

BUSINESS MEN PLAN CAMPAIGN

Proposed Scheme to Secure Bond Issue for Seawall Extension to Be Boomed

\$2,000,000 IS NEEDED

Port's Wharves at Present Are Congested and Much More Room Is Necessary

The commercial men have formulated plans for their campaign to secure the \$2,000,000 which will be necessary for the extension of the seawall. Secretary Scott of the Chamber of Commerce stated yesterday that a course of public instruction in the matter would be commenced at an early date. The proposed improvement is badly needed, as the wharves are always crowded with freight and business is transacted only with the greatest difficulty.

That the affair may not be made a political issue a vigorous attempt will be made to have both the Democrats and the Republicans put a plank in their platforms advocating the construction of more seawall. Literature is being prepared and this will be disseminated throughout the State. The press will be implored to set the question before the public and commercial men will exert their personal influence to have the project materialize.

It is proposed to raise the money by a bond issue. The State will then furnish the funds to the Harbor Commission, which will oversee the expenditure. Tolls, tariffs and fees will return the \$2,000,000 in time and thus the State will lose nothing.

The transaction of business in San Francisco will be greatly facilitated once the seawall is extended. The people of the interior will reap benefits also in having their products handled without the delay which is now unavoidable. It is expected that the wall will be extended to that in course of construction by the Santa Fe Company, thus affording wharfage facilities adequate for the port's needs for many years to come.

Secretary Scott says that from the present outlook the commercial men will have little difficulty in securing the necessary funds. It must be made a live subject, however, he says, that the people may take enough interest in it to vote for the improvement on election day.

BERNHAM BEGINS WORK ON PLAN TO ADORN CITY

He Expects to Get Through With Preliminaries Inside of Time Allowed Him by Directors.

Architect Bernham has written to the Association for the Improvement and Adornment of San Francisco that he has begun work upon a plan for the adornment of San Francisco, which he has been empowered to make. He also writes that he expects to get through with the work proposed for San Francisco within a shorter time than he was allowed, or inside of one year. He has employed a draftsman, Mr. Bennett, noted in the East, who will arrive in San Francisco about October 1, for the purpose of beginning the performance of his duties here.

A meeting of the directors of the association having the adornment of San Francisco in charge was held yesterday. Messrs. Allan Pollok, Leon Stoss, Dr. Hartland Law, William Greer Harrison and T. C. Friedlander were present.

The auditorium committee made a report favoring the building of a modern fireproof auditorium for San Francisco. Steps will be taken soon to finance and carry out this scheme.

The association has seconded the efforts made by the Outdoor Art League in favor of flower boxes on the window sills of houses. Boxes and seeds may be supplied by the association to property-holders free of cost.

ADVERTISEMENTS

Pears' Soap

What is wanted of soap for the skin is to wash it clean and not hurt it. Pure soap does that. This is why we want pure soap; and when we say pure, we mean without alkali. Pears' is pure; no free alkali. You can trust a soap that has no biting in it, that's Pears'.

MISS WALLACE BECOMES BRIDE OF A SOLDIER

By Sally Sharp.

The wedding yesterday of Miss Mary Bright Wallace and Lieutenant Gilbert McElroy, of the Thirteenth Infantry, U. S. A., was one of the prettiest nuptial affairs of midsummer. Its setting was exquisite, for not in the whole city is there so quaint and beautiful a little chapel as that of the Swedenborgians, with its arbor of vines leading through the garden into the little sanctuary.

Within, embers crackled on the hearth, candles glowed from the sconces on the walls, and forest treasures, pine boughs, cones and mountain daisies made the air redolent of summer.

Flags were draped in the corners of the chapel above the reading desk, and—rather singularly—were the stars and stripes draped upon the prie dieu, upon which the bride and groom knelt to avow their loves.

The bride, a tall, slender maiden of dauntless coloring, was gowned in Nile green, wearing a picturesque hat with white plumes, exactly suiting her style.

She was attended by Miss Florence Hay of Fruitvale as honor maid, who wore a fetching frock of pale blue with a white picture hat. They came the stunning bevy of ribbon-bearers, all gowned in white and wearing white hats, though each differently designed. It was they who held the ribbon bands, red, white and blue, that formed the bridal aisle. Maidenhair ferns were borne by this pretty guard of honor, composed of Mrs. William Hawley, Mrs. J. Gibson Taylor, Mrs. George Williamson, Mrs. C. O. Edwards, Mrs. Lottie Patton, Miss Frances Gray, Miss Mabel Reed and Miss Hallie Kimball.

The ceremony was read by the Rev. Mr. Worcester. Captain Truly served the groom as best man, both of whom were in full dress uniform and looking very brave.

The army was well represented among the guests, some very smart-looking women among them, and so, too, was there a plenitude of gallant officers in full panoply of gold lace.

