STATE UNIONS TO AID STRIKE IN LOS ANGELES

Executive Board Orders All Building Trades Taxed to Help in Fight

United Effort to Be Made by Workmen to Unionize the Southern City

At a meeting held yesterday by the executive board of the state building trades council in the board's offices in the Metropolitan bank building, it was unanimously voted to levy a state tax among the allied organizations to support the strikers in Los Angeles, with the purpose of unionizing the southern city. Mayor P. H. McCarthy, general president of the board, presided and personally urged the measure before the body.

According to reports received during the three weeks in which the strike has progressed, over 3,000 men are out in Los Angeles, leaving their places to force an eight hour day and a new wage schedule. Not only was the assessment approved by the board, but it was decided immediately to invade the southern city with all the organized force possible. To this end it is intended to build a tent city there to accommodate all the men on strike. A commissary department will be organized and provisions sent in car load lots from points outside of Los Angeles to the labor settlement.

Iron Workers on Strike

The organizations now out include the bridge and structural ironworkers, machinists, moulders, pattern makers, machinists, the brewery workers and bottlers, stationary engineers and firemen, laundry workers and elevator constructors. Both the Baker iron works and the Llewellyn iron works are involved, as well as the Mather and Los Angeles breweries companies.

The members of the executive board present at yesterday's meeting were: President P. H. McCarthy, Secretary O. A. Tveitmo, First Vice President J. E. Bowen, Second Vice President Thomas Graham, Third Vice President M. G. Bernhard, Fourth Vice President M. F. Connors, Fifth Vice President James A. Gray, Sixth Vice President John Cosfield, Seventh Vice President J. Forgett, General Counsel C. L. Dam, Sergeant-at-Arms F. H. Pratt.

Executive board members: J. B. Bibby of Alameda county; F. H. Eggerth, Contra Costa; Perry Burlingame, Humboldt county; William A. Sexton, Los Angeles county; William Marshall, Marin county; W. J. Dickerson, Monterey county; E. A. Clancy, San Francisco; C. D. Bass, San Joaquin county; A. L. Hawes, San Bernardino county; James Wain, San Mateo county; W. G. Mathewson, Santa Clara county; Charles Annes, Santa Cruz county; W. F. Brown, Sacramento county; Frank Adams, Sonoma county, and F. P. Cantrell, San Diego county.

Strike to Be General

In speaking of the action of the body yesterday Secretary Tveitmo said: "The men in Los Angeles are fighting for the eight hour day and the \$4 wage schedule. They have been unable to make satisfactory progress there against the odds offered, and we will now help them with a state campaign. Our intention is to ship into the south enough tents to accommodate 5,000 men. During the strike the union men and their families will pay no rent. Provisions will be shipped in from the outside, and they will be able to make a fight for what they want. At the present time the building industry of Los Angeles is paralyzed and the movement will shortly become general."

PRETTY STENOGRAPHER MARRIES BUSINESSMAN

Miss Ida Nutt Unite d to H. H. Ware

Miss Ida Nutt, the private stenographer of Gus Larm, manager of the Maxx hotel, sprang a surprise on her friends yesterday when she quietly slipped away and married H. H. Ware, a businessman of this city.

Outside of Larm none about the hotel knew of the nuptials until the ceremony was over. The wedding took place in a parlor suite of the hotel.

A trip to the east is in prospect after a short honeymoon stay in the southern part of the state.

TONG WAR BREAKS OUT IN NEW YORK

Three Shot, Two Fatally, in Clash Between Ong Leongs and Four Brothers

NEW YORK, June 26.—The tong war, which sleeps, but never dies, in spite of threats, promises and solemn treaties, broke out today in Chinatown. In 90 seconds three Chinese were shot, two of them fatally, a third was painfully wounded, and more than 40 shots from heavy caliber revolvers spattered against the bricks or pavements. In three minutes following seven Chinese were arrested.

It happened that the two thousandth anniversary of the founding of the Society of the Four Brothers fell on this day and in its honor the members were to give a banquet in Pell street at 5 o'clock.

