

VARSITY ELEVEN DEFEATS THE RELIANCE CLUB RUGBY TEAM, 39 TO 0

SCENES DURING THE VARSITY-RELIANCE (UPPER) AND FRESHMEN OLYMPIC FOOTBALL GAMES ON CALIFORNIA FIELD YESTERDAY

LOOSE PLAY MARKS FIRST RUGBY GAMES OF SEASON

Blue and Gold Varsity Kickers Easily Win From Reliance; Olympics Beat Freshmen

BERKELEY, Sept. 4.—Varsity and freshmen of the university battled on the Rugby field with bay city club teams, and after the cessation of hostilities the freshmen had a goose egg and the Olympics had 8 points in a hard battle, while the varsity easily defeated the Reliance club of Oakland by 39 to 0. Both games were marked by loose play, particularly by the freshmen and the Olympics.

A large number of students and residents of the bay cities witnessed the initial Rugby matches of the season, and were rewarded in the second game by seeing clever playing in running, passing and booting on the part of the varsity almost invariably followed by looseness of play. The teams were in better shape for so early in the season than they had been since the Rugby era.

FAMILIAR PLAYERS SEEN

A large number of familiar figures were seen when the Olympic club team trotted on the field for the kickoff. Stanford, California, and the old club team of last year were well represented. Webster, Freeman and Tuller formerly played on the California varsity, and each played a good game considering their condition and the earliness of the season. Hickey, Laumeister and Molino were the contingent of former Stanford stars, while Harry McKenzie, the dashing Santa Clara college player, was in every game and probably played the best game of the two teams.

The game was marred by the frequent blowing of the whistle of Referee Rice, and the game was considerably delayed, especially when fast play seemed evident.

The Olympics had their own way in the first half, but a change in the initial lineup of the freshmen at the end of the half changed the complexion of things and it was an even tussle in the second period, which was without a score.

OLYMPICS KICK OFF

Play started with Olympic kicking and a few running passes, which brought the ball in the middle of the field. The class of 1913 then worked the ball down within a few yards of the Olympic goal, where, after a rally, the Olympics got possession, and, in a spurt of speed, crossed down the field to the five yard line of the freshmen almost to a score. There a scrum was formed, and McKenzie a few minutes later went over the line for the first try of the day. He failed to kick a goal.

The freshmen after the kickoff were again on the defensive, but could not withstand the rushes of the Olympic

forwards and backs, and McKenzie shot over the goal line for try, which he converted into a goal, making the score 8 to 0.

Throughout the remainder of the half the freshmen goal was threatened, but they managed to save a score by the closest margin. A decided change in the lineup in the second half with Stroud, brother of the famous guard, and Mini, a relative of the dashing halfback of fame in 1900, made the '13 team stronger, and the Olympics, tired from their exertions in the first half, had all they could do to hold their own.

FRESHMEN SHOW SPEED

Play was marked by dash and fierceness on the part of the freshmen, who kept the ball in their opponents' territory most of the period. Now and then Olympic would give the bleachers a scare by advancing the ball near the freshman goal, after running passes and well placed kicks into touch. The score, however, was unchanged.

The teams opposed each other as follows:

California freshmen—Fullback, Peart; three-quarters, Potter, Salisbury, Hartman; five-eighths, Chestnut, Jackson; half, O'Leary; scrum, Moody, Stahl, Lowenthal, Lafferty, Stroud, Mini, Spaulding, Ferguson, Hunter, Bradford; wing forward, Moore.

Olympic Reds—Fullback, Briggs; three-quarters, Cavanaugh, Goodell, Laumeister; five-eighths, Webster, McKenzie; half, Parker; scrum, Clarkson, Freeman, Brown, Haley, Molino, Hickey, Trowbridge; wing forward, Tuller.

RELIANCE VARSITY GAME

The kickoff of the Reliance-varsity game was the signal for an exchange of kicks and rapid running passes in California territory at the commencement of the half. The varsity kicked into touch at the beginning of the game, and in the throwin Cerf, Elliott, Pauly and others took part in a running pass which ended when Cerf booted the ball over the goal line.

After the kickoff and the clever dribbling of Swartz and Pauly from the center of the field Harris secured the ball and went over the line for the first try. Elliott easily converted, making the score 1 to 0.

Reliance kicked off and the next score resulted almost immediately. After considerable running and passing, coupled with clever kicking, Harris again crossed the line after a pass by Elliott. The goal was again kicked.

The third kickoff was brought back to midfield by the blue and gold and after a scrum the ball was dribbled to the 49 yard line, where Johns secured it, and, assisted by Harris and Carpenter by successive passes, carried the ball over the line. The goal was again kicked by Elliott.

CERF INCREASES SCORE

In the second half the varsity pressed

Captain Cerf of varsity football team, who made great showing in game with Reliance team.

Breaks Collar Bone Second Time in Football Game

BERKELEY, Sept. 4.—The athletes of Boone's academy, who have been divided on the question of Rugby football or the American game, have at last decided in favor of the latter. At a meeting of the student body of the academy, yesterday, the students went back on their former decision to play Rugby, giving as their reason that it was too late in the season to learn the new game and that their facilities for playing Rugby were inadequate.

Boone's first game will be played with Wilmerding school next Saturday on the Presidio grounds in San Francisco. The only other game scheduled is with Lick on the following Saturday.

The first accident of the season in Berkeley occurred yesterday afternoon, when Irving Scott, left halfback for Boone, broke his collar bone. Scott sustained the same injury last year and has not recovered sufficiently to appear on the field. His collar bone, which was still weak, was broken in an attempt to fall on the ball in preliminary practice. Scott probably will be on the field again about the middle of the season.

