

R. J. MACKENZIE TO GO AFTER STAKES

Son of Canadian Northern President Already Has Fast String in Training at the Track

Rod J. Mackenzie, the young Canadian railroadman, son of the president of the Canadian Northern will come to Emeryville shortly after the holidays and take a hand in the game until the season closes.

His horses are rounding into shape in care of Trainer Ed Wythe, but it is not likely that they will be ready to race before the arrival of their owner.

Mackenzie raced here four years ago and had a good horse in Wire In, which was second in the annual and Bunn handicaps, breaking down in the latter race. This year the young turfman suffered ill luck in the loss of Tourenne, for which he paid \$10,000. He beat Jack Atkin in the Cosmopolitan and a horse cap and died two days after shipment from Windsor, Ont., to New York.

The best of the string at Emeryville is Earl Johnson, a clever mid runner, which has won from good ones over a heavy track. He finished second to Donald McDonald at Saratoga, and in front of Arases, the mile being run in 1:29 1-5. He broke the track record at Hamilton for the annual and sixteenth on a fast track, going in 1:45 2-5.

Among others in the string is Direct, by Don de Oro, winner of two cups in Toronto. Among the yearlings in the back, Wythe has a pair of a brown colt by Handspring out of Pond Lily and a chestnut filly by Blues, out of Pentence II.

In today's feature race the Claremont handicap, Boggs, winner of six victories, will be asked to carry 124 pounds, and it is believed the package will be too great for the game little fellow.

Antloch—Answering a query, there was no show price quoted in the official chart on Nera Nick in the Pinole handicap and probably none was laid, as he was 2 to 1 to win.

Schreibers Dargin well known locally, and L. greatly improved horse on the eastern tracks, will make his first appearance today in the third race.

Lady Elizabeth is reported suffering slight injuries from the jamming she got in the Pacific Union handicap Saturday.

H. G. Beagwell, who has been racing his stable at the Juarez track, made a request by telegraph yesterday to have 12 stalls reserved for him at the Emeryville track. He will probably ship his horses at once, as climatic conditions at Juarez interfere with racing here. Informants have reached here that Bedwell's mother, who had been at El Paso, had died there, after a brief illness.

The Saratoga racing association will give away \$25,000 to horsemen next season. This sum is \$25,000 in excess of the amount mentioned by the officials last week. The new figures were decided upon by the directors at a meeting yesterday. The sum of \$15,000 was paid out to turfmen. This money will go to owners in the form of stakes and over night races.

Embodied in the forthcoming report of the New York state racing commission will be a statement taken from the books of the various racing associations, to the effect that the total amount of money that has been paid over the operations of the anti-race track gambling laws. Before the passage of these laws the state collected a 5 per cent tax on the receipts of the associations. In 1907 the most prosperous year of the turf there, more than \$250,000 was paid over to the state under this tax law.

PRINTS OF BURGLAR'S FINGERS PHOTOGRAPHED

Intruder Leaves Marks on Window Sill of Residence

The apartments of Mrs. K. T. Goodall at 1414 Hyde street were entered by a burglar Monday night climbing through a window. Jewelry valued at \$750 was stolen. The burglar left his fingerprints on the window sill and a photograph of them was taken yesterday by Police Photographer Blum.

Three burglars entered the residence of Mrs. Mary Egan, 1011 E. 12th street, Monday afternoon, but when they realized that they had been seen by George Nagata, a Japanese servant, they ran away. Mrs. Egan, Pittcher's residence at 219 Trenton street, was entered Monday during the absence of the family and jewelry and silver were valued at \$100 were stolen.

Charles Burthmann, 176 Golden Gate avenue, was held up by two men Monday night in San Jose avenue near Unadilla street and robbed of \$16.

Edward O'Neill of the Metropolitan hotel was robbed of a purse containing \$10 and a diamond ring valued at \$30 on a Fillmore street car; D. N. Ambler, 1235 Pacific avenue, of a purse containing \$10 on a Mission avenue car; Hiram Fisher, 1615 Fillmore street, of a purse containing \$16, check for \$18 and money orders for \$10.25 on a Polk and Larkin car, and Mrs. F. S. Kingswood, 1413 Dolores street, of a purse containing \$5 on a Valencia street car.

A boy about 17 years of age stole a colic dog valued at \$150 from Mrs. M. J. Creutz, 511 Eleventh avenue, Monday, and some one else stole a dog and buggy from B. Cohn, 1302 Golden Gate avenue.

