

ALHAMBRA  
Royal Hawaiian Band and Glee Club Render Some Delightful Native Selections

AUDIENCE APPLAUD  
Melodious Songs of Southern Clime Are Received With Marks of Enthusiasm

The Royal Hawaiian Band and Glee Club gave two concerts at the Alhambra Theater yesterday. Both were well attended by highly enthusiastic audiences which applauded every number.

Last night the band played some dozen selections of this order. They were all interpreted with that easy swing and charming grace that belong so thoroughly to the music of the southern climes.

The playing and singing of the Glee Club was something delightful to listen to. Each member of the club is possessed of a good voice, and, in addition, each member at the same time joined in playing a stringed instrument as accompaniment to the general singing of the club.

The Hawaiians will appear here again next Monday and Tuesday, September 25 and 26, at matinee and evening performance both days. They sail for Honolulu on the Manchuria, leaving here next Wednesday. They have just returned from the Lewis and Clark Exposition, where they made a big hit.

Will Give a Dinner  
A dinner will be given by the California Society of the Sons of the American Revolution at the Union League Club to-morrow evening at 7:30 o'clock.

Falls From Bicycle  
Clyde Lewis, an employe of the Pacific Hardware and Steel Company, fell from his bicycle when he collided with a Mission-street car.

Prevent As Well As Cure Headache  
If subject to headache, take Dr. Miles' Anti-Pain Pills when you feel the first indication of an attack.

Pain weakens the nerves, and the longer you suffer, the more frequent will be the attacks. On the contrary, if the nerves are relieved of this weakening influence, the attacks will be less frequent, and finally disappear altogether.

Dr. Miles' Anti-Pain Pills contain no opium, cocaine, morphine or chloral in any form. They are absolutely harmless if taken as directed, and will have no other effect, except to dry out the pain.

Dr. Miles' Anti-Pain Pills are all right, and I can recommend them to any one in need of a remedy for headache, neuralgia, or pain of any kind. My health is not very good, and I am subject to frequent attacks of severe headache. Dr. Miles' Anti-Pain Pills do not suffer from that trouble as I used to. They never fail to give relief in a few minutes, and if taken promptly on the approach of headache will prevent an attack from coming on. Dr. Miles' Anti-Pain Pills prevent, as well as cure.

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that they are just as good as the original. If it fails he will return your money. 25 doses, 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.

HAIR TELLS CHARACTER  
Color of Hair Said to Indicate a Person's Temperament.  
Many people believe that blonde or light hair denotes affection and dark hair constancy. A person without hair is devoid of character.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. At leading drug stores or sent prepaid from Detroit, Mich., upon receipt of \$1.00.

SABOTAGE HORSES  
FROM FLAMES  
K. C. Hickey and Others Rescue Animals in Eureka Stables When Fire Starts

SKIES ARE CRIMSON  
Burning Hay Lights Up the Neighborhood and Sparks Threaten Many Homes

Twenty-seven horses were saved from being burned to death in a fire last night at 307½ Eighteenth street by K. C. Hickey and others. The horses were in their stalls when the fire broke out and would have undoubtedly perished had not Hickey, assisted by several others, succeeded in unfastening them and driving them from the burning building.

The blaze started in the Eureka stables, of which Hickey is the proprietor. It is believed that it originated from some one dropping a spark from a cigar in the hay. A fire was discovered immediately and an alarm was given, but as there was so much inflammable material in the stable, the building was a mass of flames by the time the department arrived.

During this time the horses were frantic. Their screams could be heard far away. Hickey and his assistants were heroically working in an effort to save the animals. There was great confusion inside the stable and it was with much difficulty the men succeeded in getting the animals outside.

The sky in the neighborhood was crimson from the flames and many welling-waves were in danger of being destroyed. The department had to use under control shortly afterward. An adjoining building was slightly damaged.

The loss caused by fire and water amounted to about \$1000, covered by insurance.

LOSS MAY REACH \$12,000.  
American Chocolate Factory on Clementine Street Visited by Fire.

Smoke billowing from a night from a roof of 13-17 Clementine street, the building occupied by the American Chocolate Factory, attracted the attention of Edward Cook, who lives next door and the Fire Department soon responded to the alarm.

The department also did excellent work on another second alarm fire in the rear of 1107 Kearny street. The place is in a nest of dilapidated frame buildings on a steep hillside and only the strenuous efforts of the firemen averted a conflagration.

The inmates showed no excitement or disorder, but the precaution was taken to have extra details on hand in case it became necessary to remove the prisoners.

