

THE REPUBLICAN PARTY OF PROGRESS TRIUMPHS

DEMOCRATS WIN FEW OFFICES

MADERA COUNTY.

MADERA, Nov. 8.—The vote of Madera city completes gives Roosevelt a plurality of 234. Conley (D.) for Congress, carried town by 102. Partial reports from outside precincts indicate that Conley will carry the county by 150 and Parker will have a plurality of about 50. Lorigan (R.), for Associate Justice of the Supreme Court, beat Dooling by 53 votes in town, and Burre, for the Assembly, received a plurality of 29.

MARIN COUNTY.

SAN RAFAEL, Nov. 8.—Marin County rolled up a magnificent plurality for Roosevelt and the Republican ticket to-day. The vote cast was a heavy one, and the Republican gains far exceeded the expectation of the most sanguine. Following are the results: Roosevelt 2202, Parker 777. Associate Justice of the Supreme Court—Lorigan (R.) 2130, Dooling (D.) 906. Congress—McKinley (R.) 2902, Bell (D.) 992. Senator—Beishaw (R.) 2089, Randall (D.) 885.

S. H. Olmsted (R.) was re-elected to the Assembly by a plurality of 1143. Of the three Supervisors the Republicans elected Fisteo by a plurality of 173 votes and Goudy by forty-five votes. Cheda (D.) is elected Supervisor by a plurality of 152 votes.

MENDOCINO COUNTY.

UKIAH, Nov. 8.—Roosevelt has carried Mendocino County by a plurality of 590 to 690. Nineteen precincts heard from give McKinley for Congress 1058 and Bell 756. The fight between Held (R.) and Weger (D.) for the Assembly is close. Lawson and Gibson (Democrats) are elected Supervisors in the Third District.

MERCED COUNTY.

MERCED, Nov. 8.—Returns from nine of the twenty-four precincts representing a third or more of the vote of Merced County gives Roosevelt 394, Parker 459, Needham 303 for Congress, 327; Conley (D.) 525. The usual Democratic majority is considerably reduced.

MONTEREY COUNTY.

SALINAS, Nov. 8.—Every return received up to date indicates a tremendous Republican landslide in Monterey County. Two years ago Lane carried this county. The returns show a heavy vote for Needham and the legislative candidates. The returns from the eight precincts in which the voting machines were used give Roosevelt 1440 and Parker 784. For Congress, Needham 1377, Conley 825. For Senator, Lynch 1317, Feliz 912. Assemblyman, Cooper 1555, Wigemann 773.

NAPA COUNTY.

NAPA, Nov. 8.—Returns from most of the precincts in Napa County show that the Republicans won their entire legislative ticket. Roosevelt carries the county for President by 700. Reams, Democratic candidate for joint Senator from the Fifth District, lost to Bush, the Republican, by 500 in this county. Both Superior contests are a matter of ten votes each way, with Rosh (R.) probably elected in the Fifth District. Chairman J. T. York of the Democratic County Central Committee stated tonight that Earl Leake, McKinley in Napa County for Congress by 500, and carries the district by sixty-nine votes. He concedes 600 majority for Roosevelt and claims the election of two Supervisors, Booth and Alexander. King and Rush both carry the county for Legislature by 400.

NEVADA COUNTY.

GRASS VALLEY, Nov. 8.—Roosevelt carries Nevada County by 1000, twice the normal majority. Congressman Gillett gets a plurality of 380. J. O. V. Snyder, (D.), for State Senator, carries this, his home County, by 420 majority, though defeated in the district by 250. B. E. Irish, E. F. Whiting, (R.), is elected Assemblyman by 500 plurality. W. G. Lorigan for Supreme Judge, is 498 ahead of M. T. Dooling. The Democrats elect their supervisors, C. J. Miller, N. V. Bennett and John Fay.

ORANGE COUNTY.

SANTA ANA, Nov. 8.—The largest Republican plurality ever given in Orange County resulted from to-day's election. Twenty-three out of thirty-four precincts, reported up to 12 o'clock, gave Roosevelt a plurality of 1249. The vote of the precincts not yet reported increases that to 1590. McKinley carried the county by 316 and Fardean by 802. Following is the vote on the rest of the ticket: Associate Justice of the Supreme Court, Lorigan (R.) 1317, Dooling (D.) 570; Congress, Smith (R.) 1488, Lucas (D.) 645; State Senator, J. N. Anderson (R.) 1748, D. Mills (D.) 777; Assembly, E. R. Amerige (R.) 1907, J. A. Hankey (D.) 1027.