While Mrs. W. J. Jackson of 1447 Lake street was sitting in Ellis street between Taylor and Mason Monday afternoon a negro snatched her hand satchel, took from it a purse containing \$5, dropped the satchel on the sidewalk and ran away.

ONE SERIOUSLY HURT IN CAR COLLISION

Jay O'Loane Thrown Into Air and Fractures Shoulder

In a collision between two cars at Turk and Fillmore streets at an early hour yesterday morning several passengers were injured, one seriously. According to eye witnesses Jay O'Loane was riding on the front platform, at the time of the accident, and was thrown 20 feet into the air, striking on his back and sustaining a severe fracture of the shoulder.

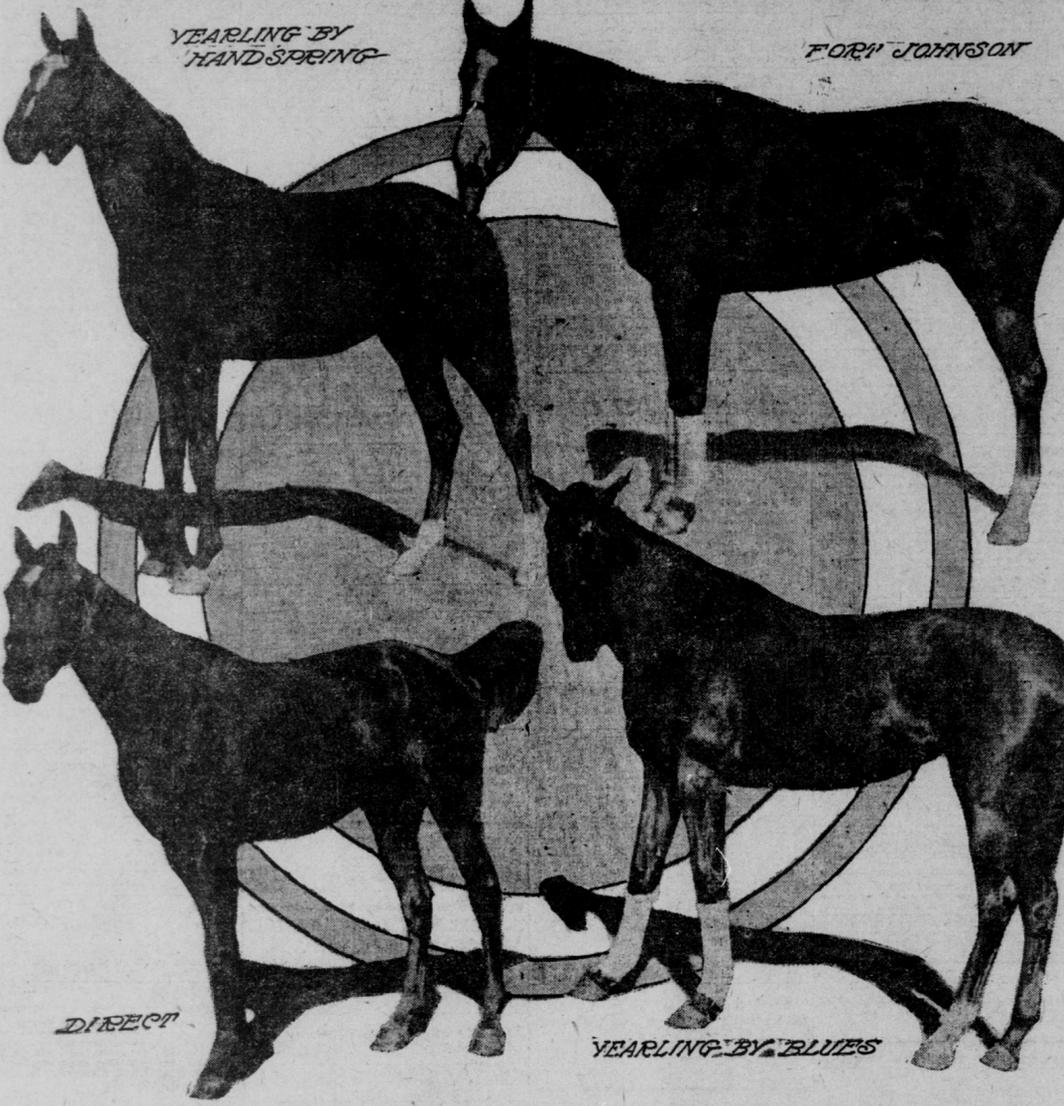

It was announced at the French hospital, to which institution the injured man has been removed, that it would be several months before he will be able to leave.

