Crack Golfers of the Claremont Club Have Battle Royal on Ingleisle Links

First Round of Men's Championship Contest Results in Some Clever Playing

The first match play round of the sixth annual competition for the men's amateur championship of the Pacific Coast Golf Association was played yesterday afternoon on the links of the San Francisco Golf and Country Club at Ingleisle. The course was in excellent condition, though the putting greens were somewhat difficult. The round was a battle royal, with many surprises. F. C. Newton and H. Warner Sherwood of the Claremont Country Club played an exceedingly close match, being all square on eighteen holes. Newton just pulled the match out of the fire at the nineteenth hole, winning one up.

Frank Kales of the Claremont Country Club beat Arthur Owen of the San Francisco Golf and Country Club 2 up, 1 to play. A. H. Higgins of the Claremont Country Club won 2 up, 1 to play, from Captain J. S. Oyster of the San Francisco Golf and Country Club. A. B. Swift of the Santa Barbara Golf and Country Club won 4 up, 2 to play, from A. S. Lilley of the Claremont Country Club. J. W. Johnson of the Claremont Country Club won 2 up, 1 to play, from R. L. Bentley of the same club. H. C. Golcher of the San Francisco Golf and Country Club won 2 up, 1 to play, from A. S. Lilley of the Claremont Country Club. B. D. Adamson of the San Francisco Golf and Country Club won 2 up, 1 to play, from R. L. Bentley of the same club. R. C. Gocher of the San Francisco Golf and Country Club won 2 up, 1 to play, from A. S. Lilley of the Claremont Country Club. B. D. Adamson of the San Francisco Golf and Country Club won 2 up, 1 to play, from R. L. Bentley of the same club. R. C. Gocher of the San Francisco Golf and Country Club won 2 up, 1 to play, from A. S. Lilley of the Claremont Country Club.

The second round will be played this afternoon, beginning at 2:30, the eight winners of yesterday's matches being paired as follows: Newton vs. Kales; Higgins vs. Sherwood; Abbot vs. Clark; and Gocher vs. Adamson.

The eight players entitled to play for the "second eight" trophy are: H. Warner Sherwood, Arthur Owen, Captain J. S. Oyster, R. J. Woods, John Lawson, R. L. Bentley, A. S. Lilley and W. P. Johnson.

Mrs. R. Gilman Brown, Miss Alice Hager, Mrs. J. R. Clark, and Miss Edith Chesbrogh played a foursome yesterday afternoon.

The handicap tournament of the California Women Golfers' Association has been postponed until next week, the course of the Claremont Country Club, on which it will take place, being in too poor a condition for a women's competition.

ENDS LIFE AFTER SELLING HIS HOME

Aged Farmer Grows Despondent When Acres Pass From Him.

UKIAH, March 25.—William Moun-govan, aged about 70, committed suicide at his home on Garcia Creek by cutting his throat with a razor. The deceased was a respected resident of this county, having come here from Ireland when a boy. About a week ago he sold his ranch and it is thought that this worried him and temporarily unbalanced his mind as he had to see results of the sale of his best part of his life pass into the hands of strangers. His wife had gone to town for supplies, and during her absence the old man took his razor, walked some distance from the house and cut his throat from ear to ear. Three grown sons and a widow survive him.

TEAMSTER AND HIS HORSES

NEARLY DROWNED IN CREEK

Driver Rescues Animals After Almost Losing Own Life in Turbulent Stream.

UKIAH, March 26.—While crossing Garcia River near the old mill site William Lynch had a narrow escape from losing his life and his team. His wagon was turned over and swept down stream into a deep hole, carrying the horses with it. Lynch was washed up a sanitar. He tied a rope around his body and swam out and cut the horses loose. The animals finally reached the shore.

FAST TRAIN FOR SANTA ROSA.

SANTA ROSA, March 26.—With the inauguration of its summer schedule the California Northwestern will put on a "cannon ball" express between here and San Francisco. The new train will cover the distance in less than two hours and will make but two stops between here and San Francisco, at Petaluma and Ignacio.

THIEVES BUSY IN SANTA ROSA.

SANTA ROSA, March 26.—The thieves who carried off the Grand Hotel cash register at an early hour Sunday morning also broke into Rester Brothers' store on Hinton Avenue and rifled the till.

SIX STRAIGHT CHOICES MEET DEFAT IN THE DECEPTIVE GOING AT OAKLAND

Graham's Riding Is the Feature of the Sport.

Doc Craig at 20 to 1 the Biggest Surprise.

Six straight public choices were laid away at Oakland track yesterday, and bookmakers fattened their bank rolls and were happy. The one bright feature of the sport was the brilliant saddle work of Frank Graham, who rode three of the winning horses. The attendance was large and contrary to expectations the track, instead of being sloppy, was heavy and slow.

