FRESH VOTES FOR RAISIN PARADE

Marshall Announces Plans for Evening Parade Two Miles Long April 30

Fraternal Orders, Labor Unions, Chinese and Japanese Floats and Militia in Line

[Special Dispatch to The Call] FRESNO, April 26.—With the close of the contest for carnival queen but one day away it now resembles a political battle. Miss Maxine Jones, second in the race at the close of the polling tonight, had a quantity of cards distributed, which read: "Vote for Maxine Jones for carnival queen."

Miss Lydia York had a safe lead, however, and unless some heavy voting is done tomorrow, it is probable that she will rule over the people of Fresno this day. The standing of the contestants at 6 o'clock tonight was: Lydia L. York, 2,655; Maxine Jones, 1,806; Charlotte Adams, 1,226; Myrtle Wilham, 1,162; Rose Taskus, 1,046, and Grace Beckwith, 1,044.

Miss York polled the heaviest vote today, 1,195 ballots being cast for her. Her nearest competitor, Miss Jones, polled 306 votes.

PARTICIPANTS IN PARADE Major Ed Jones, grand marshal, has announced that the parade to be held in this city next Saturday night will be led by a band followed by the queen of the carnival, Marshall Jones and his aids, J. D. Morgan, W. F. Toomey, Ben Dreuth and Parker Timmins will come next on horseback and then the various fraternal organizations.

The Uniform Rank, Knights of Pythias, will be out in full force with a K. K. float. The Redmen, in Indian costume, will be mounted on horses. The Eagles will have a big float and the Eagle drum corps will also be in line.

The Native Sons, 200 strong, in white uniforms, will precede the various labor unions. There will be Chinese and Japanese floats, handsomely decorated and so arranged as to allow the discharge of fireworks, a battalion of police, the two local companies of the national guard, and scores of automobiles.

CITY OFFICIALS IN AUTOS In the van of the automobile division will come the city and county officials in gaily decorated automobiles. The raising day committee will also be in automobiles. A drum corps, the Veteran Firemen in uniform and a delegation from the regular fire department will be in the rear.

The parade will be about two miles long and will be a gorgeous affair. The line of march will be strewn with red fire and the air will resound and be lighted by oriental fireworks. A letter was received by the raising day committee today from the Cosmos club in San Francisco stating that it had made plans to observe raising day. Letters were also received in which it was stated that some of the largest hotels in California, including the Fairmont and Palace in San Francisco, the Vendome in San Jose and the Arrowhead hotel near San Bernardino, had made arrangements to serve raisins in everything possible April 30.

The people of Princeton, Colusa county, are to dedicate a memorial fountain April 30, and as this is raising day an invitation has been extended to all the raising associations in the valley to attend. A committee of city officials of Princeton has issued the invitation.

The raising day committee sent out the last of the big posters which it had on hand today, and it is expected that by tomorrow the last of the recipe folders will have been sent out. There are still about 200,000 to be mailed, but it is expected that these will be made at the hands of the postoffice people tomorrow night.

Bake Raisin Bread! Cup For Best Loaf

Handsome sterling silver cup offered by The Call as the prize for the best loaf of California raisin bread baked by any baker or confectioner in California north of the Tehachapi.

Handsome sterling silver cup offered by The Call as the prize for the best loaf of California raisin bread made by any cook or housewife in California north of the Tehachapi, not a professional baker or confectioner.

BAKERS and confectioners—all of you in California between the north side of the Tehachapi and the Oregon line—here's a challenge and a chance for you. Housewives and cooks other than professional bakers and confectioners—all of you in California within the same north and south boundaries—here's the same kind of a challenge and a chance for you also.

A handsome sterling silver cup is offered by The Call for the best loaf of raisin bread baked by any baker or confectioner in the territory described. Another sterling silver cup, equally handsome, is offered by The Call for the best loaf of raisin bread baked by any housewife or cook, not a professional baker or confectioner, in the same territory.

The sole restriction, beyond the geographical limitations already fixed, is that none but California raisins shall be used. So go ahead, bakers, confectioners, housewives and cooks. Begin experimenting right away. See what you can do with one of the finest delicacies California produces.

