

REPUBLICAN MAJORITY IN OHIO IS INCREASED AND HANNA WINS LEGISLATURE; TAMMANY REGAINS CONTROL OF GREATER NEW YORK'S MUNICIPAL GOVERNMENT

Returns Show Record-Breaking Landslide in the Buckeye State.

Hanna Will Be Returned to Senate by Overwhelming Majority.

COLUMBUS, Ohio, Nov. 4.—Shortly before midnight Chairman Dick announced that Myron T. Herrick's plurality for Governor over Tom Johnson would exceed 125,000 and that there would be more than 100 of the 143 votes in the Legislature for the re-election of Senator Hanna. It is believed that the Republican majority on joint ballot will exceed seventy-four.

On account of the vote on five constitutional amendments, the counting was delayed throughout Ohio to-night and when returns were received they could not be compared with those of any preceding State election, as the seventy-one municipalities with 5000 population or more had been re-districted under a new municipal code that went into effect this year and changed the voting precincts in the re-organized municipalities. Almost all the returns received were from the cities, on which the usual rate of gains or losses could not be definitely determined, but most of them made such Republican gains over their vote of last April, with which comparisons could be made, as to indicate that the drift was with the Republicans in the towns, even greater than in the rural districts, where the Republicans were gaining a decided plurality over the vote of last year, when the Republicans had a plurality of more than 9,000. At the same time the reports of county committeemen, so far received, indicate that the Republican tide wave had carried the close or doubtful districts and counties for State Senators and Representatives, so that the Republican majority on joint ballot was larger than ever before.

It is said that the Democrats who opposed Johnson to-day will continue their organization to prevent him controlling the next Democratic State Convention or naming the Ohio delegates at large to the next national convention.

At the City Hall, where Republican Chairman Dick and others received the returns, the greatest demonstrations were over the announcements from Cleveland that the Republicans had carried the home of Hanna and Clark, Herrick and Johnson, by a decisive plurality. It is said that the Republicans have carried three-fourths of the eighty-eight counties.

COLUMBUS, Ohio, Nov. 4.—An hour after midnight Chairman Dick of the Republican State Committee gave out his latest announcement for to-night, that the Republican plurality would exceed 125,000; that the Republicans had elected twenty-six and the Democrats four State Senators, with three districts not heard from; that the Republicans had elected eighty-seven Representatives and the Democrats eleven, with twelve counties not heard from, assuring a Republican majority of eighty-three on joint ballot for Senator, with fifteen votes not yet determined.

CINCINNATI, Nov. 4.—Complete returns from the sixty-nine precincts outside of the city of Cincinnati give Herrick 878, Johnson 324. This gives Herrick a plurality of 554 in Hamilton County.

COLUMBUS, Ohio, Nov. 4.—The Republicans carried this city by the unprecedented Republican plurality of 4500 and Franklin County by 2800 for Governor, also electing four Republican Representatives.

CLEVELAND, Nov. 4.—At 2 o'clock only 100 of the 200 precincts in the city of Cleveland had been figured out. These show Herrick (R.) for Governor has 14,686 against Johnson (D.) 13,833. The total vote in the city will not be known until well on in the day.

REPUBLICANS RETAIN CONTROL OF THE NEW JERSEY LEGISLATURE
TRENTON, N. J., Nov. 3.—The Republicans to-day elected four State Senators and enough of the Assembly to claim both houses.

The entire Democratic Assembly ticket was elected in Union county, which is a defeat for United States Senator Kean. The Republican nominees, who were favorable to his return to the Senate, were openly opposed at the polls by the anti-Kean faction in that county.

The next State Senate will stand fourteen Republicans and seven Democrats. The important elections in the State outside the legislative contests were the Mayoralties in Jersey City and Trenton. Mayor Fagan (R.) was re-elected in Jersey City by 1900 majority. In Trenton Mayor Katzenbach (D.) was re-elected by 415 majority.

Revised returns from Monmouth County show the election of three Democratic members of the House there. The House of Assembly will consist of thirty-six Republicans and twenty-six Democrats.