No apologies can be made for the defeat of Ethel Barrymore, an 11 to 10 favorite in the betting on the opening five furlong scramble for mares. Little Brusel gave the mare a perfect ride and she was then easily beaten by Meada, a 6 to 1 chance, with Rice in the saddle. Schade took show honors on Little But-tercup, an outsider.

Barney Schreiber's Our Anna, with Dugan up, went to the post favorite for the maiden two-year-old dam, at four and a half furlongs. The filly did not seem partial to the going, for Clements outspurred her from the start. When it looked as if the latter might land Leroy Williams closed strong on the outside with 20 to 1 shot Doc Craig, taking the decision by a couple of lengths. The favorite ran third.

The Lady Rhesa, grand old piece of ancient bric-a-brac that should have been relegated to the express wagon service years ago, went up as an 8 to 3 favorite for the mile and a sixteenth selling affair. It's the same old story—she should have won. But the money is gone and nobody ever gathered up enough mill with a currency. Sarto, well backed, received better handling and downed the first choice less than a length. Easy Street was third.

Solomon Bonner next had a try on a short priced one. He rode Nine Spot, owned by his employer, Charley McCaffery, in the mile and a half selling race. Solomon did all that any rider could do and the mare failed to receive a kick. Dusty Miller, a 7 to 1 chance, whose speed in two previous races was as good as any, was the favorite. He went out in front and won all the way. The inter-mittently ridden Harbor, the post favorite, ran second, seven lengths before Lella Hill.

The handicapper never looked a more appetizing thing on paper than did St. Francis to win the fifth, a five and a half furlong selling race. The colt's odds fell to 9 to 10, and some sort of a knock on collision made a 15 to 1 shot on the start. He carried a heavy load from the rear in time to finish second to Judge, the second choice. Entre Nous was third.

It is painful also to narrate that Two Bills, the last remaining dog of the old overland, was the favorite in the concluding five and a half furlong purse race. The entry of Lenny Bros. closed at 9 to 10, and met with some ill luck at the start. Tony, Avonella and Dick Wilson, two long shots, fought it out all the way, the former crossing the line first, a neck to the good. Two Bills ran into the show.

NOTES OF THE TRACK.
Bonner was well received by the occupants of the stand. The colored rider had little chance to distinguish himself, however, his two mounts, Bogus and Nine Spot, not being up to much.

Given a few first-class mounts and R. Davis will give a good account of himself. He rode Judge to excellent advantage and is bound to reach the top.

Walter Jennings leaves for New York this morning and his rider, L. Williams, will probably follow on this evening's overland. Walter had a splendid season, speaks very highly of the treatment accorded him by the association across the bay and will be back next fall.

Johnny Shorr lost the old mare, Bab, yesterday, in some manner she broke one of her legs while frisking about in the stall and had to be destroyed.

Could Ethel Barrymore have won the first race it would have been sweet sailing for her owner, Jerome Dunn, the silver-haired veteran is confined to his apartments in this city dangerously ill and the dark bay mare is the apple of his eye.

Anarchists Aid Most's Sons.
NEW YORK, March 26.—The education of Johann Most's two sons is the tribute which New York anarchists will pay to the memory of their late leader. The first step was taken yesterday, when the trustees of the fund, given for the benefit of the fund, Most's boys will be taken in charge by a committee selected by anarchist organizations and educated in the manner indicated by their father shortly before his death.

New Bank in Nevada Town.
FALLON, Nev., March 26.—The Bank of Fairview has started business at the mining camp of Fairview. R. L. Douglass, a banker of this place, is the promoter. The capital stock is \$50,000.

COURT DECIDES EVEN JANITORS ARE HUMAN
Lectures Athletic Woman Who Knocked Out Auto-crat of a Flat.

NEW YORK, March 26.—A defense of janitors on the ground that "even janitors are human" and an arraignment of women because they "do not comprehend anything" were the main features of a lecture given by Mrs. Langlotz today at the Harlem Court today after he had been told that Mrs. Madeline Langlotz, 22 years old, athletic and titian-haired, had knocked out both the janitor and his wife in the flat at 156 East Ninety-second street. After the lecture the magistrate discharged Mrs. Langlotz, who received an ovation from the wondering and admiring tenants, who had come from all parts of Harlem to see the woman who had whipped a janitor.

CRASHING BLOW FOR HERBERTS

Championship Aspirations of Promising Youngster End in the Third at Vallejo

TAKES A BAD BEATING

Hard Punch to the Jaw in Opening Round Turns Tide in Crockett Man's Favor

Special Dispatch to The Call.

