

BLAME LIQUOR FOR FAILURE OF STRIKE

Delegates to Philadelphia's Central Labor Union Demand Local Option

Sympathetic Movement Called Off, Majority of Workers Having Returned

PHILADELPHIA, March 27.—Declaring that the passage of a local option law would hasten the settlement of the trouble between the Philadelphia rapid transit company and its employees, the central labor union at its meeting today adopted resolutions calling upon the members of the trades unions of this city to agitate and vote for local option at every opportunity.

The failure of the brewery workers to join in the sympathetic strike, it is alleged, was practically responsible for the passage of this resolution. The vote and may vote on a motion to table the resolution was 24 to 82.

The general strike in sympathy with the striking streetcar men, which has been in effect for more than three weeks, was officially called off at today's meeting. A majority of the workers who had responded to the call have already returned to work.

The committee of 10, which had charge of the sympathetic strike, made its report today and recommended that the strike be discontinued and financial support be given to the carmen.

Governor Defends Prohibition CHICAGO, March 27.—Governor Walter R. Stubbs of Kansas, in a speech today, put his foot on the neck of those who would bring commercial ruin to a community.

He cited the experience of Kansas City as showing how state-wide prohibition, prohibited "trade outlets" and encouraged savings banks accounts.

He said in part: "The cry of anti-prohibitionists that wiping out the saloons would bring business stagnation has been utterly refuted by the fact that, figuratively speaking, I think I have my foot on the necks of those who circulate anti-prohibition talk."

It was said three years ago that the closing of the saloons would ruin the town. Today, with no saloons, that town has doubled its population, more than doubled its bank accounts, has better people, less crime, more schools and more intelligent citizens. I have just received telegrams from the mayors of 29 cities and towns, from 29 district judges and from chiefs of police, all agreeing that the day state-wide prohibition went into effect in Kansas was the brightest day in that state's history.

Miss Brehm's Campaign In a mass meeting yesterday afternoon at Good Templars hall in Golden Gate avenue, Miss Marie C. Brehm called upon the men of this city to help banish the saloons from the residential districts.

This afternoon a meeting of a similar character will be held at the University Mound Presbyterian church at Golden Gate and Taylor streets.

MOB TRIES TO LYNCH MAN WHO SHOT BOY Police Save the Lad's Assailant From Telegraph Pole

SEATTLE, March 27.—The timely arrival of the police saved Esquella Mariella, a laborer, from being lynched by a mob of 200 angry residents of the Beacon hill district this afternoon after the man had shot and dangerously wounded Early Young, a 19 year old boy, who had been playing ball in the alley back of his home.

The trouble started when Mariella, who, it is said, had been drinking, attacked the boy, attempting to take the ball away from Young. A fight ensued, during which the man drew a revolver and shot the boy in the side, the ball piercing his left lung. Passers rushed to the boy's aid and Mariella started to run down the hill, closely followed by a crowd of men and boys, which grew in numbers as the chase proceeded.

Mariella fired several shots at his pursuers, but none took effect, and he was finally cornered in the hall of a tenement, in which he sought shelter. Several men jumped upon him and gave him a severe beating. Dragging him out of the building, the men began to call for a rope and threatened to hang the man when a squad of policemen arrived in an automobile and rescued the prisoner.

Young was hurried to the city emergency hospital, where his injuries are said to be serious.

EASTER HAT PARADES PREVENTED BY RAIN LOS ANGELES, March 27.—There were no Easter hat parades anywhere in southern California today. A rain storm that poured from one inch to an inch and a half in places, kept the festive crops kept all the festive fine weather. It was the first time in many years that the sun failed to shine Easter day.

From Bakersfield south the rain was general. Throughout the Tehachan country the precipitation amounted to more than an inch. In Los Angeles the storm began before dawn, and up to 10 o'clock tonight intermittent showers had totaled an inch.

All the grain crops have been greatly benefited, and the lima bean growers of Ventura report that the storm will enhance the yield. The sugar beet growers also have been benefited.

Rain in San Diego SAN DIEGO, March 27.—Heavy showers fell at intervals today. The precipitation up to 3 o'clock p. m. being .52 in San Diego. In the country the storm was general and the total rainfall is much heavier in places than in the city.

DEATH CALLS COUNCILOR OF MORMON PRESIDENT SALT LAKE, March 27.—John R. Winder, whose position in the Mormon church was second only to that of President Joseph F. Smith, died today from pneumonia. He had been ill for several weeks and the fatal outcome was not unexpected.

Since the accession of President Smith to the supreme dignity of the faith Winder has been first councilor of the presidency. He was 85 years old. In the early days of Utah, when plural marriage was a recognized practice, Winder was married to a second wife, who died many years ago. He is survived by 16 children, 57 grandchildren and a number of great-grandchildren.

