GENERAL AGENTS VICTOR SAFE AND LOCK CO.

THE VICTOR SAFES may now be found in every city, town and hamlet in this country and are on sale in every market of the world. We have made a careful study of the requirements of the different classes we supply, and furnish safes specially adapted to each and at prices within reach of all.

In addition to manufacturing a complete line of fire and burglar proof bank and business safes of every description, we make a specialty of furnishing safes to the following classes: **Doctors, Lawyers, Clergymen, Farmers, Small Dealers in Cities, Country Merchants, Township and County Officials, School and Church Trustees, Societies, Lodges and Building Associations, Postmasters, Butchers, Tailors, Bakers, Confectioners, etc., etc.**

We supply railroad and express companies, steamboat and steamship companies with treasure boxes.

Our Company is the only Safe Company in the country systematically working in foreign markets, with trade established in all markets of the World.

All the VICTOR SAFES have our patented combination locks.

We compete successfully with all companies in workmanship and finish.

We use the very best materials known to the trade.

We employ the most experienced safe-makers.

We manufacture every part of our Safes and Locks from the raw materials.

Every Fire Proof Safe we make has solid all wrought Bessemer Steel Angles.

We manufacture all our special tools and most of our special machinery.

We letter all safes with purchasers' names, if so ordered, without extra charge.

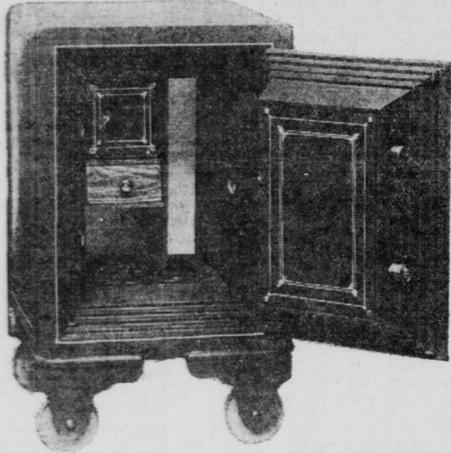

Our prices are for safes delivered on cars at San Francisco. We secure lowest contracted freight rates to all points. Will quote freight rate to any point on application.

We are the largest manufacturers of fire-proof safes in the world.

Our wrought Bessemer Steel Vault Doors are conceded to be the strongest and the best. This is evidenced by our large orders for government work.

YOUR HOUSE IS ON FIRE!

THIS MAY BE THE WARNING CRY HEARD BY YOU SOME NIGHT

Whether the above should refer to your store, factory, mill, office or residence. It means that all of your valuable account books, securities, deeds, insurance policies, notes, receipts, mortgages, etc., will most likely be destroyed, if not protected by a fire-proof safe. Can you afford to run this hazardous risk? The loss of an insurance policy alone will cause you endless trouble and expensive litigation with insurance company in securing settlement, for you would have serious difficulty in proving your claim. It is a duty you owe to your business, to your family and to yourself to protect these articles against both fire and thieves.

A safe will last you a lifetime; it is the best investment a businessman can make. Upwards of 200,000 Victor Safes are now being used, not only in this country, but throughout all parts of the world. Over a thousand of this number have already been in the hottest of fires, and in not a single instance has the Victor ever failed to preserve its contents when put to the test. You can, therefore, make no mistake in buying a Victor, as it is a strictly up to date safe. We give our usual fire-proof guarantee with each safe.