VALLEJO, March 26.—The championship aspirations of Kid Krantz, the promising young welter, glimmered away in the third round tonight, as his second, Rufe Turner, threw up the sponge. George Herberts of Crockett was Krantz's opponent, and he turned the tide of victory in his favor by landing a hard right to the jaw as the men came out of a clinch in the first round.

The fight was full of action and ginger while it lasted, as both men kept coming all the time, each eager to put over the haymaker. As they were rushing it fast in the opening round Krantz clinched. As the men broke Herberts whipped his right over to the jaw hard. Krantz took the count and was nearly in, but he managed to stall the round out, though very weak.

Nothing daunted by this little upset, Krantz was there like a two-year-old when the bell changed for the second spasm. He rushed at Herberts and was going to catch the fight to his man. But the latter slammed in several hard rights and lefts and Krantz, weak from the wallop in the first round, went to the carpet again. Seven times this was repeated, and the finish was in sight.

When Krantz came up for the third round he looked like a dead one. Herberts quickly saw his man was through, and waded in to get him. He rained blow after blow to the face and body, and Krantz hit the mat four times. Finally, seeing his charge did not have a chance, Rufe Turner threw the sponge into the ring and referee Al Nell declared Herberts the winner.

The defeat of Krantz comes as a big surprise. He has been beating every man of his weight in the United States for some months and made a great hit with the San Francisco fans when he stowed Jim Hayward, the tough colored man, away at Colma some weeks ago. Krantz comes from New York originally, and many thought he would be in the championship class some day, but tonight's defeat stamps him a dead one.

In the first preliminary Jim Chase put Battling Robinson to dreamland in the third round. Kid Fitzgerald received a close Golden Sunrise from Joe Nunes in the second event, which went the limit of six rounds.

The fights drew out the largest house of the Eastern circuit here, many prominent sports from San Francisco being among those present.

BRIT WILL HELP AMATEURS

Plumber Boy Goes to Larkspur Today to Train With Youngsters.

That the national amateur boxing championship tournament to be held in Mechanics' Pavilion on the nights of April 4, 5 and 6 will be a success is evidenced by the sale of seats and the number of entries. Tickets were placed on sale at the Olympic Club yesterday, and nearly \$1000 worth were sold to members and outsiders. The list of entries now numbers 135. The club was crowded last night with young boxers who are anxious to get amateur cards.

Henry Pinck, the champion middle-weight of the United States, will defend his title and box under the colors of the Olympic Club. "Rough House" Billy McDonald will go in as a welter. He has given his amateur card by the P. A. A. last night.

DOUGHERTY BEATS MARTIN.
Fast Fight at Eureka Terminates in the Third Round.

EUREKA, March 26.—Jack Dougherty of Rohnerville easily demonstrated his superiority over George Martin of San Francisco in the third round of what was to be a ten-round go before the Eureka Athletic Club tonight. The fight, while it lasted, was the fastest ever witnessed here. Martin forced the going, but was clearly at a disadvantage, although he had his opponent distressed during the second round. In the third round Dougherty hammered Martin into submission. In the preliminary, Paddy Coyne of San Jose lost to Tom Roper of Fortuna. Coyne put up a game fight, but took the count on a knock-out, which gained his opponent a victory. Three thousand sports witnessed the exhibition.

FATAL FIGHT AT COLMA.
COSTS CARROLL HIS JOB

Constable Charged With Sanctioning the Coatest Removed From Office by Superior Judge.

REDWOOD CITY, March 26.—R. J. Carroll, constable of the first township of San Mateo County, was today removed from office by Superior Judge Buck. M. J. Hawes and M. F. Healy, Carroll's bondsmen, petitioned the Superior Court to be excused from his bond, and Carroll, having failed to furnish bondmen, their petition was granted and his office declared vacant. Carroll is the officer who is charged with having sanctioned the unlicensed prize fight at Colma some weeks ago which ended in the death of young Alexander Doven at the hands of "Chief" Johnson.

Dunlevy Goes to Oakland.

OAKLAND, March 26.—Big "Bill" Dunlevy, who has been holding out signs today as left fielder with the Oakland baseball team, was today removed from office by Superior Judge Bakersfield to practice with the team at once.

Cattle Shipping Regulations.
WASHINGTON, March 26.—The House Committee on Interstate and Foreign Commerce today authorized a favorable report on a bill relative to the length of time cattle in shipment may be retained in cars. The bill leaves the present limit of twenty-eight hours in force, but provides that in special instances the Secretary of Agriculture may extend or curtail this time to meet existing conditions and requirements. The bill also makes such other regulations as he may deem desirable in the matter.
