

Tennis May Sutton Will Try for Welsh Tennis Championship Motoring

Del Monte Contests the Best Ever Brought Off by the Automobile Club of California

By R. R. Phommedieu

DEL MONTE, July 6.—The automobilists who are to remain over Sunday are still discussing the fourth of July meeting. Now that the events are a matter of history, the enthusiasts are beginning to realize that the contests were the best ever brought off by the Automobile club of California. Should the club decide to bring off a meeting in the autumn and should the owners of the hotel prepare the track for auto racing, many of the present records for stock cars would be broken.

The time made by the Stevens-Duryea would have been a world's record had not Matherson in a Thomas forty set the mark at 55 minutes and 42 2-5 seconds at Denver on Decoration day. Before that time the record was 1:04 and a fraction. The Del Monte track is a fast one and the members of the club are now counting upon bringing off some event that will give California owned cars records that will make eastern autolists hustle some.

The next event of the Automobile Dealers' association of California will be a run up to Lake county. N. R. Cooper, Colonel Choyznski and M. Sargent will go over the route and plan for the run. As soon as they make their report the event will be called.

A car that made a record, but came into Del Monte quietly, was the Molins, used by the starter of the endurance run. It was the last car to leave the city and the first to reach Del Monte. It did not make the one hour stop at Gilroy, merely being held for oil. From the time it left the city until it arrived at the rendezvous it was never stopped except to compare watches at San Jose and at Gilroy. If the car had been in the contest it would have been one of those in the drawing for the winner's cup.

The little stripped car, which is a new California production, handled by Al Hall and Bert Saunders on the track at Del Monte, made a favorable impression. The car ran in close to one minute on several occasions, and it will be a factor in the future racing in this state.

J. T. Engal, who put the Studebaker through so successfully, in speaking of the run yesterday said:

"It was a simple matter. I knew what the car could do and programed the different towns I had to pass through, made the towns on time, and there was no question when the finish came."

AUTO RACES AT WEYBRIDGE

Cars Start Like Fields of Horses and the Drivers Wear Colors

LONDON, July 6.—The first motor car race meeting at the new Brooklands track, Weybridge, attracted an immense crowd today. The races were planned on the same lines as horse racing. The vehicles were started simultaneously, the only essential to success being priority in passing the winning post. The drivers, among whom were leading continental experts, wore colors like jockeys.

The stakes in the half dozen races aggregated \$22,500, the richest being the Montague cup, valued at \$5,500, besides a trophy worth \$1,000. The distance was 10 miles. No official times were taken, but the cars in some cases attained a speed of 90 miles an hour. Several of the finishes were close and exciting, and one event resulted in a dead heat. There were several break downs, but no one was hurt.

There were 11 starters in the contest for the Montague cup, which was won by an Englishman, J. E. Hutton, on a German car, after an exciting race.

WINS HONOR AT ACADEMY

BERKELEY, July 6.—Whitely Perkins, the 16 year old son of Lieutenant Colonel C. M. Perkins, has informed his relatives that he passed all examinations for midshipmen at the Annapolis naval academy and will be sworn in at once. Colonel Perkins has been in command of the military forces of the government in the canal zone at Panama. The Perkins' home is at 1720 Leroy avenue.

FATHER GLEASON TO PREACH

OAKLAND, July 6.—Rev. J. M. Gleason, who was attached for years to St. Mary's parish, will preach tomorrow morning at 11 o'clock mass at that church. Father Gleason served in the Philippines as an army chaplain, and was also with the American forces in the boxer campaign in China. He has been sojourning in the east, having returned a short time ago. Father Gleason is a guest at the parochial residence.

CALIFORNIA MISS MAY ANNEX ANOTHER TITLE

Intends to Strive for Rich Trophy in Tournament in Wales

SPECIAL DISPATCH TO THE CALL.

LONDON, July 6.—Having regained the English woman's lawn tennis championship, Miss May Sutton of California will go to Newport, Monmouthshire, on Wednesday next to win the Welsh championship. For the last two years the American has won this handsome trophy, one of the costly prizes in the lawn tennis world, and a third win next week will give her permanent possession of it.