Try a special 40c luncheon at the O'Connell Hotel and Eddy street. You'll come again.

MARKET DULL DESPITE THE OUTSIDE ACTIVITY

New York Bond Sale Complicates Money Situation

NEW YORK, March 27.—The dull and narrow stock market of last week bore little relation to the course of events in the outside world, except as it was held in restraint by the prospect of curtailment by the double holiday and the possible demands upon the money market of the approaching April settlements.

The money position was complicated by the week's sale of \$50,000,000 New York city's 4 1/2 per cent bonds. The first impression of the sale was good, owing to the large volume of applications and the considerable foreign demand included. The new bonds were immediately admitted to the stock exchange to be traded in "when issued," and the sag in the price to below the lowest at which allotments were made on subscriptions turned the feeling on the matter to one of discouragement.

British consols sold down during the week to the lowest price since the depression of 1907, and with that exception since the first half of the last century.

Satisfaction was felt over the settlement of the western railroad freemen's dispute. Hopeful views were held also of an adjustment of the coal miners' trouble in January, divided between the Jones & Laughlin steel company and the Lackawanna bridge company.

A large amount of new structural work is pending. Some new contracts have been placed for plates and shapes by car builders, ship yards and machinery manufacturers, and larger specifications have been received on previous contracts with the same interests.

Contracts for pig iron have aggregated about 75,000 tons, mainly foundry gray.

BIG SCOTIA MILL TO BE IN OPERATION IN JUNE Pacific Lumber Company Preparing to Work Holdings

[Special Dispatch to The Call] EUREKA, March 27.—The new \$250,000 mill of the Pacific Lumber company at Scotia will be ready to begin operations in June. The old mill will be repaired and used for another year, after which the company will determine what to do in the way of building a second mill. An entirely new steel frame mill will be built or the old mill will be gutted of machinery and entirely rebuilt with everything new but the framework.

With these plans consummated the Pacific Lumber company would have two mills, the most modern on the coast, with a daily output of about 500,000 feet of lumber.

The two new mills, new rolling stock, dredging work and a steel steamer to be constructed by the Pacific Lumber company will represent an investment of \$2,000,000. These improvements will enable the company to work up to best advantage its big timber holdings on Eel river.

WEEK WILL BE FAIR, SAY WEATHER EXPERTS Coast Storm Expected to Reach the East Friday

WASHINGTON, March 27.—Don your spring suits and leave your umbrellas behind you tomorrow. You need not fear being caught out in the cold or of being drenched by the spring rains, for the government weather experts proclaim the temperature for the coming week will be mild for the season. This will be followed by rains and cooler weather, which is now central over the California coast, and is expected to reach the Atlantic seaboard by Friday.

ELKS' GRAND LODGE BUILDING DEDICATED

Members of Order From All Parts of State Attend Ceremony in New Hall

With a ceremony and reception fitting Easter day the new clubhouse and grand lodge building of the Benevolent and Protective Order of Elks, in Powell street between Sutter and Bush, was dedicated yesterday afternoon. The entire building was thrown open to the public except the lodgeroom, in which the dedication services were held, only members of the order being admitted there. Two orchestras furnished music. One was located on the main floor and the other on the third. Members from all parts of the state were in attendance with their men and women friends. As each woman entered the building she was presented with a bouquet of violets.

District Deputy T. R. Boone of Oakland was in charge of the dedication services, which began at 10 o'clock. The oration was delivered by Thomas W. Hickey, past exalted ruler. He said: "The Elks of San Francisco have now contributed their share to the rebuilding of this building. Let us hope that the bond of friendship and a temple of these fine flowers of friendship, charity and concord."

Large floral pieces wishing the Elks "all the success in the world" crowded the reception rooms. The building is the most complete of its kind in the city. The high jinks hall takes in the entire basement and has a separate entrance. On the main floor are the reception rooms, grill, billiard hall, buffet and library. The furnishings of the entire building are complete in every detail. On the second floor are the living rooms and baths.

The lodgeroom occupies the third floor and is fitted up in the handsomest fashion, with stained glass Gothic windows and a glass dome above. Along the sides are the seats for the members, while at the end is the throne of the exalted ruler.

The reception continued until 6 o'clock, but the crowd remained until the evening. The dedication committee consisted of Edwin J. Hansen, chairman; Herman Cordes, E. J. Beandon, John Wade and J. J. O'Toole.

JOY OF WELL DRESSED MAN FOUND IN BAY Name of Victim on Clothing Partly Obliterated

The body of a man, who according to the staff of the coroner's office had been in the water for two weeks to one month, was recovered from the bay at the foot of the pier of the Union iron works at an early hour yesterday morning.

