee took a recess and at 7 o'clock the party were the guests of Senator Clark at dinner. In the meantime Mr. Heinze was invited to meet with the committee at 8:30. As far as known President Scallion of the Anaconda Company had not yet met the committee. Hill expected to go East to-morrow. The committee of fifteen named at the mass-meeting held at the Auditorium Thursday night under the auspices of the Trades and Labor Assembly will probably meet Governor Toole some time to-morrow. The committee will ask Montana's chief executive to call an extra session of the Legislature for the purpose of considering needed legislation. A sub-committee will see the Governor to-morrow, when a final appointment is expected to be made for the meeting with the general committee.