The young people left after brief congratulations for the nuptial trip. On their return they will reside on Angel Island, where the gallant Thirteenth is stationed.

The wedding of Miss Elizabeth Cameron Hooper and John Osgood Blanchard will take place on Saturday afternoon, July 29, at St. Mark's Church.

The wedding of Miss Stella McCalla and William Wallace Chapin, set for August 3, has been postponed, probably until the early fall, owing to the recent illness of the groom. Mr. Chapin is a guest at the McCalla home.

The wedding of pretty Marie Adam and young Mr. Musto will occur in September. It is said that a large church wedding is planned. Miss Adam will make a stunning bride.

The Rawlings-Warner wedding is set for July 20. The ceremony will be celebrated at the town house of the Warners, who are returning from their Mill Valley retreat for the event.

On Monday the Steele-Shorb wedding will take place. The ceremony will be quietly celebrated, only relatives being bidden. Miss Shorb and her mother, Mrs. Ynez Short White, possess a wide acquaintance over the State, particularly in the south.

Mr. and Mrs. D'Ombrin celebrated the arrival some weeks ago of a little son by giving a dinner party at their residence, 1036 Bush street, last Friday night. The dining room was decked with roses and Japanese lanterns. Several hours were spent at the festive board. The guests were: Mrs. W. P. Wand, Mrs. E. D. Robinson, Miss M. Robinson, Mrs. M. Thomas, the Misses Simmons, Dr. J. C. Stinson, Dr. Peters, Professor Spamer, E. M. Lewis, H. Brown and P. Sturdivant.

Edgar M. Sheehan of Sacramento is at the Palace.

Dr. F. S. Byington of Los Angeles is at the Occidental.

C. J. Craddock, a prominent instructor of Eureka, is at the Lick.

Dr. A. J. Price and wife of Lockport, La., are at the Palace.

Commander Arthur P. Nazro, U. S. N., is at the Occidental.

Thomas Derby, manager of the New Almaden quicksilver mines, is at the Palace.

Henry T. Lincoln, who is connected with a bank in Santa Barbara, is at the Palace.

Henry C. Bunker, chief grain inspector of the Merchants' Exchange, has returned from a fortnight's vacation at Independence Lake, Sierra County.

George L. Courtney and W. A. Wardy, mining men of Seattle, who have been inspecting mines in Mexico, returned yesterday and are registered at the Palace.

Mr. and Mrs. Charles F. Mueller leave this morning for an extended tour of the Eastern States. They also will visit the St. Louis Exposition. They will be away about six weeks.

CAMP PLANS ARE ARRANGED

Conferees Between Military Authorities Settles Troubles of State Troops EMPLOYERS IN ACCORD

Various Commercial Bodies Agree to Give Support to National Guardsmen

A conference of representatives of the regular army, the National Guard and the Southern Pacific Company was held at army headquarters yesterday afternoon for the purpose of arranging for the transportation of the State military forces to the coming scene of maneuvers at Camp Atascadero. As already announced, the National Guardsmen have been greatly annoyed by the fact that the Southern Pacific Company had informed the adjutant general of the State that it would be unable to move the citizen soldiery on Saturday, August 6, by reason of the fact that on the following day it has contracted to handle a large number of summer excursionists and has not the necessary equipment to meet the requirements of the National Guardsmen on the preceding day. It has been maintained by the guardsmen that many of their employers would not grant them the much sought for permission to leave their labors a day earlier in order to comply with the orders issued by Major General Arthur of the regular army or the encampment and this fact has caused no small amount of uneasiness on the part of Adjutant General Lauck.

MILITARY MEN CONFERENCE
Yesterday's conference was the result of a meeting between the adjutant general of the State and the railroad officials on the previous day, when General Lauck was confronted with the obstacles that had suddenly arisen. At yesterday's conference there were present Colonel Josslyn, chief of staff; Colonel Patton, department quartermaster of the Department of California, representing General MacArthur during his absence; Major General Dickinson, Adjutant General Lauck and Colonel Wilhelm, inspector general of the National Guard, and Master of Transportation Richardson and Assistant General Passenger Agent Judah of the Southern Pacific Company. After discussing the general situation, in so far as it concerns the State troops, it was the consensus of opinion of the officers that while the convenience of the guardsmen should be considered in many ways, their objections to leaving for the camp on Friday night were not well founded. It developed at the meeting that General Dickinson, commanding the guard, had communicated with the Merchants' Association and other commercial bodies of the State relative to granting their employees reasonable time in which to go to camp and receive needed instruction in military maneuvers.

