Shot Full of Holes

"I am 65 years old, and have been a great sufferer from headache all my life. One of Dr. Miles' circulars was left at my door, and what it contained about headache interested me, so that I determined to invest a dollar in their make of shot, and go gunning for that headache. The first charge brought it down, but I continued to shoot until the thing was shot so full of holes that I believe it will never come to life again. I consider it the work of a 'good Samaritan,' to spread the knowledge of what Dr. Miles' Anti-Pain Pills will do." I. F. MOORE, 1352 Fairfax Ave., Bridgeport, Conn.

COUPLE SEEM HAPPY

After Three Years' Separation They Remarry Out of Affection for Little Girl

OAKLAND, Oct. 12.—Love for their little child effected to-day the reconciliation of an estranged husband and wife, who, after three years of separation, were reunited by a second marriage. The groom was William G. Callinan, leader of the orchestra at the Columbia Theater in San Francisco, and the bride was the woman who, three years ago, was granted a divorce from him. It may be possible that the audience that sits behind Callinan may discover a new note in his music that heretofore has been absent, and it may possibly be accounted for by the once lost happiness that has been returned.
