[Special Dispatch to The Call]

SANTA CRUZ, July 25.—In a light breeze the sloop Monsoon added another race to its list of victories today, winning the 15 mile contest and beating its closest opponent 45 minutes 10 seconds actual sailing time, and even beating the schooner Argie's time by more than 22 minutes. Commodore W. G. Hogg's Meteor of the Corinthian club was second and the Polly of the Sausalito yacht club, with the limit handicap, third.

The Argie of the San Francisco yacht club won the schooner class contest, the Marion having been disqualified for improper starting. The race was from a one gun start.

The parade of yachts yesterday afternoon brought out a record breaking crowd to the beach. The day was a crisp one and the white winged sailboats presented a pretty appearance on the blue waters of the bay. Under instructions of Commodore William J. Hogg sails were raised promptly at 2 o'clock and led by the commodore aboard his flagship Meteor the yachts all with many guests aboard sailed about the bay until 5 o'clock when once again hooks were dropped and the race made for shore and mingled with the crowds.

Each of the yacht owners had different colored ribbons printed with the name of his boat on them. These were worn either at hat or arm bands, and every one here is making a mad scramble to secure a collection of them.

CASINO A TOY SHOP
Manager Fred Swanton has decorated the Casino with thousands of miniature yachts until the big building looks like a toy shop. On next Saturday night each person who attends the final ball to the yachtmen will receive a tiny yacht as a souvenir.

This is probably the liveliest week the beach has ever seen, and in spite of the fact that there have been no hot days there are always plenty of bathers of assorted sizes indulging in either advantages of the bathing pavilion or the surf.

From 10 a. m. to 10 p. m. the launch Standard is at the service of the yachtmen and their guests and crowds are constantly piling aboard the gayly decorated yachts.

Commodore Wright of the South Bay club and a number of his club members, Vice Commodore J. E. McFarlane, George Lux, William Barlage of the Corinthians and Commodore Leslie Seaman of the Sausalito yacht club, are among a number of the prominent yachtmen who are here.

The launch Ripple, Captain Tony Mizner of the Aeolian yacht club, is also here.

The Whitewings, the last boat to reach Santa Cruz, arrived at midnight last night.

Yacht Valmore Wins
MACKINAC ISLAND, Mich., July 25.—The yachts in the Chicago-Mackinac race which started at Chicago at 3 o'clock Saturday afternoon crossed the finish line in the following corrected time:

Valmore, 27:45:32; Vincitor, 29:44:50; Illinois, 31:35:46; Josephine, 32:10:16; America, 32:11:10; Heredon, 32:32:36; Noid, 32:52:34; Mistral, 34:02:58.

William H. Thompson's Valmore has won the contest for the third consecutive year.

SAL ATTICUM DIES AT CLARK'S FARM

Clever Three Year Old Which Won Many Races Succumbs to Lingering Sickness

Sal Atticum, one of the cleverest 3 year olds that started during the last season at Emeryville, died recently at the farm of his owner, Charles Clark, near San Mateo. The colt had been on the ailing list during a great part of the time since his last race, and his death was caused by inflammation of the bowels.

Sal Atticum was by Salutation out of Wilma, and he beat some of the best sprinters at the Oakland track. The stable connections cleaned up handsomely through his victories on several occasions.

Cluny, the sensational 2 year old filly, is at the farm with the other horses of El Palomar stable, in charge of Trainer Walter Heath, and will be seen under colors at Emeryville during the coming season. There are a few yearlings in the string.

LEGG LEADS OFF IN GOLF TOURNEY

Minikahda Player Finishes in First Half of Qualifying Round With 70

MINNEAPOLIS, July 25.—Harry G. Legg of Minikahda led the field in the first half of the 36 hole qualifying round for the western golf championship tournament of the links of the Minikahda club today. Legg made the 18 holes in 70, two strokes below the course record made by Warren Wood of Homewood Friday. The quality of golf displayed by the 64 survivors of today's game was the best ever shown in a western championship. The highest to qualify was 87 and there were several ties at those figures.

W. L. Howland Jr. of Glenview finished second with a 72, while Paul Hunter and Mason Phelps of Midlothian and Albert Seckel of Hinsdale handed in 74 cards. Charles Evans Jr., the western champion, made a 75 after a bad journey out. R. A. Gardner of Hinsdale, national champion, also had a 75. Warren Wood of Homewood, winner of the low qualifying prize in the 1909 western tourney, handed in a 77.

