

HURT IN RUNWAY ON STEEP GRADE.

Two of a Camping Party Seriously Injured on Susanville Mountains WOMAN A HEROINE

SPECIAL DISPATCH TO THE CALL. SUSANVILLE, Aug. 8.—A serious accident occurred on Antelope grade, about four miles north of this place, Monday morning, while a camping party, consisting of H. D. Burroughs, a well-known capitalist and attorney, his wife and baby girl, four years old; Professor G. C. Burton of the Lassen High School and wife of this place and Miss Edith Gustav of San Francisco, were en route for Eagle Lake. The party stopped at a spring about half way up the grade. One of the horses rubbed the handle off and the team bolted up the grade. Burroughs was knocked down and run over. His leg was broken and he was injured internally. Mrs. Burton was thrown from the rig and seriously injured, receiving several severe gashes on the scalp. Burton was standing some distance from the road. This left the team free to run, with Mrs. Burroughs, her baby and Miss Gustav occupying the back seat of the vehicle. Mrs. Burroughs showed her courage by climbing over the seat to the front of the wagon, reaching over the dashboard and taking the lines and whip and keeping the team on the grade for more than half a mile. She then guided the horses onto the hill and stopped them long enough for all to get out of the wagon. The team turned down the grade, and then swept over the bank and fell into the canyon 100 feet below. Both horses were killed by the fall. It is thought that Burroughs and Mrs. Burton will both recover.

CLIMB TO SUMMIT OF MT. BAKER.

BELLINGHAM, Aug. 8.—At 1 p. m. yesterday six members of the Mazamas party stood on the summit of Mount Baker after a perilous ascent. Starting at 5:30 a. m. from their temporary camp, they made the climb to the point where the iron box had been deposited on the previous attempt. Making use of ropes which had been placed over a crevasse just before the party was forced to retreat the day before by the approach of night, and tunneling in places through ice and snow, they succeeded in getting around what seemed impassable barriers and reaching the top. According to the special received late this afternoon by the Herald, a new fissure of considerable size was discovered, and steam rose from hundreds of small cracks near the crater. From many of these cracks streams of boiling water bubbled.

MRS. MAUDE GONNE McBRIDE GIVEN LEGAL SEPARATION

"Irish Joan of Arc" No Longer Recognizes Major as Her Lord and Master. PARIS, Aug. 8.—The Civil Tribunal of the Seine confirmed today its decree granting Mrs. Maude Gonne McBride, known as the Irish Joan of Arc, a judicial separation from her husband, Major McBride, but the tribunal refused to grant her Irish nationality on the ground of her Irish nationality. Mrs. McBride was awarded the custody of her child. The major's cross bill was overruled. Major McBride served in the Irish brigade of the Boer army during the South African War.

Bankers Offer \$100 Reward.

NAPA, Aug. 8.—Sheriff Dunlap and posse are in pursuit of Angelo Berchiasore, who escaped from Under Sheriff Daly yesterday afternoon. The California Bankers' Association has offered a reward of \$100 for Berchiasore's arrest.

LOSERS HIT.—Theodore Sauer, a paper-hanger, living at 649 Birch avenue, reported to the police yesterday that his kit of tools was stolen from his home on Tuesday night.

Do Not Wait for Decision on New Title Law.

THAT there will be a delay of a number of weeks in the Supreme Court decision on the validity of the Garret McEmery title act is the opinion of a majority of the lawyers of San Francisco. Not only does this delay fall to act as a bar to the filing of suits for the restoration of titles, but it makes it all the more urgent that owners of property should protect their interests immediately. The Call has pointed out the oppor-

Lichtenstein Office Building Will Be Model Structure of Its Kind.

ANOTHER INSTANCE OF THE TEND TO RESTORE QUICKLY THE DOWNTOWN DISTRICT OF THE CITY IS DEMONSTRATED IN THE REINFORCED CONCRETE OFFICE BUILDING, WHICH IS NOW BEING ERECTED BY HENRY AND SOL LICHTENSTEIN AT THE CORNER OF MARKET AND DAVIS STREETS.

SEEK SWELL TRADE FOR VAN NESS.