O'Loane is the man who was charged some months ago, together with Sidney J. Danby, with giving liquor to James Goodwin, an aged miner from Nevada, with intent to kill him. The alleged plot was uncovered by Dr. Joseph L. Howard, and both of the men were pleaded guilty.

Although the case has been constantly in the courts for a number of months it has not been possible thus far to secure a conviction. The case is set to come up before Judge Cabanis some time early in January.

LOSES GREENBACKS—Albert E. von Miller of the Union League club reported to the police yesterday that he had lost \$100 in Nevada national bank in the morning and drove \$500 in greenbacks to his home in his pocket. He went to a jewelry store in Kearny street, but the money had disappeared, and he thought it had dropped out of his pocket.

DISCUSS CHANGE OF IRVING PRIMARY SITE

Supervisors Seek Information Before Decision

"You couldn't reach it in a balloon," said Miss Caroline B. Barlow of the Washington Irving primary school at yesterday's session of the supervisors' building committee, speaking of the proposed change of site to Vallejo comers from Broadway near Montezuma.

The Telegraph Hill neighborhood association had petitioned through its president, Miss Alice L. Griffith, for the removal, stating the proximity of saloons, dance halls and nickelodeons made the present site anything but a desirable one for the assembling of school children.

Miss Barlow proposed, instead of removal, the purchase of the adjoining lots. The committee asked the city attorney to secure offers upon these, and sent Miss Griffith's letter to the board of education for a report. Superintendent Roncovieri, who was present, did not care at the time to discuss the sites.

Good Showing in Athletics Is Subject of Commendation

An enthusiastic rally at Sacred Heart college of students and instructors yesterday closed the winter term of the school. Most of the speeches dealt with the splendid showing made by the college in the field of sports. Brother Lewis was the first speaker, saying that so long as athletics had become a necessary part of the present college life, he was glad that Sacred Heart college was first in line.

Brother Gregory spoke in moderation in athletics. He took occasion to compliment the college relay team as champions of the Catholic colleges of California. Coach J. J. Griffin, in his address to the college spirit, outlined his plans for the coming basketball season. Black lettered sweaters were awarded E. French, 1911; T. Goffney, 1912; M. Mosher, 1913, and G. Hunt, 1913; J. Dougherty, 1912; D. Doran, 1910; T. Cummins, 1913; L. Robinson, 1912; M. Raackel, 1911; W. McCarthy, 1911; F. Bennett, 1913, and D. Byrnes, 1911.

Have You the Stamp of Weakness Upon Your Face?

If you have varicose, loss of power, debility or weakness in any form, you can't conceal the fact. Your face tells the story much plainer than words. Do you intend going through life with all the marks of blighted manhood, to be shunned and despised by men and women? There's no excuse for you remaining just a piece of a man. Nature intended you to be physically perfect, but you have broken Nature's laws and now you are paying the penalty. The best thing you can do is to get busy and remove the cause of your ailment before it is too late. Don't make the mistake of dosing yourself with worthless drugs in the hope of getting a cure. What you need is new strength, nerve force, vitality. You can't get that from drugs. Electricity is Nature's remedy for men like you that's the only medicine you require. Build up your strength and vitality by the daily application of Electro-Vigor. Electro-Vigor is a scientific device for infusing electricity into the body. It renews the energy and activity of every weak organ. It increases vitality and power and makes a man of you in every way. No chronic disease, no matter how ancient where there is plenty of electricity, for this force removes the cause of the trouble. Electro-Vigor does not shock or blister. It generates a steady, unbroken current of electricity, and is always charged, ready for use. All you have to do is adjust it correctly and turn on the power to the proper degree of strength. From the moment the glowing electric stream courses through the nerves and vital organs, carrying new life and force to every weakened part. The machinery of the body responds to the influence of electricity in the same way that an electric motor starts whirling as soon as the power is turned on. The motor does not live who can not be made a better man by the application of Electro-Vigor. Those who have used it say that it is the grandest invigorator of the age. Electro-Vigor has cured me of varicose veins and I'm feeling better now than I have felt for many years, and you may rest assured that I shall be glad to endorse your appliance. WM. COLLEGE LEAGUE OF FOOTBALL FRAY

Many Stanford Men to Oppose Blue and Gold in Christmas Day Struggle

BERKELEY, Dec. 21.—The football enthusiasts of the bay region are praying for a bright sky and a cheery day Christmas in order that the big game scheduled between the Springfield and the Scenic eleven in this event planned at the State league grounds in Oakland.

