

BUSINESS MEN TO TAKE TRIP

Members of California Promotion Committee Will Visit Humboldt County

ADVERTISING THE STATE Articles on Its Resources and Attractions Preparing for European Papers

The regular monthly meeting of the California Promotion Committee was held yesterday afternoon. Those present were Andrew Sbarboro, chairman; Rufus P. Jennings, executive officer; George W. McNear, treasurer, and A. A. Watkins.

The committee appointed the following general reception committee of six, whose duty it will be to entertain visitors to San Francisco: Walter Castle, R. B. Hale, H. D. Loveland, Thomas Rickard, Sanford Feigenbaum and J. P. Currier.

An excursion of business men was decided upon. It will go through to Eureka early in July. This will be one of the most entertaining of all the excursions given under the auspices of the committee. The party will take the California Northwestern Railroad from San Francisco to its terminus at Sherwood. Brief stops will be made at the towns along the line of the railroad. From Sherwood the excursionists will drive by stage to Eureka. Humboldt County. The distance by road is about 100 miles and the journey will take three days, leading through the vast belt of commercial redwoods.

After visiting Eureka and inspecting the important lumber and dairy interests of Humboldt County the party will return by a special to San Francisco.

DEVELOPMENT CONVENTION. The committee reported that great interest was being taken in the coming convention of officers of all commercial organizations of the State, to be held in Sacramento on June 18. This convention is in line with the work of developing a greater spirit of cooperation in California.

FOR NEXT YEAR'S MEETINGS. Regarding the recent meeting at the headquarters of officers of all commercial organizations of Western cities, the committee announced that the plan proposed at that meeting was that the cities should work together this year at St. Louis to get conventions being held there this year for the Pacific Coast in 1905.

Details were proposed for a more extensive advertising scheme than any yet undertaken. The publication bureau reported on the matter of getting out California numbers of European newspapers. A number of papers have signified their desire to obtain such material. These articles will be from the pens of experts. They will be translated into various European languages by the aid of President Benjamin Ide Wheeler of the University of California.

Moffat's Driver Goes to Sleep. James Sanchez, a driver for H. Moffat & Co., wholesale butchers, went to sleep on the seat of his two-horse wagon yesterday forenoon while returning to Butchertown. As the unguided horses were jogging along Kentucky street, near Twenty-third, a trolley car approached from the opposite direction. The instinct of the animals caused them to turn out of the railroad track to avoid danger, but lacking judgment as to distance they did not turn far enough to avoid a collision. The car struck the rear wheel of the wagon with such force as to dislodge the sleeping driver, throwing him on the basal pavement head foremost. He was picked up and taken to the Potrero Hospital, where Dr. Buell treated him for a fracture of the right collar bone and a possible fracture of the skull.

CHIEF WITTMAN WINS CONVENTION FOR CITY Heads of Police Departments of the United States and Canada Will Meet Here Next Year. When Chief Wittman left ten days ago to attend the annual convention of the Chiefs of Police of the United States and Canada he intimated that he would use his utmost endeavors to get the convention to come to this city next year. He was backed up by the California Promotion Committee and Mayor Schmitz sent a personal letter to the convention extending a hearty welcome to its members should they decide to carry into effect the wishes of the Chief.

That Wittman has been successful was learned from a dispatch the chief sent to Mayor Schmitz yesterday. "San Francisco wins the next annual convention of the International Association of Chiefs of Police over Detroit and Toronto by a majority of thirty votes, which was afterward made unanimous." Major Richard D. Sylvester of Washington, D. C., was elected president of the association.
