Rabbi Declares That Modern Philosophy Teaches Vice Under Cloak of Realism

CHICAGO, Dec. 28.—That much literature of the day is not worthy of attention, that modern philosophy is the creed of brutality, and that the new school of "naturalism" is undermining the moral foundations of society, were some of the conclusions of Dr. Emil G. Hirsch in an address before the Hull House Y. M. C. A. last evening. Dr. Hirsch said:

UNION OF CHURCHES IS FULLY ASSURED

Northern and Cumberland Presbyterian Branches Will Unite.

ST. LOUIS, Dec. 28.—A union between the Northern Presbyterian and Cumberland Presbyterian churches will not be effected, said Rev. Dr. W. H. Roberts of Philadelphia, chairman of the Northern Presbyterian committee, to-day at the closing of the day's proceedings at the Southern Hotel. "We are simply waiting for all the details to be submitted by the sub-committees of the two branches. The reports will be submitted to-morrow."

Secretary of State Storms of Indiana Says He Has Not Violated Law.

INDIANAPOLIS, Dec. 28.—Daniel E. Storms, Secretary of State, has not resigned, it is not known whether he will comply with the demand of Governor Hanly. To-day he again refused to discuss the subject. It is understood that a committee that has been examining the records of his office has reported that Storms did not turn into the State Treasury a fee of \$25,000 paid by the Vandalla Railroad Company until several months after it was due, and other irregularities disclosed.

It was reported this afternoon that Storms had retained counsel and would contest the demand of the Governor for his resignation on the ground that he had not violated the law.

The body was badly burned, but not sufficiently to render identification impossible.

During September Perkins was employed in a barber shop in Stockton and it is alleged he opened the mail of John White, an acquaintance, and took therefrom a check from the Government Pension Office at Washington. CHARGE AGAINST COMMISSION AGENT BAMBUR IS DISMISSED

Evidence Shows That Soquel Orchardist Who Caused His Arrest Acted Too Hastily.

SANTA CRUZ, Dec. 28.—Walter E. Bamber, a San Francisco commission agent who was arrested last week on a charge of obtaining money by false pretenses, was released to-day by Judge Blas to-day. Bamber gave a Soquel orchardist a check for \$224 in payment for his apple crop, telling him not to present the check for several days, as there was no money in the bank at the time. The orchardist came anxious for his money and presented the check. There was only \$174 to cover it in the bank. He then made complaint against Bamber. Judge Blas dismissed the charge on the ground that there was no evidence of any false pretense shown by the testimony of the prosecuting witness.

THEATRES USE MORALES PLAYS

Reported That He Will Set Up Another Government at the City of Monte Christi

TROUBLE REINDS ISLAND

CAPE HAITIEN, Hayti, Dec. 28.—The greater part of Northern Santo Domingo is said to be in favor of General Morales, the fugitive President of that republic. It is understood that Morales left the capital in order to join his partisans in the north. General Rodriguez, the Governor of Monte Christi, with his followers has gone to meet Morales.

Rodriguez's forces are said to be numerous. It is claimed here that the report that Morales intends to establish a new capital at Monte Christi is correct and that he will use that place as a base from which he will endeavor to suppress the uprising of the Caceres party at the old capital of Santo Domingo. A conscription of all messages has been established at Monte Christi. Important news from Santo Domingo is expected momentarily.

WASHINGTON, Dec. 28.—The State Department has had another brief dispatch from Santo Domingo received yesterday's date, confirming the preceding report to the effect that President Morales was said to be about fifteen miles west of Santo Domingo City, fighting the troops of the Cabinet.

Mr. Joubert, the Dominican Minister here, called upon Secretary Root at the State Department to-day to talk over Dominican affairs. He had a short cable message from Senor Tejera, the Minister for Foreign Affairs, announcing that General Caceres, the Vice President, who was at Puerto Plata when Morales fled from the capital, was expected to arrive at Santo Domingo to-morrow, and would be immediately inducted into the Presidential office.

Joubert had nothing to indicate that Morales had been wounded, nor did he think the fighting reported to have taken place near Jaina Tuesday was serious. He doubted very much whether Morales intended to start another revolution. He thought, however, that Morales would wait for a time to see what effect the upheaval in Santo Domingo would have upon the relations between that country and the United States.

In the Minister's opinion, the modus vivendi, under which Dominican revenues are now being collected by Americans appointed by the Dominican President for that purpose, would not be affected by Morales' retirement, for the dominant party in the Cabinet still stands strongly committed to the existing arrangement.

MUSIC AND TRIUMPHAL ARCHES FOR BRYAN

Filipinos Give Gala Greeting to the American Orator.

MANILA, Dec. 28.—The provinces of Bulacan, Nueva Ecija and Rizal received William J. Bryan enthusiastically Wednesday with triumphal arches, music and parades during a ten-hour excursion by railroad. At noon Bryan was entertained at a banquet at Malolos. The Mayor-elect delivered a speech in the presence of his text, but Bryan was consistent in his response. He counseled obedience to the Government, and gave a sketch of the political principles of the Democratic and Republican parties.