Since the announcement making known the participants in the struggle was given out enthusiastically in this event has been a high pitch. The football followers are busily speculating as to the chances of the separate teams, and on all sides an eagerness to witness the biggest game of the football season is being expressed.

The fact that two Stanford stars of former years—"Babe" Laumelster and "Bull" Carpenter, one of the gold men makes the struggle somewhat of a personal matter between California and Stanford, and a goodly dash of spice is added to the interest by the fact that the two clubs will have their most notable stars of past years in the fray.

Cal Haffey, who was captain of the blue and gold Rugby squad three years ago, and "Babe" Carpenter, one of the strongest punters yet turned out by the University of California, are showing up big in practice and will hold their own for the Springfield against Stanford and the Scenic eleven in this event. A Scenic club man of note and the latter probably the best all around man turned out by the Berkeley high school in a decade.

The Scenic team also boasts Mill and Al Hartley, who almost single handed brought victory to the Berkeley high in the 1908 campaign. The two Mackle brothers will be in the running again for the Hillside game for popularity in this section, and this game will decide several points in dispute.

Hardy, Haffey, Bowman, Fairbanks, Twitshell, Sorenson, in the interest who took a big part in putting Rugby on its feet at the university, have taken just as kindly to the American game for the time being and will try their mightiest to bowl over every Scenic star against them.

Carpenter will in all probability be used at the left guard position for the first half and Fairbanks will be given the chance in the second half. McGrath, the fast Oakland high man, has been secured for the left half post and Kern will help him out if the going is too strong.

The clubmen are going about their work with a snap and an enthusiasm that justify in every respect the representation of their legion of backers. On all sides the fact is appreciated that there is a strong tug between Rugby and the American game for popularity in this section, and this game will decide several points in dispute.

Although the tickets were placed on sale only yesterday, it looks as though a new lot will have to be run off to meet the demand. Coach McAndrews of the Springfield squad is being asked by inquirers all over the state about the chances of his team, and the management of the Scenic eleven is kept busy answering queries as to the fighting worth of the Hillside squad.

FOOTBALL VICTORY GAILY CELEBRATED

St. Mary's Students and Alumni Give Banquet and Gifts to College Leaders

[Special Dispatch to The Call] OAKLAND, Dec. 21.—A celebration unique in the history of the Oakland school took place at St. Mary's college last night. The specific object of the affair was the formal commemoration on the part of the entire student body of the big Rugby victory of Thanksgiving day, which formed the crowning climax of an unprecedented successful football season.

Upwards of 500 students and alumni, together with representative faculty members, were present at the supper served in the college grill. Between courses the college orchestra under the direction of Prof. Frederick Schorch, rendered familiar airs.

James M. Smith '10, president of the athletic association and the Associated Students, was toastmaster. The speakers included Brother Velleian, president of St. Mary's college; Brother Joseph, moderator in athletics; George C. Faulkner, Rugby coach, and Spence Dickson '12, captain of the victorious 1909 Rugby team.

The substance of all the addresses was enthusiastic praise for the 15 members of the 1909 team and eulogy of the splendid spirit displayed by the entire student body throughout the season. Brother Joseph dwelt upon the ethical significance of the right sort of college sport.

Toward the close of the evening the 15 members of the 1909 team received their college sweaters and block letters. In awarding them, Brother Joseph paid a special tribute to the substitutes. Graduate Manager John P. Doran '09 was given an ovation when he was called forward to receive a handsome gold watch, the gift of the athletic association.

Captain Dickson received an attractive prize from the association and Coach Faulkner was presented with a substantial purse.

A genuine surprise was given Brother Joseph when Andrew F. Burke, on behalf of the alumni association, announced that the former students of the Oakland college had determined to give a dashing saddle horse to the athletic moderator in appreciation of his services in the interests of clean college sports. The appropriateness of this gift lies in the fact that Brother Joseph is an experienced and ardent horseman.

Brother Agnon, whom the old boys style the dean of baseball at St. Mary's, was not allowed to escape without making a few pertinent remarks. During the evening several of the students sang solos in keeping with the occasion, among them being Michael J. O'Connell '12 and William F. Donnelly '10, both of the Rugby squad.
