

### BRUSKLY BROTHERS ASIDE BUILDERS

#### City Architect Declines Their Assistance to Investigate Municipal Hall

After Testy Retorts by McLeran Supervisors Order Tharp to Go It Alone

Supervisors Rixford and McLeran indulged in a few uncompromising remarks yesterday during the discussion of a partial report presented by City Architect Tharp, concerning the city hall dome. Tharp had been instructed to examine the dome and give an expert opinion as to the practicability of restoring it. He reported yesterday to the special committee appointed to consider the rehabilitation of the entire city hall that 30 days' time and an expenditure of \$1,000 would be needed to repair the dome and hall could be restored.

### DISPICES THE BUILDERS

"What do we want with a builder?" asked Rixford. "Why, there isn't a member of the builders' exchange competent to make a report such as we desire."

"What is that?" exclaimed McLeran, who is a member of the exchange.

Rixford repeated his remark and McLeran rather angrily asked, "Isn't that statement a little too sweeping?"

"No," replied Rixford.

"Well, I want to tell you, Rixford," said McLeran, that although you are an architect, there are men in the builders' exchange who can give you cards and spades and beat you out."

"Oh, I don't think so," murmured Rixford.

"Well, I know so," replied McLeran. Bancroft, like McLeran, thought that the members of the exchange Tharp when he is examining the city hall dome.

"A builder," said Bancroft, "might find cracks and flaws in the walls that an architect might overlook."

### THARP GOES IT ALONE

After discussion the committee decided to instruct Tharp to make the necessary examination of the dome without the aid of a builder and report within 30 days.

Tharp will not render any opinion as to the practicability of restoring either structure. He will report on the condition of the walls, foundations and steel frame of the dome. From this report the committee will decide whether the city should expend any money on work of rehabilitation.

The supervisors are anxious to repair the hall for temporary use if it can be restored without too great expense. It now costs \$6,058.16 each month for the rent of buildings occupied by the municipal departments.

### WANT JAIL LABOR

#### Ingleside People Seek Such Aid to Build Roads

The prisoners undergoing sentence to the county jail are employed to repair the roads and lanes contiguous to the prison if the finance committee of the supervisors today sets aside the money to pay for three guards. This decision was reached at a meeting of the street committee yesterday, at which representatives of the Ingleside improvement club urged that the prisoners be assigned to the repair work. The roads immediately adjoining the jail are in wretched condition.

### REFUSED FIRE PLUGS

#### Bay View Residents Must Await Laying of Pipe Line

The residents of the Bay View and Silver terrace districts were informed yesterday by the fire committee of the supervisors that it is impossible to grant their request for more hydrants. The district is poorly protected against fire, owing to a lack of hydrants and sufficient pressure in the few water mains. Chief Shaughnessy, who had investigated the matter at the instance of the supervisors, reported that owing to the absence of needed water mains no more fireplugs could be set. Shaughnessy in addition reported that there is little likelihood of the Spring Valley company laying any more mains in that section at the present time, as the streets are not in condition to receive them.

### MANY PERSONS ATTEND B'NAI B'RITH BALL

#### Anniversary of Columbia Lodge Celebrated by Most Successful Dance of Season

The thirty-ninth anniversary of Columbia lodge, Independent Order of B'Nai B'Rith, was fittingly observed by the members of the order by a ball given last night at Golden Gate commandery hall, 2127 Sutter street. One hundred and fifty couple were present to enjoy one of the most successful of the many dances of the winter chapter.

Among those present were:

Mr. and Mrs. H. Eiler, Miss Lottie Goldstein, Miss Carrie Auerbach, Miss Mrs. S. Glaser, Miss Beale Goldstein, Miss Ethel Opat, Miss Altman, Miss Lindauer, Miss Sadie Meyer, Miss Helen G. Deane, Miss Alice Salomon, Miss William Altman, Miss Helen G. Deane, Miss Alice Salomon, Miss Louis Salomon, Miss Milton Meyer, Miss Louis Salomon, Miss B. Goldstein, Miss O. Loeb.