The 64 survivors will play 18 more holes in the qualifying round tomorrow. Those who failed to land in that charmed circle are out of the championship contest.

Legg's 70 was little short of phenomenal, as he had hardly any luck. He rimmed the cup six times on putts, as he said the putting greens were keener than he had anticipated.

His driving was brilliant, especially on the shorter holes, where he drove to the green every time. His only poor drive was in playing the tenth, but he retrieved himself with a screaming brassie that put him on the green in 2. He lost his chance for a 3 by missing a comparatively easy putt. He took three putts on the sixteenth and then holed out in a 5. His best previous performance over the new course here was 73.

The cards of the leaders follow:

Harry G. Legg, Minikahda: Out—4, 3, 5, 3, 4, 3, 4—34. In—4, 4, 4, 4, 4, 4, 3, 3, 3—34. Total, 72.

W. L. Howland Jr., Glenview: Out—4, 6, 4, 5, 4, 3, 4—34. In—3, 4, 4, 5, 4, 4, 3, 3, 3—34. Total, 72.

Paul Hunter, Midlothian: Out—4, 4, 3, 5, 4, 3, 4—34. In—3, 4, 5, 4, 4, 4, 3, 3, 3—34. Total, 74.

Mason Phelps, Midlothian: Out—5, 5, 4, 6, 3, 4, 4—35. In—3, 5, 4, 4, 4, 5, 3, 5, 3—34. Total, 74.

R. A. Gardner, Hinsdale: Out—4, 7, 4, 5, 2, 4, 3, 3, 5, 4—38. In—3, 4, 4, 5, 5, 4, 4, 3, 4—38. Total, 75.

SENSATION SPRUNG BY COUNTRY JAY

Chestnut Trotter Steps Mile in 2:06 1/4 at Opening of Kalamazoo Meeting

KALAMAZOO, Mich., July 25.—Country Jay furnished the feature of the opening of the 1910 grand circuit races here today by trotting the fastest mile of the year against a field of good ones in the 2:07 trot. The time was made in the first heat and was 2:06 1/4. The withdrawal of The Harvester because of the inability of Ed Geers to drive left Spanish Queen favorite in the race, and her defeat by Country Jay and Bob Douglas, which was second, was the only one in which a favorite suffered.

Country Jay's mile in 2:06 1/4, in addition to being the fastest trotted this year, established a new mark for 14 year old trotters. The record, 2:09 1/4, was held by Van Zandt. Country Jay also holds the record for 13 year old trotters, 2:07 1/4.

Imey Macey drove Spanish Queen, and Gus Macey, his father, was up behind Country Jay, whose victory came in straight heats.

Willie, the English horse, favorite in the 2:16 trot, had no difficulty in winning, but Walter W. in the 2:06 pace had to be driven hard to win.

The Abbe was a top heavy favorite in the 2:16 pace and he had an easy close. Summary:

2:16 trot, purse \$1,000, three in five—Willie, b. h. (Pennock), won in straight heats; Gracious Peter, b. h. (McDonald), second; Rickie Rawson, ch. m. (Murphy), third. Time—2:09 1/4, 2:11 1/4.

2:06 pace, purse \$2,000, two in three—Walter W. gr. h. (Snou), won the second and third heats; Macedonia, b. m. (Albin), second, won the first; Charles Jones, ch. furlong, from a good class of sprinters here today. Follie Levy led to the stretch, when Scoville put Schoolmarm under a drive and the mare responded gamely and won by a nose. Summary:

First race, five and a half furlongs—Jest, 7 to 2, won; Leas, 11 to 10, second; Rogan, 7 to 2, third. Time, 1:07 1/5.

Second race, six furlongs—Dan Field, 5 to 2, won; Rossen, 5 to 1, second; Big Stick, 30 to 1, third. Time, 1:12.

Third race, mile and 20 yards—Hampton Court, 11 to 10, won; Harvey F. 7 to 1, second; Blackmire, 7 to 2, third. Time, 3:42.

Fourth race, the Knickerbocker handicap, six furlongs—Schoolmarm, 12 to 1, won; Follie Levy, 5 to 1, second; Cherryla, 6 to 1, third. Time, 1:12.

Fifth race, five and a half furlongs—Pleasant, 40 to 1, won; Planter, 6 to 5, second; Heretic, 11 to 5, third. Time, 1:06 5/8.