PLUMAS COUNTY.

QUINCY, Nov. 8.—Complete returns from sixteen out of the eighteen precincts in Plumas County give the following pluralities: Roosevelt 338, Conley for Congress 255, and Irish, for State Senator, 153. The Republicans elect three Supervisors.

SACRAMENTO COUNTY.

SACRAMENTO, Nov. 8.—The weather in Sacramento County to-day was perfect and an immense vote was polled in all precincts. The voting machines were used for the first time and greatly facilitated the count. The returns up to late to-night show a sweeping victory for the Republicans, and this result cannot be changed by the few precincts to be heard from. Duncan E. McKinley has carried the county by an estimated majority of 450. The Republican legislative ticket has been elected.

The complete vote of Sacramento city is as follows: Roosevelt 4638, Parker

1595. Associate Justice—Lorigan 4559, Dooling 1541. Congressman—McKinley 8432, Bell 3079. State Senator—Dr. J. A. McKee (R.) 4228, P. Cohn (D.) 2102. For Assemblyman, Seventeenth District—O. Bussick (R.) 2058, C. F. Seay (D.) 522. For Assemblyman, Eighteenth District—Frank O'Brien (R.) 2601, Fred Harris (D.) 1043. For Supervisor, Second District—H. K. Johnson (R.) 1364, William McLaughlin (D.) 573. For Supervisor, Third District—Charles McKelip (R.) 1659, J. J. Ryan (D.) 457.

In twenty-three out of thirty-seven precincts in the county Roosevelt got 1755 and Parker 650. For Congressman McKinley (R.) got 1158 and Bell (D.) 1144. For Assemblyman, Nineteenth District—Edward J. Lynch (R.) got 1457 and J. G. Stevens (D.) 637. For Supervisor, Fourth District—James Donnelly (R.) got 769 and Brooke (D.) 558.

SANTA BARBARA COUNTY

SANTA BARBARA, Nov. 8.—The election in this county brought about a Republican landslide, Roosevelt getting about 600 plurality. All the Republican legislative officers were elected. Ballard (R.), Glass (D.) and Frick (R.) were elected Supervisors. E. M. Pyle (R.) made a clean sweep of the county for the Assembly, defeating Dimmock (D.). C. B. Greenwell (R.) carried the county for State Senator and S. C. Smith for Congress received more than 500 plurality.

SAN BENITO COUNTY.

HOLLISTER, Nov. 8.—Five hundred and eighty-six votes counted in San Benito County give Roosevelt 300, Parker 284; for Associate Justice of the Supreme Court, Lorigan (R.) 101, Dooling (D.) 483; Congress, Needham (R.) 373; Conley (D.) 299; Senator, Lynch (R.) 369, Feliz (D.) 305; Assembly, Slaven (R.) 382, Moore (D.) 348. Roosevelt will carry the county by 200, Needham by 300. The Assembly fight is very close.

SAN BERNARDINO COUNTY

SAN BERNARDINO, Nov. 8.—The Republicans expected to carry this county by 2000 plurality at the most, but with only thirty out of the eighty precincts heard from the indications are that the figures will be much larger. The returns so far received give Roosevelt 1210 votes and Parker 422. For Associate Justice of the Supreme Court Lorigan has 914 votes to Dooling's 374. Smith for Congress has 774 votes to his opponent's 408. Leake (R.) for State Senator is 470 votes ahead of Boyd (D.). Prescott (R.) for the Assembly has 1119 votes to 688 for Rouse.

SANTA CRUZ COUNTY.

SANTA CRUZ, Nov. 8.—Election day was an ideal one from the weather standpoint. Outside of the districts where there were Supervisorial contests little interest was displayed. But a medium vote was cast and indications point to a larger Republican majority larger. The returns so far received give between 400 and 500 Republican majority. Needham will have a large majority.

SAN DIEGO COUNTY.