Defective Flue Ignites Roof.  
A plumber, a defective flue and an inflammable roof added excitement to the life of Mrs. John Pettie, manager of the Universal Service Society, yesterday afternoon at her home, 212 Taylor street.

While attempting to fix a range in the kitchen the plumber ignited some collected gases in the flue and in a few seconds the roof of the building was ablaze. Energetic work by the department saved the building, but many of Mrs. Pettie's effects on the upper floor were ruined.

GRAND JURY MEMBERS GETS REPLY TO COMMUNICATION  
Board of Works Informs Radke That Bad Condition of Certain Streets Is Being Attended To.

Louis Levy, secretary of the Board of Works, yesterday forwarded a letter in reply to one received from L. R. Radke, chairman of the Grand Jury committee relative to certain complaints filed about the bad condition of certain streets. Radke is informed that the board has taken steps to remedy the bad condition of West Mission street; that the right to lay a track on Mission street, on Onondaga avenue to the county line was granted to the United Railroads by the Supervisors in 1893, and that the bad condition of the west end of Brannan street will be remedied as soon as the Supervisors conclude negotiations for the purchase of land from the Pacific Improvement Company to widen the street.

Radke is further informed that it will be impossible to send him an itemized statement of the cash expended and received by the Department of Works, as this would require the services of additional clerks, who are not available for the purpose.

BOARD ELECTS PRINCIPAL OF AN EVENING SCHOOL  
Names P. T. Riley to Position and Rents Extra Room for Pupils of Chinese Primary.

The Board of Education yesterday elected Peter T. Riley to principal of the John Street Evening School. Mrs. Herman Enkle was transferred from the Washington Evening to the Hamilton Evening School, vice Miss M. E. Strauss.

A business situated at 926 Clay street were rented from James Camp, at a monthly rental of \$15, commencing October 1, 1905, to be used in connection with the Chinese primary school.

The Board of Public Works was requested to advertise for the grading and lowering of the yards of the Crocker School, in accordance with the plans on file in the city architect's office.

Miss Ella B. Taylor and Thomas J. Roseman, the last appointed teachers in the Washington Evening School, were transferred to the Hancock Evening School.

THEOLOGICANS  
GIVE WELCOME  
Professor E. A. Wicher Has Kind Reception on Coming to Well Known Seminary

FILLS HIGH POSITION  
Will Teach New Testament, Language and Literature to Presbyterian Students

The official opening of the San Francisco Theological Seminary year, and welcome to Professor Edward A. Wicher, M. A., B. D., of St. Johns, New Brunswick, to the chair of New Testament language and literature, took place last night at the First Presbyterian Church, Van Ness avenue, corner of Sacramento street.

President John Samuel MacIntosh, D. D., presided, and in an eloquent address introduced Professor Wicher, who was later given the cordial fellowship of the seminary faculty through Professor Thomas F. Day, D. D., one of the very pleasing incidents of the evening was when Professor T. C. Cowden Laughlin, Ph.D., of the Greek department of the Pacific Theological Seminary, Berkeley, was chosen to present the greetings of the theological seminary about the bay.

Professor Laughlin spoke on the work to which the new professor had been called and the qualifications necessary for such work. Dr. Laughlin explained that a New Testament professor should be required to have thorough knowledge of history and philosophy, a mastery of languages—of Latin, Hebrew, Aramaic, Greek—notably of classic Greek, but of the whole period of Hellenistic and Patriotic Greek literature, a mastery of German, of New Testament times and of Biblical theology of the New Testament.

There was a time, said Dr. Laughlin, when New Testament chairs were filled from the pulpit, but that custom for the most part is passed. Nothing short of a thorough, exhaustive, special scholarly training will fit a man to undertake such work to-day.

The program was given in the following order: Hymn; invocation, Rev. William Kirk Guthrie; scripture reading, Rev. John Hemphill, D.D.; introduction of Professor Edward A. Wicher, M. A., B. D., by Professor MacIntosh, D.D.; address, Professor Wicher; address of welcome on behalf of the seminary, Professor Thomas F. Day, D.D.; address of welcome on behalf of neighboring seminaries, Professor T. Cowden Laughlin, Ph.D.; prayer, Rev. Hugh W. Gilchrist, D. D.; address, Dr. L. L. D.

The Newest of Magazines.  
In this week's Town Talk that brilliant satirist, "Democritus," in the role of a knocker, gives his opinion of a noted divine, whom he styles an amateur in the use of the hammer.

Dr. G. C. Burnett will deliver a lecture to-night on "California" before Apollo Lodge of Odd Fellows in its lodgeroom in the Odd Fellows' building. This will be for members of the lodge and their lady relatives and friends.