Bryan impressed with the good appearance of the crops and the general prosperity. He devotes much of his time to questioning leading natives. He will sail for the Visayas group on Monday.

Monday morning, San Francisco: Eastern newspaper men made their appearance in Chicago to-day with a sprightly air, after having made their trip across the continent and back again in a matter of days. They were unbounded in their praise of the service, especially of the Los Angeles Limited. On return trip this train made several fast runs on each road, at times running a mile or more over the scheduled schedule and that the time, if necessary, can be advanced many hours.

Gilbert, sitting on the United States Circuit Court bench yesterday, received word from Heney that he would not return to the city until February. This may mean that a Federal Grand Jury will not be called until that time.

Death of Former Judge Weed. SAN DIEGO, Dec. 28.—Frederick A. Weed, a well-known and esteemed citizen of San Diego, died this morning at his residence, corner of Pier and Second streets, in this city. DECISION INVOLVES A MILLION DOLLARS

Court Sustains Appeal in the Case of the Sully Company.

NEW YORK, Dec. 28.—Judge Holt in the United States District Court to-day handed down an opinion overruling the findings of the referee in bankruptcy in the case of Sully & Co., cotton brokers, and sustaining the appeal taken by the trustees in bankruptcy.

The court decided that Hawley & Ray, formerly associated with Sully & Co., have no right to examine the books of Sully & Co., or to re-examine the claims of the Cotton Exchange creditors, with a view to proving the bankruptcy.

The effect of the decision will be to force Hawley & Ray to defend the suits brought against them in the Supreme Court to recover \$1,000,000 by the trustee in bankruptcy for Sully & Co.

It was contended by Hawley & Ray that the claims of the Cotton Exchange creditors were illegal, really rendering Sully solvent on the morning of the failure, and that, being solvent, the release which they claim Sully executed to them was valid.

EXPECT THE LORD TO APPEAR TO THEM

Santa Rosa Family Starts East to Be Present at Revelation. Special Dispatch to The Call. SANTA ROSA, Dec. 28.—Mr. and Mrs. J. C. Norton and family left here to-day for Elmore, Cal., to attend the revelation of the Lord which will manifest himself to his chosen saints shortly after the first of the year. Last week Martin passed away and Morris died of a broken heart. They were buried in the County Cemetery.

SALT LAKE AUTHORITIES ARE STILL AFTER PERKINS

Escaping Extradition From Oregon on Charge of Embezzlement, He is Rearrested on New Complaint. PORTLAND, Dec. 28.—Fred H. Perkins, who escaped extradition to Salt Lake several weeks ago to answer to a charge of embezzling \$15,000 of the funds of a mining company of Flagstaff, A. T., of which he was the manager, is again in jail. He was arrested to-day upon advice from C. Frank Emery, Sheriff of Salt Lake, who sent word by letter that a second charge of embezzlement of \$4000 had been filed against Perkins.

Perkins was released on the former charge because his father came here from Pasadena, Cal., and paid the money due.

VESEL LONG OVERDUE

Anxiety is Felt Regarding Safety of British Bark King David. VICTORIA, B. C., Dec. 28.—Some anxiety is being felt regarding the safety of the British bark King David, long overdue from Salina Cruz, which port she left eighty-nine days ago for Port Townsend.

Castle, which left Salina Cruz forty-one days later than the King David, received a cable to-night from the vessel's owners, making inquiries. Nothing has been heard of the King David since she left the Mexican port.

The steamship Wellington, which arrived at Ladysmith to-day from San Francisco, reported that when off Cape Flattery on Christmas day, a large sailing vessel was seen, lying heavily in the rough sea, showing distress signals. The Wellington, upon receiving information from the vessel, and as assistance was coming from the south, the name of the vessel was not learned.

STATE CONTEST TO OPEN EARLY

Preparations Are On for Convention of Clubs.

JUSTICE M. T. ALLEN MAY GET SUPREME JUDGESHIP

Events are shaping for an early opening of the gubernatorial campaign of 1906. Ferd K. Rule of Los Angeles, president of the California League of Republican Clubs, has been elected to preside at the biennial convention of the league. It would not surprise the politicians if the convention should be as large and as important as the gathering of club heroes in San Jose in 1902. It is expected that the leading Republican clubs of San Francisco, Los Angeles, Oakland, San Jose, San Diego, Sacramento and of other cities of the State would send large delegations to the biennial convention. In due time a meeting of the executive committee will be held to make arrangements for the first demonstration of the convention.

Quite a rivalry for the honor of entertaining the State nominating convention of 1906 is already commenced. It is clear that the leading citizens of Santa Cruz will present a proposition to the Republican State Committee which the party representatives can hardly decline.