### LECTURES UPON KIPLING FOR CALIFORNIA CLUB

#### Prof. H. Morse Stevens Tells of Writer's Life and Work With Illustrations

An afternoon with Kipling was spent by the members and guests of the California club yesterday, and the program which was arranged by Miss Juliet Greninger, was one of the most enjoyable of the year. Prof. H. Morse Stevens gave a short talk of the writer's life and work, which was delightfully illustrated by songs from Henry Perry, who was accompanied by Dr. Humphrey Stewart. Prof. Stevens also recited several of Kipling's most stirring ballads, of which "Boots" was perhaps the most enjoyed. Some of those present yesterday were:

Mrs. E. K. Rolke, Mrs. H. Mariel, Madame Emma Tojetti, Mrs. Jean Sinclair, Mrs. James Crawford, Mrs. North Holcomb, Mrs. Thomas Mottet, Mrs. Bertha Brodie, Mrs. James Graham, Mrs. Caroline R. Johnson, Mrs. G. L. Lichter, Mrs. G. Rothwell, Mrs. James Burns, Miss Alice Berry.

### CHILDREN HUNT FOR THEIR MISSING FATHER

#### Offer Reward to Locate Aged Parent, Who Has Disappeared From Home

Driven desperate by the suspense and anxiety over the fate of their father, Henry Voll, who left his home at 7 Farrah avenue a week ago last Wednesday and has not been seen since, his children are scouring the country far and wide in an effort to find him.

Voll's mind was affected by his losses in the disaster, and the supposition is that he has wandered away. His relatives offer a reward of \$100 to the person locating him. He is 80 years of age, five feet six inches in height, has a military mustache and beard, blonde hair and blue eyes. When he left home he was wearing a gray checked coat, dark vest and trousers and a black fedora hat.

### POLICE COMMISSION IN RECORD SESSION

#### Patrolmen Are Fined, Biggy and Sweigert End War, Cafes Warned and Pair Reconciled

#### Busiest Meeting of Board Ever Held Results in Much Important Work

Two patrolmen given heavy fines for unofficerlike conduct; open breach between Chief of Police Biggy and Police Commissioner Sweigert formally healed over; the proprietors of four big cafes threatened with punishment and a revocation of their licenses; a husband and the wife who tried to kill him reconciled—these proceedings were features of the board of police commissioners' meeting last night.

The offending patrolmen were Dave Sullivan and Charles Skelly. Sullivan was fined \$50 for striking J. D. Samuelson, the dive keeper, who identified him as a crafter. Skelly received a fine of \$100 for his reinstatement to the department, from which he was suspended two weeks ago for drunkenness. With his fine Skelly took a pledge of abstinence for life.

### BRING PEACE THROUGH WAR

Only after a long and heated star chamber session was the reconciliation between Biggy and Sweigert effected. It was brought about by Sweigert taking back the charges of graft in the department he had made a week ago in open meeting of the police commissioners' meeting last night. During the session at which the agreement was reached Biggy and Clerk Skelly, who have been present at all former meetings, were excluded.

Mrs. Zena Pollard, wife of Actor Harry Pollard, who is confined in the city prison charged with having fired five shots at her husband several days ago, was taken from her cell to a nearby room at the Hotel California. Westminister, a Mission saloonman, who was charged with conducting his place of business at Twenty-fourth and Mission in an improper manner.

### RENEW THEIR LOVE

During the interim before the Westminister case was called Mrs. Pollard sat on a bench beside her husband, who had been discharged from the hospital but a few hours before. Their love for each other revived and during the entire evening they talked in low tones to each other and embraced when Mrs. Pollard was sent back to her cell.

### RIDES IN ENGINE

SANTA BARBARA, April 9.—When coast line train No. 21 pulled into the station here at 11:30 o'clock today Mrs. Isabelle D. Evans, wife of the rear admiral, stepped blithely down from the locomotive cab, in which she had ridden from Los Angeles. She liked the experience of being on the steel monster, she said, and received every courtesy at the hands of the grimy, oil stained engineer and fireman.

