In spite of unfavorable conditions there was racing of the thrilling sort at Emeryville yesterday, three heads on the post providing excitement in two instances, while there was a head finish in a third event. Mistakes were in their element, the track being a veritable sea of slush in consequence of the downpour. Short-priced horses fared well, however, two favorites and three second choices being among the winners.

The only outsider to score was in the first race, for two-year-olds, when Lucky Baldwin's famous black and red colors were carried to victory by Arthur Hyman, a son of Emperor of Norfolk and Esperanza. A flying start enabled the colt, which had been quoted at the liberal odds of 15 to 1, to open a big gap on his field in the early part of the race. L. Williams rode the youngster with great vigor and kept him going long enough to win by a head from the stoutly closing but weakly ridden Rustler. San Gil, the favorite, which had got away in a tangle, landed in third place, beating McCall a neck in the final drive. Import, which had opened favorite but gone back in the betting, was cut off soon after the start. Charles A had a flash of early speed, but failed to stay.

THREE-NOSE FINISH
Tawawentha, which had drifted back to 18 to 5, after having opened as a 2 to 1 favorite, won the second race in sensational style by a nose in one of the busiest finishes of the day. It was a case of three noses on the post. May Pink, the hot tip of the race, was leading by several lengths at the paddock, when she suddenly ran out, which destroyed her chances. Tawawentha, Maud McG and Handmaiden reached the wire so closely bunched that the judges had difficulty in separating them. Tawawentha was a bit the gamer and her nose just showed in front in the last stride. Maud McG took the place. Pescadera stopped to nothing after showing a high turn of speed to the stretch.

Modicum, a Burns Handicap winner, made a runaway race of the third. Opening at 8 to 5, he had been played into seven money favoritism. Fischer, who had the mount, took the old campaigner to the front right after the start and the horse won in a gallop by ten lengths. Bill Perry and Proceeds chased out after him in the early part, but found the effort exhausting and faded rapidly. Rightful carried third money going to the longshots Briarhorse and Ekapo.

ONLY HEADS APART

In the fourth it was another case of three heads on the post. Lyeurgus just did get up in the last stride with Bedford, backed down from 3 to 13 to 10, and made a splendidly close third money going to the longshots Briarhorse and Ekapo.

RIGHTFUL IN FORM AGAIN

Although he had receded in the betting from 2 to 10, Rightful was a better bet than 3 to 1, taking the lead from the start, starting right after the barrier went up, held it throughout with the horse under restraint. Cadichon, which had been well played down from 10 to 15, never got to the front and had to be content with the place. Hedgethorn outlasted Captain Burnett for third money.

Gossip of the Track

William Walker said yesterday that he would race his string at Seattle the coming summer. Van Dusen is thinking of taking Supreme Court and Dusty Miller east for a campaign on the New York tracks, instead of going to Seattle for the summer, as has been his custom. Should he go east he will dispose of the balance of his string. Joe Stern will not leave for the east with Mite until the last week of the Emeryville meeting. Jockey Keogh came up from Ascot Park with D. A. Ross. Joe Rose and Bill Jackman are planning to book here until the close of the season, after which they will go to New York, in accordance with their usual custom. Scoville's suspension by Starter Holtman was for outside mounts only. The boy is permitted to ride for his employers, the Keenes. Barney Schreiber has been booking at Ascot during his sojourn in Southern California. He is expected back to-day. Hector is temporarily on the shelf as the result of an injury received in the last race on Saturday. Tommy Halpin and Joe Stanley, em-

TODAY'S CARD INSURES INTERESTING CONTESTS

Well-Balanced Fields Will Go to the Post at Emeryville

The Call's Selections

By J. R. Jeffery
First race—Wilmore, Braggart, Jeremiah.
Second race—Lord Nelson, The Reprobate, Cheers.
Third race—Confessor, Sheen, Orchan.
Fourth race—Watchful, Vincentio, Ed Sheridan.
Fifth race—St. Francis, Misty's Pride, Gateway.
Sixth race—Lord of the Forest, Bryan, Noale Lucille.

A well-balanced card has been provided for Emeryville racers today. There is material in it for several interesting contests, despite the condition of the course. Wilmore looks best in the opening race, with Braggart and Jeremiah as the likely contenders. In the second Lord Nelson and The Reprobate should make a battle royal of it. Both are in fine fettle and relish the going. Confessor should have no trouble in winning the third, although if Orchan comes to life he will be dangerous. Sheen is the likeliest of the balance. Watchful may be able to repeat in the fourth, as Ed Sheridan does not appear to like a wet track. The fifth will be the best race of the day. St. Francis is carrying more weight than in his recent races, but is so much the class that he should win. Several of the contenders appear to be evenly matched. Lord of the Forest showed a high turn of speed in his last race with high class company, and may be able to win the closing race.

Vicissitudes of the Fight Game

Brief Sporting Items

LIVE PIGEON SHOOT—Vallejo, March 18.—The first live pigeon shoot in Solano County in many years will take place at Concord, Calif., Sunday, when more than 1000 pigeons will be killed.
HANDBALL CHAMPION—Stanford University, March 18.—The Masters, a sophomore, registered from Portland, Ore., is handball champion of the university by virtue of having defeated A. B. Cox, last year's champion, in a hotly contested match. The score was 21-4, 15-21, 21-4. Masters' new entitled to the Storey belt for one year.

