HEALEY APPEALS IN VAIN Captain Healey was arrested at the order relieving him. He is a close friend of Major General Leonard Wood and has the confidence of the local army officers. He appealed to Brigadier General James B. Herringman, president of the Bay Shore machine and electrical works at 40 Tehama street, called the attention of Secretary Luke E. Wright of the war department to the situation, and Wright ordered Colonel G. L. Anderson, inspector general of the department of California, to investigate. Colonel Anderson summoned a number of witnesses, but the government inaugurated an independent inquiry, which has brought forth the following revelations:

ENGINEER HELD RESPONSIBLE Although Colonel Bellinger is at the head of the local transport service he exercises merely supervisory powers. All contracts are approved or rejected by Donnelly, and it is from Donnelly's plan that the government takes an expenditure. At the same time it is the Washington authorities will hold Bellinger responsible for the actions of his subordinate. A few months ago the Sherman was held up for repairs. The navy yard at Mare Island figured on the job and estimated that it could do the work for \$250,000. Then Donnelly and Bellinger called for bids from private yards. The Rison and the Union iron works made regular tenders, but the data were sent to Washington and both bids rejected. Since that time the Sherman has remained in the yard. It is stated that Bellinger could not do the work properly and did not recommend that the Sherman be sent there.

Donnelly is a civilian and has been attached to the transport service for some time. His powers have grown of the local station. Major Devol, who was formerly in charge of the transport service, was familiar with all engineering details of the department. It has been the practice of Bellinger, however, to give Donnelly free rein in the engineering branch of the service.

### SENATOR DOLLIVER TO SPEAK TONIGHT

NOTED ORATOR WILL DELIVER POLITICAL ADDRESS IN DREAMLAND PAVILION

Arrangements for the Dolliver meeting, which will take place tonight in Dreamland pavilion, Steiner street near Sutter, have been completed by the state central committee. In order to allow Senator Dolliver as much headway as he desires, there will be no other speakers, with the exception of Senator Perkins, who will introduce the great orator from Iowa in a brief address.

One feature which is expected to add to the attractiveness of this meeting for those people who do not ordinarily attend political gatherings will be the vocal solos rendered by Mrs. Dr. Stinch, who is to sing "The Star Spangled Banner" and "My Own United States." No seats have been reserved in Dreamland and those who come earliest will receive the best places.

Dolliver will arrive in this city about 9 o'clock this morning, and instead of being subjected to the strain of formal receptions he will be taken on a sight seeing tour of the city in an automobile. The senator will leave as soon as the meeting is over and will be rushed to Reno on a special train.

The republicans of the forty-first district will hold a meeting Friday night in Steinkamp hall, Octavia street near Union. Harry Baehr will preside and speeches will be made by Julius Kahn, Lester Burnett, Nathan G. Coghlan and the judicial candidates.

Tim Sullivan is one of the first of the local politicians to cipher out a Taft plurality for this city. Figuring on a total vote of from 6,000 to 8,000, Sullivan estimates that Taft will carry every district except the thirty-second and forty-fifth.

The democratic county committee has arranged the schedule of open air noonday meetings: October 14, Oceanic dock; October 15, Third and Berry streets; October 16, Eighteenth and Folsom streets; October 17, Union Iron works; October 20, foot of Sansome street; October 21, Folsom and Townsend streets; October 22, Main and Folsom streets; October 23, Sugar house, Kentucky street; October 26, Stockton and Market streets; October 27, East and Market streets; October 28, Fourteenth and Harrison streets; October 29, Fiftieth and Bryant streets; October 31, Powell and Bay streets; November 2, Mall dock.

The Water Front Maguire club will be organized in the interest of the candidacy of James G. Maguire at Sailors' Union hall, 44 East Street, Thursday evening. Maguire and Walter MacArthur will make speeches.

The democrats of the forty-first district will hold a meeting in the democratic auditorium, Union street between Gough and Octavia, Friday evening. James G. Maguire and Sidney Van Wyck will be the principal speakers.

The democrats of the forty-third district will rally Friday night at 1220 Pacific street and various candidates will make speeches. The speakers will be Frank I. Butler, candidate for the assembly in the thirty-seventh district, with the democratic union labor and independence nominations, will hold a meeting tonight in Devisadero hall, 221 Devisadero street, for the purpose of organizing a Butler club.