A movement to park Van Ness avenue, sides and center, and to establish on that boulevard a lighting system superior to any this city has yet seen was instituted at a meeting of the Van Ness Improvement Club, held last evening at the White House. Another important action taken by the club was to announce that, even were it not for the fact that Van Ness avenue was a boulevard, no car line on the street was desired and the determination to contest any effort to secure a franchise on the street was reiterated. It was upon motion of Dr. Albert Abrams that a committee of six was appointed to confer with property owners and all persons interested in business along Van Ness avenue, looking to organization to effect the purposes of the club. Those appointed on the committee were: Dr. Abrams, Henry Kahn, Herbert E. Law, Ignatz Steinhart, Dr. A. V. Voorhies and Attorney Curtis Hillier, chairman of the Van Ness Improvement Club. After the conference a general meeting of all interested will be called to take some concrete action. As expressed by Dr. Abrams, the purpose of the club is to make Van Ness avenue the permanent retail street of the city. He pointed out that the location within the burned district makes it a beautiful thoroughfare and said that, if it were so developed, even in a few years those now doing business there chose to return to their old locations within the burned district others would take their place and Van Ness avenue's future as a leading retail street would be insured for all time. J. B. Reinstein deprecated the fact that the attitude of the Van Ness property owners, who refused in a majority of instances to give leases longer than for two years, was causing the merchants to turn their eyes toward their old locations. Reinstein informed the meeting that the Mayor had expressed his intention to use his influence to have the city supply electric current at an estimated cost of \$1500 a month if the gas and electric company would make the installation of wires and the property owners put up decorative poles that would be an ornament to the street. The light company, said Reinstein, had agreed to make the necessary installations at a cost of \$30,000, and suggested that the property owners be called upon to erect the poles at a cost of \$15,000. This question will be held before them at the meeting to be called in a week or so, and it is quite probable that action will then be taken to insure the permanent improvement of Van Ness avenue.

Three Killed by Cloudburst.

EL PASO, Texas, Aug. 8.—Word was received here today that a cloudburst and flood at Durango, Mexico, yesterday caused the death of three persons. Water was six feet deep in the streets of the town and many houses were badly damaged.

These agents have leased for Mrs. Frank Norris, the northwest corner of Sacramento and Broderick streets for ten years at a total rental of \$22,500, to a client of the office. Mrs. Norris intends raising the flats now on this property and putting in stores.

For Luke McDonald this firm has leased the property 42x100 on the east line of Polk street, between Washington and Clay, for five years on private terms.

REALETY MARKET BRISK.

For Joseph E. and Ferdinand Sand to Frederick W. Doble, the northeast corner of Clay and Polk streets, 80x50, for three years at a total rental of \$490.

For Giovanni Podesta this firm has leased to the Misses Mulrone the property on the north line of Sacramento street, between Polk and Van Ness avenue, 46-58x50, for five years on private terms.

They have also leased for the Long Brothers the two stores in the building now in course of construction on the northeast corner of Clay and Davis streets, the corner being rented to M. H. Bishop for five years at a total rental of \$9000. The other store was leased for five years for a total rental of \$4500.

For Ella B. Beadle to Matland Kline, the lot on the west line of Twelfth street, between Mission and Market, for three years at a total rental of \$1800.

These agents find that there is a big demand for downtown locations and that buildings that are being erected are being readily rented. They are in course of consummating a number of leases on large downtown holdings.

Messrs. A. J. Rich & Co., who are now located at 32 Kearny street, in the burned district, report a land office business in leasing downtown properties, and also in sales. They have just

Cardinal Rampolla Sinking. ROME, Aug. 8.—It is reported that the health of Cardinal Rampolla, who was papal secretary of state, has broken down and that there is little hope of his recovery. Theodore Roustan Dead. PARIS, Aug. 8.—Theodore Roustan, former French Minister at Washington, died today. concluded a twenty-year lease made by them to E. Rochat through Alexander Heynemann, attorney for R. T. Chandler, for \$408,500. The property is bounded by East, Washington, Drumm and Oregon streets. This plot of land covers 40,000 square feet. The lessee will either construct buildings for tenants or sublease to those desirous of building for themselves. The property is all cleared and ready for structures at the present moment. The Riato building is to undergo restoration, Mrs. Herman Oelrichs having negotiated through her agents, Thomas Magee & Sons, with Bliss & Pavle, the architects, and Mahoney Brothers, contractors, to do the work for \$350,000.