The proposed new pavilion on the ocean front in Santa Cruz, designed especially for the accommodation of large conventions, will be ready for occupancy by mid-summer. Santa Cruz is a delightful place in any month of the year and is exceptionally alluring in August and September, the months when the season is hot and oppressive. Moreover the hotel facilities of the little city by the sea are ample and excellent.

It is known now that nearly all the State officers and members of Congress from California will be candidates for re-nomination to their respective positions, but animated contests will take place at several places along the line. It is said that the Republicans of the region south of Tehachas, by reason of their immense strength in the untold support which they gave to the Republican cause in the close campaign four years ago, will demand increased recognition in the making of the ticket.

The appointment of Justice M. T. Allen of the Court of Appeals, Los Angeles, to the State Supreme Court would not create surprise. It is gossip in the political camps that Governor Pardee will select some well-known lawyer of Southern California to fill the vacancy caused by the death of Justice Walter Van Dyke, stands strongly committed to the existing arrangement.

At the general election in November next the voters will elect three Associate Justices of the Supreme Court. The term of twelve years for which Jackson Temple was elected will expire in January, 1907. Shortly after Temple's death William G. Lorigan of San Jose was appointed, on January 5, 1906, to fill the vacancy. Subsequently Justice Lorigan was elected for the unexpired term. It is expected that the Legislature expects re-nomination and re-election.

In January, 1907, the term for which Justice F. W. Henshaw was chosen will expire. It is an open question whether he will be a candidate for re-nomination. There is talk that Justice Henshaw will step out in favor of Judge H. A. Melvin. Word comes from Sonoma County that Judge A. G. Burnett will be supported by active and influential delegations, hence the announcement in the Cabinet still shows the retirement might impart additional strength to Judge Burnett's candidacy.

Apart from these three places on the Supreme bench there will be nine Appellate Justices to elect, three for each of the three Courts of Appeal. It has been well understood that nine Justices recently appointed by Governor Pardee are candidates for an elective term. Of course if Justice Allen of Los Angeles, hence the appointment of the Appellate Court of the southern district.

ANNAPOLIS, Md., Dec. 28.—The gigantic drydock Dewey made an auspicious start this afternoon on its 14,000-mile trip to the Philippines, under the direction of Commander H. H. Hooley, U. S. N. The 6 o'clock lights on the dock could be seen at a distance of eight or nine miles below Solomons Island, the starting point. There was no mishap of any kind.

Three vessels in tandem are towing the Dewey. Next to the dock is the collier Brutus, then the collier Caesar, and in front is the tug Potomac. Commander Hooley will have his quarters on the Glacier, the supply boat which will accompany the dock.

Block Plan to Aid Strikers

HAVANA, Dec. 28.—The appropriation of \$10,000 passed by the House of Representatives to aid the striking Cuban cigarmakers at Key West is not likely to pass the Senate, as the Finance committee to-day adopted an almost unanimous report opposing it. It is urged that General Rivera, Secretary of the Treasury, will overrule the appropriation of \$1000 granted by the Havana Municipal Council for the same purpose, and that the Government will not permit the granting of the \$5000 appropriated by the Havana Provincial Council.

Sonoma Paying Off Indebtedness

SANTA ROSA, Dec. 28.—County Treasurer Glenn E. Murdoch paid \$75,000 to-day on account of the bonded indebtedness of Sonoma County and \$566 66 as accrued interest. This is the first payment on the final settlement of two issues of railroad aid bonds issued in 1871 in favor of the San Francisco and Northern Pacific Railroad, which is now under lease to the California Northwestern Railway.

Sultan Makes New Move

VIENNA, Dec. 28.—The Turkish Government has presented a note to the Austro-Hungarian Government informing that the Macedonian committee in Bulgaria are preparing for an uprising in Macedonia in the coming spring. Unknown Violates Game Law

HOW IN THE SEATTLE POST OF VOLUNTEERS OF AMERICA

Nine Soldiers Petition Colonel Duncan, Head of the Coast Division, to Remove Captain Boyce. SEATTLE, Dec. 28.—Alleging that Captain J. D. Boyce, officer in charge of the local post of the Volunteers of America is making the organization subservient to the wishes of certain fraternal organizations, nine soldiers of the post to-day sent a petition to Colonel and Mrs. Duncan, head of the Volunteers on the coast with headquarters in San Francisco, asking that the captain be removed.

Captain Boyce says that the trouble started from a Christmas dinner given the poor children of the city, the affair being assisted by the local W. C. T. U. causing jealousy on the part of those who have signed the petition.

Colonel Duncan said last night that he had received a telegram from Seattle informing him that there had been some disagreement and that a letter was following with full information. Until the receipt of the communication Colonel Duncan could express no opinion, since he knows absolutely nothing of what may have happened within the ranks of the Volunteers in Seattle.