It was in the midst of a restless, shuffling throng, sown thick with policemen that the shooting began. There is no certainty of the precise provocation, but it is generally understood in Chinatown that the Ong Leong tong did not relish the fact that Chu Han, recently acquitted of the murder of an Ong Leong tong man, was to be the guest of honor.

The Hip Sing tong, the Ong Leong tong and the Four Brothers each occupy their own street, and no prudent member of one society trespasses on the territory of another. Pickets had been posted today at the end of Pell street by the Four Brothers and scouts of the Ong Leong tong patrolled the adjacent boundary of Mott street.

Somebody stepped over the line. Somebody began to shoot and the fusillade followed.

INCENDIARY WALKS IN FIRE HE SET

Wading Through Flames Is a Pleasure, He Declares

LOS ANGELES, June 26.—After his arrest today on a charge of arson Jacob Gladman confessed to having set fire to the residence of Mrs. I. B. Foote, near where he lived, so that he might have an opportunity to satisfy his desire for walking through the flames.

Suspicion was directed toward Gladman by the discovery that he was suffering from severely burned feet and when arrested he admitted that he was responsible for the blaze.

"Walking through fire with my feet bare is a pleasure to me," he explained. A lunacy commission will examine the prisoner tomorrow.

OAKLAND MAN MEETS DEATH IN ACCIDENT

Adolph Zeis, Prominent Salesman, Hurlled Through Glass Shield and Killed

Wife and Two Guests Thrown From Car and Painfully Injured

Aid Is Summoned

OAKLAND, June 26.—Adolph Zeis, a prominent traveling salesman, well known throughout the coast, was killed shortly after 1 o'clock this morning, when he lost control of his auto and the machine crashed into a telegraph pole at East Fourteenth street and Saratoga avenue. With him in the machine were his wife and two guests, Charles Reuter and Mrs. J. W. Bradford. All three were injured, the shock nearly proving fatal to Mrs. Zeis, who has been a semi-invalid since the death of her mother last May.

The accident occurred at a sharp curve, the occupants being thrown from the car. Zeis was hurled against the wheel and through the glass dust shield. His skull was fractured.

Neighborhood residents telephoned to the police for assistance and Night Operator Hunley made a flying trip to the scene in an auto. Hastily placing the victims of the accident in the car he started for the county infirmary, but before the destination was reached Zeis died.

Mrs. Zeis, whose condition appeared so serious that it was feared she, too, might succumb, was taken to the Acropolis sanatorium, where an examination by Doctor Shannon disclosed the fact that the woman's injuries consisted of severe shock and a number of painful bruises, none of her bones having been broken. Reuter and Mrs. Bradford were taken home, where they were placed under the care of a nurse. Their injuries are painful, but not dangerous.

Was Careful Driver

Zeis started out to take his wife and their guests for a spin in his new car at 8 o'clock in the evening. The outing was planned principally for the benefit of Mrs. Zeis. Finding the night ideal for motoring, the party proceeded to Alvarado and then returned homeward. According to friends, Zeis was a very careful driver. On her way to the hospital Mrs. Zeis declared that they were going along at a very moderate pace when the crash came. The speed indicator, however, registered 48 miles when it was found after the accident.

It is believed that Zeis found the steering gear unruly at the sharp curve and was unable to turn his machine, which ran straight ahead and crashed into the pole.

Zeis was one of the oldest traveling salesmen in this county, and for a number of years had represented the J. A. Folger company on this side of the bay. He was a member of the Commercial Travelers' association, of the Elks, Masons, Knights of Pythias, and had other fraternal connections. Four children survive him—Allen, aged 16 years; Ruth, aged 13; Duncan, 10, and Russell, 7. Arrangements for the funeral have not been completed. His home was at 1226 Second avenue.

KAISER'S YACHT LOSES TO AMERICAN SCHOONER

Emperor Preaches Sermon on Board Hohenzollern

KIEL, June 26.—In a stiff breeze today the American schooner Westward, owned by Alexander S. Cochran of New York, won the jubilee prize, defeating Lieutenant Krupp von Behlen and Halbach's Germania by 1 minute and 42 seconds.

Emperor William's American built Meteor, with the emperor on board, finished third, only a few lengths behind the Germania.