Sixth race, mile and a furlong—Montgomery, 10 to 1, won; Ed Jones, 10 to 1, second; Nethermost, 12 to 1, third. Time, 1:52 2/5.

Burns Denies That He Demanded Purse

SEATTLE, July 25.—Tommy Burns, who is in Seattle, says the statement published in New York that the match between Burns and Sam Langford, scheduled to take place in London in September, has been called off by promoter Hugh McIntosh because Burns demanded \$5,000 more than the amount he originally agreed to battle for, is untrue. Burns says:

"I told McIntosh at Reno after Johnson had agreed to meet me again that I would fight Johnson for 35 per cent of the gross receipts. I figured that Johnson, being the champion, would get about 40 per cent.

"Then when McIntosh began dicker for a match between Langford and myself I wired him that I wanted 40 per cent of the receipts to meet Langford, but that I was still willing to tackle Johnson for 35 per cent of the take.

"Johnson, being the champion, is entitled to the largest share of the receipts; but between Langford and myself, I am the card and that's why I asked for the 40 per cent. Never at any time has there been a purse mentioned."

CRACK PAGERS TO MEET IN MATCH

Celia K Will Try to Take the Measure of Park Favorite, Little Dick

Jack Cramer, the former policeman, has a young pacer which he thinks is "it," and by his judgment happens to be bad he and all his friends will go broke. Celia K is the steed which Cramer thinks so much of, and he is putting his bank roll down on her to beat Little Dick, Luke Marisch's horse, which is one of the park speedway's favorites.

Celia K has been burning the watches with her speed in workouts, and recently she stepped the mile heats in 2:16 in competition. Cramer purchased the horse at a bargain. She is 5 years old and if she can take the measure of Little Dick, then he has a very clever animal.

Marisch's horse can step the mile in better than 2:12 and he is a seasoned performer. There is great interest in the outcome of the match, which will be held on the stadium speedway in Golden Gate park. It will take place on Wednesday morning at 10:30 o'clock, and the conditions are the best two in three heats at a mile.

Victor Verhlaac will drive Little Dick and Frank Burton will hold the reins behind Celia K.

If Little Dick shows all of his old time form this season Marisch intends to send the crack pacer over the California circuit.

J. A. Folger Camps On Angelenos Jailed For Witnessing Fight

[Special Dispatch to The Call]

REDWOOD CITY, July 25.—J. A. Folger, millionaire merchant of San Francisco and owner of a mountain ranch near Woodside, is hot on the trail of Charles Stutz and George Eikerenkotter of Redwood City, who, he claims, killed one of the pet deer on his country place yesterday morning.

Stutz and Eikerenkotter went hunting yesterday, and returned to town in the afternoon with a buck, weighing 107 pounds. They declared that they shot the animal on the Preston place, but finding no tree in that vicinity on which to hang their game, threw it over the dividing fence into the Folger ranch.

There they hung the buck upon a tree and were in the act of cleaning it when Folger's keeper happened along.

LOS ANGELES, July 25.—Prize fighting in Los Angeles has become a very expensive sport to participants and spectators. About 80 men and boys who were arrested last Saturday night by the police in a raid on the Sunset athletic club, where a boxing exhibition was in progress, appeared before Justice Williams today, and after entering pleas of guilty, were fined the minimum amount allowed under the law, \$100.

The court suspended sentence in each case with the admonition for the parties never to appear in court again on a similar charge. They were found guilty under a city ordinance which restricted boxing bouts to a certain locality, in which district the Sunset club was not included.

David Picato and Ray Pohl, 17 and 18 years of age respectively, who were the principals in the prize fight, were turned over by Justice Williams to the juvenile court.

S.S.S. CURES BLOOD POISON

Contagious Blood Poison is the most powerful and destructive of all blood disorders. It corrupts and vitiates the entire circulation and manifests itself in the most hateful and loathsome symptoms, such as ulcerated mouth and throat, copper-colored spots, and even sores and ulcers on different parts of the body. The poison causes the hair and eyebrows to fall out, and sometimes the finger nails come off and the entire glandular system is attacked. No medicine can cure Contagious Blood Poison which does not rid the circulation of every particle of the insidious virus. The least taint left in the blood will break out afresh, when treatment is left off. S.S.S. is the real and certain cure; it goes into the blood and by removing every particle of the poison, and adding rich, healthy qualities to the circulation, forever cures this powerful disease. All who suffer with Contagious Blood Poison may cure themselves in our Home Treatments Book, which we will send, together with any medical advice desired, free to all who write.
