

SOBRIETY WILL BE ENFORCED

Mayor Signs Edict Against Beer in Bottles.

Sale of Intoxicating Liquors Is Prohibited.

That enforced sobriety will be the rule until the city has returned to normal conditions was demonstrated by the issuance of the following proclamation by the Mayor:

FORT MASON, May 1.—To the General Public: The first day of the fire I issued an order that no intoxicating liquors should be sold or given away. It has been brought to my attention in the last few days that a number of breweries have been attempting to deliver bottled beer to their customers.

If this practice were allowed it would mean that bottled beer would be sold not only to the house customers, but also to others on the streets. Those interested in the manufacture and sale of intoxicating liquors are hereby notified that they must refrain from distributing intoxicating liquors of any kind either for sale or for free distribution until further notice.

E. E. SCHMITZ, Mayor of the City of San Francisco. In accordance with the foregoing the Mayor addressed the following communication to the respective commanders in chief of the Federal and State troops:

"It has been brought to my attention that certain breweries have started to distribute bottled beer. I hereby wish to notify you that I have issued an order that no intoxicating liquor be sold or given away until further notice. I would, therefore, request that you notify your district commanders to give their men special instructions relative to this matter, in order to prevent either the sale or the giving away of intoxicating liquors, this order to remain in force and effect until further notice."

"To permit a resumption of liquor selling at this time would be to undo much of the excellent work that has been done for the preservation of order," said the Mayor. "If intoxicating drinks were either to be purchased or obtained free, not only the people of this city might lose some of the placidity of mind that has sustained them through their terrible trial, but the soldiers and the firemen and others upon whom the very life of the city now depends would have temptation thrust in their way that might prove ruinous to us all. These are my reasons for insisting that San Francisco shall continue to be a 'dry town' for some time to come."

WORKS BOARD MOVES DEBRIS

The Board of Public Works yesterday had fifteen gangs of ten men each cleaning debris from the downtown streets. The wreckage was removed from the street to the sidewalk, allowing the resumption of traffic. It was announced last night that roadways had been cleared on the following streets: Howard, from Eighth to the water front; California, from Kearny to Market; First, from Mission to Howard; Bush, from Grant avenue to Kearny; Montgomery avenue, from Montgomery to Bay; Kearny, from Montgomery to Market; Sixth, from Market to Brannan; Fourth, from Market to Howard; Second, from Market to Townsend; Folsom, from Eighth to First, and several cross streets.

Lack of funds has compelled the street cleaning department to dispense a large number of men. The number of teams at work yesterday was 150. Besides performing regular work the department is removing garbage and transporting relief supplies. There are plenty of street sprinklers to operate in the dusty downtown districts, but no money with which to pay employees, so the work must be left undone for the present.

The bureau of chimney inspection has revoked twenty-five permits for fires indoors and will grant no more until allowed to do so by the Fire Department. Among the places affected by the withdrawal of permits were hospitals, bakeries and laundries. The scarcity of water is responsible for the stringent regulations. The Board of Works desires the privilege of granting permits for the rebuilding of chimneys so that not more than one inspection will be necessary.

COLLINS HAS OBJECTIONS TO MILITARY PRISON

Convicted Attorney Files a Protest With the Mayor Against Being Incarcerated at Alcatraz.

George D. Collins has sent from the Alcatraz prison to Mayor Schmitz a long letter of protest at his incarceration outside of the city and county of San Francisco. He declares that international law has been violated in sending him to a military prison, and at great length explains that, as he was extradited from Canada to this city, he is now illegally confined.

Collins claims also that at the time of his removal to Alcatraz he was in custody of the Superior Court of this city and county on a writ of habeas corpus previously served on the Sheriff, and as that writ is still pending it is a flagrant contempt to remove him from the jurisdiction of that court. Mayor Schmitz took no notice of the communication.

Santa Cruz

Through her Board of Trade begs to inform the public that she is virtually unimpaired, that her business continues as usual, that her hotels, lodging houses, summer cottages and tent city are all open for visitors.
