

SAN JOSE RIDERS CAPTURE CUP IN ROLLER RACE

The fast riders of the Garden City Wheelmen of San Jose carried off the honors and incidentally the handsome cup offered at the roller races last night in Lyric Hall...

The races were divided into six heats. Two men constituted a team. The time of the riders was summed up and the team making the best time was awarded the cup...

TARS ON WARSHIP TRACK OFFICER

tion of the petty officers increased until three-fourths of the men were on the verge of desertion.

When Burke had his hand-to-hand scuffle with Douglas today, only McCool was of all the ship's company who went to the assistance of the master at arms.

"How do you feel today, Jim?" he was asked.

"Much better," he replied. "My temperature yesterday was 102 degrees. Today it is only 100 degrees. The satisfaction of seeing that fellow brought down here with a bullet in him broke the fever."

"Because of the excitement following the shooting and the feeling of resentment displayed by many of the men, shore leave from the Tennessee has been suspended temporarily."

One description of the fight was that Burke, with two other men, was being put into the ship's brig, or, because of some infraction of discipline, when Burke drew a revolver from the bosom of his shirt and commenced firing. Douglas was wounded twice. No one else was wounded.

Later he admitted that McCool was wounded, but denied in emphatic terms that Burke or any other person was hurt.

WARRIORS ORDERED TO SALVAGE

VALLEJO, Feb. 6.—The gunboat Yorktown, which has been awaiting repairs at the Mare Island Navy Yard, received rush orders today from Washington to proceed at once to Saldador, where it is feared that there will be an uprising.

The revenue cutter McCulloch, which was in drydock at the navy yard, was taken out tonight to give chase to the Yorktown, which will be recaptured for the voyage.

SAN DIEGO, Feb. 6.—Admiral Swinhorn and the Pacific squadron arrived from Magdalena Bay today. Last evening at 10 o'clock the Chicago received orders about 150 miles south of here to turn back to Central America, where trouble threatens between some of the republics and may endanger some American interests.

The Princeton continued on her way to Mare Island for repairs. The Charleston, Boston and the others will remain here about three weeks and later will be joined by the Yorktown.

ONE BEARS YOUTH WHO TOOK JAIL CELL

Edward Marron, a blacksmith, who loved Miss Lily Haverty, candy girl, to the extent of giving her jewelry, seems to have been affected with the Indian-giver, which has developed with symptoms exceedingly distressful to the 17-year-old purveyor of chocolate creams.

"I first saw Thaw's face," he said, "and my whole attention was absorbed by it. It was imprinted on my memory and remains there still."

"Describe the appearance of his face."

"His face was very pale, his eyes gave one the impression of bulging. His mouth was set."

"Judging from what you saw of his appearance and his acts, was he in your opinion, rational or irrational?"

"Irrational."

At 4:30 p. m. the Thaw trial was adjourned until tomorrow morning. Either the wife or the candy girl Thaw will be the first witness tomorrow.

MAY MCKENZIE'S CAREER

Husband a Meat Wagon Driver in Kansas City

KANSAS CITY, Mo., Feb. 6.—Charles W. Haynes was once the husband of May McKenzie, one of the star witnesses of the Thaw trial.

"I married May in 1888," Haynes recalled. "Miss McKenzie lived in Maryville, Mo. She was the daughter of a farmer. I met May in July, 1886. She was just 16 years old then, and I never had seen a more beautiful girl. The day after I met her I proposed, but her folks objected to our wedding. We determined to elope. On the night of July 7, just four days after our introduction, I took her to Atchison, Kan., where we were married. We remained there several weeks and then returned to Kansas City.

Corbett-Herman Fight Will Stage the Event Two Days Later

By R. A. Smyth

The Reno promoters who will handle the fight between Young Corbett and Kid Herman are quick to deny that they have any intention of running the position to the championship meeting at Tonopah on St. Patrick's day between Joe Gans and Jimmy Britt.

Corbett is in deadly earnest about his fight and will start training at once at Golden Gate, preparatory to the work he will do with Gans when the latter settles down to prepare for his go before Mike Riley's club, Harry Pollok, who represents Corbett, sent the following wire last night:

The Call, San Francisco: It is not intended to have the Corbett-Herman fight in Reno on St. Patrick's day. The fight will be held two days later, March 20, at the Garden City boys proved a surprise, as either the Oakland or the New Century Club was supposed to have the winning combination.

Manager Riley, according to the latest available advice, is likely to drop in here during the next twenty-four hours. He is reported to have left Seattle en route to this city last Sunday. It is possible he remained over in Portland in a short time, so he should be here at any hour now. The repeated postponement of his visit has made it an event of unusual interest to the men interested in the boxing game. Before he leaves for the Nevada mining camp he will complete all the details for his big match. From what he has said it is evident he will carry through the fight single handed if necessary, but it is doubtful if he will promote the carnival which he had planned some time ago.