PENNSYLVANIA ROLLS UP MORE THAN 200,000 REPUBLICAN PLURALITY
PHILADELPHIA, Nov. 2.—Estimates from the sixty-seven counties of the State indicate a plurality for Mathus (R.), for State Treasurer, of 217,734. Snyder, for Auditor General, and Morrison and Henderson, for Judges of the Superior Court, were given approximately the same immense pluralities. Snyder became the object of criticism because as a State Senator he voted for what is known as the "press-muzzler law," but this apparently cut very little figure.

The returns indicate Republican gains in forty-nine counties and Democratic gains in the remaining eighteen.

PHILADELPHIA, Nov. 2.—The election in the Fourth Congressional District to fill the vacancy caused by the death of R. H. Foederer resulted: Moon (R.) 15,575, Raff (Ind.) 2280, Ressler (Pro.) 252.

DEMOCRATS HAVE FIELD TO THEMSELVES IN OLD VIRGINIA
RICHMOND, Va., Nov. 3.—The elections in Virginia for members of the Assembly have resulted in a Democratic sweep of the State. There were few contests, the field as a rule being left open to the Democrats. At 11:30 o'clock the outcome at the hardest fought point was still undecided. Two surprises appear, however, in the defeat of Democratic nominees in Botetourt and Fredericksburg. The vote generally was light, being in Richmond city, for example, only about 25 per cent of the registration.

Mississippi Is Democratic.
JACKSON, Miss., Nov. 4.—From returns received at midnight it is doubtful

if the vote will reach 30,000. The Democratic ticket, headed by J. K. Vardaman for Governor, is elected. The Legislature chosen to-day will re-elect H. D. Money and A. J. McLaurin Senators. The Republicans had no ticket in the field to-day.

REPUBLICAN TICKET TRIUMPHS IN IOWA BY SIXTY THOUSAND

DES MOINES, Iowa, Nov. 3.—Returns received up to midnight indicate the re-election of Governor Cummins by a plurality of 60,000 and of his associates on the Republican ticket by substantially the same pluralities. At Democratic headquarters so great a defeat is not admitted.

The legislative returns, although not complete, indicate little change from two years ago, when the House contained 33 Republicans and 18 Democrats and the Senate 40 Republicans and 10 Democrats. The Democrats may gain three members of the House.

TENDERLOIN CELEBRATES.

Remarkable Demonstration Over the Victory of Tammany.

NEW YORK, Nov. 3.—From the fall of darkness until long after midnight the Tenderloin was the scene of a noisy revel. The vigorous hum which commenced as the first few bulletins appeared soon grew into the most tremendous demonstration that the Tenderloin—or the city itself, for that matter—has ever seen.

From the Flat Iron building, with its twenty-storied beak a glare of electric lights, to Longacre square 100,000 persons surged back and forth from one bulletin board to another. On Broadway and parts of Fifth, Sixth and Seventh avenues, with some of the intersecting streets, the noise became as the evening wore on a roar that sounded like the crash of many batteries of artillery.

The enthusiasm was not confined to the Tenderloin alone, but extended to other parts of the city and to Brooklyn.

Colorado Goes Republican.

DENVER, Nov. 3.—At 11 o'clock to-night Chairman Fairley of the Republican State Central Committee gave out a signed statement in which he claimed the election of Campbell by 12,000 plurality over Wilson (D.) for Judge of the Supreme Court. He declared that Campbell had carried the city of Denver by not less than 2300, and charged gross frauds against the Democratic managers.

As each succeeding bulletin was thrown on the screen shouts of joy and cheers went up from the throats of those of the open-air audience to whose favorite candidate the returns gave the best results.

In the dispatch and accuracy with which the bulletins were given to the crowd The Call led the other papers right through the evening. From the time the first bulletin was cast upon the screen until the last returns were in The Call's rapid bulletin service gave to the assemblage the first and most accurate returns from the polls.

It was just 10:45 when the information that Schmitz had been victorious was her-

alded forth to the waiting mass by The Call bulletins, full three minutes ahead of any of the other papers.

When the Mayor's picture was placed before the stereopticon a second later the crowd gave vent to a mighty cheer, and when the green fire from the dome of the mammoth building glared forth into the fog of the night the air was rent with shouts from the waiting crowd below.

The Call's bulletin service was perfect. Trained men were kept on duty at the various places where the returns came in and they telephoned them to the main office of the paper. As quick as the messages were received they were placed on the slides and hurried to the stereopticon and given to the crowd below.

The crowd collected early, and all through the evening hours seemed to thicken rather than to thin out. The air rang continuously with its cheers. At 12 o'clock there were still as many in front of The Call bulletins as ever. Late into the night they stayed, craning their necks and eagerly reading each bulletin, and did not disperse until the last bulletin was flashed upon the screen. Then, with a mighty shout, the followers of the last and next Mayor started up the street in a mad exhilaration of joy.

MADISON, Wis., Nov. 3.—Charles Seymour, for many years United States Consul at Canton, China, is dead at Burlington, Vt., aged 83 years.

CUTTING IS ASTONISHED.
Robert Fulton Cutting, at the Citizens' Union headquarters, gave out a statement in which he expressed his astonishment over the result and his belief that "the partisan administration which Mr. McClellan proposes cannot maintain the standard set by Mr. Low."

Meanwhile, he says, the Citizens' Union will occupy itself in preparing for the next election. He is persuaded that its services will be required at that time.

With Commissioner Greene at police headquarters watching the returns was District Attorney Jerome. When the election of McClellan was assured Jerome was asked if he had anything to say.

"Not a funeral note," he replied.

Later, however, a statement which he had made before Low was nominated, in which he said that the Mayor, if renominated, would be beaten by a majority of from 25,000 to 40,000, was shown to him.

"The result was my calm judgment then," he said, "but when I got into the fight my instinctive judgment was lost. It simply shaped itself into a question of whether you could put out a naked principle to be supported by an unlovable man."

Commissioner Greene said he would surely resign his office on or before December 31.

"BOSSSES" WHO ARE GAINERS.
The victory, great as it is for McClellan, is of more significance to Murphy, who made up the Democratic ticket and managed the campaign. Defeat to-day would have meant for him deposition from his post of leader, with all its powers and opportunities, and the accession of another faction to control. Indeed, plans had been made by certain independent Democrats, based on the belief that Low would be re-elected, to reorganize the Democracy of the city with Tammany left out.

To McCarran, also, the result meant much, for, had McClellan lost, McClellan would have been again in control and McCarran and his friends would have had little to hope for. The carrying of Brooklyn for McClellan caused astonishment, as it was believed that the cry of "No red lights in Brooklyn" would cause an increased vote for Low in that borough.