DRUG FATAL TO WOMAN—May Sommers, the woman who took morphine several days ago rather than go to live in the country with her husband, died yesterday at the city and county hospital. She lived at the Palma hotel.

Easter Takes Two Fast High Stanford Stake Football Teams In Handy Style Will Compete

Wright's Little Trotter Goes Away From Competitors and Wins Easily
 Elevens of Berkeley High and Lick Will Meet in San Francisco October 19

[Special Dispatch to The Call]

SACRAMENTO, Sept. 4.—The historic Stanford stake was captured in handy style today by S. B. Wright's Easter from a field of two other starters. The little trotter as handled by Rutherford traveled away from the other two in a manner that left no doubt as to the outcome. Dana Perkins' All Style took second money and S. H. Hoy's Complete third.

The 2:10 trot for a purse of \$1,000 proved an easy victory for William Morgan's Eva, which decided the race in three heats. Goldnut and Della Derby had a time of 2:10 trying to determine the rightful custodian of second money, but Goldnut earned it.

A driving club event, the last on the program, furnished the only real racing of the day. Variety was added when a Sulson bronco buster successfully rode the wild bull that has been tossing others about and won a \$100 wager. Summary:

The Stanford stake, value \$1,300, for 3 year old trotters:	
W. Morgan's Eva (Williams).....	1 1 1
G. W. Ford's Goldnut (Helman).....	4 2 2

BECOME DEAN OF STADIUM

KENTFIELD, Sept. 4.—At a recent meeting of the executive committee of the Tamalpais center at the residence of William Kent Rev. Ernest E. Bradley, who recently returned from an eastern visit, was given the title of dean of the stadium and plans for the improvement and equipment of the recreation grounds and gymnasium were made.

The writer further states that as McGrath and Sheridan have received \$1,000 for competing in the Gaelic games, he thought the athletes whom he mentioned would be an even greater drawing card.

Local officials of the Gaelic athletic association deny having paid \$1,000 for the services of McGrath and Sheridan at the recent athletic meet. One member inadvertently admitted that it had been expected other Eastern stars would compete, but that their price was too high.

BERKELEY, Sept. 2.—Two of the fastest high school football teams of the season will meet in San Francisco during the Portola week, when Berkeley high school goes against the fast Lick team October 19. The managers of the two teams were communicated with by "Bill" Reid, the famous Harvard back, long known on this coast as an authority on American football, who requested that the elevens meet during Portola week. It being his opinion that Berkeley and Lick were the two teams best fitted to furnish a high grade of football on that occasion. The Portola committee has given its sanction of the game and the scene of the contest will be announced soon.

Neither Lick nor Berkeley was decisively beaten last year. Lick contested the final game of the A. A. L. with Alameda high, and each team claimed a victory. The league awarded the game to Alameda, although the authorities of the game present were divided as to which team should have been awarded the victory. Berkeley's last year's team was beaten only by Belmont in a fast 6 to 9 game. The two teams played a game a few weeks before and either could have given any high school team in the state a hard battle. Alameda refused Berkeley's challenge, so that the followers of the game were deprived of an interesting match, and the comparative worth of the teams was left undecided.

Berkeley is going through hard practice and has a squad of 40 players on the field daily. Lick has only one veteran of last season's gritty team back in the school—Captain Smith. Lick's custom, however, of keeping on the field a large number of good substitutes has materially aided in this instance, and with all but one man of last year's team gone the school is expected to turn out a first class eleven.

Berkeley high will again be coached by Dave MacAndrews, the former Dartmouth back field player. MacAndrews probably will devote his entire time this year to coaching Berkeley, and says that he expects to make the prep the champions of the state. At the end of the season an attempt will be made by Berkeley to meet Los Angeles.

Berkeley has eight men from last year on the field. Eugene Kern, who played on last year's team and also represented Berkeley on the track, has succeeded in entering Stanford, although he was earlier in the year registered for work at Berkeley high. Kern is one of the best all around prep athletes in the state, and his loss will be keenly felt by Berkeley. His place on the football team will be filled by Hunt or Wiley, both of whom are fast men and are contesting this position on the team with great energy.

Bravard Sinclair, who will captain the eleven, will play in his old position of left tackle. Watkins, M. Sinclair, Steel, Hanford, Morris and Ince will complete the list of veterans that will again be with Berkeley. The new men who are trying for positions on the team are: F. Asar, Pullman, Shipman, A. Brunk, C. Brunk, Kaufman, Wilson, Miller, Parrish, Larsen, Brown, Hardy, Salbach, Crosby, Baronidis, Palmgren, Weber, Parton, Clopton, Forbes, and Sand.

Asks Money To Take Amateurs To Chicago Meet

Letter Indicates That Mercenary Motives May Enter Into American Athletics

[Special Dispatch to The Call]

CHICAGO, Sept. 4.—That mercenary motives may enter into American amateur athletics is shown by a letter which President George K. Herman of the Central A. A. U. has in his possession from an eastern man who offers to bring five eastern athletes to Chicago to compete in contests for \$850, exclusive of expenses.

The letter was written to a Chicago man by William J. Costello of New York, who states that he will bring John J. Flanagan, the crack weight thrower, for \$250; Con Walsh, also a weight man, for \$150; Dan A. Hearn, the Irish jumping champion, for \$130, and two distance runners, whom he did not name for \$50. The remainder of the amount, \$160, was to go to the promoter.

The writer further states that as McGrath and Sheridan have received \$1,000 for competing in the Gaelic games, he thought the athletes whom he mentioned would be an even greater drawing card.

Local officials of the Gaelic athletic association deny having paid \$1,000 for the services of McGrath and Sheridan at the recent athletic meet. One member inadvertently admitted that it had been expected other Eastern stars would compete, but that their price was too high.
