SALOON MAN PUTS THUG TO FLIGHT.

Continued From Page 1, Column 6.

SUSPECTS ANSWER DESCRIPTION.

The two men were bundled out of bed and ordered to dress. As soon as they had on their street clothes it was apparent that both of the men answered in almost every particular the description of the bank robbers which has been sent forth by Chief of Police Dinan.

MOTHER'S DAMAGING EVIDENCE.

The mother of Herbert gives more damaging testimony against her son than any one. She admits that he does not work; that he is a morphine fiend; that he always has money, and that she acted as lookout to warn her son of the presence of the police.

The place where the men were arrested is but two blocks from the scene of the Pitzer robbery. Policemen Jordan five weeks ago reported to police headquarters that he had seen two messenger boys loitering around Pitzer's place, and he believed at that time that the youths had a hand in killing the defenseless merchant.

My son of late has been going out only at night. His stepfather, myself, Meranda and he all occupy one room. There is but one bed there. Of late my son has not been working, but has always had plenty of money. In the daytime he and Meranda always had their morphine and tobacco for them. I do not know where they got their money.

BOTH CANDIDATES MAKE SPEECHES.

Gillett and Langdon Meet at San Bernardino, and Latter Receives Frost ADDRESS BY KNIGHT

By Martin Madsen.

SAN BERNARDINO, Oct. 12.—Gillett and Langdon were within three blocks of each other when the test came tonight and while two thousand Republicans were shouting themselves hoarse at the Broadway Theater, the Independence League fell to a dreary monotony of despair at the pavilion.

Everybody is sorry for Langdon, for would not almost any candidate lose heart when only one hundred and fifty or so would come to hear him in one of the great cities of the southland?

The Republicans have a decided upper hand in San Bernardino and the majority Gillett will receive in the county is estimated at twelve hundred. There was no end of cheering for Gillett and Knight when they addressed the meeting tonight and every demonstration was made of the popularity of Gillett's candidacy.

Langdon and Gillett were guests at the same hotel and met for the first time in the dining-room. Langdon planned a coup to begin the noise first. Gillett and his friends quietly looked on from the lobby until the Langdonites had overdone the situation and had driven away.

But no empty hall greeted the Republican standard bearer when he stroled over to the theater shortly after 8 o'clock. A wave of applause, full of enthusiasm and spirit, swept over the audience as he took his seat on the stage. He told the assemblage that no one had "any strings" on him, that he had not made a single promise of any sort in connection with his candidacy. He spoke of the labor question and made answer and gave challenge to those who are secretly circulating the report, he said, among the labor unions that he is to be regarded by them as an enemy.

Knight followed the standard bearer with one of his old-time speeches and the crowd was thrilled by voice and wit.

Gillett was nominated in spite of William E. Herrin, if you want to know the facts of the case," he said. "If George C. Pardee will deny that he went to Herrin and had an interview with him about the nomination I will make it a question of veracity between myself and the Governor.

By Quick Display of Gun G. P. Miller Routs Man Who Draws a Bludgeon THEN GIVES CHASE

Confronted by a revolver in the hands of his intended victim, a thug who made a daring attempt to rob a saloon at the corner of First avenue and C street yesterday morning was put to flight and escaped after an exciting chase.

George P. Miller, who lives at Fourth avenue and B street, was behind the bar of the saloon when a tall man entered and begged a drink. He complained of feeling unwell and when Miller consented to give him the drink he asked for a special brand of whiskey kept on a shelf on the back bar.

Miller turned around and was reaching for the whiskey when he happened to cast a glance over his shoulder. He detected the stranger in the act of drawing a weapon from under his coat and realized that he would have to act quickly if he was to escape attack.

"I've forgotten that I have some of this whiskey opened under the bar," he said, passing down as though to reach it. When he came abreast of the cash register he snatched up a revolver secreted behind it and wheeled quickly. "If you move I'll shoot," he said to the stranger. The man protested that and when commanded to throw back his coat he did so without displaying any weapon. He kept backing toward the door and in a moment was running swiftly down the street, with Miller at his heels. He disappeared around the corner of Second avenue, where the bartender lost track of him.

When Miller returned to the saloon he found the stock of a riding whip, loaded with lead to add to its effectiveness as an implement of attack, in the sawdust in front of the counter. The sawdust had deadened the noise of this bludgeon when the man dropped it from his coat, and Miller in the excitement of the moment had overlooked it.

Miller described the man as being fully six feet in height, with a heavy black mustache. He wore dark clothes, a black alpaca hat, a blue flannel shirt and ragged shoes.

NINE CROOKS ARRESTED.

One of the Criminals Judge Mogan Released is Among Them.

Nicholas Stafford, one of the notorious crooks that Police Judge Mogan released the other day, was arrested in company with eight hands looking for a refuge in a refuge camp at the foot of Van Ness avenue last night. The round-up was made by Detectives Ewalt and Nelson at the request of Captain Duke. The police have been on the lookout for Stafford since his release. They evidently do not think much of Mogan's judgment in turning him loose.

All the men arrested are well known to the police. Some of them are convicts, while the others have been under arrest for various offenses.

Get What You Ask For!

HERE is a Reason—Why the Good People of America buy Cascarets as Fast as the Clock Ticks.

Every second some one, somewhere, is buying a little Ten-Cent Box of Cascarets.

1, 2, 3, 4, 5, 6—60 times to the Minute, 60 Minutes to the Hour, 3600 Boxes an Hour, 36,000 Boxes a Day of Ten Hours, 1,080,000 Boxes a Month, and then some.

Think of it—220,000 People take a Cascaret tablet each day. Millions use Cascarets when necessary.

The Judgment of Millions of Bright Americans is Infallible. They have been Buying and Taking Cascarets at that rate for over Six years.

There is also a Reason—Why there are Parasites who attach themselves to the Healthy Body of Cascaret's success—Imitators, Counterfeiters, Substitutes.

They are Trade Thieves who would rob Cascarets of the "Good Will" of the people, and sneak unearned profits, earned and paid for by Cascarets.

A Dishonest Purpose means a Dishonest Product and a Disregard of the Purchaser's Health or Welfare.

Beware of the Slick Salesman and his ancient "Just as Good" story that common sense refutes.

Cascarets are made only by the Sterling Remedy Company, and the famous little Ten Cent "Vest Pocket" box is here shown. They are never sold in bulk.

Every tablet marked "OCC."

Be sure you get the genuine.

It is not an Experiment, not an Accident or Incident, but a sound, Honest Business, based on Time-Tried-and-Tested Merit, never found wanting.

There is a Reason.

Cascarets are the implacable foe of All Disease Germs; the incomparable cleanser, purifier and strengthener of the entire Digestive Canal.

They Act like Exercise on the Bowels, Muscles, make them strong and active—able to Help Themselves do their work—keep themselves clean.

Cascarets are the safe-guard of Innocent Childhood against the Dreadful Death-dealing Dangers that threaten the Lives of the Little Ones.

They are Purely Vegetable, absolutely Harmless, always Reliable and Efficient,

and some of his closest friends and their wives. These have already been invited and have signified their intention of being present.
