## ROSSLAKE, AT 2 TO 1, WINS FEATURE RACE Jockey Kederis' Splendid Ride Beats Favored Bubbling Water

By E. W. CLARKE

Three favorites and three others well played at short prices brought joy to the form players yesterday, and the small layers got their third day's bumping. In addition to the winners, the horses that ran two-three were well backed and added to the scorching of the ring.

An accident had something to do with the decision of the third race, Ben Stone taking a tumble in the slippery going at the quarter pole. Billy Meyer, in the lead, caused the fall by cutting across Ben Stone's path and Meyer assumed command, which allowed him to finish second to Inclement. Either Meyer or Ben Stone might have won the race. Luckily Jockey Kederis escaped unscathed and came back in the next race to give Rosslake a splendidly ridden ride which landed her front of Bubbling Water, the favorite.

The event was a purse race at a mile and 70 yards, with four to start. Rosslake and Joseph's mare, carrying top weight, with Taplin up, was an odds on favorite at post time, with Rosslake receding from 8 to 5 to 2 to 1. Raleigh and Ed Ball were the others. Bubbling Water beat the gate, but Rosslake assumed command on the first turn and led up the back stretch by two lengths. Bubbling Water made her move at the half mile, but Kederis let out a wrap and increased his lead to four lengths. Bubbling Water could not get up, and was lapped at the wire by Raleigh.

The sixth race at five furlongs, with some of the best 3 year olds entered, was next in point of interest and the favorite again was beaten. Napa Nick was held at 9 to 5, with Coppertown and Phil Mohr next in demand around

## KENTUCKY PUTS BAN ON JOCKEY VALETS

Racing Commission to Hold to Rule Requiring First Call Mounts

By J. R. JEFFERY

Manager Danny Long of the San Francisco baseball team is rapidly rounding up his players, and by the end of next week he expects to have the contracts of nearly all of them in. Long yesterday received a contract from Harry Waring, who will be one of the new men on the local team this year. He mailed his contract from Kansas City, where he is at the present time, but he expects to come to the coast soon.

Waring was purchased from the Guthrie team of the Western association at the end of last season by Charles Comiskey, manager of the White Sox team. Waring comes with a good record. He batted .297 last season, and is qualified to play either in the outfield or behind the bat. He has been turned over to Long by Comiskey.

Fred Carman, the big bushy whom Long picked up toward the end of last season, sent in his contract yesterday. The big fellow looks like a good one, and with the necessary experience Long expects him to deliver the goods.

The season of the Imperial Valley league came to a close Sunday, so the Coast league players who were emboldened to the south during the winter can be expected back here any day now.

Claude Berry, the Seals' crack catcher, wrote Long that he will be here in a week or so. He and his wife are enjoying a duck shoot in southern California. Berry states that he may spend a few days at Paso Robles on his way to this city.

Long had a talk yesterday with Shortstop McArdle, and the infielder seemed to be satisfied with Long's contract, and said he would send his papers in within a few days.