The democrats of the thirty-third district held a meeting in Malloy's hall, Mission street near Thirtieth, last night at which George A. Tracy, Democrat, and J. C. Collins, Republican, were the principal speakers.

Strong enthusiasm was the feature of the republican meeting held at Garibaldi hall in the forty-fifth assembly district last night, when a number of the candidates addressed an audience of more than 500 voters. The names of Roosevelt, Taft and Sherman were greeted with cheers, and the local candidates were applauded heartily on their appearance before the audience.

References to the national campaign were greeted with assurances from the audience of confidence in the republican party.

VALLEJO, Oct. 13.—The national campaign was the primary theme here last evening by the republican party in Farragut theater. The guests of the evening were United States Senator George P. Perkins and Congressman Joseph R. Knowland of this district, both delivering strong addresses in support of a many nomination with the growing interests of our national government. Hon. Frank R. Devlin, candidate for superior judge of Solano county, without opposition—presided over the meeting.

WASHINGTON, Oct. 13.—Secretary Loeb, upon being shown the statement issued from democratic headquarters in New York, said nothing in the nature of a reply would be given out at the White House tonight, but that the statement would probably receive attention tomorrow.

NEVADA, Mo., Oct. 13.—Rev. W. H. Force, aged 74, pleaded guilty to bigamy in the circuit court here today and was sentenced to three years in the penitentiary. He admitted the charge when confronted by two of his four wives. His excuse was that his memory was bad and that he could not always remember whether he was married.

### BRYAN CAMPAIGNS IN HIS OWN STATE

ARGUMENTS CONFINED TO ANSWERING THE STATEMENTS OF TAFT AND HUGHES

WAHOO, Neb., Oct. 13.—Accompanied by all the democratic candidates for state offices, with the exception of one or two, W. J. Bryan today campaigned in his own state and tonight at this place completed the first of the three days' Nebraska tour.

Big crowds greeted him at every point and when his day's work was over he had garnered 21 speeches varying in length from five minutes to one hour. His arguments were confined mostly to answering the statements of Mr. Taft and Governor Hughes, who but recently visited Nebraska. The audiences were mostly farmers and the democratic candidate frequently moved them to loud applause. The route traversed was through numerous republican strongholds. A carload of speakers was brought along from Omaha and at each place visited by Mr. Bryan one was dropped off to complete the work of expounding democratic doctrines. Mr. Bryan accused Mr. Taft of making the speech in Nebraska that he had been making in other parts of the country.

"He did not discuss the guarantee of bank deposits," he said, "doubtless because he was informed that the people of Nebraska are in favor of the guarantee of bank deposits. His appeal was to the farmers and it was based upon the fact that the farmers have had good crops and fair prices, but did the republican party give you good crops? All who think the republican party is responsible for good crops should thank the republican party. Those who believe as we do, that the republican party is responsible for the soil, to seasonable rains and to the warmth of the sunshine, should thank the Almighty."

After speaking at Wahoo Mr. Bryan returned to Fremont where his train was switched to the lines of the Union Pacific and over which road he will resume his journey early in the morning.

HOW BRYAN MEN FIGURE NEW YORK, Oct. 13.—Vice Chairman Hudspeth of the democratic national committee made public today a list of the states in which he said Bryan would receive the electoral vote. They are as follows:

The solid south... 160 Nevada... 3 Nebraska... 3 New York... 29 Ohio... 23 Total... 261 West Virginia... 22

The vice chairman put Wisconsin in the doubtful column and said that New Jersey, Connecticut, Rhode Island and Illinois were still debatable, with New Jersey a slight advantage to the democratic party.

HASKELL TO SUE HEARST KANSAS CITY, Oct. 13.—Governor Charles N. Haskell of Oklahoma arrived here this morning from Guthrie to consult his attorneys with reference to a suit that he may be intended to bring against William R. Hearst, charging the New York editor with libel on the editorial matter of the foreign affairs. On Friday next they will make an excursion to Nikko.

### TAKING SHOWN NEED OF TARIFF LAW

REPUBLICAN CANDIDATE SECURES CLOSE ATTENTION FROM IMMENSE AUDIENCES IN OHIO

EAST LIVERPOOL, O., Oct. 13.—In the middle of the steel and iron district of Cleveland, William H. Taft today commanded the highest up to date immense audience while he showed from his standpoint that the American workman needed the protection of the tariff and what had been the result when he had not had that protection.

