Makes Balloon Ascension Despite an Injunction Obtained by His Parents

Special Dispatch to The Call. OMAHA, May 30.—Willie Roberts, the boy balloonist, made an ascension this evening in spite of an injunction obtained by his parents to restrain him from engaging in the dangerous occupation.

Roberts, who is only about seventeen years old, has been making ascensions in this vicinity for two or three years. His parents have always done their utmost to prevent it.

Yesterday he appeared at the park, dressed in tights and all preparations were made for his ascension. Then the injunction papers were presented to the park management, holding it liable if he were allowed to make the ascent.

MOTOR CAR HURLS GIRL TO DEATH

Young Woman Attempts to Avoid Approaching Trains at a Station in Marin County and Is Killed

RAILROAD EMPLOYEE FAINTS FROM HORROR

Pretty San Francisco Telephone Operator the Victim of and Appalling Accident on the North Shore Line

Special Dispatch to The Call. SAN RAFAEL, May 30.—While en route to join her brothers in swimming at Escalle baths, Miss Lillie Keefe, a pretty blonde, 19 years of age, was struck by an electric train on the North Shore Railroad to-day and instantly killed.

The accident occurred at 11:07 o'clock, near Escalle station, the train leaving San Rafael at 10:50 causing it. Miss Keefe was crossing the tracks near Goepfert's villa. The up-country electric train had just passed and a steam special picnic train was following. A train en route to Sausalito was due at the same time. It is presumed that Miss Keefe heard the steam train approaching, but could not hear the oncoming electric train. A curve in the road would also obstruct her view.

Motorman Driscoll saw the girl and knew the collision was inevitable. Just as his car struck Miss Keefe he threw on the brakes and fainted. The train stopped after eight of the ten cars passed over the girl's body. The body was found about forty feet from the place where the young woman was when the accident occurred. She was dead. Willing hands conveyed her to Goepfert's villa and Coroner Sawyer was notified.

The smaller ends were selected and connected in the ordinary transmitter.

NEW YORK, May 30.—Money orders from all over the country, aggregating thus far \$30,000, are pouring into the general postoffice for a concern known as the "Eastern Trade Company." CHICAGO, May 30.—Crazed by rheumatism, Gustave Rolberg, 72 years old, endeavored to amputate his left foot to relieve himself of pain. As the old man sat on the floor in his home and began his operation his wife, who is helpless from paralysis, looked on from her chair within a few feet of him. Her screams attracted two policemen, who rushed into the house and took the knife from Rolberg. He had severed an artery and by the time he arrived at the County Hospital was so weak it is thought he cannot recover.

PRISONERS ESCAPE FROM JAIL IN OGDEN. Ex-Convicts Work Clever Ruse on the Guards and Gain Their Freedom.

OGDEN, Utah, May 30.—William Moore and John Kain, two ex-convicts, confined in the County Jail here on charges of burglary, have escaped. The men in some way got out of their cells into the corridor and while the guards' attention was called by a request for a match from another prisoner, the two slipped quietly to the outside and have not been seen since. Moore arranged a dummy in the shape of some bedclothes rolled up and placed them in his cell. Upon noticing these the deputy sheriff hurried to the outside of the corridor but the prisoners had preceded him by a few minutes and had made good their escape.

NEW ADVERTISEMENTS. NEW SCIENTIFIC PROCESS.

A Preparation Discovered That Will Destroy the Dandruff Germ. For some time it has been known that dandruff is caused by a germ that digs up the scalp into little white flakes, and by sapping the vitality of the hair at the root, causes falling hair, and, of course, finally baldness. For years there have been all kinds of hair stimulants and scalp tonics on the market, but there has been no permanent cure for dandruff until the discovery of a preparation called 'Dandruff Destroyer,' which destroys the dandruff germ. Destroy the cause, the effect will cease to exist. Kill the dandruff germ and you'll have no dandruff, no itching scalp, no falling hair. Sold by leading druggists.