Beer Bottlers Have Troubles.  
The local beer bottlers and drivers are still having their troubles with John Rapp & Sons, a local firm. When peace was declared with the firm it refused to discharge men who had taken the places of those who walked out. The beer bottlers and drivers are trying to adjust the difficulty, but so far have met with no success.

Full Millinery Opening  
Thursday and following days, showing a fine display of pattern hats, etc. Marie L. Sweeney, 121 Post street. No cards.

Conductor Strikes Passengers.  
Charles J. Major, 2728 Twenty-first street, was badly beaten by a conductor on a Castro-street car yesterday afternoon. Major refused to stand to one side when ordered to do so by the conductor and the latter used his fist to emphasize his command.

Shoes to match your dress at Burns', 112 Geary street.

FIREMEN IN COURT.—Several members of the Fire Department appeared before Judge Sloss yesterday to contest the suit instituted by the United Railroads for the removal of a fireman from the fire department. The case was argued, there being a question as to whether the plaintiff can collect the assignors having gone through insolvency.

A natural Laxative  
Inward cleansing is as necessary as outward bathing. To keep the bowels free and regular is of even greater importance than to keep the skin-pores from becoming clogged. The neglect of either invites disease. Everyone needs a natural laxative occasionally, to free the bowels of accumulated impurities. For this purpose take BEECHAM'S PILLS  
the greatest boon ever offered to those who suffer from the ills that follow constipation. For over fifty years Beecham's Pills have been famous as a Stomach corrective, a Liver regulator and Bowel laxative. They never gripe nor cause pain. Powerful purgatives are dangerous. Avoid them. Use Beecham's Pills. They give relief without doing violence to any organ. Their action is in harmony with physical laws. Take them regularly and the necessity for their use becomes less frequent. They are a natural laxative and a positive cure for Constipation, Bilioousness, Indigestion, Sick Headache and Dyspepsia.  
Sold Everywhere in Boxes, 10c and 25c.

FORMER CHIEF  
PASSES AWAY  
John Kirkpatrick, Prominent in City's History for Years, Goes to His Rest

LIVES TO OLD AGE  
GROOM KNOWN TO FAME  
His Disappearance From the Post, Which Caused Excitement at Time, Recalled

One of the most noted characters of early San Francisco was called to the great beyond yesterday afternoon, when John Kirkpatrick, a former Chief of Police of this city, breathed his last at his late residence, 130 Scott street. Kirkpatrick was the last man to be elected Chief of Police by popular vote and during his administration some of the most startling incidents in the history of the city happened.

Kirkpatrick was a political power in the early seventies and defeated former Chief of Police Crowley by a small majority after a bitter political fight.

When Kirkpatrick's term expired the charter went into effect and the office of Chief of Police became an appointive one. Patrick Crowley was named to succeed Kirkpatrick.

Kirkpatrick was a pioneer. He started out as a wholesale liquor merchant, conducting a big establishment on Front street. He always took an active part in Democratic politics and was one of the leaders of the party for many years.

Some years ago Kirkpatrick was appointed to a position in the City Hall, which he held up to the time of the Phelan regime. Of late years he had led a quiet life and did not mix up in politics to any extent. His brother-in-law, Sergeant Charles McDonald, is at present in charge of the desk at the City Hall police station.

Kirkpatrick was a native of Illinois, and 75 years old. He is survived by a wife and three married daughters, two of whom reside in this city and the third in Palo Alto. His funeral will be held on Saturday afternoon at 2 o'clock from the Masonic Temple. The remains will be interred in Woodlawn Cemetery.

SEXTON-MAY WEDDING AT ST. IGNATIUS

A fair day and a fair bride!  
That tells the tale of the wedding of pretty Alice May and William A. Sexton at St. Ignatius Church yesterday morning.

Not so impressive a service—so majestic in tone—has been heard in San Francisco for many days as this morning affair, witnessed by several hundred friends.

The note of majesty in the service was struck when Dr. O'Connell spoke of the great organ with the song of Lohengrin. It swelled till it filled the church from altar to vestibule and sent a thrill through every guest, as the volume swept from the choir loft.

The bride wore a gown of soft white satin, simple in outline, a veil of tulle falling from her bonny brown hair. She was attended by Miss Eva Madden, a cousin, who looked smart in a pink frock with a chic pink hat, upturned at the side.

The Rev. Father Fweden met the wedding party at the altar rail, where the service was read. Immediately following came the nuptial mass—the most solemn type of nuptial service, and very beautifully symbolized.

