**WANTS \$10,000 FOR LOSS OF HIS HAND**  
Man Whose Fingers Were Amputated by Machine Sues

[Special Dispatch to The Call]  
SAN JOSE, April 17.—Otto Jacobson, formerly employed in a local butcher shop, wants \$10,000 for his hand. St. Paul has been filed by his attorney against the firm of G. Wendt & Son, by whom he was employed as a sausage maker. The complainant says a part of his duty was to operate a machine driven by electricity used for cutting meat. The machine, the workman says, was defective, and for this reason he came in contact last September with one of the knives, which completely amputated all four of the fingers and the thumb on his left hand, and has incapacitated him from further engaging in his trade.

**BOOSTING RAISINS PHILADELPHIA**

H. M. Parker Confers With Committee and Will Leave for Quaker City

[Special Dispatch to The Call]  
FRESNO, April 17.—H. M. Parker, who was selected by the Raisin day committee to have charge of the special campaign to be carried on in Philadelphia, arrived in this city today, and held a long conference with the members of the committee regarding the work.

This is the first discussion of the special campaign, and it was only held for the purpose of completing plans which had been arranged before. The Philadelphia campaign has already been started through agents of Parker, but he will leave immediately for the east and conduct it in person from now until April 20.

Philadelphia will be flooded with Raisin day posters, recipe books and stickers during the next 13 days. The bakers of the Quaker City will also be urged to make raisin bread, and the restaurants and hotels will be requested to serve it. A number of contests dealing with raisins will be instituted immediately.

This campaign, which is being carried on at a campaign in Philadelphia, is believed by the members of the committee that if different cities can be thoroughly exploited great good will result independently of the country wide campaign.

Though yesterday was postcard day, the people of Fresno did not stop with that day, but continued to send out cards. Hundreds of souvenirs of Fresno and Raisin day were sent out from this city today.

Barring the conference held today between H. M. Parker and the members of the Raisin day committee, there was no work done on the campaign. The workers are taking a much needed rest and making preparations for a whirlwind finish to the second annual California Raisin day.

The work of sending out posters to all parts of the country will be started in earnest tomorrow, and already a large force of clerks has been secured to prepare and mail these handsome souvenirs.

**Raisins on Military Menu**

[Special Dispatch to The Call]  
WASHINGTON, April 17.—In response to inquiries made of the Raisin interests in California Representative Needham has received letters from the commissary general and assistant chief of the bureau of supplies and accounts of the navy department advising him that raisins have been on the bill of fare of both the army and navy for some time. Twenty thousand pounds of raisins were consumed by the United States fleet in the cruise around the world; and they are included in the stores of every army post and garrison in this country, from the Philippines and Hawaii.

It is impossible, however, for the government to increase the demand for raisins, as that lies with the soldiers and sailors.

**STRENUOUS BASKET BALL GAME WON BY SAN JOSE**

Players Hurt Five Times in Contest Lost by Reno Girls

[Special Dispatch to The Call]  
SAN JOSE, April 17.—Girls from the sagebrush and the desert wearing the colors of the University of Nevada were defeated in a hard fought basket ball game in the normal assembly hall last night by the girls of the state teachers' school in this city. The final score was 20 to 21.

The contest was the most strenuous that had ever been fought in San Jose, time being taken out five different times on account of injuries to players. The young ladies from the high altitude proved better starters, for they came back strong in the second half after they had been hopelessly outplayed in the first half and gave the Garden City girls a harder run. The teams were constituted as follows:

San Jose—Adelle Crook and Della Anthes, forward; guards, Grace Silson and "Pat" Murray; centers, Margaret Skaggs and Marie Walker.  
Reno—Berre Bray and Frances Smith, centers; Lena Hauss, Edith Fulston and Vera Ross, guards.

**VAUDEVILLE MEN SAW WEZLER IN PORTLAND**

Pianist and Singer Speak of Day Woman Was Killed

PORTLAND, Ore., April 17.—Two men in this city, both professing to know Charles J. Wezler, who is accused of slaying Mrs. Henry Schulz at Gig Harbor, Wash., and who is under arrest in San Francisco pending extradition, are positive that they saw and talked to Wezler just before noon on the Monday that Mrs. Schulz was killed.

