

CAN TWO THINGS OCCUPY THE SAME SPACE?—By Goldberg.

SLIM NELSON HAS ANGELS HELPLESS

Southerners Lose in Spite of Good Work of Little Busher Kline

It was a tough loss for little Kline, the busher from the Alameda team of the Class D league, who made his debut in fast company yesterday on the firing line for the Angels. The 19 year old had pitched good enough ball to win any game, but it was not his fault that he did not win, for the Angels were helpless before the benders of Slim Nelson, who twirled one of his fashionable games. The score was 2 to 0 against Los Angeles.

It was the fourth defeat in a row for the southerners, and they are beginning to look like the real Joes of the league. Henry Berry even went to the bushes and picked up Kline to try to change his luck, but even this did not work. The transbay tossers smeared the brush over the visitors in a free manner.

The little fellow appears to have the makings of a good moundman, and though he was a little nervous at the outset of the game he was there any day like a veteran, having two putouts and six assists to his credit, without a slip. The Angels gave Kline good assistance in the field, but they were of no help to him at the bat.

While the Oaks won the game, still the Angels have protested it on a play which came up in the third inning. Empire Finney allowed Cameron to take an extra base in the third frame when Bernard made an overthrow which went to the bench of the Angels.

The two runs scored by the Comuters came along after two men were down. Cutshaw opened up the third frame by working Kline for a pass and then Wares sacrificed. Hogan's grounder was gathered in and Cutshaw was thrown out at third, Hogan reaching first. Cameron hit to right field and Hogan ran around to third. Bernard tried to nail him on third, but he pegged wildly and the ball went to bench, Hogan going home. Empire Finney allowed Cameron to take three according to his interpretation of the ground rules. Dillon argued otherwise and alleged that the runner should have been kept at second. Dillon lodged a protest with the scorer. Carroll came along with a hit to right field and Cameron crossed.

The contest got down to a real pitchers' battle after this frame and honors were about even between the grooved rules. Dillon argued otherwise and alleged that the runner should have been kept at second. Dillon lodged a protest with the scorer. Carroll came along with a hit to right field and Cameron crossed.

SEALS WIN, BUT HOGAN PROTESTS

LOS ANGELES, June 3.—Hitt walked five men and forced two runs in the first nine innings and held San Francisco even in a 4 to 4 score. That tells the story of Vernon's defeat today. Hogan protested the game after the Seals, having supplanted Stewart with Ames in the box in the tenth, but Henley in when Coy, who was up, had three balls and no strikes. Score:

Portland 3, Sacramento 2. PORTLAND, June 3.—After the Portland team had tucked two runs away and had shot the visitors out entirely for eight innings Sacramento tied the score in the ninth. With the prospect line for an extra inning contest Olsen singled and stole second. Hettling, who followed, made a little hit and Olsen sprinted for third and, with an audacity that was startling, kept on toward home. Hettling was retired at first by Hen, but the pitcher could not get the ball home in time to kill off Olsen's run. Score:

PRUNE PICKERS BEAT FRESNOTTES

FRESNO, June 3.—San Jose broke Fresno's winning streak today, the visitors winning 6 to 2. Shimpff was hammered for 12 hits, one a home run by Peters with Mentor on base in the first inning. Keller's two base hit scored two in the sixth and Rutledge's single sent another run across the plate. Schimpff passed two and made two errors, all of which figured in the scoring. The score:
