The letters of Miss Merkle, whose picture is printed above, and Miss Claussen, prove beyond question that thousands of cases of inflammation of the ovaries and womb are annually cured by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Gradual loss of strength and nerve force told me something was radically wrong with me. I had severe shooting pains through the pelvic organs, cramps and extreme irritation compelled me to seek medical advice. The doctor said that I had ovarian trouble and ulceration, and advised an operation. I strongly objected to it and decided to try Lydia E. Pinkham's Vegetable Compound. I soon found that my judgment was correct, and that all the good things I said about this medicine were true, and day by day I felt less pain and increased appetite. The ulceration soon healed, and the other complications disappeared and in eleven weeks I was once more strong and vigorous and perfectly well.

"My heartiest thanks are sent to you for the great good you have done me."—Sincerely yours, MISS MARGARET MERKLEY, 275 Third St., Milwaukee, Wis.

Miss Claussen Saved from a Surgical Operation.

"DEAR MRS. PINKHAM:—It seems to me that all the endorsements that I have read of the value of Lydia E. Pinkham's Compound do not express one-half of the virtue the great medicine really possesses. I know that it saved my life and I want to give the credit where it belongs. I suffered with ovarian trouble for five years, had three operations and spent hundreds of dollars on doctors and medicines but this did not cure me after all.

"However, what doctors and medicines failed to do, Lydia E. Pinkham's Vegetable Compound did. Twenty bottles restored me to perfect health and I feel sure that had I known of its value before, and let the doctors alone, I would have been spared all the pain and expense that fruitless operations cost me. If the women who are suffering, and the doctors do not help them, will try Lydia E. Pinkham's Vegetable Compound, they will not be disappointed with the results."—MISS CLARA M. CLAUSSEN, 1307 Penn St., Kansas City, Mo.

TO CONTEST WIFE'S WILL.—Oakland, Oct. 17.—A contest and opposition to the probating of the will of the late Margaret Andrews was filed to-day by James Andrews, her husband, who was disinherited by his wife and cut off with a legacy of one dollar. Andrews says that his wife was of unsound mind at the time she made her will. In the document she said for several years prior to her death Andrews had neglected her and ceased to be a husband to her. She left about \$5000 worth of property to her niece, Mrs. Anna Dunn.

TO CELEBRATE ANNIVERSARY

Golden Jubilee of Sisters of Presentation Order to Be Fittingly Observed

WILL OPEN WITH MASS

Graduating Pupils of Convent Will Give Exercises at the Tivoli Theater

The celebration of the golden jubilee of the sisters of the Presentation Order of California will open at 10 o'clock this morning at St. Francis Church with a solemn high mass.

The church has been fittingly decorated for the occasion with green smilax and gold bunting. Archbishop Riordan will be present this morning in the sanctuary. Rev. Father Caraher, pastor of St. Francis Church, will be celebrant, assisted by Rev. Father Piperni, deacon; Rev. Father Kleiu, subdeacon; Rev. Father McGough, master of ceremonies; Rev. Father Cummins and Rev. Father Mulligan will be deacons of honor to the Archbishop; Father O'Ryan will preach the sermon.

The "Processional March," by Gounod, will be rendered and the augmented choir will sing the "Kyrie, Gloria," "Credo" and "Sanctus" from Cimarosa's "Grand Military Mass"; Lejeal's "Benedictus"; Giozza's "Agnus Dei"; offertory, Zingarelli's "Laudate," closing hymn, Lambillotte's "Te Deum," by the congregation.

The choir will be composed of the following soloists: Miss R. Broderick, Mrs. Ed Burns, Miss L. Vlautin, A. Messers, J. Hickey, Mr. Vandy, Mr. Ogilvie, T. Nowlan, assisted by Miss T. Vahey, Miss M. C. Kilcommon, Mrs. Kinsey, Miss Thiel, Miss Paulissen, Miss C. Stevens, Miss A. G. Williams and F. W. Huber, H. Seekamp, director; Miss M. C. Schaefer, organist.

After the mass the priests will be entertained by the sisters at the Presentation Convent, Powell and Greenwich streets. Every preparation has been made to make this a notable event in honor of the founding of the convent fifty years ago. In the afternoon there will be benediction of the blessed sacrament.

Rev. Father McGough will celebrate mass on Thursday morning, at 6:45 o'clock for the graduates of the convent. They will renew their consecration vows to Our Lady of Good Counsel.