One of them is Ernest Trauxler, piano player at a local theater, and the other is B. B. Vincent, employed as a singer at the same place.

Vincent says that he and Trauxler saw and talked to Wezler in front of a cigar store between 10:45 a. m. and 11:00 noon; that at the end of their conversation Wezler bought them a cigar. The proprietor of the store remembers the incident distinctly, but could not state positively that it was the Monday in question.

**ARTIST WILL EXHIBIT MINIATURES ON IVORY**

Hardcastle Harrison to Show Work at Fairmont

An interesting exhibition of miniatures of many of the most prominent social lights of New York and Washington and of four or five members of the local 400, done on Ivory by Hardcastle Harrison, the London artist who is at the Fairmont on a visit of three or four months, will be given in the little red room of the Fairmont from 3 to 6 Tuesday and Wednesday afternoons.

Among the miniatures to be shown will be those of Mr. and Mrs. James K. Moffatt, Mrs. James K. Smith, Mrs. Hiram Hewlett, Mrs. Henry Francis Dutton, and Mr. and Mrs. Edwin Gould, Mrs. Reginald Brooks, Mrs. George Westinghouse and Mrs. Eliza Dyer of New York, as well as 28 or 30 others equally beautiful.

The view will be a pleasing affair, and will later be given in Pasadena.

**ST. PAULUS SOCIETY TO PRESENT 40TH BALL**

Extensive Plans Being Made for Function

The St. Paulus benevolent society will present its fortieth anniversary ball in Golden Gate Commandery hall, 2137 Sutter street, this evening. Extensive preparations have been made for the function.

Following are the committees in charge of the ball:

Reception committee:  
J. Musignag, H. Frechill, H. Eckert, H. W. Gantner, E. Holl, F. L. Gustaf.

Arrangement committee:  
F. L. Muthach, chairman; E. Bucher, F. A. Kaiser, H. Wesphal, Mrs. M. Miller, Charles Maritzen, F. X. Burbans.

Flour committee:  
H. Wesphal, manager; J. Wade Jr., R. Kap, H. Gustaf, J. Willbrandt, R. Hart.

Mrs. Cecill Mark and 16 members of the San Francisco musical society will render the program next Friday evening at the Mission high school for another of the series of the public school lecture course. A delightful program of unusual musical merit is promised and all are invited.

**Bake Raisin Bread! Cup For Best Loaf**

Handsomer sterling silver cup offered by :: The Call :: as the prize for the best loaf of California raisin bread baked by any baker or confectioner in California north of the Tehachapi.

Handsomer sterling silver cup offered by :: The Call :: for the best loaf of California raisin bread made by any cook or housewife in California north of Tehachapi, not a professional baker.

**BAKERS and confectioners—all of you in California between the north side of the Tehachapi and the Oregon line—here's a challenge and a chance for you.**

Housewives and cooks other than professional bakers and confectioners—all of you in California within the same north and south boundaries—here's the same kind of a challenge and a chance for you also.

A handsome sterling silver cup is offered by The Call for the best loaf of raisin bread baked by any baker or confectioner in the territory described. Another sterling silver cup, equally handsome, is offered by The Call for the best loaf of raisin bread baked by any housewife or cook, not a professional baker or confectioner, in the same territory.

The sole restriction, beyond the geographical limitations already fixed, is that none but California raisins shall be used. So go ahead, bakers, confectioners, housewives and cooks. Begin experimenting right away. See what you can do with one of the finest delicacies California produces.

Three of the best known chefs in California have consented to act as the committee to judge the bread and award the silver cups. They are:

**ERNEST ARBOGAST, Chef of the Palace Hotel.**  
**VICTOR HIRTZLER, Chef of the St. Francis Hotel.**  
**ARTHUR LOGAN, Chef of the Hotel Stewart.**

These three men are at the top of their profession and contestants can be assured that the awards will be made strictly on the merits of the bread. The conditions are few and simple.