Aside from the hands and face the body was in a good state of preservation, the clothing being good and tailor made and consisting of a dark green suit with a blue stripe and an overcoat of a very dark color, a soft white shirt with a black stripe and a soft detachable collar. There was but a 10 cent piece in the pockets of the clothing, besides a white metal watch, which had stopped at 1:35.

On the inside pocket of the coat was the label of a Seattle tailor. The name and address of the tailor shows plainly, but the name of the wearer was partly obliterated, all that could be read being "M. Yatsuyanagi, merchant tailor, Seattle. Name, S. W., Date, Feb. 28."

COMRADES TO HONOR SOLDIER'S MEMORY Will Place Bronze Tablet on Selfridge Monument

To the monument which is to be erected in memory of Lieutenant Thomas E. Selfridge at the National cemetery at Arlington, there will be attached a bronze tablet, telling of the life and work of the young officer, who lost his life while flying with Orville Wright at Fort Myer September 17, 1908. Members of the signal corps to which he was attached and personal friends from California are putting the tablet up as a tribute of affection and respect.

Lieutenant Selfridge was a native of California and received his appointment from this state when he entered the military academy at West Point. He was well known in army circles. He was a member of the Aero Club of America, and also a member of the Aeronautic experiment association, formed by Professor Alexander Graham Bell.

After being graduated from West Point he entered the artillery corps, but in April, 1908, he joined the signal corps.

Y.W.C.A. DELEGATES CELEBRATE EASTER

Solemn Services Precede Opening of Twelfth Annual Territorial Conference

SANTA CRUZ, March 27.—Easter Sunday was observed with solemn services throughout the day and evening by the 250 delegates who are here in attendance upon the twelfth annual territorial conference of the Young Women's Christian association, which is to be formally opened tomorrow morning.

Miss Theresa M. Wilbur, daughter of Judge Curtis D. Wilbur of Los Angeles and national secretary of the student branch of the order, had charge of the prayer service in the morning, and at 11 o'clock Rev. Charles S. Nash of the Pacific theological seminary of Berkeley, delivered the Easter sermon. He also preached at the evening service.

During the afternoon meetings were held in the different halls in the hotel. The convention will be called to order by Mrs. S. S. Salisbury of Los Angeles, national board representative and presiding officer of the western territorial conference. California, Nevada and Arizona will be represented on the floor.

Miss Caroline MacDonald of Montreal, Canada, who is secretary for the association in Japan and who is now on her way to Berlin to attend the international conference next May, will be one of the principal speakers here during the week. She will discuss missionary work in the orient.

Among the other prominent officers who are in attendance are Miss Ethel Cutler of New York, national secretary in charge of the bible work; Miss Edith Dabn of New York, national secretary in charge of Indian work; Miss Emma Hays of New York, national secretary in charge of the city department; Miss Carolyn Patch, secretary in charge of the city work of the western territory, and Miss Ruth Paxson of New York, secretary in charge of the student volunteer work.

Bible and mission study classes will be led by Prof. Raymond Brooks of Walla Walla, Washington; Miss Mary Cunningham, Los Angeles; Miss Carrie Barge, Delaware, and Miss Grace Fisher, Oakland.

Miss Edith Hatfield of Sacramento is the conference registrar.

JEATH ROBS ORDER OF AGED ASSOCIATE

Brother Joseph Staggi Passes Away at Noviate of the Jesuit Society

[Special Dispatch to The Call] SANTA CLARA, March 27.—Brother Joseph Staggi, a member of the Jesuit society for 54 years, practically all of which were spent in Santa Clara, died at the Novitiate of that order in Los Gatos yesterday.

Brother Staggi was born in Florence, Italy, November 13, 1824, and renounced the world for the life of a Jesuit May 1, 1856, in his native city. His parents were poor peasants but his superiors soon recognized in him a mechanical genius. Once, it is said, that appearing on the Italian streets with an iron motor car which he propelled by means of levers, he started the Florentines who had never before witnessed such a sight.

Although he could have secured work of a more agreeable nature, Brother Staggi chose the trade of a blacksmith. In 1858 a party of nine Jesuits set sail from France and, landing in New York, came directly to the west. That little party was composed of Father Prelatto, S. J., formerly of St. Ignatius college, San Francisco, and later of Santa Clara; Imoda, S. J., a famous missionary in the northwest; Father Guerrieri, S. J., once prefect of studies at Santa Clara; Father Neri, S. J., at one time a scientific professor at St. Ignatius and the introducer of the arc light in San Francisco; Brother Campo Piano, whose missionary name is known throughout the states of Oregon and Washington; Brother Staggi and three scholastics.

Of that party, Father Neri, blind and decrepit, is the only one left. The funeral of Brother Staggi will be held at 1:30 tomorrow afternoon from the Novitiate at Los Gatos, Father Thornton, S. J., officiating. The body will be brought down from the hillside chapel and laid in the Catholic cemetery at Santa Clara by the side of many of his former associates.