The graduation exercises at the Tivoli Thursday afternoon will be worth witnessing. The sisters have arranged an interesting programme. Pupils who have received their musical education at the hands of the devoted sisters will take part in the drama, in six scenes, which promises to be a feature of the afternoon. It is entitled "The Pupils' Story of Fifty Years." Archbishop Riordan will conclude the performance with an address. The following pupils will receive graduation honors:

Miss Maud C. Kilcommon, Miss Mary E. McFadden, Miss May G. Ross, Miss Alice M. Messers, Miss M. Josephine Taylor, Miss Odessa A. Gallatin, Miss Lillian Q. Beaumont, Miss Ella C. Gaffney, Miss Anna G. Williams, Miss Maud C. Kilcommon, Miss Mary E. McFadden, Miss Anna G. Williams for Christian doctrine; Salselin medal, awarded to Miss Maud C. Kilcommon for church history; gold medals for highest merits, awarded to Miss Alice Messers, academic class; Miss Josephine Campion, preparatory academic class; gold medals for music, gifts of Mrs. J. Kirk, Miss Miller and Mrs. J. Oiva, awarded to Miss Marie Gaudel, Miss Mary E. McFadden, Miss Ella Gaudel; gold medal for Latin, awarded to Miss Mary E. McFadden.

A complimentary reception for the past pupils of the convent will be held on Sunday afternoon. It will bring together many women who have received their early training here.

The first sisters of this order were brought from Ireland and arrived in this city on November 13, 1853. They settled in a small house on Green street and opened school. Two of the four sisters who came to this country returned to Ireland on account of the hardships they encountered. On December 3 the present convent on Powell street was erected and grew with unusual rapidity, and it affords to-day every facility for learning to its pupils.

MILITARY ESCORT FOR VICE PRESIDENT CORRAL

Plans for the Entertainment of Distinguished Mexican Officials Are Rapidly Being Made.

A meeting was held at the Chamber of Commerce yesterday afternoon for the purpose of making further arrangements for the entertaining of Vice President Corral of Mexico and his party, who are due here Friday. President Newhall of the Chamber of Commerce called the meeting to order and later surrendered the chair to Colonel George Pippy, who appointed A. Trillanes secretary. The following committee was named to arrange for the banquet to be held at the Palace Hotel Saturday night: Colonel George Pippy, chairman; A. Trillanes, secretary and treasurer; L. M. King, Colonel F. E. Beck, P. C. Rossi and Varney W. Gaskill.

This committee met later and decided that the invitations to the banquet be extended under the auspices of the various local commercial bodies. It was announced that Admiral McCalla would provide a Government boat to meet the distinguished Mexicans at the Oakland mole and transport them across the bay and a detachment of marines for escort duty.

General MacArthur will also assist in providing military courtesies in keeping with the position of the Vice President and his Governmental associates.

Hotel Clerk Missing.

J. W. Hutchinson, clerk of the Hotel Sequoia, has mysteriously disappeared and considerable anxiety is shown by his relatives for his safety. Hutchinson's wife died last July and he has grieved a great deal, a fact which causes those who know him to fear that he may have gone away with himself. He left the hotel last Saturday and was seen later in Ross Valley, where all trace of him has been lost. He is a brother of Mrs. I. J. Truman, owner of the Hotel Sequoia.

INSOLVENT RAILROAD MAN.—P. H. Coughlin, a railroad workman of Oakland, filed a petition in insolvency yesterday in the United States District Court. He owes \$300 and has no assets.

HIGHER LICENSE BURNING TOPIC

Minister Says Sentiment Has Been Aroused Over Rejection of Petition

SCORES COMMISSIONERS

Methodists Act on Matter of Introducing the Bible in the Public Schools

"Higher License" was the subject before the Methodist Ministers' Association yesterday morning. Dr. Francis M. Larkin reported the action of the Election Commissioners on the rejection of the petition for an amendment to the ordinance favoring higher license. He explained that the signatures were transcribed by typewriters and names had been misspelled, yet the Registrar's clerks were not permitted to consult the original signatures. He complained that the Civic League was not allowed to investigate into the matter of rejected names, although the Brewers' Association was permitted to have a specialist on handwriting and he worked two days.

L. M. Hartley spoke as to future action. Ten thousand five hundred citizens, he said, had petitioned for an amendment to the ordinance. The Election Commissioners were asked to place the amendment on the ballot under the pretense that there were signatures that were not bona fide.

Dr. Hartley continued by saying that he had gained two great points. The citizenship of the city had been aroused and the sentiment of the people had been stirred, and the liquor craft had shown that it feared to have the question submitted to the people. Bible teaching in the public school was a matter discussed by the association following an address by the Rev. J. H. N. Williams on "The Bible as Literature."

It was said that the National Educational Association passed a resolution at its last meeting, held in St. Louis, favoring the introduction of the Bible in all public schools as a book of religious instruction.

Dr. E. R. Dille approved of the movement and said that the principal of Oakland High School was in favor of including the Bible in the course of study as literature and historic value.