SAN DIEGO, Nov. 8.—Partial returns indicate increased Republican majorities for the national and Congressional tickets in this county. For the first time in twenty-five years Ocean side returned a Republican majority. Roosevelt's plurality will be more than 1700 in the county, and Smith for Congress will have practically the same vote. F. W. Barnes (R.) will be returned to the Assembly from the Seventy-ninth District by an increased majority, and Percy A. Johnson (R.) will be elected in the Eighty-third District. The Republicans will elect two of the three Supervisors to be elected and the returns from the desert districts, which are not expected to be in until to-morrow, may give the Republican the third district also. The vote was exceedingly heavy in this city.

SAN MATEO COUNTY.

REDWOOD CITY, Nov. 8.—Election day passed off very quietly. The Republicans carried the city for Roosevelt by 203 plurality, Parker receiving 142 votes and Roosevelt 245. Rambo (R.) for Joint Senator defeated White (D.) by 56 votes and Hayes (R.) for Congress, 375 to 300. The county gave McKinley 375 plurality in 1900. Smith (R.) for Congress has 800 over Lucas (D.) Perkins (R.) for the Assembly is elected by 1100 over Moutrie (D.). Greenwell (R.) for State Senator has more than 700 plurality over Orna (D.). The Democrats elect Hartman Supervisor in the First District and Clark in the Third. The Republicans elect Gabbert Supervisor in the Fifth District.

SAN JOAQUIN COUNTY.

STOCKTON, Nov. 8.—The complete returns of the Republican victory in this county exceeds even the claims put forth by the campaign managers. Roosevelt leads off with 2183 plurality and Needham, for Congress, is a close second. Muentner, for State Senator, won after a bitter fight by a plurality of several hundred. Assemblyman Moore in the district outside of the city got an overwhelming vote. In the city district Robert Beardslee is elected to the Assembly by a vote of two to one. The total vote cast in the county was about 8600. Supervisors Knight, French and Trethaway are re-elected, and the board remains Republican. The Democrats made great efforts in behalf of Conley, and Needham's tremendous plurality staggers them. Following are the pluralities: Roosevelt 2183, Needham 1692, Senator Muentner 1057, Assemblyman Beardslee 1087, Assemblyman Moore 844.

SAN LUIS OBISPO COUNTY.

SAN LUIS OBISPO, Nov. 8.—The election was quiet in San Luis Obispo, with a rather light vote. Warren M. John was re-elected to the Assembly by probably 500 plurality. The county will go for Roosevelt by nearly the

same figure. The Democratic nominees for Supervisor were elected.

SISKIYOU COUNTY.

YREKA, Nov. 8.—Eight precincts out of thirty-nine give Roosevelt 670, Parker 394. Coyle (R.) for the Assembly has ninety-two plurality. In 1900 these precincts gave McKinley 647 and Bryan 541. Gillett for Congress has 188 plurality in eight out of thirty-nine precincts.

SONOMA COUNTY.

SANTA ROSA, Nov. 8.—The outcome of the election in Sonoma County has proved a great surprise to both Republicans and Democrats alike. It was generally believed that Congressman Bell would be re-elected and the news of his defeat came as a thunderbolt. Special efforts were made by the Democrats to carry the county and a week ago they were confident of success. Santa Rosa gave Bell 159 plurality, but the outlying precincts overcame that vote by returning 300 plurality for McKinley. Had the vote been the other way, no one would have been surprised. Roosevelt will carry the county by 2200 plurality and McKinley by about 250.

STANISLAUS COUNTY.

MODESTO, Nov. 8.—Stanislaus County for the first time in its history went Republican to-day by a plurality of 350 votes on the Presidential ticket. J. C. Needham, candidate for Congress from the Sixth District, received a plurality of 245. Fred Yokum, candidate for the Assembly from the Twenty-fifth, was elected by 25 votes in this county. The usual Democratic plurality in this county is from 100 to 300 and the Republicans here are jubilant over the results.

RIVERSIDE COUNTY.