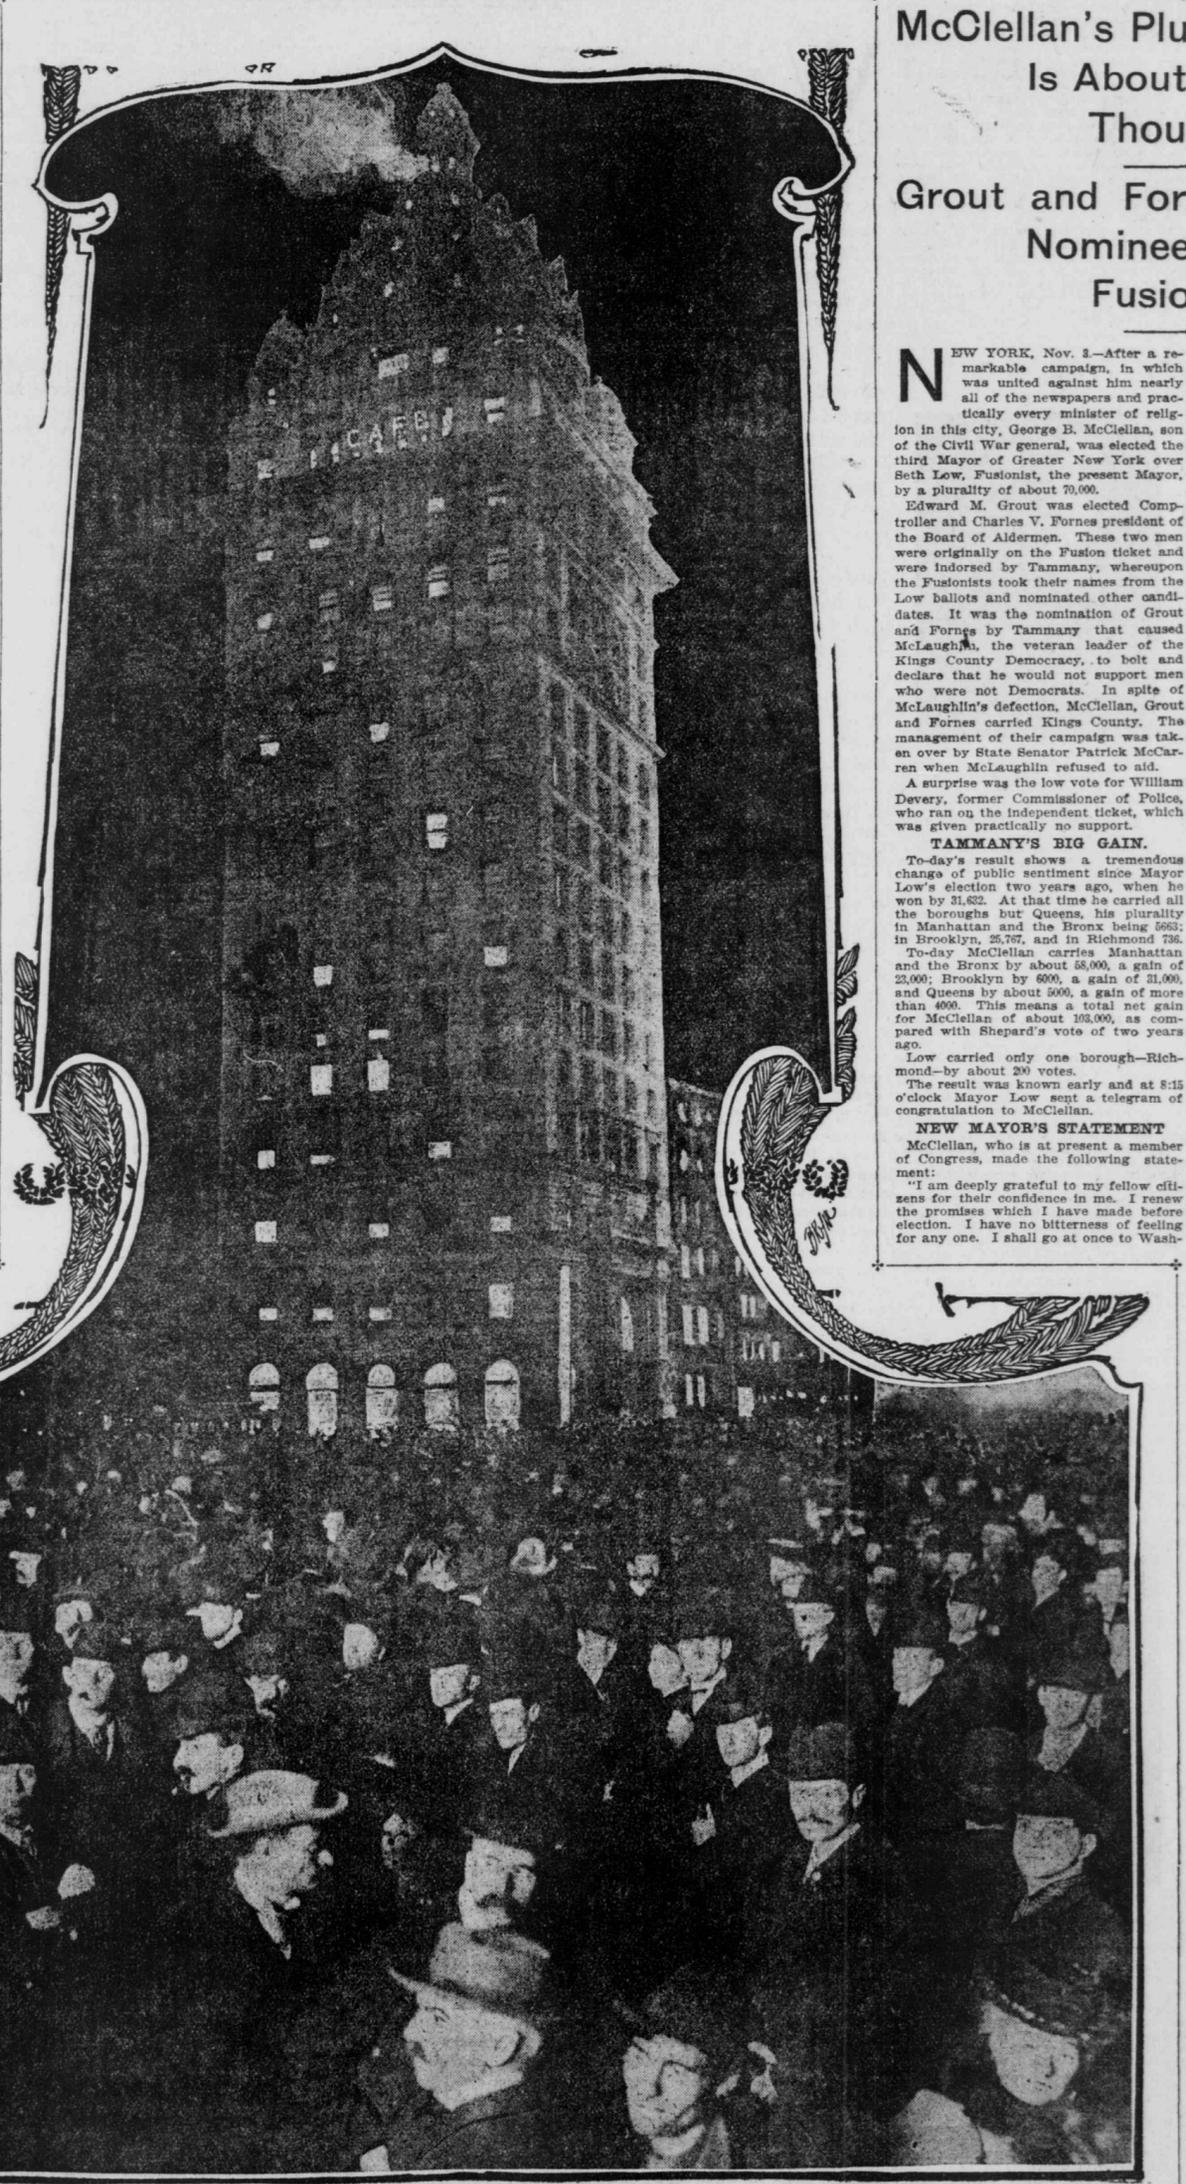

The campaign was one of the most interesting in the history of New York City. From the day Mayor Low was renominated his supporters urged his re-election on the ground that no partisan question was involved, but that every man should vote to uphold the existing administration, because it had given the city a businesslike conduct of affairs and because it had done much to stamp out the "red light" evil of the East Side.

It was argued by fusionist orators that the return of Tammany men to office would mean a "wide open town," unrestricted in lawlessness and the renewed terrors of the infamous "cadet system," by which ignorant girls were brought to disgrace. McClellan was attacked by the speakers for the fusionists because they alleged he had sold the name of his honored father to cloak the designs of evil men.