The emperor today conducted divine services aboard the imperial yacht Hohenzollern. He chose as his theme, "Did Jesus Live" which recently has been the subject of much public discussion, following the appearance of a pamphlet by Prof. Arthur Drews, of Karlsruhe, who declares that Jesus never lived. The emperor's text was St. Luke 23:44.

BLACKMAIL PLOT MAY BE EXPOSED

Alleged Illegitimate Child of Millionaire Said to Be Orphan Asylum Foundling

[Special Dispatch to The Call]
DENVER, June 26.—Little Villa Belle Martini, whose mother, while living in poverty in Denver, created a sensation here and in Pittsburg by declaring the child was the illegitimate daughter of Theodore N. Barnsdall, a millionaire of the latter city, may have been only a foundling taken from an orphan asylum and used for blackmailing purposes. The real history of the case may never be known, for the mother died of alcoholism a few days after she made the announcement, and the child was given by the juvenile court into the custody of the dead woman's mother, Mrs. Sarah E. Holtin of San Francisco.

After a lapse of two years this woman has written to Judge Lindsey telling him she no longer wishes to be guardian of the child, as she has positive proof that her daughter was not her mother, but secured the baby from an orphan asylum.

Barnsdall at the time Mrs. Martini made the claim upon him protested that the woman was blackmailing him. He said he was not the father of the child.

The state humane society and the juvenile court communicated with him, but he refused to have anything to do with the case.

After the death of Mrs. Martini her mother came here and asked for the custody of the child.

If the report to the juvenile court submitted by the present mother is proved true, the child will lose whatever claim she may have had as a supposed heir of the millionaire banker.

NEW YORK, June 26.—George Taylor of Philadelphia, a balloonist 21 years old, dropped several hundred feet at Belleville, N. J., this afternoon when a parachute with which he had cut loosely from his balloon failed to work properly. Taylor was taken, seriously hurt, to St. Mary's hospital, Passaic. It is thought he will live.

With Thomas Moore of Jacksonville, Fla., Taylor rose in the balloon. They were watched by a large crowd.

When about 1,000 feet up Taylor decided to make what is known as "the double drop," in which the aeronaut cuts loose with two parachutes, using each in turn during his descent. As soon as he left the balloon Taylor got the first parachute open and dropped without mishap about half the distance, but when he tried to use the second parachute it opened only partially. He landed on one mile from Pleasure park, fell over on his back and lay there, stunned.

CONDEMNED MEN MARRY IN PRISON

Mexicans Under Death Sentence Shot Few Hours After Wedding Ceremonies

MEXICO CITY, June 26.—Two brides were made widows a few hours after the wedding ceremonies were performed in the penitentiary at Valladolid, Yucatan, yesterday, when their husbands faced a firing squad selected to execute them in accordance with sentences passed after trial by the war department for sedition and murder. The accusations grew out of the recent uprising at Valladolid.

For several days a number of prisoners have been on trial. Three were sentenced to death and executed yesterday afternoon after remaining in the death chamber all day, three were sentenced to 15 years in the penitentiary with perpetual loss of citizenship, and four were sentenced to four and four months in prison.

Immediately after the death sentences were pronounced on the three men charged with murder two of them asked permission to marry before they were executed.

Their requests were granted by the authorities and the young women to whom they were engaged went to the prison at the hour agreed upon for the marriage ceremonies, knowing that in a few hours the men were to be shot.

The recent action of Governor Gillett has sounded the deathknell for prize fighting in California, and numerous arenas and clubrooms are on the market to be disposed of at a bargain. A veritable host of gladiators and embryo contestants for fistie honors are wondering how they shall spend their Friday evenings and Sunday afternoons, since there is nothing doing at the Dreamland and all their club training will profit them nothing for the future. The gladiator's day is ending.

The vacuum must be filled somehow; let us fill it with recreations which will fully satisfy the demand of a normal youth, and which will be clean and wholesome and contributory to character and clean living. The splendid and far-reaching work of the Young Men's Christian association of Wichita is worthy of the fullest confidence and heartfelt support by the citizens of San Francisco as aiding to solve the problem. The evening schools deserve all the resources and all the friendly backing they require to make them more attractive and available for youths who are wavering on the border line between a life wasted in sport and a life ennobled by high moral purposes.

