General Masonic Relief Bureau

Under and by virtue of the authority of the Hon. Motley H. Flint, M. W., Grand Master of Masons in California, a general Masonic board has been organized and perfected for the purpose of caring for and aiding all members of the craft requiring succor and help of any kind and which are at present in the city and county of San Francisco, irrespective of the location of their lodges. The general offices of the board are in King Solomon's Temple, 1745 Fillmore street, between Post and Sutter, which will be open daily. It is particularly desired that all members of the craft will attend and register their names and addresses whether they desire relief or not, and

that as many as can will volunteer to assist by accepting positions on sub-committees for the relief work to be accomplished.

The location of substations in different parts of the city, where food and clothing are to be distributed, will be announced tomorrow, April 26, 1906. Official command No. 1.