RIVERSIDE, Nov. 8.—Incomplete returns for Riverside County show that the Republican ticket carries the county by 2000 majority. In the city the majority is 1200. Smith, for Congress, ran even with the head of the ticket. Anderson, for State Senator, and Estuillo, for the Assembly, have large majorities. Holmes and Bantz (R.) are elected Supervisors, thus insuring Republican control of the board. A record vote was cast in both city and county.

TULARE COUNTY.

TULARE, Nov. 8.—Complete returns of Tulare City give Roosevelt 215, Parker 132. Enterprise Precinct gives Roosevelt 49, Parker 25.

TRINITY COUNTY.

WEAVERVILLE, Nov. 8.—About one-third of the vote cast in Trinity County has been counted and it gives Roosevelt a plurality of 71; Gillett, for Congress, a plurality of 61.

VENTURA COUNTY.

VENTURA, Nov. 8.—Ventura County will give a plurality of about 5000 for Theodore Roosevelt. Four years ago it gave William McKinley 2400. W. G. Lorigan for Supreme Justice ran several hundred votes ahead in this county. McKinley four years ago, D. T. Perkins, the Bard candidate for the Assembly, will lead the Presidential vote by several hundred, while Smith for Congress and Greenwell for State Senator will run well up with Roosevelt's vote. In the County Hartman (D.) is elected for Supervisor over Begg (R.) by forty-one votes. Clark (D.) beats Smith (R.) by twenty-five, and Gabbert (R.) beats Borchard (D.) by more than 100 votes.

VENTURA COUNTY.

VENTURA, Nov. 8.—Twenty-four precincts out of twenty-nine in Ventura County give Roosevelt 1546, Parker 687. Roosevelt's plurality will reach 1900. The county gave McKinley 375 plurality in 1900. Smith (R.) for Congress has 800 over Lucas (D.) Perkins (R.) for the Assembly is elected by 1100 over Moutrie (D.). Greenwell (R.) for State Senator has more than 700 plurality over Orna (D.). The Democrats elect Hartman Supervisor in the First District and Clark in the Third. The Republicans elect Gabbert Supervisor in the Fifth District.

YOLO COUNTY.

WOODLAND, Nov. 8.—For the first time in its history Yolo County gives a plurality to the head of the Republican national ticket. Roosevelt carries the county by 394. Congressman Bell ran ahead of his ticket, but his plurality, 154, is about half of that of two years ago. The Republicans elect three Supervisors. The Democrats elect N. A. Hawkins Assemblyman by about 22 plurality. This is the complete returns of the county.

YUBA COUNTY.

MARYSVILLE, Nov. 8.—Election day in this city passed quietly and a light vote was polled. Little enthusiasm was shown except in the districts where Supervisors were voted for. Returns as far as received give Roosevelt a plurality of 200. McKinley (R.), for Congress, will have close to 100 plurality over Bell. Manwell (R.), candidate for the Assembly, is running ahead of his ticket. Three Republican Supervisors have been elected.

CHAIRMAN GEORGE STONE WIRES CONGRATULATIONS TO PRESIDENT AND REJOICES OVER STATE VICTORY

General George Stone, chairman of the Republican State Committee, is highly elated over the result of the election in California. Many of the party leaders visited headquarters at the Palace Hotel last evening and personally extended their congratulations to the able and affable manager of the campaign in this State. The chairman last night wired this message to President Roosevelt:

SAN FRANCISCO, Nov. 8, 1904. To the President, White House, Washington, D. C.: I experience the liveliest satisfaction in extending congratulations to you upon your great victory. The people of California greet you with probably 70,000 majority.

Other telegrams as follows were sent from committee headquarters: SAN FRANCISCO, Nov. 8, 1904. To the Hon. Charles W. Fairbanks, Indianapolis: In extending my congratulations I experience the liveliest satisfaction in extending my congratulations to you upon your great victory. The people of California greet you with probably 70,000 majority.

SAN FRANCISCO, Nov. 8, 1904. Governor B. E. Odell, Albany, New York: I desire to offer my hearty congratulations to you upon your great victory in New York and the vindication of you personally as well as that of your associates.

Late last night General Stone received these responsive messages, one from Vice President elect Fairbanks of Indiana and the other from Senator Dick of Ohio:

INDIANAPOLIS, Ind., Nov. 8, 1904. Hon. George Stone, Chairman, San Francisco: I am profoundly thankful for your generous congratulations. I am heartily congratulating you.