Reinforced Concrete the Material to Be Employed.

HARRY & SOL LICHTENSTEIN are erecting a two-story and basement reinforced concrete office building, to contain twenty-eight stores and seventy offices, on the northeast corner of Market and Davis streets. The size of the lot is 225 feet 10 1/2 inches on Market street, 259 feet 3 inches on Davis street and 183 feet 4 inches on California street. The building will be of the latest type of office building, with the most modern conveniences and promises to be a credit to the downtown district. It is estimated that the structure will cost \$100,000. Charles J. Rousseau of 820 Stanyan street is the architect and Thomas Magee & Sons are the agents. Harrigan, Weidenmuller & Rosenstrin announce another large week's business in which were consummated two fifty-year leases. They have leased the southwest corner of Montgomery and Sacramento streets, 42x100, to William B. Mosser, the architect, and R. V. Kazian for a term of fifty years at the total rent of \$500,000. There will be erected upon this site an eight-story class A building, to be arranged for offices, with stores below. For the John Rosenfeld's Sons the northwest corner of Polk and Austin streets has been leased for a term of fifty years to a client of the office at a total rental of \$125,000. There will be erected upon this site a physicians' building, with stores on the ground floor. For the John Rosenfeld's Sons the southeast corner of Fifth and Folsom streets, 25x15, has been leased to the Western Investment Company for five years at the total rental of \$8500, upon which will be erected stores and a lodging-house. MAKE MANY GOOD LEASES. For R. V. Kazian the store on the northwest corner of Montgomery and Summer streets has been leased to Ehrman Bros. & Co., wholesale cigar dealers, for five years at a total rental of \$23,000. For R. V. Kazian, the store on the west line of Montgomery street, 75 feet south of California street, has been leased to the Toggery for five years at a total rental of \$1500. The same firm has leased to Jesse Neubauer, for Dr. Julius Rosenstrin, the building erected for Henry P. Sonntag by the Gilbreth Company, a three-story and basement structure, on the northwest corner of Sansome and Jackson streets, for five years at a total rental of \$14,000. For the Henry P. Sonntag to Myer Friedman, the building now in course of construction on the northwest corner of Front and Oregon streets, with three stories and basement, with elevator, for ten years at the total rental of \$32,000. For the Josselyn estate to a client of the office, the property on the west line of Montgomery street between Sacramento and Clay streets, 21x50, upon which is being erected a two-story office building. For Theodore F. and Warren R. Payne to N. A. Dorn, the lot on the northwest corner of Washington and Front streets, 92-6x137-8, for a term of three years on private terms. These agents have leased for Mrs. Frank Norris, the northwest corner of Sacramento and Broderick streets for ten years at a total rental of \$22,500, to a client of the office. Mrs. Norris intends raising the flats now on this property and putting in stores. They have leased for Lippman Sachs et al. and the Union Trust Company of San Francisco, the lot on the west line of Montgomery street, 84-4x60, between Sutter and Bush streets, for three years at a total rental of \$14,000. For Luke McDonald this firm has leased the property 42x100 on the east line of Polk street, between Washington and Clay, for five years on private terms. For Thomas McDonald they have leased the lot on the west line of Drumm street, 32x175, between Washington and Clay, and to Jacobs & Malcolm, wholesale commission merchants, for five years at a total rental of \$5000. REALTY MARKET BRISK. For Joseph E. and Ferdinand Sand to Frederick W. Doble, the northeast corner of Clay and Polk streets, 80x50, for three years at a total rental of \$490. YOUTH IN A MIXUP WITH MOTORMAN.

