MEMORY OF THE DEAD

Order of Red Men and Degree of Pocahontas Join in Services

EULOGY BY CABANISS

Tribute Paid to Members Who Have Died Within the Last Year

With impressive but simple ceremony the improved Order of Red Men and the Degree of Pocahontas held their joint annual council of sorrow yesterday afternoon in their hall in Golden Gate avenue.

Several hundred mourners and friends attended the service, the appropriate music and comforting words of those who spoke and read being a source of inspiration and enlightenment to those who were contemplating the lives of the departed.

Judge George H. Cabaniss, past sachem, delivered the eulogy, touching lightly on thoughts of sorrow and prompting those who were mourning to pattern their lives after the good deeds and helpfulness of the lives of those who had passed beyond.

A light orchestra rendered sweet music throughout the service, playing Chopin's funeral march, Faure's "Palmes" and Gounod's "Ave Maria."

The town and gown club, the exclusive woman's organization of Berkeley, is anticipating with much pleasure the evening of Monday, November 11, when the dramatic section of the club will present a one act play, "An Episode of All Saints' Eve."

STENOGRAPHER INJURED BY FALLING DOOR

Miss Augusta Nielsen of Alameda Victim of Accident While at Her Work

ALAMEDA, Oct. 27.—Miss Augusta Nielsen, daughter of Mr. and Mrs. H. P. Nielsen of 2254 Santa Clara avenue, was injured in a peculiar way yesterday and it is feared that she sustained a fracture of the skull. Miss Nielsen is employed as a stenographer by the San Francisco news company and while engaged in work in the office of that concern a carpenter, who was carrying a heavy door, slipped and fell as he was about to pass Miss Nielsen and her typewriting machine. The door in falling struck the young woman on the back of the head and drove her face with cruel force against the front of the machine.

Miss Nielsen was rendered unconscious by the blow and remained in that state for some time. She bled profusely from lacerations and from the right ear. The hemorrhage from the ear indicates, the attending physician says, a possible fracture of the skull, and it will require several days to determine the extent of the injury. Miss Nielsen is 23 years of age.

QUEER ATHENS BEGGAR

Modern Athens has recently lost a twentieth century Diogenes. He was a beggar named Saocules and displayed a good deal of the spirit of the ancient cynic. He could not exactly place his toes on the streets, but he found out a sort of groove in the side of the acropolis, the identical one which the ancients failed to be haunted by the Furies, and he lived for years. He was a beggar who had his price, and he fixed it at one penny, less than which he refused to ask. If it was refused, he only shrugged his shoulders with contempt. He would penetrate the cars and if the company ignored his presence, he would exclaim: "What! 150,000 to work, and a wretch like me can't be assisted." Then would follow a sound rating. He had become an institution, and his death is commented on with regret.—Kansas City Journal.
