

THE GREAT EVENTS IN SOCIAL LIFE OF THE CITY.

Rush of Busy Cupid Is Showing No Abatement. Homes Are Rehabilitated While Owners Are Away.

The spirit of social endeavor is persevering these days, but with indifferent result, many being away at this time of year and those remaining having their time otherwise fully occupied.

The rehabilitation of homes is being earnestly and pleasantly pursued, and the early fall months, with the gathering in of wanderers, will doubtless see these same homes filled with rejuvenated minds and hearts.

In face of all, weddings continue and announcements are made daily of others to follow.

Engagements.

Mr. and Mrs. Alfred Auerbach announce the engagement of their daughter, Annette, to Mendel Schloss, son of Mr. and Mrs. Benjamin Schloss. A reception was held at 107 Lyon street yesterday.

Weddings.

Miss Agnes Bronson, daughter of Dr. and Mrs. C. W. Bronson, residing at 1235 Park avenue, Alameda, was married last Tuesday evening to Chester Sephton, the Rev. W. N. Martin officiating. The wedding was unannounced, and after informing their families Mr. and Mrs. Sephton departed on their honeymoon.

Mr. and Mrs. Charles S. Harris announce that the marriage of their daughter, Frankie, to David Monasch will take place tomorrow at 1 o'clock. The ceremony will be performed in the Geary-street Temple.

The wedding of Miss Olga Zeller and Herbert Norman took place quietly on May 8, the Rev. C. Calvert Smoot of the Second Presbyterian Church officiating. Only the immediate relatives were present. Mr. and Mrs. Norman left immediately after the ceremony for the Hotel Blithedale, Mill Valley.

The original wedding trip was planned for Alaska, but that has been deferred. The bride is a graduate of Miss Head's school, and the groom is in the hardware business in this city.

Upon returning to town Mr. and Mrs. Norman will reside temporarily at 4332 Nineteenth street.

Personal.

Mrs. Mary H. Smyth, Mr. and Mrs. I. R. D. Grubb, D. Hansen Grubb and E. Hunn will leave today for Deer Park Inn.

Henry Auerbach has recently arrived from Honolulu and is the guest of his parents at Sacramento and Webster streets.

Mr. and Mrs. Jacob Meyers announce the betrothal of their son, Abraham, in the Bush-street Temple, Saturday morning, June 3.

Mr. and Mrs. P. S. Miguel announce the confirmation of their daughter, Irene, in the Geary-street Temple, Wednesday, May 30.

AMERICANS MUST RESPECT ORIENT

Supercilious Air Toward Asiatics Is Very Ill-Advised.

Dr. Smith, the Missionary, Advances His Ideas in Sermon.

Dr. Arthur Smith, author of "Chinese Characteristics," "Village Life in China," "China in Convulsion" and other works, has served as a missionary in Shantung, China, under the American Board for thirty-four years, addressed a large congregation at Plymouth Congregational Church, Post street near Webster, yesterday morning.

Dr. Smith said: "The provincialism of our American people in the treatment of other people and our feeling of superiority units us for our duties as a Christian nation. Our supercilious way of treating foreigners, especially in the Orient, makes enemies for us."

Any one would suppose we had been made a big committee and found the material and made the country—the mountains and rivers—all ours. This is the way in our sub-conscious style of talking we forget that other people have a part in the world.

Since 1892 we have come out as a world power, with world responsibilities which we must live up to. It is essential that we keep to the path of righteousness—anything that falls short of that will react and do us injury.

The Orientals have their power to play in the world and we have to allow for it. The Chinese are the largest, oldest and most homogeneous people in the world. Their ideas and ideals are the same for all classes—workman and official. China is undergoing a transition which is greater and more rapid than that in any other country in the world.

Since the victory of Japan over Russia there is a feeling more pronounced than ever before of Asia for the Asiatics. We Americans have to reckon with that feeling. We cannot go on treating the Chinese as we have, and so one would for a moment think of treating the Japanese as we have seen in the habit of treating the Chinese.

It is according to the genius of our institutions that all men are equal and must be treated alike. We cannot go on treating the peoples on the Atlantic side one way and those on the Pacific in another. Least of all can we make a distinction in our treatment of the Japanese and Chinese. They must be treated alike.

We have been consulting our prejudices and pride long enough, but we cannot do it any more. It is most important that the people in California, and especially San Francisco should recognize their duty and responsibility to the Orient. If they do they will be the first to suffer.

For 50 Years

And over, Schlitz beer has been famous because of its purity. When it was brewed in a hut it was brewed by a master, aiming at new ideals. Now our output exceeds a million barrels annually. Our agencies dot the whole earth. Yet we still double the necessary cost of our brewing, to make certain that the product is pure.

Common beer, usually, costs you just as much as Schlitz.

Ask for the Brewery Bottling. Common beer is sometimes substituted for Schlitz. To avoid being imposed upon, see that the cork or crown is branded

Schlitz The Beer That Made Milwaukee Famous.