Several hundred persons who were bound ferryward on Sutter-street cars early last evening were forced to miss their boats while a motorman and a youth settled a dispute with their fists. The trouble occurred at Sutter and Fillmore streets and was witnessed by a large crowd, some members of which encouraged the combatants. Many women who were on the scene appeared to enjoy the battle as much as ardent "fans" and some of them who failed to get in front climbed onto a pile of cobblestones and witnessed the battle from that elevated place. The trouble occurred because the youth did not drive his team along the track fast enough to suit the motorman. Sutter street at this point is much torn up, making teaming difficult. The motorman left his car endeavoring to clear the track, no matter where he landed the horse and wagon. The youth resented this and there was a clash immediately. The battle continued until a peaceful patrolman appeared on the scene and finally told the combatants to desist their violent excesses. The horse was led from the track by the policeman, and the motorman, with discolored eyes, mounted his car and propelled it ferryward. The inconsistent passengers, though delayed on their trip to the boats, cheered the youth, who had succeeded in scoring the honors in the mix-up.

SALARY REDUCTION FOR TEACHERS.

As a result of the reduction of the appropriation to the School Department salaries of the high school principals, heads of departments and teachers will be reduced 15 per cent. In addition to this no salaries will be paid the teachers during two months of the summer vacation. The primary and grammar school teachers, who receive less salary than the high school instructors, will also be deprived of two months' pay during the summer. In this way the School Department hopes to keep within its appropriation. The board has decided to open the following evening schools: Commercial, in the Mission High School, at Eighteenth and Dolores streets; Hamilton Evening School, at Geary, near Steiner; Heart Evening School, Fillmore and Hermann streets; Horace Mann, Valencia street, near Twenty-second; Humboldt Evening High School, in the Mission High School; Lincoln, in the Irving M. Scott School, at Twenty-second and Tennessee streets; Richmond, at First and Point Lobos avenues; Washington, in the Sherman School, on Union street, between Franklin and Gough streets.

TEN CROPS WORTH THREE BILLION.

SPECIAL DISPATCH TO THE CALL. NEW YORK, Aug. 8.—On August 10 the Government's report will cover ten crops, whose combined farm value last year was \$2,698,804,290, or about ten times the average amount of the revenue of the United States Government. The ten crops corn is the most important, which ranks second, hay third, oats fourth and potatoes fifth. At prevailing prices and present prospects the total value of these ten crops may reasonably be expected to reach \$2,000,000,000 this year, adding that amount to the wealth of the country and increasing the purchasing power of agriculture alone by the greater part of this enormous total within the next few months. These crops do not include cotton, which adds from five to six million more.

SOLANO THE SCENE OF STATE FIGHT.