WILL LEAVE FRIDAY.
These organizations had responded in a manner that plainly suggested the willingness of employers to give their employees the time required and no particular objection would be made to their leaving their labors Friday evening instead of Saturday. In consequence it was decided that the State troops should be moved by the railroad company Friday evening and be landed at the camp Saturday morning. About 2500 men of the National Guard will go to the camp. The railroad company estimates that seven trains will be necessary to handle the men and that sixty coaches, seven baggage cars and a horse train will be necessary to effect the prompt arrival of the troops at Camp Atascadero.

General Dickinson and Adjutant General Lauck are using their best efforts toward impressing upon the employers of the State the importance of the coming maneuvers so far as the National Guard is concerned and have received many communications expressing sympathy in the movement, which is the first to be undertaken in conjunction with the regular troops under the provisions of the new army regulations.

Messenger Wanted.
The United States Civil Service Commission announces that an examination will be held at San Francisco on September 10 for the position of messenger, departmental service. Age limit, 18 years or over. Apply to the United States Civil Service Commission, Washington, D. C., or to the secretary of the Board of Examiners, 301 Jackson street, San Francisco, for application blank 304, which should be properly executed and filed with the commission at Washington not later than the hour of closing business on August 30, 1904.

and on his return trip East he purposes to stop over in Washington. The traveler says he is greatly surprised and pleased with what he has seen in this country.

Californians in New York.
NEW YORK, July 13.—The following Californians are registered here: From San Francisco—A. F. Erquist, at the Grand Union; R. G. Flamm, at the Herald Square; R. B. McLain, at the Marlborough; A. McKay at the Grand Hotel; T. J. Bailey, at the Broadway Central; J. T. Brown, at the Normandie; E. K. Clarke and wife, at the Westminster; Mrs. W. G. Curtis, at the Park Avenue; J. L. Hall, at the Hotel Barthelemy; J. Mayer, at the Grand Union; O. A. Wells, at the Netherlands; E. J. Wolcott, at the Gilsey House.

From San Jose—W. L. Johnston, J. Mehan, at the Herald Square; J. Ruff, at the Hoffman House.

From Los Angeles—Dr. Randall, N. A. Strong and wife, at the Navarre.

TO YOSEMITE VALLEY.

Send for a booklet that will tell you all about Bartlett.

Write J. E. McMAHAN, Bartlett Springs, Cal., or call at 2 Sutter St., San Francisco.

Tuscan Mineral Springs.

OPEN EVERY DAY IN THE YEAR.

TO WHOM IT MAY CONCERN: A year and three months ago I was attacked with that terrible disease, locomotor ataxia. Power to balance, stance or even sit down, entirely lost. Two best doctors of San Francisco and Hot Springs, Ark., failed to help me. My stomach, bowels and kidneys failed to work. I had catarrh of stomach, head and bladder as a result of the disease; these troubles became special rates at times my heart would beat like drum, my eyes grew weak, my memory bad, my nerves wrecked. Five months ago I went to Tuscan Springs. What happened since was a pleasant surprise to me. Drank the water, took the baths—after three weeks' treatment stomach, bowels, bladder and kidneys in perfect condition, eyesight perfect, nervousness gone, memory good. After three months' treatment, walked without a cane, with eyes closed and ran up and down steep hills; am cured of this dread disease, now walk with vigor and jump. Have run stores in seventeen towns of the State of California; am well known in downtown districts of San Francisco; industry will prove truth of my helpless condition three months ago. Further information, address LOUIS JACOBS, 6 Stockton st., San Francisco, Cal.

I have hundreds of testimonials from others. Send 20c in stamps for bottle of stomach and catarrh salts. Round-trip tickets at reduced rates, Southern Pacific.

TUSCAN MINERAL SPRINGS CORP., Tuscan, Cal.

Don't worry about the youngsters this summer. Pack up and go to

Buy your railroad ticket to Redwood City; 9 a. m. train 34 and Townsend, and 9:20 a. m. train from San Jose connect with stages direct. Address WALTER KNIGHT, Redwood City, Cal.

Suicide's Will Rejected.

Judge Trout yesterday rejected the will of Louise Kauffman, who killed herself in the house of her brother at San Jose, on the ground that the document was made when she was of unsound mind. The estate is worth \$9000 and includes the property at 1115 and 1117 Washington street and lots in Palo Alto and San Jose. The will was written in pencil and signed in ink and left all of the estate to her two sisters, Mrs. L. S. Bowers and Mrs. A. Eckenroth. Robert Brotherton, a friend of the family, testified that Miss Kauffman evidently contemplated suicide when she brought the will to his office for safe keeping and stated that she believed something was about to happen to her. The brother, August Kauffman, told the court the circumstances of finding the body of his sister with a bullet in the head in his room one day when he returned from work. Dr. Xavier Dodell testified that the girl was of unsound mind. The brothers, August and Herman Kauffman, contested the will.