The Largest Monolith. Londoner Engineering illustrates and describes the largest monolith yet built. Two of these structures form the foundations for the roundheads at the entrance of the new Midland Railway Company's harbor at Heysham, in Merca Bay. The roundheads are 300 feet apart, and only a short distance removed from the main channel formed by Heysham Lake. They are built on monoliths, which constituted one of the most interesting features of the works, for, being fifty-five feet in diameter, they were the largest constructed in connection with harbor works.

INCUMBENT JUDGES RETURNED BY NON-PARTISAN VOTE. Honest Judiciary Is Indorsed

INCUMBENT JUDGES OF THE SUPERIOR COURT OF THE CITY AND COUNTY OF SAN FRANCISCO WHOSE SPLENDID RECORDS ON THE BENCH WON FOR THEM REWARD AT THE HANDS OF THE PEOPLE IN THE SHAPE OF RE-ELECTION BY SPLENDID MAJORITIES.

The Republican landslide in State and nation did not sweep away the public reward for fidelity and honesty in a high office, where politics play no part. Good citizens, regardless of party, rallied to the support of the four candidates, two Democrats and two Republicans, who are now administering justice from the Superior bench and they were elected—Frank J. Kerrigan, Judge of Department 1; James M. Trout, Judge of Department 2; Frank J. Murasky, Judge of Department 3, and James M. Seawell, Judge of Department 4.

The opposition to the incumbents did not develop the strength indicated by the talk and claims of the supporters of the other candidates early in the day. Doubts as to the outcome, if any really existed, were first dispelled by the returns from the forty precincts where voting machines were used. These were in by 8 o'clock and showed Kerrigan at the head of the ticket with 5795 votes, Trout 8037, Murasky 7943, Seawell 7375, Gallagher 6180, Burchard 6136, Conlan 5507 and White 4080. It developed that White, one of the Democratic candidates put forward as against the candidacy of one of the Republican incumbents, was more than 1400 behind his running mate, Charles T. Conlan, who was drawing somewhat

from Trout's non-partisan strength and getting the additional support of the Police Court clientele. The two non-incumbent Republicans, James L. Gallagher and Daniel W. Burchard, were running close together and within their party vote, to indicate that they would not be dangerous to the chances of Murasky and Seawell. When the official return from all the precincts came in the incumbent Judges were found re-elected by a splendid majority. Judge James M. Trout, who polled the lowest vote of the four, was almost 5000 votes ahead of James M. Gallagher, who ran highest of the other aspirants for the office.

GENERAL STONE'S STATEMENT.

In speaking of the result in this State, the chairman of the committee said: "The plurality of Roosevelt in California is 70,000. We have elected eight Representatives to Congress—a solid Republican delegation. We have elected eighteen of the twenty-three State Senators and sixty-five Assemblymen, thus giving a large majority for the Republicans in each branch of the Legislature."

"In the First District J. N. Gillett is re-elected by an increased majority. Duncan E. McKinley's majority in the Second District is not less than 800. The result of the election in this district is especially gratifying to the committee and fair-minded Republicans generally on account of the infamous attacks made on Duncan E. McKinley by the Democratic press of the district."

"In the Third District Joseph R. Knowland's majority approximates 15,000. "The result in the Fourth District is gratifying in the highest degree. Julius Kahn's plurality is not less than 3500. "The splendid victory of E. A. Hayes in the Fifth District affords infinite satisfaction. The magnitude of the triumph is indeed cheering. The plurality for Hayes exceeds 4000."

DEMOCRATS ABIDE BY RESULT.

At Democratic headquarters despondency reigned. Chairman Timothy Sporelacy was in Bakerfield and Secretary Thomas F. Walsh held down the dead watch alone interrupted only by lone stragglers, who strayed in to see if there was any hope in sight. Mr. Walsh was asked for a statement. He begged to be excused until he could telephone Bell at Napa that he was defeated for Congress. Then he smiled a wan smile and there may have been tears in his eyes as he verified in his voice, "We can't say anything," he said. "There is really nothing to say. We were beaten here and elsewhere and abide by the result. The jury called the American people has spoken and we can't say anything."