The next big fight here probably will be presented in a pavilion suitable for such an event. Eddie Graney is endeavoring to get control of Dreamland Pavilion, with the intention of remodeling it for fight purposes.

Mario Bollo, the president of the California Club, is in a quandary regarding his star bout for next week. He planned to put on Tim Callaghan and Young Choyanski, but a cry went up that both men had taken part in fights which had gone more than four rounds. Bollo said he was doing only what rival promoters had done and that he was trying to compete with them. The boxers have posted forfeits, and from present appearances the match will be allowed to go on. At the end of next month the Supervisors must adopt new rules governing the four-round game, and this question will then be settled definitely.

When Bill Squires steps off the Antralla steamer early in March he will find many heavyweights ready to try his game. It is expected the promoters also will be eager to sign him with some man other than Jeffries, in order to decide his caliber. It is a matter of surprise that he did not get on a match with Jack Johnson upon the arrival of the latter in the Antipodes. It is presumed that Squires wanted to have a chance at one of the big purses which he has been led to believe are to be had for the asking here.

Morris Levy received a telegram from Brooklyn Tommy Sullivan yesterday, agreeing to meet Abe Attell in this city in March. Tom McGarvey of Los Angeles has been after the match, but Levy seems to have the inside track. This will be the first big match of the year here.

Harry Baker, who was recently defeated by Attell, reached New York yesterday in search of a match.

CALIFORNIA LOSES TO ST. MARY'S ON DIAMOND

OAKLAND, Feb. 6.—St. Mary's College Phoenix nine defeated the University of California at baseball today by a score of 3 to 1.

Krause and Jordan, the respective pitchers, were in great form. Thompson was given Krause's place in the sixth and did well. California's only run was made by Jordan, who put out a long hit to right field that carried him around the bases. Hamilton for St. Mary's scored Peasey with a ripping bingle and stole home on a pitched ball. The score:

Ascot Selections

ASCOT PARK, Feb. 6.—The surprise of the day at Ascot Park was sprung by H. T. Griffin, when he sent his crack two-year-old, Creston, over three and a half furlongs in the sensational time of 12 seconds.

Despite the fact that Sun Mark was touted all over the course and there was a big piking play on the mare in most of the books, her odds went from 8 to 1 to 10 to 1. The bookmaker and the heavy bettors decided that it was a false favorite. Sun Mark made good, however, and the two-dollar brigade cashed several scores of tickets.

PLANS PERFECTED FOR THE AUTO SHOW

By R. R. Hommedieu

The automobile dealers ratified the course pursued by the show committee up to date and sanctioned its plans for the future at their monthly meeting last night.

The challenge of E. P. Brinegar sent to Ryus of Los Angeles for a race between an Oldsmobile and a Pope-Hartford for \$5000 a side and the two cars were the talk of the automobile world yesterday.

"I am glad that my challenge has been accepted, for I want it to be known that I have perfect faith in the Oldsmobile; but I realize that it will be difficult to pull off the race between the two cars, as it would be an advertising proposition purely and simply and one could not expect the Supervisors of the several counties to give their sanction. However, there will be a chance for the race to take place under conditions that will be fair to all.

There is a record for the distance between the two cities. It is held by one of the smartest cars in the city. Like a great many other automobile races, it is believed that we have cars that can lower this record. We want to try to do it without breaking the law. It has been suggested by the officers of the Automobile Club that permission be obtained from the various Boards of Supervisors for a big event in which all makes of cars could compete. This is an event of importance, as it means an attack on a record. Now, what I propose is that the Little race between the Oldsmobile and the Pope-Hartford, which cars are not likely to win when those of high power compete, be pulled off at the same time. If it were possible to have the race tomorrow, I believe that we have money is waiting for Captain Ryus and I am willing to start the moment the race can be brought off legitimately."

GOTCH DEFEATS FARR KNOXVILLE, Feb. 6.—Frank Gotch, the American catch-as-catch-can wrestler, defeated Jim Farr, the Englishman, here last night in two straight falls. Time, 24 minutes and 17 minutes.

TENNIS TEAM GOES TO ENGLAND NEW YORK, Feb. 6.—The United States National Lawn Tennis Association voted last night in favor of sending a team to England this year to challenge for the Davis trophy.

ARE YOU suffering from early indiscretions, sexual weakness, spermatorrhea, kidney, bladder or prostatic troubles, specific blood diseases (syphilis), stricture, varicocele, gleet, gonorrhoea or any other complicated, long-standing, deep-seated disease? If so, you are NOT CURED, BUT BECOME CHRONIC and the organs remain injured for life!

DO YOU KNOW that the proper treatment of men's diseases requires a greater degree of skill and a much more elaborate equipment than that of women's diseases? Then, in justice to yourself, waste no time nor money with qu