During the chanting of mass, Dr. O'Connell rendered the "Spring Song" and a number of other selections upon the great organ, following with Mendelssohn's joyous "The First-born" hymn took on new meaning as interpreted by Dr. O'Connell upon the finest organ in the West. Following the church service a wedding breakfast was served at the home of the bride, to which only relatives and friends were asked. Then came the reception—from 2 to 4—when hundreds of friends called to pay their compliments.

After the wedding journey the young people will take up their home in town. The date of their day nor fairer bride has the season known. It would seem that one was made to match the other. And joy swept over both.

Cette Unity Festival.  
To prepare for the fall festival of the Cete Union at Shell Mound Park, Sunday, November 5, the executive committee met last evening in the Parrott building, Thomas M. Searey in the chair. There was a good attendance and the fact that the Ammission Day Festival will be a successful as hoped for seemed to set as a spur to those present.

It was resolved to do strenuous work to make the coming celebration successful. Jeremiah Deasy, T. F. Alford, J. D. Condon, M. Merigan, William Hudson and T. P. O'Dowd made brief addresses, urging active work.

Additional committeemen were appointed as follows: Games, T. P. O'Dowd; printing, J. Deasy, T. McGrath, M. Merigan, F. Alford and Thomas Doyle; music, T. F. Alford, William Hudson and James Haggerty; press, T. F. Alford, Jeremiah Deasy and T. P. O'Dowd.

BENEFIT FOR BAND.—A masquerade ball for the benefit of the United Railroads Band will be given at the Valencia street carhouse next Saturday evening.

YOUNG OFFICER  
TO BE WEDDED  
Lieutenant Chester Loop and Madge O. Ingalls Will Marry at Fort Alcatraz

His Disappearance From the Post, Which Caused Excitement at Time, Recalled

Lieutenant Chester Henning Loop, Thirteenth Infantry, and Miss Madge O. Ingalls of Memphis Tenn., will be married to-day at Fort Alcatraz.

Owing to the illness of the groom the wedding will be strictly private. The Rev. William Kirk Guthrie, pastor of the First Presbyterian Church of this city, will officiate at the ceremony.

The Thirteenth Infantry is scheduled to sail for the Philippines on the transport Thomas, leaving this port for Manila on October 5, and the young officer and his bride are to be among the passengers.

The approaching nuptials of Lieutenant Loop brings to mind the excitement that this young officer raised soon after his arrival in this department by his sudden disappearance from his post at Alcatraz, being lost to view for nearly a week. He had only been at Alcatraz a short time when he was granted one day's leave by Major A. R. Paxton to come to the city. He arrived at the Occidental Hotel one Saturday, and notified the manager that he would only be in town twenty-four hours. Sunday came and the young officer failed to return to his post.

Major Paxton waited until Monday, and then communicated with the manager of the hotel. The report that he was in the dark as to Loop's whereabouts.

A search was made for the missing man throughout the city, but without success. In the meantime army circles were greatly excited over the sudden disappearance, and versions of how play were freely discussed. In the meantime the city was being searched, and just as the excitement had reached its height the young lieutenant turned up at Alcatraz. How he explained matters to his commanding officer has never been made public.

Loop entered the army April 15, 1905, from civilian life.

A Savings Department.  
The Citizens' National Bank now installed in its new building at 1221 Polk street, near Sutter, will have a savings department in addition to its commercial business. Interest will be paid on time deposits and the new feature will be a great convenience to residents of this large district. Banking hours 9 a. m. to 4 p. m.

Want Head for Tax Collector.  
The delegates of the Thirty-eighth Assembly District last night met at the Republican League headquarters and unanimously endorsed Ed L. Head as the nominee for Tax Collector on the Republican ticket. The delegates were against sacrificing this office through fusion, as they want a representative of the Thirty-eighth on the ticket. It is likely when the convention meets Head will be selected as the Republican nominee for Tax Collector.

THE AUTOTONE PIANO  
The Piano That Anybody—Everybody Can Play  
is the celebrated Hardman Piano with the most perfect piano-playing mechanism ever constructed built inside the piano case.  
The Autotone Piano can be played as an ordinary piano is played, and—in addition to this—you can play it by means of the Interior Piano-Player. All that is necessary is to insert a perforated music roll and operate the foot pedals.  
The Autotone Piano occupies no more space and is in no way different in appearance from the ordinary piano. In fact, mechanical construction, finish, workmanship and design it is superior to most pianos of much higher price, and is, in fact, the most simple, most effective and most desirable of combination pianos, and in price the most reasonable.  
Easy payments may be arranged.