### THOMAS TO SHIFT FLAG

MAGDALENA, Mexico, April 9, via San Diego, Cal., April 9.—The Atlantic fleet will weigh anchor Saturday for San Diego, where it is due to arrive at 1 p. m. Tuesday, April 14. The fleet commander will be slightly changed for the last leg of the journey, when Admiral Thomas transfers his flag from the Minnesota to the Connecticut. The third and fourth divisions will change places. Rear Admiral Sperry on the Alabama will command the eight ships of the second squadron. Captain Harber of the Maine will assume temporary command of the fourth division.

### COMMANDER GRANT SUCCEEDS

WASHINGTON, April 9.—Captain Kossuth Niles, general inspector of ordnance, with headquarters at New York, has been detailed to command the battleship Louisiana on the trans-Pacific cruise of the battleship fleet. This command will be held by Captain Richard Waldwright, who is to become a rear admiral with one of the divisions of the fleet under his jurisdiction.

### FIRST LINCOLN-ROOSEVELT DISTRICT CLUB FORMED

To the forty-first assembly district belongs the honor of organizing the first Lincoln-Roosevelt district club in this city. A band of enthusiastic republicans met in Steink hall, 2760 Occident street, last night to adopt the platform of the league and elect officers. Thomas E. Haven was chosen president of the club, Sheldon Kellogg first vice president and Thomas Williams secretary-treasurer.

### ARMY TO BE IN PARADE

General Funston's Plans Include All Arms of Service

Final arrangements were made by General Funston yesterday for the participation of the army forces in the big parade to honor Admiral Evans and his ships, May 7. The military pageant will be more than a mile long. Every branch of the service of the United States army will be represented in the greatest procession that has ever passed through the streets of this city. In the army contingent there will be one company of engineers, 14 companies of Coast artillery, the entire Eighth infantry, four troops of cavalry, three batteries of field artillery, a company of signal corps men, a corps from the hospital and the Third artillery corps band. This will make more than 2,500 troops in line.

### SOUVENIRS FOR JACKIES

Berkeley Committee to Give Town Publicity Through Fleet

BERKELEY, April 9.—Definite plans for the entertainment of the big Berkeley day, May 14, were made this

### ADMIRAL'S WIFE TO RECOVER HIS RECOVERY TO INCREASE FUND

#### Evans Greatly Cheered by the Presence of Helpmeet at Paso Robles

#### Los Angeles Mayor Says Sea Hero Will Attend Both Parade and Banquet

PASO ROBLES, April 9.—That the admiral will go to Los Angeles to participate in the festivities there was the sentiment tonight of Mayor Harper and Colonel Neville. Mayor Harper said: "Mrs. Evans told us she believed that the admiral would be able to go to Los Angeles. She stated that while he was more emaciated than she had ever seen him before, she did not think his condition was as bad as had been reported."

"Admiral Evans will leave the hot springs in a private car Monday morning, April 20. He will be taken to the banquet that evening in a wheel chair and will be in the city by Tuesday. A picnic can see him, and the following morning will also start in the automobile parade, though it is not likely that he will be strong enough more than to go through the business portion of the parade."

Mrs. Robley D. Evans and her daughter, Mrs. Charlotte C. Marsh, arrived here shortly after 5 o'clock this afternoon and joined Rear Admiral Evans at the hot springs. Mrs. Evans and daughter have come to nurse the famous old sea fighter back to health. It was a touching scene when mother and daughter greeted the sick admiral in the privacy of his room. He shook hands with his wife and daughter in mere shadow of the "Fighting Bob" who stood proudly upon the bridge of the Connecticut at Hampton Roads, neither mother nor daughter evinced it. Their coming cheered him greatly and, it is believed, will have a good effect upon him.

Mrs. Evans and Mrs. Marsh were accompanied by Lieutenant Frank Taylor Evans, who went to Los Angeles to meet them. The party arrived on a private car and were escorted by Mayor A. C. Harmer, Los Angeles, Brigadier General Robert Wankowski of the National guard of California, J. B. Neville, vice president of the Los Angeles stock exchange, who is a cousin of Mrs. Evans, and J. B. Scott, a prominent attorney. Mayor Harper and his party returned to Los Angeles tonight.