To these statements the Democrats responded with the charges that Low's non-

CROWDS IN FRONT OF CLAUD SPRECKELS BUILDING READING CALL'S BULLETINS ON ELECTION RETURNS

Many Thousand Surging, Struggling People Crowd Street to View The Call's Bulletins.

THOUSANDS of struggling, squirming people crowded Market street in front of the Call building last night to view the bulletins of the election returns.

People struggled and fought for places of vantage that they might see the returns. Through the vast crowd the cable and trolley cars crept with snail's pace. Scores of blue-coated policemen wended their way in and out of the chaotic mass, stopping some excited individual from shoving, clearing the tracks of congested humanity, restoring order.

Directly in front of the Call building the crowd was densest. People were so jammed together that breathing was difficult. As each succeeding bulletin was thrown on the screen shouts of joy and cheers went up from the throats of those of the open-air audience to whose favorite candidate the returns gave the best results.

In the dispatch and accuracy with which the bulletins were given to the crowd The Call led the other papers right through the evening. McClellan's Plurality Over Low Is About Seventy Thousand.

Grout and Fornes Defeat the Nominees of the Fusionists.

NEW YORK, Nov. 3.—After a remarkable campaign, in which all of the newspapers and practically every minister of religion in this city, George B. McClellan, son of the Civil War general, was elected the third Mayor of Greater New York over Seth Low, Fusionist, the present Mayor, by a plurality of about 70,000.

Edward M. Grout was elected Comptroller and Charles V. Fornes president of the Board of Aldermen. These two men were originally on the Fusion ticket and were endorsed by Tammany, whereupon the Fusionists took their names from the Low ballots and nominated other candidates. It was the nomination of Grout and Fornes by Tammany that caused McClellan, the veteran leader of the Kings County Democracy, to bolt and declare that he would not support men who were not Democrats. In spite of McClellan's defection, McClellan, Grout and Fornes carried Kings County. The management of their campaign was taken over by State Senator Patrick McCarran when McClellan refused to aid.

A surprise was the low vote for William Devery, former Commissioner of Police, who ran on the independent ticket, which was given practically no support.

TAMMANY'S BIG GAIN.
To-day's result shows a tremendous change of public sentiment since Mayor Low's election two years ago, when he won by 31,622. At that time he carried all the boroughs but Queens, his plurality in Manhattan and the Bronx being 6663; in Brooklyn, 25,797, and in Richmond 736.

To-day McClellan carries Manhattan and the Bronx by about 68,000, a gain of 23,000; Brooklyn by 6000, a gain of 31,000, and Queens by about 5000, a gain of more than 4000. This means a total net gain for McClellan of about 103,000, as compared with Shepard's vote of two years ago.

Low carried only one borough—Richmond—by about 200 votes.

The result was known early and at 8:15 o'clock Mayor Low sent a telegram of congratulation to McClellan.

NEW MAYOR'S STATEMENT
McClellan, who is at present a member of Congress, made the following statement:

"I am deeply grateful to my fellow citizens for their confidence in me. I renew the promises which I have made before election. I have no bitterness of feeling for any one. I shall go at once to Wash-

ington to prepare for the extraordinary session and as soon as the question of Cuban reciprocity is disposed of I will turn my attention to the affairs of the city.

"I invite the co-operation of every citizen, whether he supported me or not—and regardless of his political views, in the advancement of the city's good.

"This victory should encourage and unite all Democrats for the Presidential contest in 1904."

Charles F. Murphy, the leader of Tammany Hall, said:

"The figures speak for themselves and the people have spoken. Of course we are pleased at the result. It bears out the figures we gave. If the election had been a week farther off the chances are that Devery would have polled a larger vote than Low."

Robert Fulton Cutting, at the Citizens' Union headquarters, gave out a statement in which he expressed his astonishment over the result and his belief that "the partisan administration which Mr. McClellan proposes cannot maintain the standard set by Mr. Low."

Meanwhile, he says, the Citizens' Union will occupy itself in preparing for the next election. He is persuaded that its services will be required at that time.