The loaves must reach The Call office not earlier than the morning of the 28th, nor later than noon of the 29th. All loaves that come on the 28th will be tested and judged on the afternoon of that day, while they are still fresh. The judges will hold another session on the afternoon of the 29th to pass upon the loaves that are received up to noon of that day.

Each loaf should have a label announcing the name of the contestant and stating whether the maker is a professional or nonprofessional cook.

The awards will be announced in The Call on the morning of the 30th.

**SALOON HELD UP BY THREE BANDITS**

Till Rifled and \$15 Stolen; Owner and Patron Lined Against Wall

Just before midnight Saturday night three thieves rifled the till of Henry Murray's saloon at Powell and California streets.

Murray was forced to hold his hands over his head while two of the men searched the cash register and bar drawers for money. One of the trio kept watch at the front door.

In the midst of the holdup Frank Feeny of 264 Broad street, Ocean View, stepped into the place and was commanded to join Murray with his hands over his head and his face to the wall. The men secured \$15.

Mrs. George Quigley of 1119 Frederick street reported to the police yesterday that burglars had entered her home some time Saturday night and stolen jewelry valued at \$150 and silver ware appraised at \$250.

While taking in the sights along the Barbary coast early yesterday morning Victor Samader took particular interest in a dark doorway at 26 Washington alley. While he was trying to penetrate the darkness, \$117 was taken from his pockets by a man standing in the entrance. Samader reported his loss to the police.

**GENERAL WESTON LEAVES FOR EAST**

Many Army Folk Bid Farewell at Ferry to Departing Officer and His Family

General John F. Weston and his family departed for Kentucky yesterday at the ferry building a large number of army officers and their families gathered to bid them farewell.

General Weston has been stationed at the army post in this city since last June. During the last six months he has been in Washington, D. C.

Captain Roy P. Stoburg, Philippine scouts, registered at department headquarters yesterday. He is at the Jefferson hotel.

Lieutenant Charles B. Meyer, coast artillery corps, stationed at Fort Baker, has been granted leave of absence for 30 days, commencing June 1.

Lieutenant C. Stockman Bendel, Seventh Infantry, reported for duty at headquarters yesterday.

On arrival of the transport Sheridan, due here Wednesday from Manila, the following medical officers have been designated to proceed to their respective posts:

Lieutenant Fred T. Koyle, to Fort Bliss, Texas.  
Lieutenant Robert E. Sievers, to Fort Clark, Texas.  
Lieutenant John M. Hewett, to Fort McIntosh, Texas.

Major Theodore C. Lyster, medical corps, is temporarily assigned to duty at these headquarters pending his departure to the Philippines.

**PIONEERS AND WIVES GUESTS OF DAUGHTERS**

Typical '49 Luncheon Followed by Splendid Musical Program

Daughters of California Pioneers held pioneer day Saturday and celebrated with a '49 luncheon, at which they entertained about 70 pioneers with their wives, 113 guests sitting at the gayly decorated horseshoe shaped table. In accordance with the '49 idea the table was covered with brown butcher paper, paper napkins were used and wooden plates. The menu, which was delightful, had introduced as a special feature, beans such as the pioneers fared upon. Great bowls of California poppies made the table gay and the same flowers were used up stairs.

In one corner of the room stood a large beam such as a miner's camp, which caused much merriment among the guests.

Mrs. Emma MacGregor, president of the Daughters, made the address of welcome, and was followed by W. W. Hobart, Charles King and M. White, who spoke on the early days, and Mrs. J. J. Donnelly, who told of the pioneer relics contained in the museum at the park.

After the luncheon the guests went to the assembly hall upstairs, where a musical and literary program was rendered. Miss Irene Muesdorfer, Miss Wilhelmina Schulte, Miss Gussie Mast, Miss Julia Nippert, Mrs. Ernest Leigh and Miss Ellen Dolliver sang. W. W. Hobart gave a reading and Miss Clara Adams played a piano solo.

The committee in charge consisted of the following:

Mrs. J. J. Donnelly, Mrs. William Limbaugh, Miss O. Muesdorfer, Miss Elsie Nolan, Mrs. Walter A. Scott, Mrs. Ernest Leigh, Miss Clara Adams.