SEALS LEAVE ONCE MORE FOR TRAINING QUARTERS

The 1907 aggregation of Seals bid a cheerful farewell to Fillmore street last evening and boarded a train for Bakersfield. For ten days they will go after the hard work at the training camp, returning here to rest a couple of days before the season opens on March 30. Of course every man on the salary list of Long and Gleason was sorry that he did not have a chance to show the fans what he could do against McGraw's Giants. Failure in this regard was a bitter disappointment, and the futile trip to the city involved a nice item of expense for the local magnates to meet but it is all over now, and nobody is "hollering." Long did not go with the team this time. He has confidence in the ability of Captain Mohler to round the stars into form from now on. Long will be kept fairly busy for the next few days arranging for opening day. The rain came down so fast all day yesterday that it was impossible for the workmen to do anything at the ballpark. The field was a lake, so when "Jack" Gleason had pulled up there early in the morning he quickly said goodby and informed the few workmen who appeared that they could have a twenty-four hour vacation. Long said yesterday that the chance of any team in the league procuring the services of Pitcher Fred Brown was slim. Some angel has staked Brown to a cigar store in Sacramento, and he is in line for a place on the Capital City team of the State League, so he will hardly pass up such an opportunity in order to play in the big league. Manager Berry of Los Angeles doubtless is not aware of this. He left for the south on Sunday night, confident that he would have Brown's signature to a contract before many days had elapsed. Long gave him permission to sign the workman, but he could come only on terms with him. Berry already has Brown down on his list of box artists. Four of the members of the exploded Fresno team—Dashedwood, MacGregor, Fitzgerald and Garvin—are still to be placed. The league has paid the salaries of these men up to the middle of next month. Unless the magnates find jobs for them up quarter on board the steamer Anchuria today. Many of them are monthly allowance. Under such circumstances, it is not at all likely that the boys will be idle very long.

LONDON STRIKEBREAKERS IN RIOT AT HAMBURG

Many of the Imported Longshoremen Sent to Hospital After a Fierce Fight
HAMBURG, March 18.—A fight took place among the imported English longshoremen on board the steamer Anchuria today. Many of them were taken to the hospital and 187 refused to work and insisted on being sent back to England. President Roosevelt had approved the sentence of dismissal in the case of First Lieutenant Noah Overly of the Philippine Scouts, who was tried and convicted by a court-martial on charges of reprehensible conduct.

TWENTY-EIGHT SCHOOLS TO SEND TRACK TEAMS

Athletic Meet at Stanford Promises to Break All Records

SPECIAL DISPATCH TO THE CALL
STANFORD UNIVERSITY, March 18. All entries for the interscholastic track meet on the campus next Saturday are in the hands of the committee. Twenty-eight schools will send 199 athletes and the greatest athletic tournament ever held by the present institutions of the Pacific Coast is assured. Local authorities deny that there is any danger that Dick Wilmerding and Cogswell will compete with the Stanford team. It is said that Sam Lazarus is backing former Judge Joseph A. Murphy in a proposition to lease and operate Kenilworth Park at Buffalo this year, with the privilege of purchasing it next year. Jockey Jack Martin is reported to have saved \$250,000 in the nine years he has been on the turf. Sol Lichtenstein is expected back from Europe this week. Governor Polk of Missouri has signed a bill recently passed by the Legislature to correct a weakness in the law prohibiting betting on horse races, enacted two years ago. The amendment will be useful to use the telephone, telegraph or similar instrument in connection with a bet on a horse race. Yesterday's scratches: Memorize, Apache Chief, Rose Cherry, Dainty Morse, George P. McNear, Chestnut, Nabonassar, Bonar, Governor Davis, Snow, Furze, Edith James, Kruka.

TWO-CENT POSTAL RATE

LONDON, March 18.—Chancellor of the Exchequer Asquith today received a deputation representing some 200 members of the House of Commons, who urged the establishment of a two-cent postal rate with America. Asquith said that there was no indication that the American Government was conceding a 2-cent rate, and while he promised to bear the matter in mind he carefully refrained from committing himself to any definite pledge. SHIPPING CLERK DIES—James McIntosh, a shipping clerk by occupation, 75 years of age, living at 3500 Sixteenth street, dropped dead of heart failure in a room at the corner of Thirtieth and Mission streets yesterday morning. He had a wife and two children.

NO ATHLETES "FLUNKED" AT REGULAR CLEANUP

Five Students Dropped and Many Warned at Stanford

SPECIAL DISPATCH TO THE CALL
STANFORD UNIVERSITY, March 18. The regular cleanup of the Stanford Athletic Association today severed the connection with the university of five students and awoke fifteen others to the fact that only a decided improvement in their academic standing would permit of their retention as members of the student body. Forty-three "warnings," not so bad as a "flunk" and a shade less severe than a "strict probation," were distributed, and countless "smoke ups," notices of deficiencies in particular subjects went through the mail. More than \$50 of the latter were handed out by Professor Gilbert's committee. Happily, the ranks of the athletes were untouched by the scholarship powers. Since the awful havoc at the close of last semester, when point-winners on the track and baseball men were "flunked" right and left, the campus has awaited in fear and trembling the next onslaught. However, it was given out that the registrar's office this afternoon that not an athlete had been "flunked" or put on "strict probation," either of which would have barred him from further participation in sports.