Pardee and Gillett in a Bitter Contest for Control in Vallejo FORCES LINED UP

SPECIAL DISPATCH TO THE CALL. VALLEJO, Aug. 8.—The long expected battle between the forces of Congressman Gillett and Governor Pardee has begun and Vallejo is witnessing some of the most strenuous political manipulating that it has seen in its long and varied career of bitter factional fighting. Both sides have named lists of delegates to be voted on at the primary next Tuesday, and both sides have mixed the county fight up in the State contest. The Pardee forces are led by Assemblyman F. R. Devlin, Editor W. D. Pennycook of the Vallejo Evening Chronicle, W. R. Acock, K. Casper of the Vallejo Electric Lighting and Power Company, Attorney Joseph R. Raines and Dr. E. J. Kioer. The Gillett forces are under the leadership of Editor H. P. Stahl of the News, ex-Mayor James Roney, Past Presidents L. B. Leavitt and J. B. Dale of the Vallejo Trades and Labor Council, and Dr. J. F. Chappell, chairman of the Republican county central committee. Ex-Sheriff George Savage, who was made superintendent of streets by ex-Mayor Roney, desires the Republican nomination for Sheriff. The Gillett forces are supporting W. T. Stanford, chief of police of this city, against Savage. PARDEE WINS SAN LUIS. Porter's Friends Fail in Attempt to Bottle-Up the Delegation. SAN LUIS OBISPO, Aug. 8.—The activity of State Surveyor Victor H. Woods, Assemblyman Warren M. John and Assembly Clerk R. L. Dempsey has assured Governor George Pardee of the Republican support of this county in the State convention. At the meeting of the Republican county central committee this evening an effort to have the delegates appointed by the committee and instructed to vote for Warren Roney was voted down mainly through their objection, and it was decided to have the county convention name the delegates. There is no doubt this insures the county for Pardee. The convention will be held at El Pismo August 24. The following were appointed delegates to the Congressional convention: George K. Truesdale, L. V. Thordick, J. E. Lewis, Roberto Righte, Easton Mills, Warren M. John, L. F. Schaefer, F. V. Vetteline and John Wilcher. CONTRIBUTIONS ARE SLOW. Evangelist to Solicit Funds for Bryan Reception Project. NEW YORK, Aug. 8.—Although several hundred \$1 contributions have been made to the Bryan reception fund, the money is not coming in rapidly enough to suit the members of the national committee and it has been decided to take immediate and aggressive steps to swell the fund. Hotel proprietors, who are expected to benefit largely from the influx of visitors during the latter part of the month, will be asked to contribute. Colonel Alexander Troup, of Connecticut, treasurer of the fund, announced today that he had requested John C. Collins, an evangelist, Easton Mills, Warren M. John, L. F. Schaefer, F. V. Vetteline and John Wilcher, to solicit subscriptions. WILL LAUNCH CANNON'S BOOM. Senator Cullom Will Try to Have Illinois Lead Off. CHICAGO, Aug. 8.—The influence of Senator Cullom in the Republican State Convention at Springfield on August 21 will be exerted in favor of a resolution that will formally start down Cannon's boom for the nomination as President in 1908. "I am with Joe Cannon for President," said Senator Cullom. "I am with him in spirit and I am satisfied that if he will not let them put through a resolution at the State Convention that will endorse him for the nomination."

APP MINE IS SOLD FOR A MILLION.

Nevills Parts With His Rich Gold Producer to English Combine TO BE DEVELOPED

SPECIAL DISPATCH TO THE CALL. STOCKTON, Aug. 8.—A telephone message was received in Stockton from Sonora this afternoon to the effect that the famous App gold mine had been sold for \$1,000,000. A syndicate of English capitalists is the purchaser. Captain J. W. Nevills, the millionaire miner and capitalist, was the former owner. It is said that the syndicate will proceed at once to install new and extensive machinery, many improvements will be made and the mine developed to the utmost in the near future. The deal is one of much importance to Tuolumne County, as it is expected that it will do much to make things hum in the mining district. The App mine is located near Jamestown and is one of the most famous producers in the country. Californians in New York. TOTAL INDULGENCE OFFERED BY POPE.

Pontiff Offers Indulgences to Those Who Give Up Drinking Habit LETTER TO UNION

PROVIDENCE, R. I., Aug. 8.—The national convention of the Catholic Abstinence Union of America began today when a majority of the 600 delegates assembled in Music Hall for the formal opening of the exercises. The delegates represent a membership of about 100,000 in the United States and they are headed by Bishop J. F. R. Canavin of Pittsburgh, Pa., as president. A letter received from the Vatican was read by Bishop Canavin. The Pope expressed the hope that all members of the Catholic church would become total abstainers and as an encouragement granted several indulgences. The letter said in part: "We desire to encourage the efforts of the union by a tender of spiritual gifts, and for this reason we confirm privileges accorded the union by Leo XIII of happy memory and grant especially those which follow: A plenary indulgence of the usual conditions to each member on the anniversary of his admission; furthermore, those who join the union in the future may gain the same grace on the day of their admission. To all present and future members we grant a plenary indulgence at the hour of death, provided they have confessed and received the holy Eucharist, or if this were impossible, provided they invoke the name of Jesus. A plenary indulgence likewise on the principal feast day of the union, to all present and future members, provided they observe the due conditions. An indulgence of seven years and seven times forty days to present and future members on five days in the year, provided each one visits his parish church and prays for the intention of the sovereign pontiff. "We permit all these indulgences to be applied as suffrages to the souls in purgatory. It is our hope that by conferring such abundant favors, not only bishops, priests and men of religious orders, but also the rest of the faithful may resolve to bear witness in their regard for the union and become members of it."
