ELOPEMENT ENDS IN DIVORCE COURT

Oakland Church Singer Proves to Be Real Bohemian and Soulmate Gets Divorce

OAKLAND, Feb. 5.—The dying out of a love that had its inception in guilt and that broke up two families was told today to Judge Harris by William A. Kling, former secretary of the Y. M. C. A., who eloped five years ago with Mrs. Carrie Brown Dexter, once a well known Oakland church choir singer.

Kling has effected a reconciliation with his first wife, whom he left when he eloped to New York with Mrs. Dexter. Their son, Harold Kling, a bank clerk, effected the reconciliation. Kling is now in Oakland and the pair have made no secret of their intention to divorce as soon as Kling has secured a final decree.

Church circles in Oakland were started five years ago to hear that Kling had left his wife and that Carrie Brown Dexter had forsaken her husband. Although she sang in a church choir, it was in a choir in Albany, Kling testified, that his soulmate met a barytone for whom she developed an affection.

The barytone was a great beer drinker, according to Kling, and the tastes of the pair were congenial. The husband often went home and found the choir singers drinking together. Once, when he had been absent from home a week, he learned that his wife's fondness for the barytone had passed all proper bounds. He left her then and came back to California.

PLAYERS NOW LOOK LIKE CHAMPIONS

Oakland High Expects to Defeat Berkeley and San Francisco Basket Ball Teams

OAKLAND, Feb. 5.—If Oakland high school does not win three championships it will be because the prospects are vague or uncertain. At present the school expects to have teams in basket ball, baseball and track capable of forging to the top in any "prep" school class.

In basket ball, Oakland high has stood absolutely at the top with but one or two exceptions, since entering the league, and this season will more than likely prove no exception to the school's long established rule.

Captain "Newt" Holden has a squad working out in the high school gymnasium that certainly has the class. Under the capable direction of Coach Frank Bock the team, at it stands now, should expect to win with difficulty in disposing of almost any team in this part of the state.

At center Ed Russell is a new man on the team, but he because he is playing in the fastest of the team. His work in the "Poly" game certainly was delightful. His goal throwing appears to be the most accurate of any player on the team.

Alumni Secretary Wants to Have Charge of Athletics at State University

BERKELEY, Feb. 5.—Definite announcement of his candidacy for the office of graduate manager of athletics at the university was made by Milton T. Farmer, graduate with the class of 1909, and at present assistant appointment secretary, and secretary of the alumni of the institution.

Farmer did not neglect the scholarship side of his duties. He was elected to Phi Beta Kappa, the honor society of the universities of the United States, based on marked brilliancy in study.

The young graduate is also a member of the Golden Bear, the senior honor society, and the Winged Helmet, the Junior society. He is affiliated with the Abacostabra house club.

Ralph P. Merritt, present graduate manager, has announced his intention not to be a candidate for re-election.