Three of the best known chefs in California have consented to act as the committee to judge the bread and award the silver cups. They are:

ERNEST ARBOGAST, Chef of the Palace Hotel
VICTOR HIRTZLER, Chef of the St. Francis Hotel
ARTHUR LOGAN, Chef of the Hotel Stewart

The men who will determine the winner of The Call's raisin bread contest.

These three men are at the top of their profession and contestants can be assured that the awards will be made strictly on the merits of the bread. The conditions are few and simple.

The loaves must reach The Call office not earlier than the morning of the 25th, nor later than noon of the 29th. All loaves that come on the 25th will be tested and judged on the afternoon of that day, while they are still fresh. The judges will hold another session on the afternoon of the 29th to pass upon the loaves that are received up to noon of that day.

Each loaf should have a label announcing the name of the contestant and stating whether the maker is a professional or nonprofessional cook.

The awards will be announced in The Call on the morning of the 30th.

STOCKTON WILL FIGHT FOR TERMINAL RIGHTS

Asks Needham to Oppose Legislation That Threatens

[Special Dispatch to The Call] STOCKTON, April 26.—The board of trustees of the chamber of commerce last evening instructed Secretary J. M. Eddy to send a telegram to Congressman J. C. Needham of this district relative to proposed legislation which may cause the discontinuance of terminal rates and place charges for shipments upon a mileage basis. The congressman will be urged to protect Stockton as a terminal point.

The other terminal points are San Francisco, San Diego, Los Angeles, Sacramento and Marysville. The chamber protests against the changing of the present system, as it feels that the interests of the city will be best served as a terminal point.

President George F. Hudson was authorized to appoint a committee of six to attend the river conference at Rio Vista Saturday. A committee will also act in conjunction with the Young Men's Institute in entertaining the delegates to the state convention, which will be held here next August.

NEW DIOCESE FOR THE SAN JOAQUIN

Episcopal Clergy in Session at Stockton Favor Another Administrative District

[Special Dispatch to The Call] STOCKTON, April 26.—One of the most important matters before the convocation of San Joaquin valley now in session at St. John's guild hall in this city is the proposed change in the diocese. It is quite probable that the diocese, which now includes the San Francisco, San Jose and San Joaquin convocations, will be divided. San Francisco and San Jose convocations will continue a diocese, but San Joaquin valley will be made a separate diocese. This matter is to be settled at the general conference.

There are about 40 delegates and rectors of the Episcopal churches in the San Joaquin convocation in attendance. The holy communion was celebrated this morning at 9:30 o'clock at St. John's church, after which Bishop W. P. Nichols delivered the sermon. He dwelt especially upon the proposed change in the diocese. He said that while he regretted keenly to have to give up the San Joaquin valley as a part of the diocese he realized that the change must be made, as the district is too large for one bishop. The bishop declared that he had many dear friends in the valley and had always looked forward with the anticipation of much pleasure to his parish visits.

Following the sermon the convocation organized in Guild hall. At 1 o'clock this afternoon the ladies of the church served luncheon in the Y. M. C. A. banquet hall and the ministers and delegates returned to the hall at 2 o'clock to resume their session.

Pittsburg Jury Hears Testimony of Bribery and Retires Without Reaching Verdict

PITTSBURG, Pa., April 26.—The case of former Councilman Maurice S. Coffey, the third of the city fathers to be tried on a bribery charge, went to the jury today. When the court adjourned for the night no verdict had been reached and the jury was locked up.

TOURIST CRITICALLY INJURED When Child Accidentally Starts Hotel Elevator

With her body badly crushed and with a probable fracture of the skull as the result of falling down the elevator shaft of the Winchester hotel last night, Mrs. C. A. Contant of Fort Wayne, Ind., is at the French hospital in a very precarious condition.

Mrs. Contant and her husband arrived from the east yesterday to make a pleasure tour of the coast. They spent the day visiting about the city, and at 7 o'clock last night returned to the hotel and started to go up to their room. Mrs. Contant was stepping into the elevator when a little girl, Etta Barnett, who was standing behind the elevator boy, James McNeil, accidentally put her hand upon the lever and the elevator suddenly shot upward. Mrs. Contant's weight was too much for the door and it gave way, hurling the unfortunate woman 20 feet into the basement, where she landed on her head. The unconscious woman was rushed to the harbor emergency hospital.