Fourteen audiences were addressed by the candidate today. At Lorain a cheer for Debs when the candidate mentioned his name in connection with labor cases he had handled while on the bench inspired Taft to pay his compliments to Debs as a presidential candidate.

"Mr. Debs is a socialist," he said when the applause died out. "Mr. Debs is logical. He has no objection to the institutions of this country as they have been established by the constitution. He has a right to be, if he chooses, provided he accomplishes his methods by legal and nonviolent ways. Therefore I am not going to criticize Mr. Debs."

In Cleveland, after Taft had reviewed his labor record at length and recalled the fact that he had since been made a member of the steam shovelers' union, he added:

Accordingly I received an invitation from a contracting firm up in Oregon saying that they would be glad to have me, not that I was a regular member of the trade union, to go into the business and work one of their steam shovelers. I had a job, and after that I would communicate with them further.

Mr. Gompers is the active council of the American federation of labor, and I get the impression that the whole federation of labor is against the union, and I was to the democratic party and to Mr. Bryan; but it seems there are some left.

Mr. Gompers is the head of the longshoremen's union, with whom perhaps a number of my audience are acquainted, does not think that I am a devil with horns. He is going to support me for the presidency, because he says he has found in his dealings with me (we have had a good many) that I was just and fair to the interests that he represented as the head of the longshoremen's union and one of the executive council of the American federation of labor.

### CLEAN CANDIDATES GO ON THE BALLOT

ELECTION COMMISSION THROWS OUT PROTEST OF THE FORBES COMMITTEE

Judge Dunne and the other good government league judicial candidates go on the ballot in spite of all that Herring and the "highest up" did to shut them out. Last night the election commissioners unhesitatingly approved Registrar Zemansky's action in disregarding the petition of the Forbes republican county committee alleging fraud in the good government petitions.

There was no delay on the part of the commissioners in approving the registrar's official step, Zemansky, as clerk of the board, read the letter of Charles H. Forbes of the republican county central committee protesting against the recognition of the league's petition, and purporting to recite facts tending to show that the petitions were fraudulently signed. Beyond a few smiles when Forbes referred to the "honest aims of the county central committee," the election commissioners made no comment upon the communication.

"It is wholly the duty of the registrar to disregard the petition," announced Zemansky when he finished reading the communication. "I failed to find any evidence in my investigation that showed fraud and I filed the petition and the names of the good government candidates have been placed on the ballot."

"It therefore bore prima facie evidence of being correct and legal," asked Commissioner Voorsanger in reference to the good government petition.

"There is a sufficient number of names on it and it was given its proper place," replied Zemansky. "A motion to file the communication from the county central committee and to sanction the action of the registrar is in order," declared President Voorsanger. The motion was carried and, Voorsanger added, laughingly, "it might be a matter of courtesy to the county central committee to inform it of the action taken by this board."

SAN JOAQUIN'S REGISTRATION STOCKTON, Oct. 13.—Registration figures in the districts outside of Stockton in San Joaquin county, including 34 precincts, show a gain of 898 votes in two years. Lodi shows a gain of 295 votes in two years. The total gain in the county precincts for the two years, figuring five persons to each voter, adds 4,490 to the county population. The southern section of the county shows an increased registration of 415 voters. Stockton's gain in registrations in the two years was 1,034 voters.

Lord Bacon Said, "Digest" This Is the Secret of Life in Business or in Health

It is claimed that Lord Bacon struck the prime keynote of life when he wrote: "Some booty are to be tasted others to be swallowed, and some few to be chewed and digested." He wrote of books; many who have followed his precepts have likewise of life. The man who digests his business makes success; the actor or actress who digests his or her art brings fame; the man who lives life and digests it as he should lives as was the intention he should live.

It is not the food you swallow or taste that brings happiness to you; it is the food you digest. If you swallow and taste and don't digest, the food cannot give you health, for you do not furnish the ammunition.

Stuart's Dyspepsia Tablets contain in pure, concentrated form the essences which, when they reach the stomach, turn dyspeptic conditions into those of healthy digestion. Nature with those juices which sickness, abuse or wrong eating have exhausted.

The world's best chemists in Europe and America agree on the ingredients best adapted to perfect digestion—Stuart's Dyspepsia Tablets are these ingredients presented to the stomach in the most pleasant and lasting form. Powders and liquids soon lose their effectiveness through chemical action; Stuart's Dyspepsia Tablets are made under terrific pressure and their qualities are thus made lasting.