**AUTO HILL CLIMB HELD AT FOLSOM**

Motor Car Dealers of Northern California Pull Off Initial Competitive Meet

By R. R. L'HOMMEDIEU

The automobilists of northern California had a day of sport at Folsom yesterday. The Dealers' association of northern California held their initial hill climb in the town of Folsom. The course was a mile long, running right through the main part of the city, and the grade ranged from 7 1/2 to 15 per cent. There were two hard turns that gave the drivers a chance to show their ability.

Sixteen owners participated, all of whom made a good showing. Fully 2,000 enthusiasts enjoyed the sport, many motorists coming in from the surrounding country and fully 150 machines coming from Sacramento.

Ben Harvey, of the racing driver who has captured several coast records in the Rambler, is president of the association and was in charge of the event.

In class A, the E-M-F won in 2:10.5, Buick was second and Overland third. A 30 Maxwell, a 30 Regal and a 30 Mitchell also started.

In class B, the Maxwell won in 2:10.5, E-M-F second, Regal third. Class C was scratched.

In class D a Rambler won in 2:01.5, a Winton was second and a Pope-Hartford third. A Dorris and a Speedwell also started.

In the free for all the Rambler won in 1:51.5, Maxwell was second and the Pope-Hartford third. A Winton and a Dorris also started.

One of the most important changes that has taken place recently in the automobile industry in and around San Francisco and Alameda county was the complete change of management a few days ago of the Oakland branch of the Studebaker brothers company of California. By the change Harvey Burchell, formerly assistant manager of the county, who resigned on account of other business interests, becomes general manager of the Oakland branch and A. H. Piepenburg, one of the most prominent automobile men in the west, becomes the manager of the automobile department.

According to Chester N. Weaver, vice president and general manager of the Studebaker brothers company of California, the Oakland branch of the Studebaker organization has been during its five months of existence one of the best business corners in that city and it is generally recognized that there is no more elaborate establishment of its kind in Alameda county.

According to Burchell and Piepenburg an active campaign for the sale of Studebaker automobiles and other types of vehicles will be waged. Deliveries of machines during the last four months from the Oakland branch have been on a par with many of the larger Studebaker branches, and judging from the orders that are at present booked ahead the distribution of Studebaker vehicles throughout Alameda county and the tributary territory will far exceed the original expectations.

**RECORD DAY AT OVERLAND PLANT**

Eighty-three cars passed through the first assembly and 70 passed the final assembly. Seventy-three cars received the final test. Seventy-five engines were tested and 77 completed cars were shipped. No preparations were made to make this record. It merely represents a good day's work. Sixty-eight cars were shipped the day before.

**WELL KNOWN CARS**

Established concern and do not take any chances with new products which have not passed the experimental stage is amply demonstrated by the heavy sale of Columbia cars," says President H. W. Nickolls of the Columbia motor car company. "A feature which has strongly appealed to me is the fact that we are selling the 1910 Columbia to those who bought our product eight and 10 years ago. It is also very satisfying to see our old agents still selling Columbia cars."

**NOTES OF THE AUTO**

The best month in the history of the registration department of the state of Ohio has just passed, being March, 1910. During that month 5,842 owners took out licenses, giving a revenue of \$28,708; 108 manufacturers and dealers registered, while 700 chauffeurs secured licenses. A total revenue of \$131,660. Since the first of the year the department has issued 17,500 licenses.

**IMPORTANT NOVEL by CHARLES TENNEY JACKSON**

**THE DAY OF SOULS**

Mr. Jackson can pride himself on having written the truest story of San Francisco; the truest, most vivid and most penetrating of them all. It is big and true, with a vital sense of life and the power of the spirit.—N. Y. Times.

The story of the triumph of a man's better nature, and his struggle upward with a woman's help. The struggle is dramatic, optimistic, typically American and intensely modern. A full-blooded and vigorous work of fiction, notable for its solid grasp of the facts of actual life and their portrayal at once faithful and inspiring.

Out of the depths of political and social corruption in a great American city comes a story of singular sweetness and humanity—The Day of Souls. The book is finely manly—a faithful transcript of today.—Chicago Daily News.