### TREATMENT IS APPROVED

Dr. P. E. McDonald, surgeon on the Connecticut, who is in charge of Admiral Evans, has been given a free hand by the department in Washington to call other physicians in consultation upon the sick admiral's case.

Lieutenant Colonel George H. Torney, department surgeon general at the Presidio, San Francisco, who is a personal friend of Admiral Evans, was here Sunday. He agreed with Dr. McDonald that the proper course of treatment was being followed. Dr. Torney will come to the springs again tomorrow or Saturday.

Now that the admiral's rheumatism has been greatly relieved by the treatments here the efforts of the physicians will be directed toward building up his strength. Lieutenant Evans tonight vehemently denounced as untrue the statement that the admiral had been injured yesterday while being wheeled by his attendant.

### SCHOOLS WILL CLOSE

Not only will excursionists flock here from California points, but the committee has learned that special trains of sight seers will come from Salt Lake City, Ogden, Portland, Seattle and Tacoma, and even from Idaho and British Columbia. In addition, public holidays for some time during the fleet's stay have been proclaimed in every school district within 100 miles of San Francisco. The vast crowds of spectators, it is believed, will even exceed those that hailed the coming of the California soldiers from the Philippines at the end of the Spanish-American war. At that time many had to wait the streets because they could find no place to stay. The committee is making every effort to obviate such an unpleasant occurrence from this celebration.

### URGENT NATIVE WINES CLAIM

Urging that the United States follow the example of the regents of Italy and Germany and serve only native wines at state occasions, A. Sbarboro, president of the Manufacturers' and Producers' association, yesterday addressed a letter to Adjutant General J. D. Lauck, chairman of the banquet committee, calling attention to the policy of King Victor Emmanuel of Italy and of Kaiser Wilhelm, and declaring: "As we now produce in America wines of all kinds as good as those produced in Europe it has occurred to me that it would be patriotic policy to adopt the same system, and I would respectfully request that in the future only American wines be served at table on such occasions."

### TARS NEED EASTER CARDS

Easter cards for the men of the fleet and reading matter for the tars to while away their leisure hours at sea have been sought of the citizens of San Francisco by Chaplain Sydney K. Evans of Admiral Thomas' flagship, the Minnesota. Chaplain Evans has written to the Church periodical club of California urging contributions of Easter tokens and magazines and distributed papers and undertaking to distribute them to the men of the squadron, now in Magdalena bay.

### REVIVES SUBSIDY PROPOSAL

WASHINGTON, April 9.—Senator Gallagher today introduced an amendment to the postoffice appropriation bill the bill passed by the senate providing for an ocean mail subsidy.

### Handsome Certificates Will Be Given Contributors to the Finance Committee

The fleet fund will receive a big impetus, it is expected, next Tuesday, when 2,500 souvenir certificates of subscription will be ready for distribution to all who contribute. The certificates are the idea of A. A. Watkins, chairman of the finance committee, who has directed the efforts toward raising money.

Handsomely lithographed in colors, on heavy card paper, the certificates will be 24 by 13 inches in size, and will be specially designed for framing. When they are hung on the walls of stores and places of business, the committee believes that they will be a splendid advertisement and inducement to patronage by the sailors of the fleet.

The certificates show a reproduction of the battleship Connecticut in the foreground, anchored in the bay, with the other vessels of the fleet gathered about it. In the background is a view of San Francisco, and in the upper right hand corner is a photograph of Admiral Evans.

"This certifies that..... has contributed \$..... for the entertainment of the United States battleship fleet," the inscription will read, and each will be signed by Chairman Watkins and other members of the committee. It is expected that the certificates will be largely sought for as souvenirs, both by future contributors and those who have already subscribed.