Until yesterday Miss Sutton's most formidable rival at Newport was to have been Miss Wilson, whom she defeated in the finals at Wimbledon and who also had won the Welsh championship for two years. Late last night Miss T. Lowther, a leading woman tennis player of England and a relative of Lord Londsdale, telegraphed her entry. Miss Lowther is a tennis player of great skill and is expected to give the California girl a great match.

CINCINNATI, Ohio, July 6.—A special contest between Miss May Sutton, champion tennis player of Great Britain, and Miss Sears, the American champion, is planned for the tri-state tournament, which will open in this city the last of August. Nothing has yet been heard from either player, but the officials of the tournament are hopeful of bringing off the contest, for which a valuable prize will be offered.

ARRESTED FOR THEFT OF WATCH FROM ORPHAN HOME

Charles Coburn Makes Visit to Institution Pretext for Stealing Valuable Timepiece

Charles Coburn, 30 years old and a former ward at the St. Vincent orphan asylum in San Rafael, was arrested last night by Detective Ryan on the charge of having stolen a watch from the room of one of the professors at the asylum during a visit which he made to the institution last Sunday. Coburn's visit was ostensibly for the purpose of taking 13 year old Howard Corder, one of the orphans at the home, out on a short leave of absence, but he took occasion to enter the room of Professor Joseph Raes and steal the \$150 gold watch and chain which he found there.

The timepiece was recovered Thursday by the detective department from a pawnshop at 40 Market street, where it had been made security for a \$5 loan. The place was watched and when Coburn visited it yesterday to secure the watch he was immediately placed under arrest.

PUBLIC INSTALLATION

The officers of assembly No. 200 of the United Artisans elected for the ensuing term will be installed in public tomorrow night in Artisans' hall at Twentieth and Guerrero streets by the grand officers of the order. After the ceremony there will be an order of dances.

Yacht Designed, Built and Captained by 20 Year Old Youth Wins International Race

SEATTLE, July 6.—With a lead of a good half mile the yacht Spirit, designed, built and captained by Ted Geary, a 20 year old boy of this city, defeated the Alexandra of the Royal Vancouver (B. C.) yacht club in the international races on Puget sound today, crossing the line winner by 3 minutes and 45 seconds. The Alexandra

was especially designed for light sailing in these waters by Pife, the noted English designer, who drew the plans for the Shamrock cup challengers brought over by Sir Thomas Lipton. The creation of the youth, who has built nine yachts since he was 13 years old, won over that of one of the world's greatest marine draftsmen. The Seattle craft won two out of three races, losing the second by six feet through an error in judgment.

Skipper Geary of the British boat was outgeneraled at every turn by the boy when working to the windward, the greatest test of seamanship. In Young Geary is planning a new boat for next year.

MANY CHANGES MADE BY POSTMASTER FISK

Postmaster Fisk announces changes in the postoffice as follows:

Frank B. McStocker, from money order and registry clerk to superintendent station E; Frank E. Smith, foreman, city division; to superintendent of carriers; George E. Reed, mailing clerk mailing division; distributor, city division; Arthur J. Hearst, money order and registry clerk, station H, to registry clerk, registry division; George R. Evans, registry clerk, registry division; William A. Retherman, mailing clerk, mailing division; to registry clerk, registry division; Thomas M. Welch, registry clerk, registry division; to stamp clerk, cashier's division; Leon H. Cochran, record clerk, dead letter section, city division; to mailing clerk, mailing division; Alice J. Blair, directory clerk, city division, to money order clerk, money order division; Robert B. Stalder, mailing clerk, mailing division; to registry clerk, registry division; Madeline E. Waechter, registry clerk, registry division, to money order and registry clerk, city division.

The following have resigned for more lucrative employment: Nathan Olinaky, money order and registry clerk, station O; Lauren C. Ward, distributor, city division; D. F. Supple, superintendent station E.

Appointments have been made as follows: Uberto W. Smith, mailing clerk, mailing division; Lewis A. Wagner, John H. Schneider and George M. Caesar, distributors, city division.

CARE FOR DESERTED MOTHERS

ALAMEDA, July 6.—Seven wives who have been deserted by their husbands and left to care for their children, numbering 40 in all, are now receiving assistance from the Catholic ladies' aid society. Most of the women are refugees from San Francisco. One of the women and her children are to be sent to southern California by the society.