The run from Wichita Sunday—332 miles—will be exceeded tomorrow by 10 miles in the run to Omaha.

EDWARD HART DISAPPEARS—Edward Hart, residing at 1299 McAllister street, was reported missing yesterday. The police were asked by Mrs. C. Cunningham to locate him. He has wandered away before. He is 23 years of age and has suffered from brain trouble for a number of years.

MEXICANS RE-ELECT DIAZ

President and Vice President Swept Into Office by Great Majority

SOLDIERS MAINTAIN ORDER AT THE POLLS

But 2 Per Cent of the Vote in Mexico City Goes to Rival Candidate

ELECTION DAY PASSES WITHOUT DISORDER

EL PASO, Tex., June 26.—A telegram from Mexico City tonight from a nonpartisan source declares that the re-election of Diaz is certain.

It may have been providential, but rain along the Mexico border today kept the crowds in most of the time and a very light vote is said to have been polled. Troops were in evidence in considerable numbers at all the polling places and crowds were not tolerated.

Last night troops patrolled all the streets and prevented any meetings unless they were in small numbers and very secret. At Cananea the smelter was shut down today, and as all saloons have been closed throughout Mexico since Saturday morning there was nothing to draw the average Mexican from his house.

In Ciudad Juarez, opposite El Paso, open opposition developed in the day for the first time to Diaz and Corral. A paper was issued containing the names of officials of the anti-re-election club and showing Judge Amador, state tax collector, A. Regules and many prominent men aligned with the anti-Diazites.

The appearance of General Felix Diaz in Juarez and El Paso yesterday and today is said to have added boldness to the anti-re-electionists, as Diaz has just been deposed as chief of the Mexico City police for opposing the election of Corral.

Overwhelming Victory

MEXICO CITY, June 26.—General Porfirio Diaz was today elected president of Mexico and Ramon Corral vice president by an overwhelming majority, according to returns received here from all over the country tonight.

The anti-re-electionist ticket, headed by Francisco I. Madero, now under arrest in San Luis Potosi, received about 2 per cent of the vote cast in Mexico City, according to an unofficial statement tonight. It is estimated that between 8,000 and 50,000 votes were cast in the city.

The city was free from disorder of a serious nature, although at several voting places friends of the candidates had personal encounters.

Eighty hundred electors were chosen in Mexico City, of whom only four are anti-re-electionists. From telegrams received from various parts of the republic the same proportion seems to prevail throughout the country.

The electors chosen today will meet in the electoral college on July 19 to vote for deputies and senators, on July 11 officially to declare the election of a president and vice president and on July 12 to name judges of the supreme court.

El Imparcial tomorrow will say that the election today was a complete triumph for the entire Diaz-Corral ticket.

At Torreon, Vera Cruz and Omitere the Diaz-Corral ticket carried by large majorities. Election day at Monterey, reported as a center of political unrest, passed off without excitement of any kind.

Elections in Panama

JANAMA, June 26.—Municipal elections were held throughout the republic today without disturbance of any kind. The government won by a large majority, particularly in Panama city and in Colon.

MISS ANGLIN REHEARSES SOPHOCLES' "ANTIGONE"

Public Performance to Be Given Thursday Night

A dress rehearsal of Sophocles' "Antigone" was held last night at the Greek theater by Margaret Anglin and her clever company. The orchestra and the choral forces under Dr. J. Fred Wolfe participated and George Riddle directed the preliminary production.

Sophocles' tragedy in English will be given a splendid production Thursday night if the zeal displayed by the actors last evening and their familiarity with the wonderful lines may be taken as evidence. Miss Anglin donned for the first time the sombre robes of "Antigone." It was the opinion of those few privileged to see her that she would create a profound and vivid impression when she steps on the stage of the Greek theater Thursday night in her first professional assumption of the role of Oedipus' daughter.

Plumptre's version of the tragedy is being employed, that being, according to Riddle, the best acting English rendering of the Greek drama. It was used in the only other professional production of "Antigone" that America has witnessed, in 1846.