### PLAN WHIRLWIND CAMPAIGN

The campaign to raise the required balance to complete the estimated fund of \$84,000 required for the scheme of entertainment before next Wednesday will be a whirlwind effort. At least \$15,000 is expected from the liquor dealers and restaurant keepers and the "flying squadron" of collectors in 10 big automobiles, which will visit every one of the 2,300 saloons and 600 restaurants in the city, was being drilled for work yesterday. Tributary to the campaign will be the automobile mobile men to start their work early in the week, owing to the delay in printing the certificates a postponement was necessary.

A large number of visitors from points throughout California and surrounding states is expected to flow to San Francisco in the days immediately preceding the arrival of the fleet. Seventy-five thousand people will visit the city during the next ten days of the battleship celebration, the California Promotion committee estimated yesterday, and that is deemed a conservative figure. The committee is making every effort to provide accommodations for all who are expected to arrive.

To facilitate the matter a request has been made for all persons in San Francisco, Oakland, Berkeley, Alameda and other cities to be prepared to register immediately at the headquarters of the committee in the California building, Union square. No charge will be made for registering. Then a complete list of available rooms and accommodations will be put in the hands of the fleet information bureau for the convenience of all outside people.

Additional subscriptions to the fleet fund yesterday amounted to \$89, as follows:

Previously acknowledged (revised).....	\$57,072.15
Anheuser-Busch brewing company.....	200.00
City street improvement company.....	100.00
Pacific Coast steamship company.....	100.00
Owl drug company.....	50.00
Sealed brewing company.....	50.00
Koenig & Collins.....	25.00
Lloyd & Robertson.....	25.00
Consumers' ice company.....	20.00
C. R. Winslow & Co.....	15.00
Ray Bros.....	10.00
Williams, Marvin & Co.....	10.00

Joseph T. Cavanaugh.....	2.00
W. R. Horn.....	2.00
Total.....	\$57,766.15

# Fourteen Years of Pain

MRS. G. H. LA BAUMME

"I have recommended Duffy's to my friends, who are now using it. It has certainly done wonders for me."—Mrs. G. H. La Beaumme.

Mrs. G. H. La Beaumme, De Soto, Mo., praises the wonderful health-giving qualities of Duffy's Pure Malt Whiskey.

For fourteen wearisome winters grip and the "tired feeling" were her constant companions. Duffy's restored her to vigorous health.

In gratitude Mrs. La Beaumme writes: "I have been a sufferer from Grip for 14 winters. When cold weather set in I would have those miserable aching pains and a tired feeling which never left me till warm weather. Just before Xmas last I had a terrible time with Grip and a cough, also a severe pain in my left side. I had often been advised to try your Malt Whiskey, but as I had often tried various remedies I was skeptical and concluded there was no relief. However, as I was made a Christmas present of two bottles of Duffy's I used it, and before I had finished using them I felt so much better that I used four more bottles, which stopped the aching pains, the cough, the pain in my side, and made me feel like a new person generally. I shall always have some in the house."

## Duffy's Pure Malt Whiskey

is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt essence, which is the most effective tonic stimulant and invigorator known to science; softened by warmth and moisture, its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

If you wish to keep young, strong and vigorous and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey regularly, according to directions. It tones and strengthens the heart action and purifies the entire system. It is recognized as the great family medicine everywhere.

CAUTION.—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the only absolutely pure medicinal malt whiskey and is sold in sealed bottles only; never in bulk. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Price \$1.00. Write Dr. R. Curran, Consulting Physician, for a free illustrated medical booklet and free advice. Duffy Malt Whiskey Co., Rochester, N. Y.

afternoon at the meeting of the public committee. Chairman Eugene H. Hallett reported that souvenir cards would be printed for the men of the fleet to be sent broadcast throughout the United States.

An athletic carnival will be held on California field on the university campus. Two teams from the fleet will play baseball and track events will be held. Silver cups and medals will be presented to the winners. The women of the various societies of this city will be asked to arrange luncheon for the jacks.

and of Kaiser Wilhelm, and declaring: "As we now produce in America wines of all kinds as good as those produced in Europe it has occurred to me that it would be patriotic policy to adopt the same system, and I would respectfully request that in the future only American wines be served at table on such occasions."