DOCK LABORERS STRIKE

CHERBOURG, July 6.—The dock laborers here struck today for an increase of wages and paraded the city, carrying red flags and singing revolutionary songs.

FORMER CONVICT BURKE FAILS AS A "BAD MAN"

Through playing the part of a south of Market street "bad man" on the night in which a gun store in another part of the city was entered by a burglar, an ex-convict, William Burke, entangled himself in a set of circumstances which have detained him at the city prison ever since. Not until yesterday did the police clear the mystery which the prisoner had been surrounded.

Burke was found Tuesday morning at the corner of Sutter street and Grant avenue suffering from a wound in the head and a bullet hole in his left hand. The gun store of Shreve & Barber at Market and Sixth streets had been entered by a burglar, who was fired upon subsequently by a special policeman. The police put the two circumstances together and pounced upon Burke, who, in trying to clear himself, told a very small part of the truth. He claimed that he had shot himself.

It was learned yesterday through the statements of Ed Heavy, a bar tender at Third and Tehama streets, and T. Edwards, a miner, living in a Third street hotel, that Burke had received his wound while trying to force Edwards to buy a gold ring. Burke was thrown out of the saloon and returned, carrying a revolver, and insisting that Edwards purchase the ring. While Burke was raising the hammer of his revolver the weapon was discharged and the bullet went through his hand. Burke then fled from the place and was found later on the outskirts of the Barbary coast, nursing his wound.

COLLINS STILL OBJECTING

George D. Collins, bigamist and convicted perjurer, entered another objection yesterday to further continuance of his motion to dismiss the untried charge of perjury pending against him. Assistant District Attorney Cook explained that the district attorney's stenographer had quit and he had not been able to complete the counter affidavit in answer to Collins' motion. He asked for a week's continuance and got it, despite objection. After taking an exception Collins went back to jail.

Wigs

My Wigs, Toupees, Half-Wigs, etc., are sold under a guarantee of perfect satisfaction. I make them of the finest of pure human hair and make them right.

Private Wig Department for Gentlemen Upstairs

LARNED BEATS MIDDLE STATES TENNIS CRACKS

ORANGE, N. J., July 6.—William A. Larned retained the middle states lawn tennis championship today on the courts of the Orange club at Mountain station. Larned defeated R. D. Little, champion of last year's international team, 3-6, 6-3, 6-2, 6-2.

In the women's singles Miss Carrie B. Neely of Chicago again won the title and cup, which she had lost one year ago to Miss Helen Homans, now Mrs. Marshall McLean. The latter defaulted the challenge match. Miss Marie Wagner faced Miss Neely in the final. The score was 6-4, 6-3.

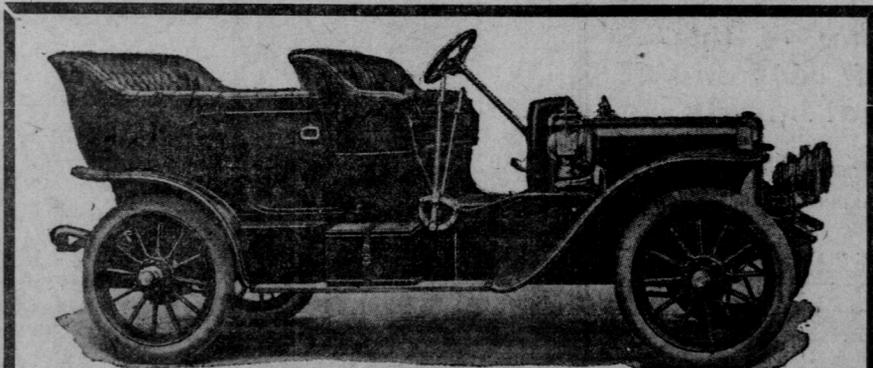

Automobile Training

Heald's Engineering School

This short automobile course will enable those who desire to fill a position as driver of an automobile and make all necessary adjustments on the machine. A demand for competent drivers.

Instruction given Tuesday and Thursday evenings.