The Rev. Mr. Williams held that they were more apt to meet with success in the project of introducing the Bible in the public schools if it should be taught as a classic. The Junior Order of American Mechanics, he said, stands for the Bible in the public school.

Dr. F. D. Bovard said that the public school must have a solid ethical basis, and that the Bible is the only true source of enlightenment and free conscience. He said that the public school is now receiving instruction from the open scriptures or from a hierarchy. The question, he said, was vital to the permanency of the public school.

The following committee was appointed to co-operate with a like committee of other denominations to consider the question of the maintenance of the Bible in the public schools: Dr. A. T. Needham, Dr. F. D. Bovard, Dr. E. R. Dille, the Rev. A. C. Bane and the Rev. J. H. N. Williams.

PROPOSED STOCK ISSUE CAUSES SLUMP IN MARKET

Alaska Packers' Association Securities Drop Heavily Pending Proposed Move by Directors.

The stock of the Alaska Packers' Association had a heavy slump in the stock market yesterday. Last July the stock fell to \$121.50, which was something like \$40 a share off in a few months. Yesterday the price dropped to \$104. Last Saturday the price was \$117. The association has paid dividends for many years. The break some months ago was the result of a statement of heavy indebtedness. The present downward tendency is supposed to be due to the intention of the directors to issue 2000 shares of treasury stock and to the knowledge of that intention that has been made public in the daily papers. The capital stock of the association is \$4,800,000 in 48,000 shares. On the stock \$65 a share has been paid, making the total paid up capital \$3,120,000. The purpose of the issuance of the treasury stock is the payment of the indebtedness of the company.

Employment Agency in Trouble.

A warrant was secured from Police Judge Mogan yesterday for the arrest of J. E. Brower, manager of the Employees' Register Company. Chronicle building, on a charge of conducting an intelligence office without a license. Several women have complained to the police that they had paid a fee to Brower for the purpose of obtaining a situation, but when they called at the place indicated they found that the position was not what it had been represented to be.

RESTAURATEUR SUED BY WIFE

Proprietor of "Pup Rotisserie" Is Charged With Many Acts of Cruelty

PROFITS OF BUSINESS

Mrs. Loupy Demands \$100 a Month From Earnings. Other Divorce Matters

Twenty years of married life is to have a sensational ending for Lucy and Jean Loupy, if the wife succeeds in proving her accusations against the proprietor of the "Pup Rotisserie" and incidentally the character of one of San Francisco's most famous eating places will be bared to the public.

Mrs. Loupy's complaint recites that she married the restaurant man on September 29, 1884; that since then they have acquired as community property an undivided half interest in the Pup Rotisserie, on Stockton street. The business and its equipment are said to be worth \$50,000 and the net income to be \$2000 a month, of which the Loupys are entitled to one-half.

Cruelty is the basis of the complaint. Mrs. Loupy asks for \$100 a month alimony, \$250 counsel fees and \$50 costs and an injunction to prevent him from disposing of the property.

Lillie Telles, on a cross-complaint charging cruelty, yesterday obtained a divorce from Charles A. Telles in Judge Graham's court. Telles had charged his wife with cruelty, but the evidence showed that he was the aggressor in their frequent family fights.

Judge Hebbard set aside the divorce granted two years ago to John P. Clark from Agnes K. Clark, a telegram from Clark at Wallace, Idaho, saying that he was willing to let the motion to set aside go by default. The Clarks were married for thirty years, and the wife did not know she had been divorced until informed a few months ago by the War Department, to whom she applied for her husband's pension. She then charged that the decree had been secured by fraud.

Divorces were granted by Judge Hebbard to John L. Robinson from Minnie Robinson for desertion, and by Judge Sloss to Mary Eillingsen from Peter Eillingsen for neglect and desertion.

Suits for divorce were filed by Lulu I. Case against Robert Case, cruelty; Axel P. Larsen against Marie Larsen, intemperance; Attilio Pierini against Rosa Pierini, cruelty; Harry G. Adams against Ella Adams, desertion; Mercedes B. Lindsay against Robert H. Lindsay, neglect; Lillian V. Haedrich against James H. Haedrich, neglect and desertion.

Names Two New Witnesses. Attorney Albert M. Johnson yesterday gave notice of application for an order to take the depositions of E. H. Emory and Miss McClurg in New York for use in the Dolbeer will contest. W. F. Williamson, representing the executors, declined to enter into a stipulation that the witnesses should be examined on October 21, when the other depositions are to be taken, so under the usual rule they cannot be taken until November 8, six days after the trial of the case begins here. Johnson therefore asked a continuance for eight or ten days more, but Judge Coffey refused to grant it. Johnson charged that the other side was trying to force the contestant's attorney to remain in New York until after the trial begins. Williamson denied this.
